I don't care. I can knock you out here and make only 10,000,000.

I don't care, I can knock you out

I don't care, I can knock you out

I'm looking forward to seeing
how much stronger you've gotten.

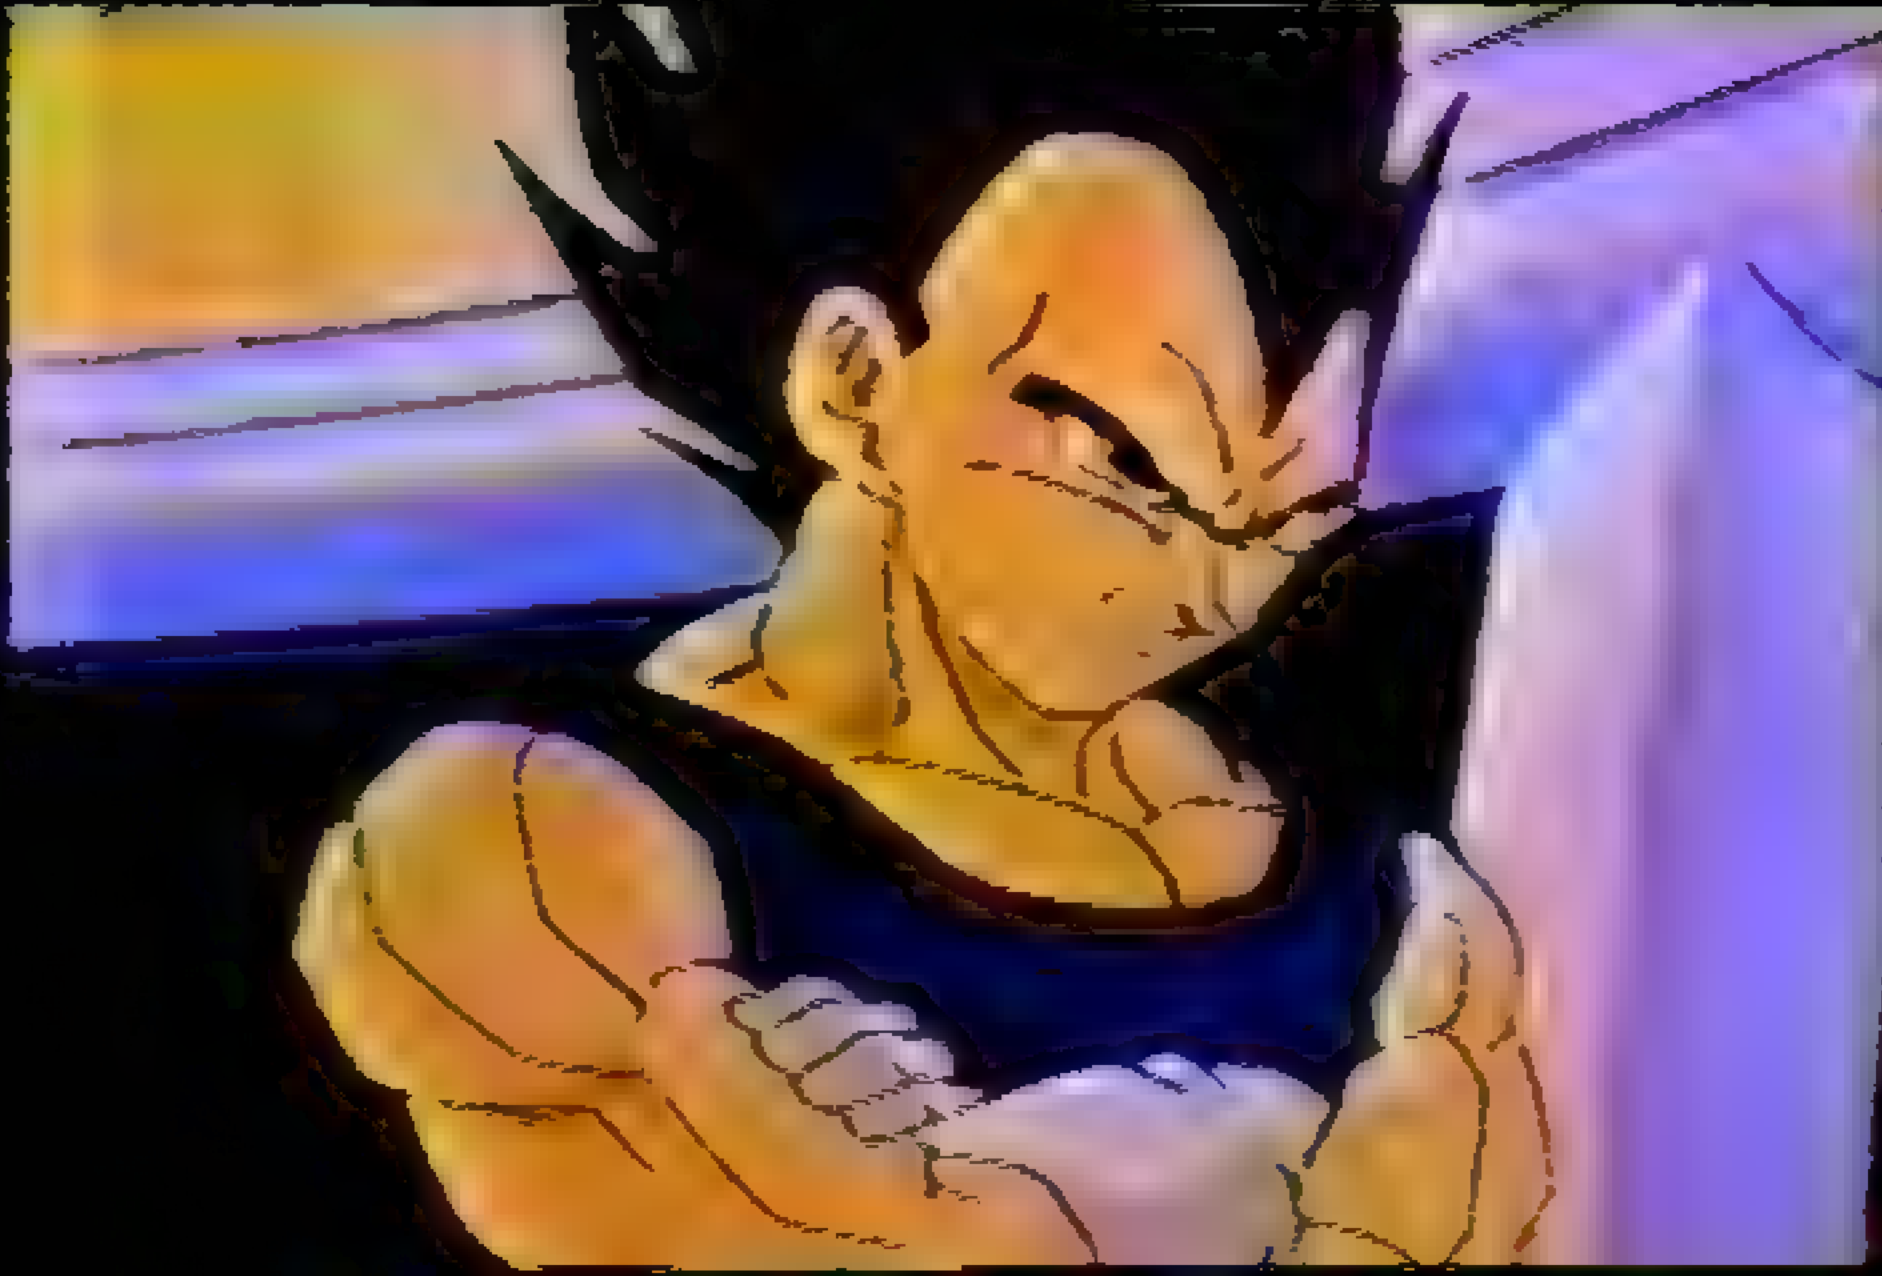

I'm looking forward to seeing
how much strong you've gotten.

Gohan, have you trained
hard while I've been gone?

Gohan, have you trained
hard while I've been gone?

Unfortunately, he didn't do much
training while there was peace.

We're stronger than him now.

We're stronger than

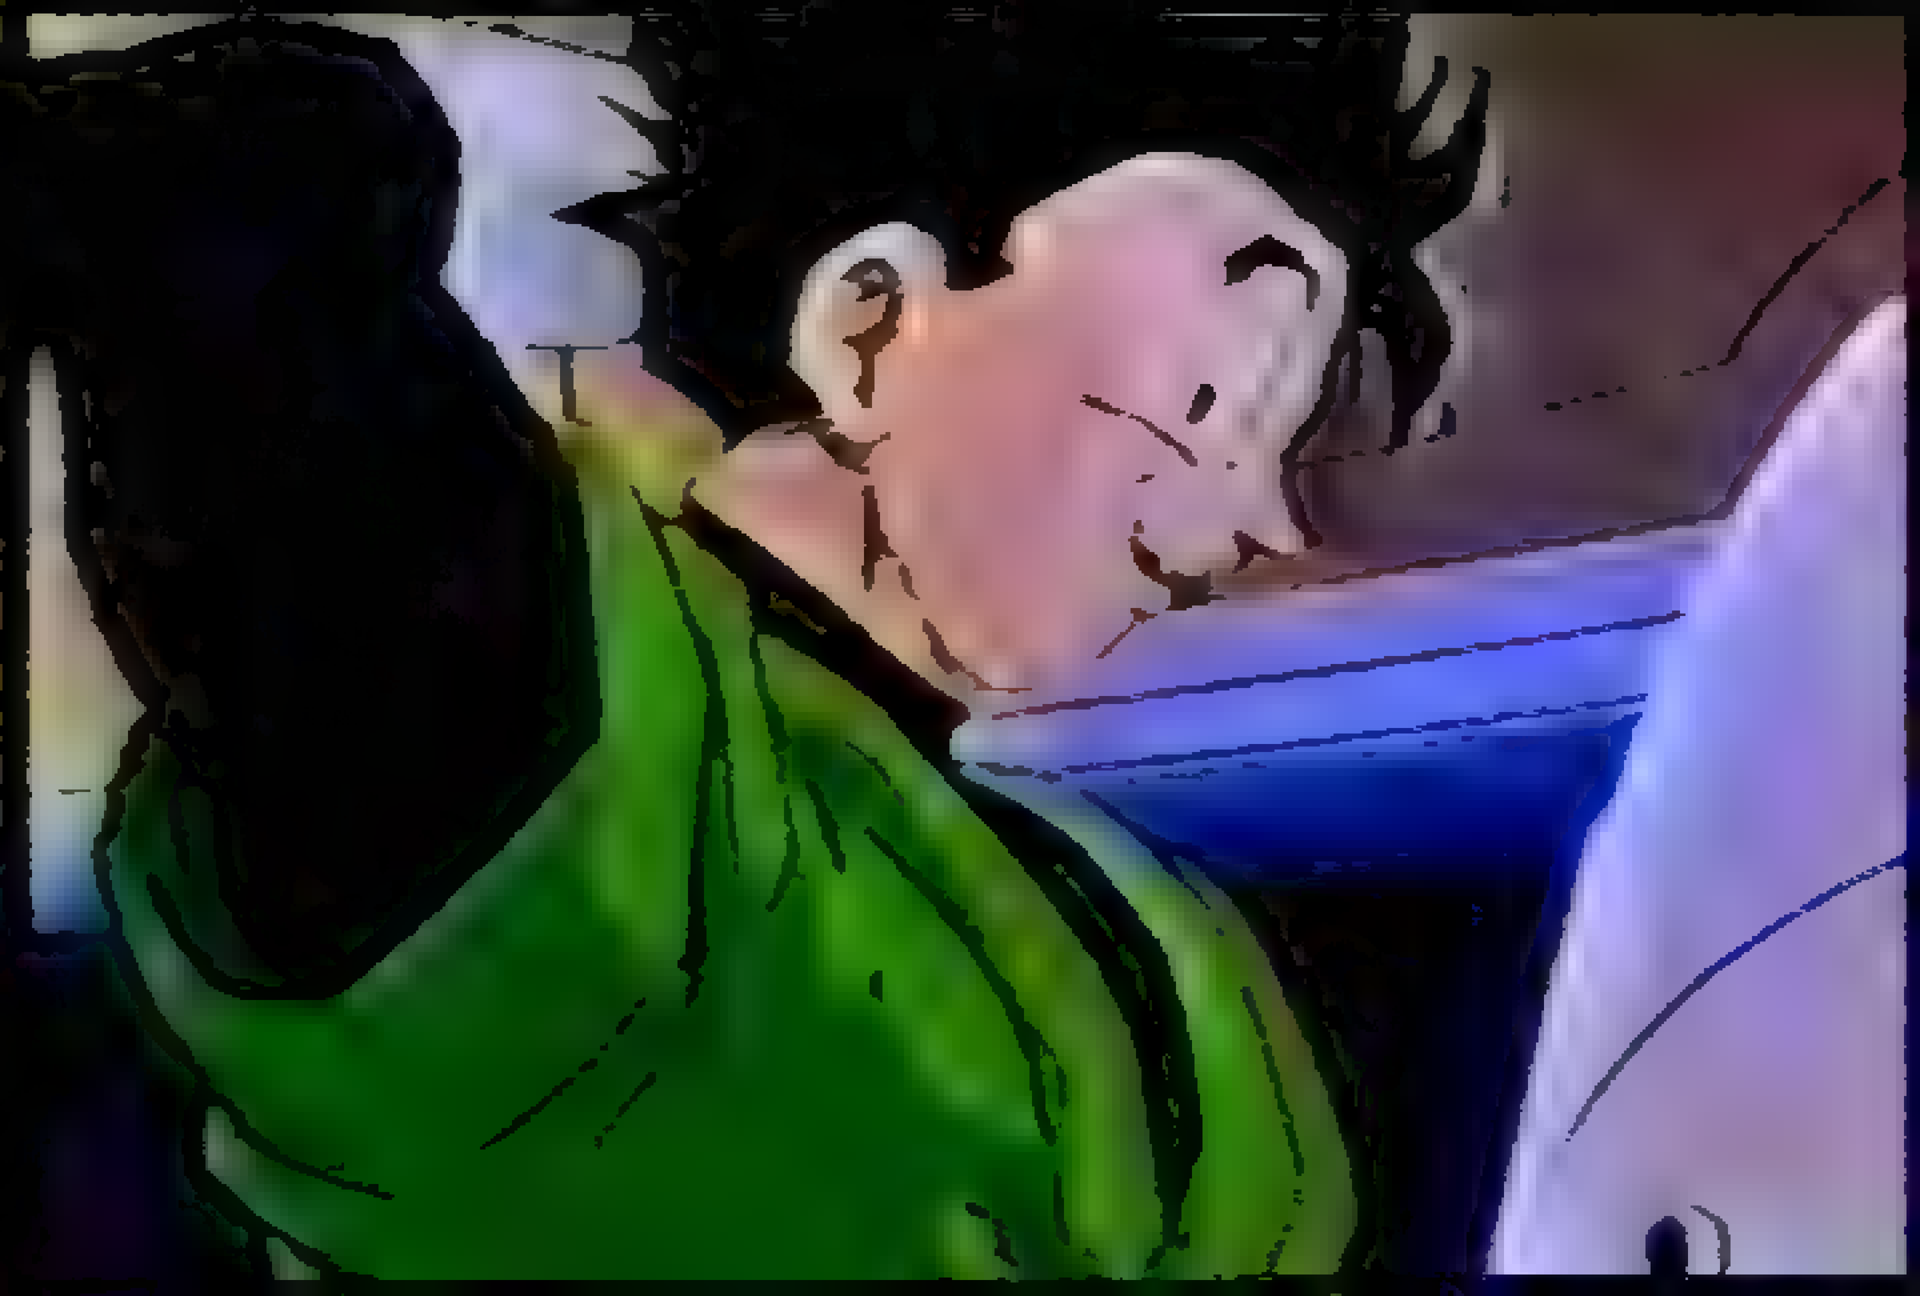

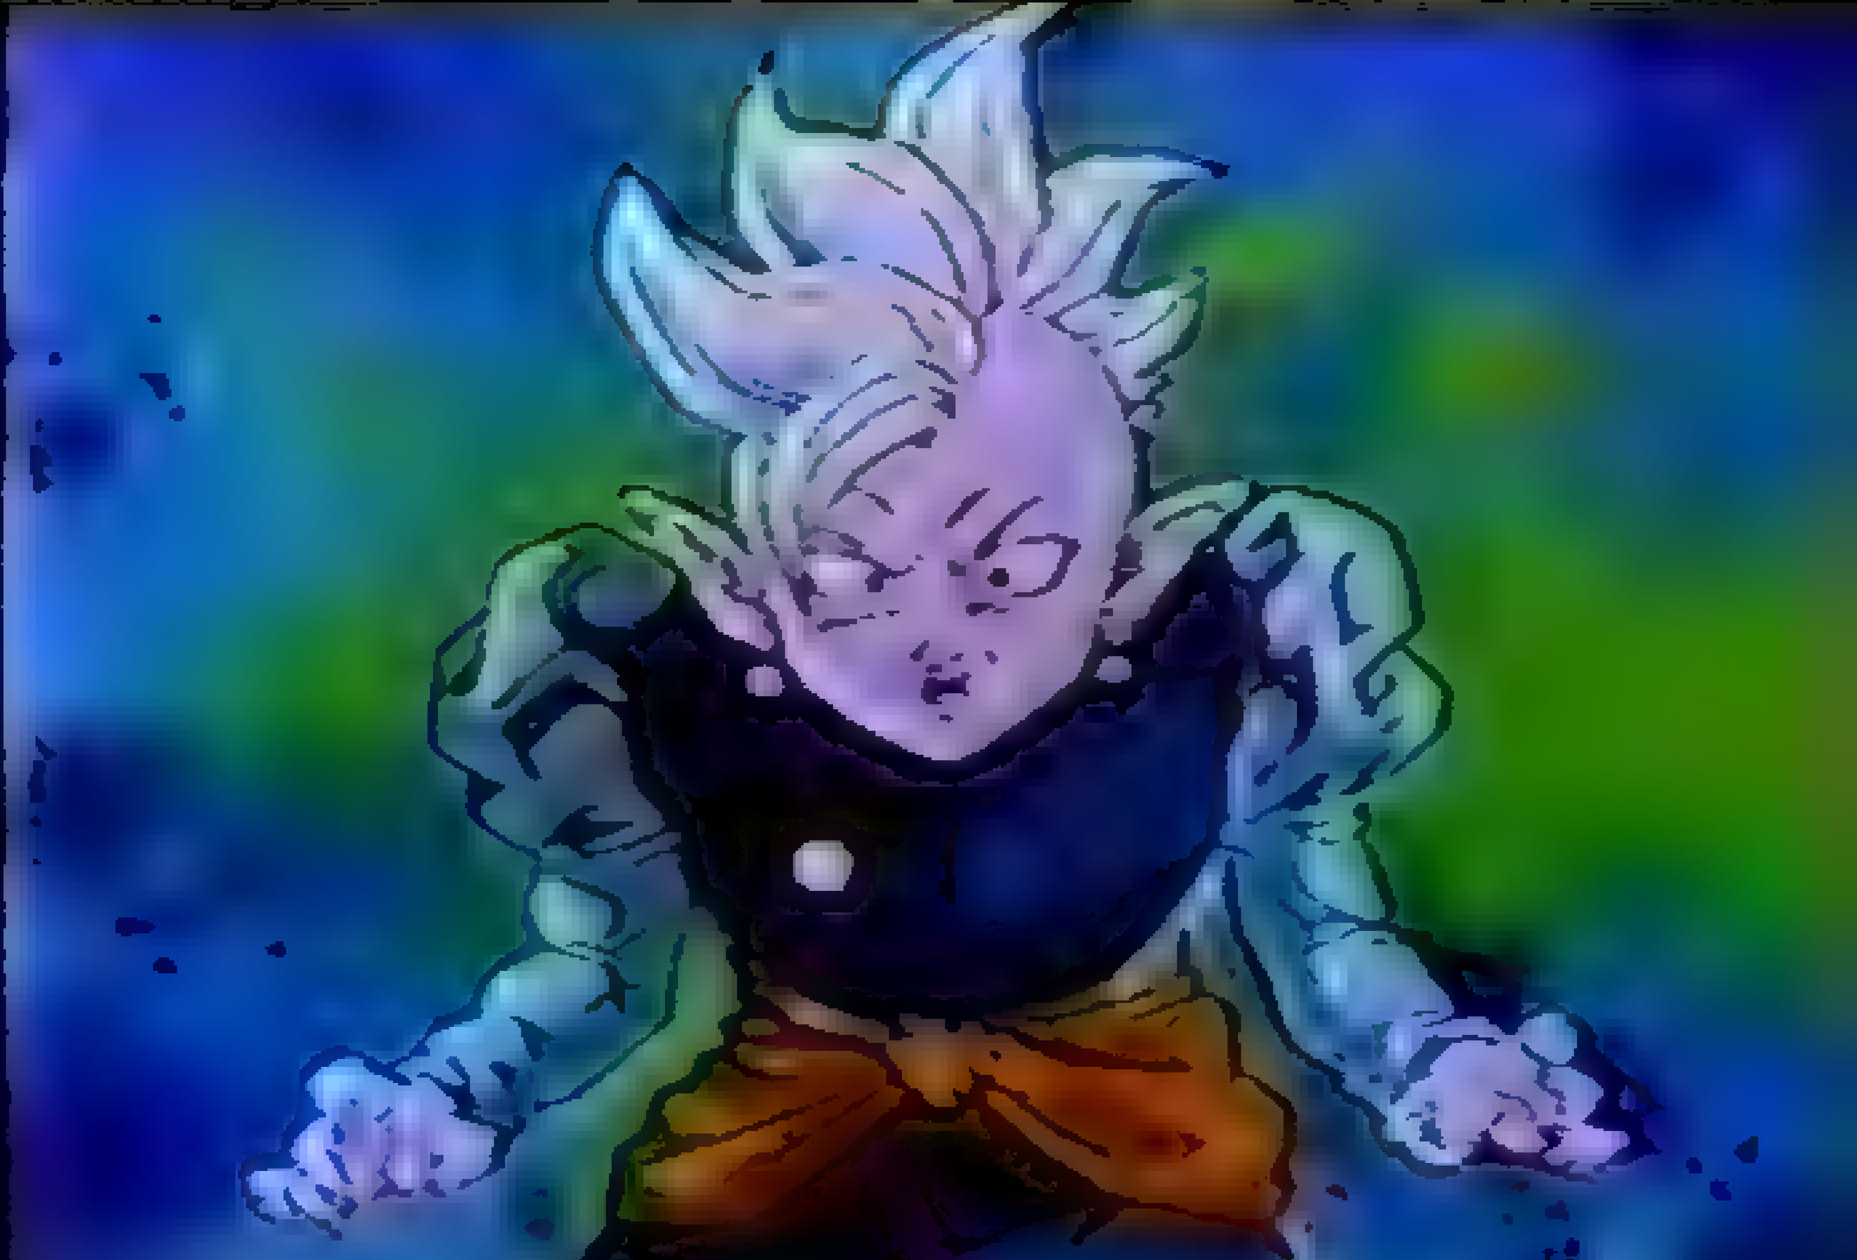

Even so, you won't know what this

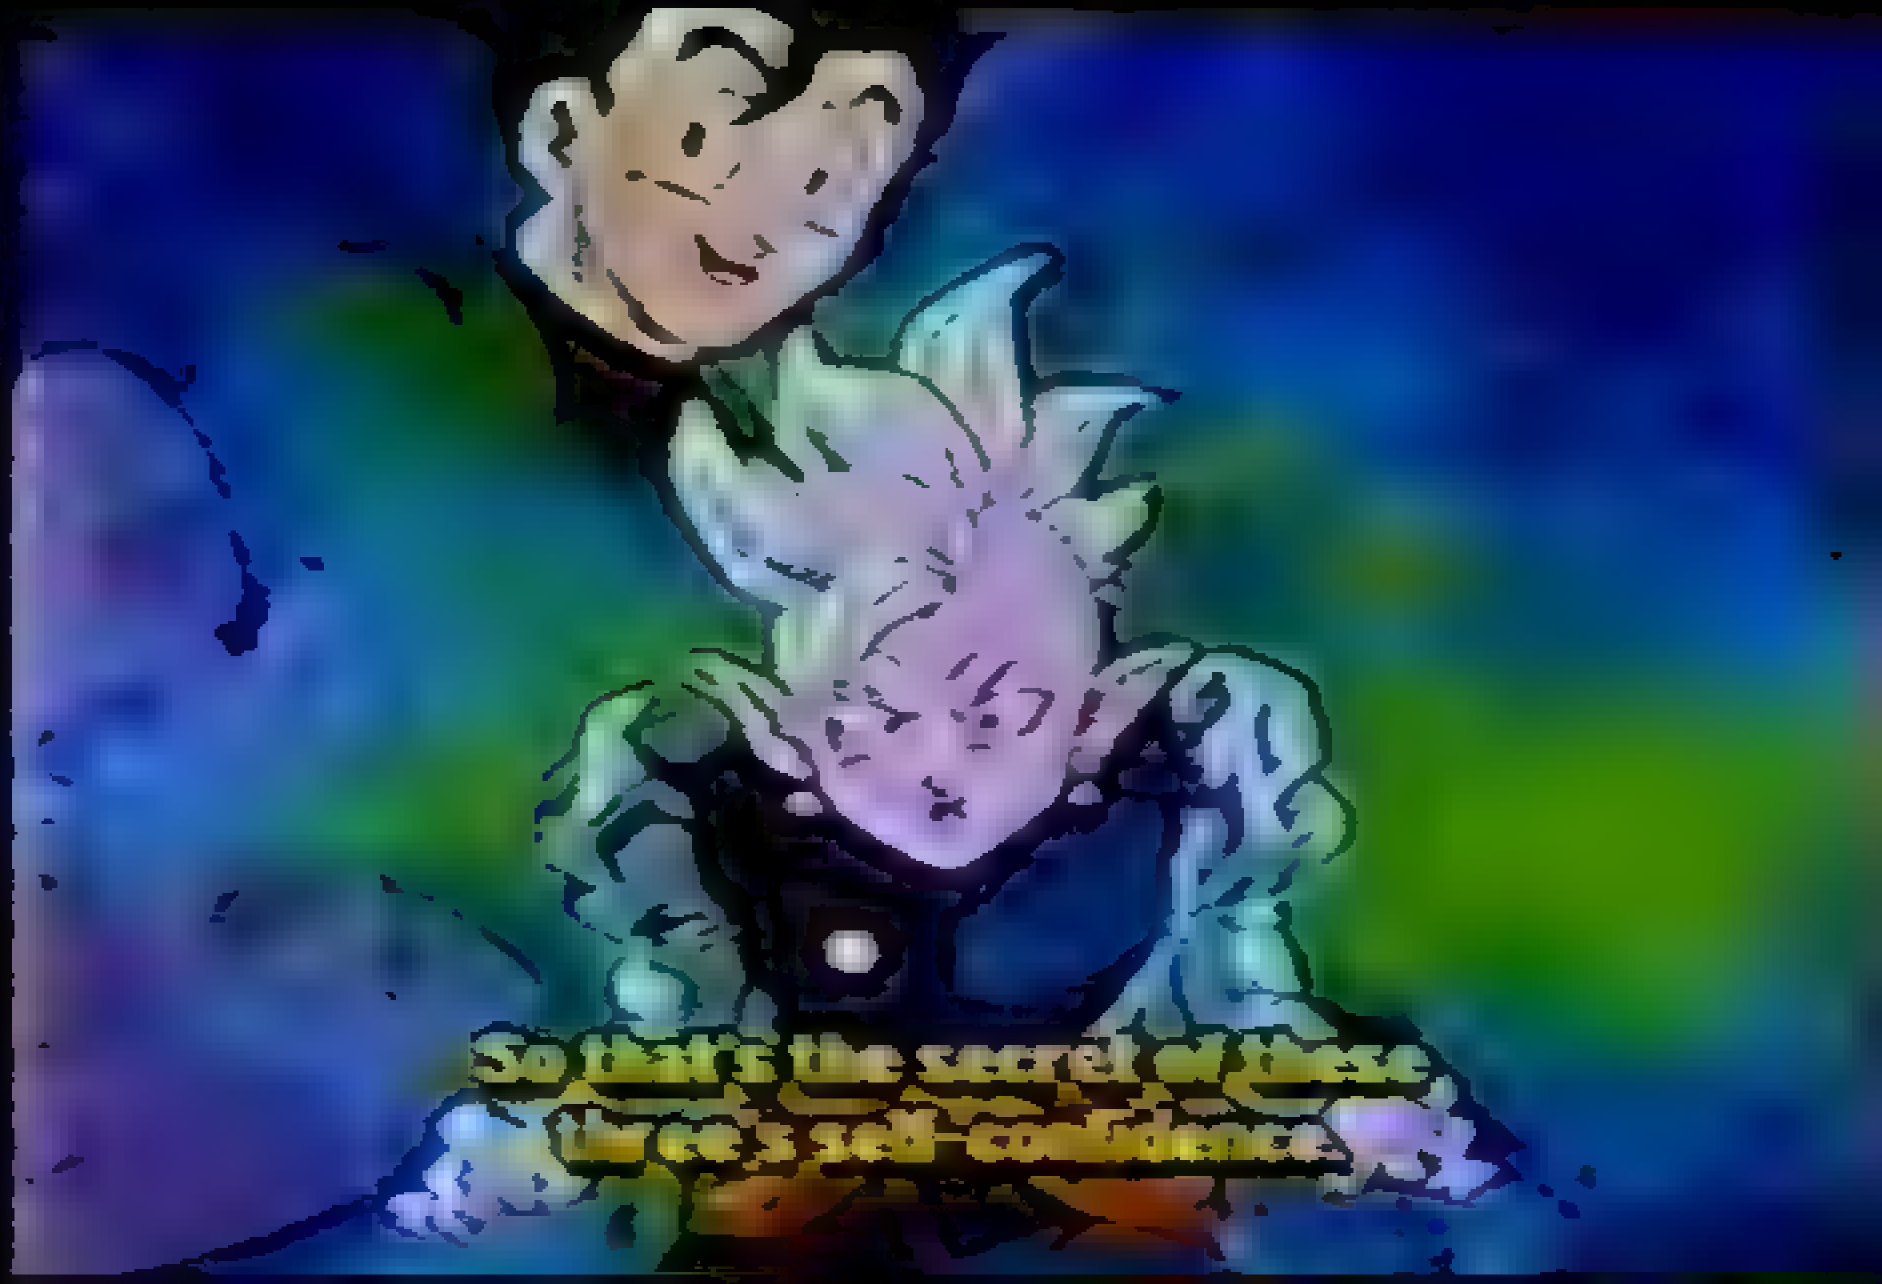

So that's the secret of these

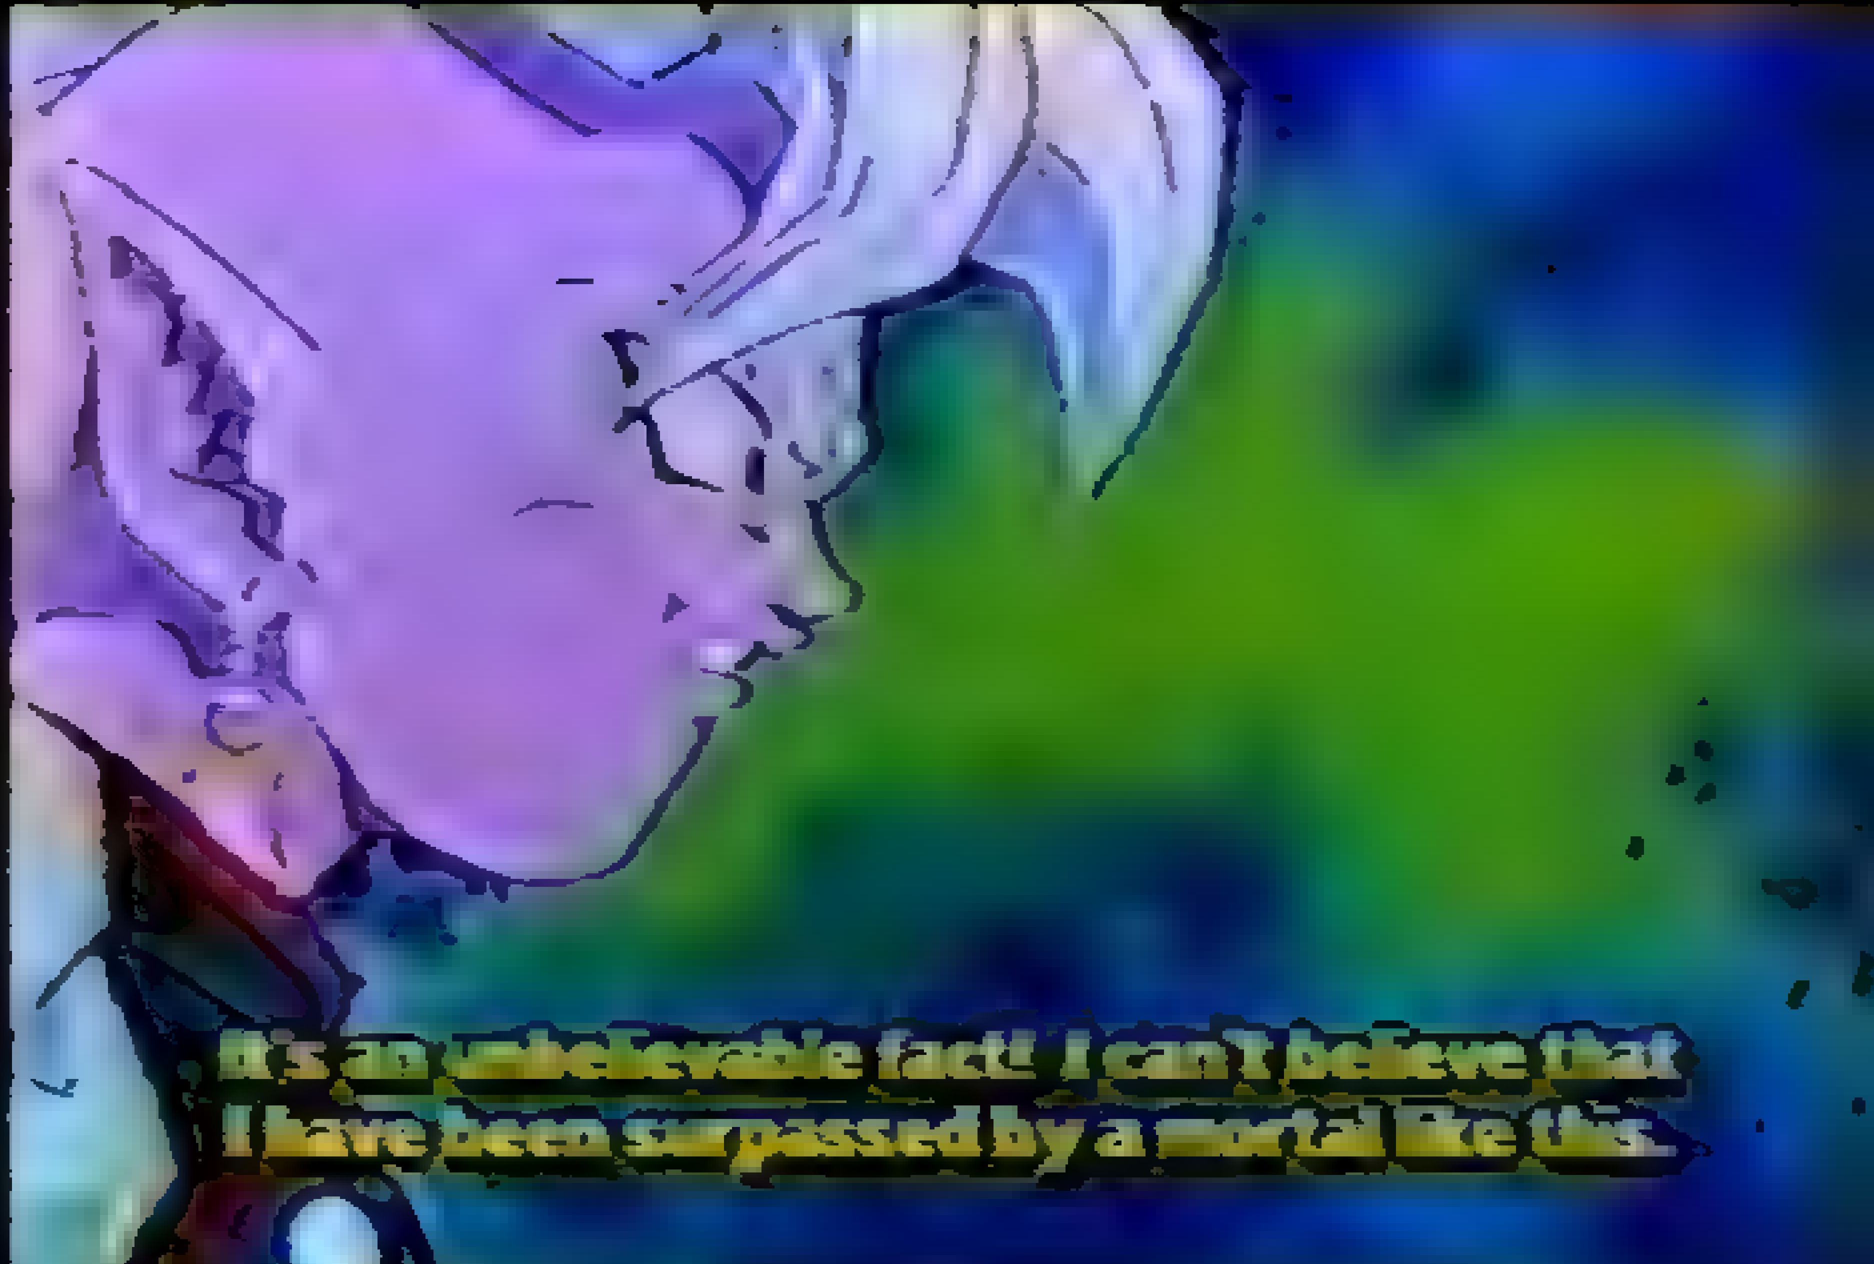

So that's the secret of these
three's self-confidence

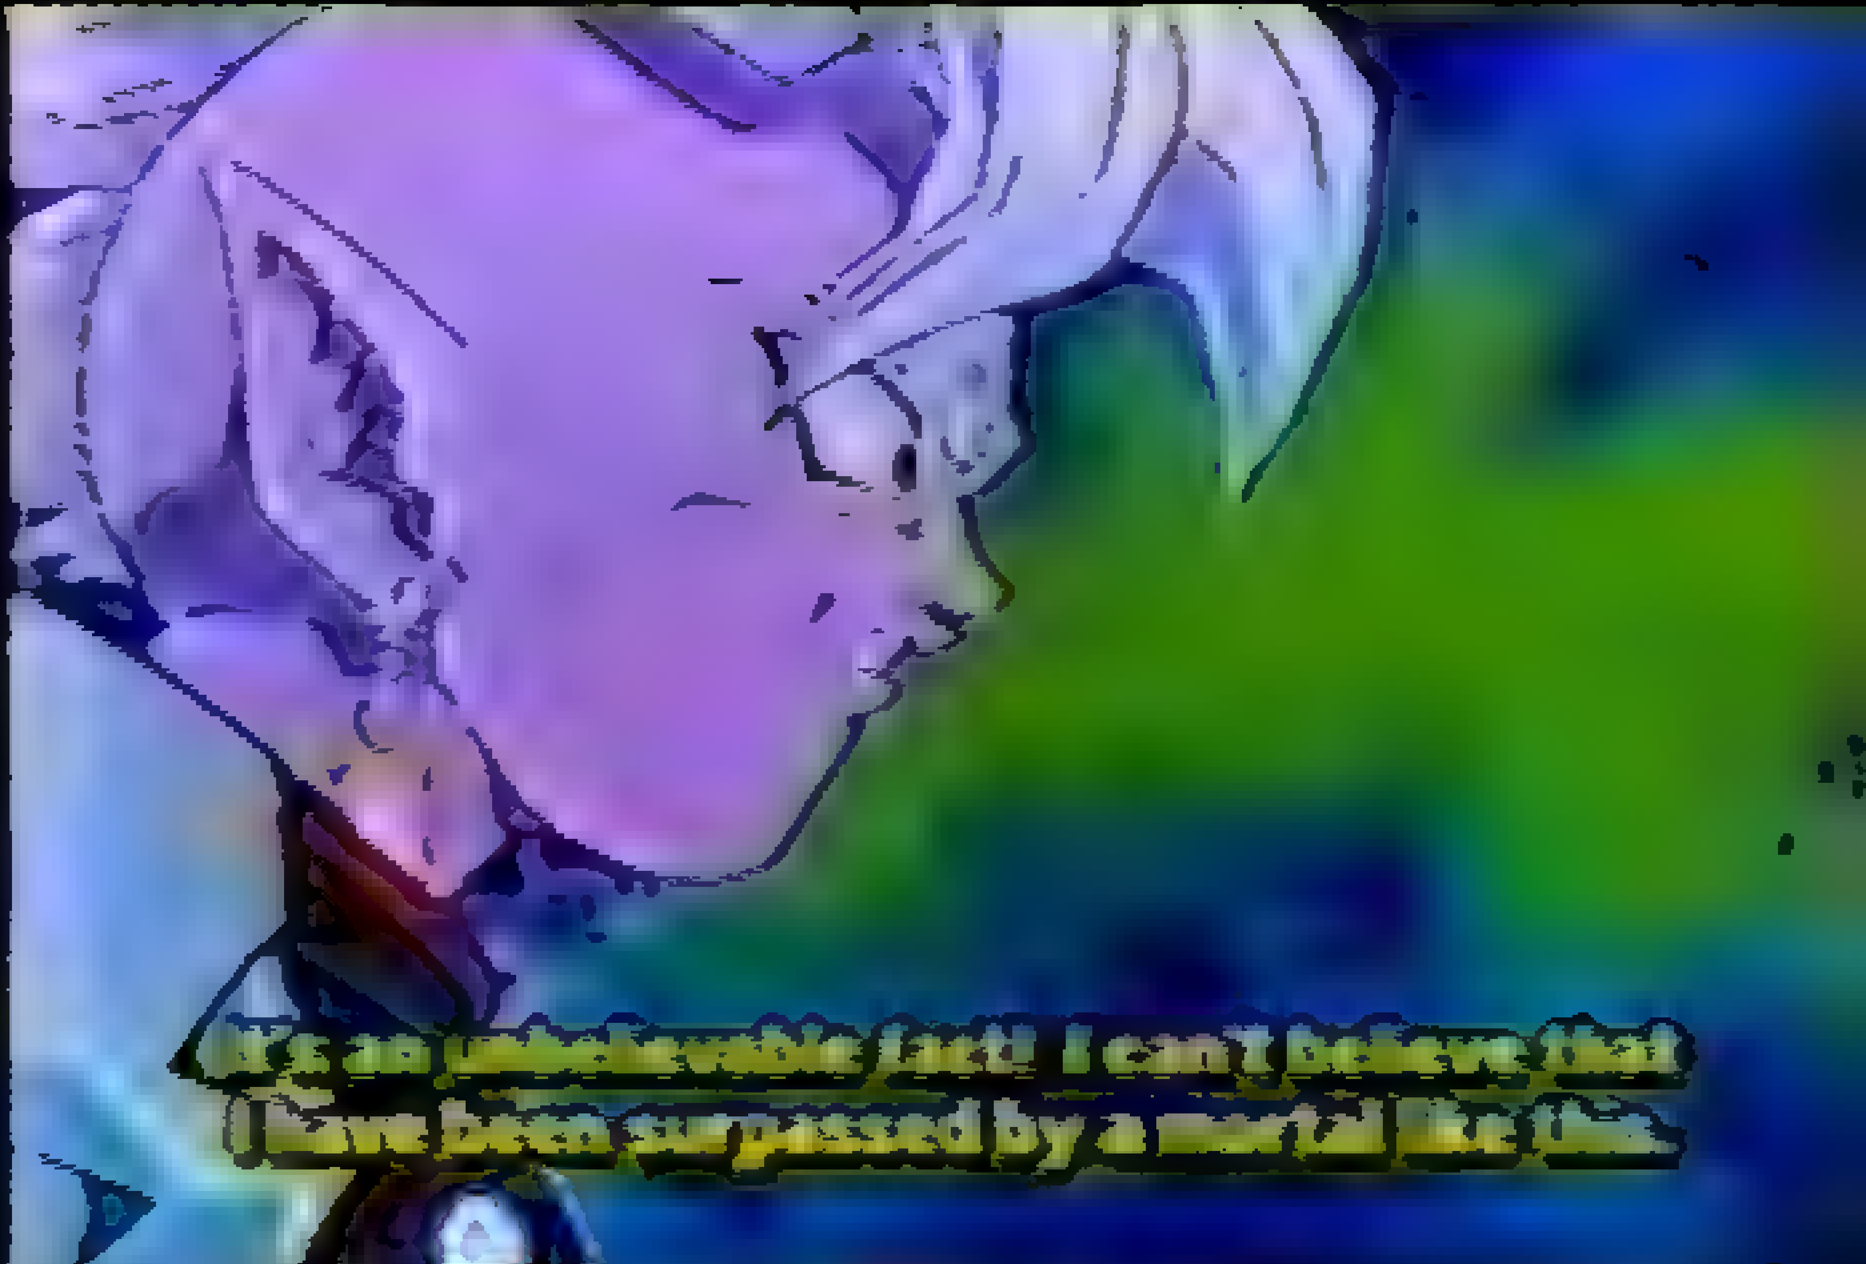

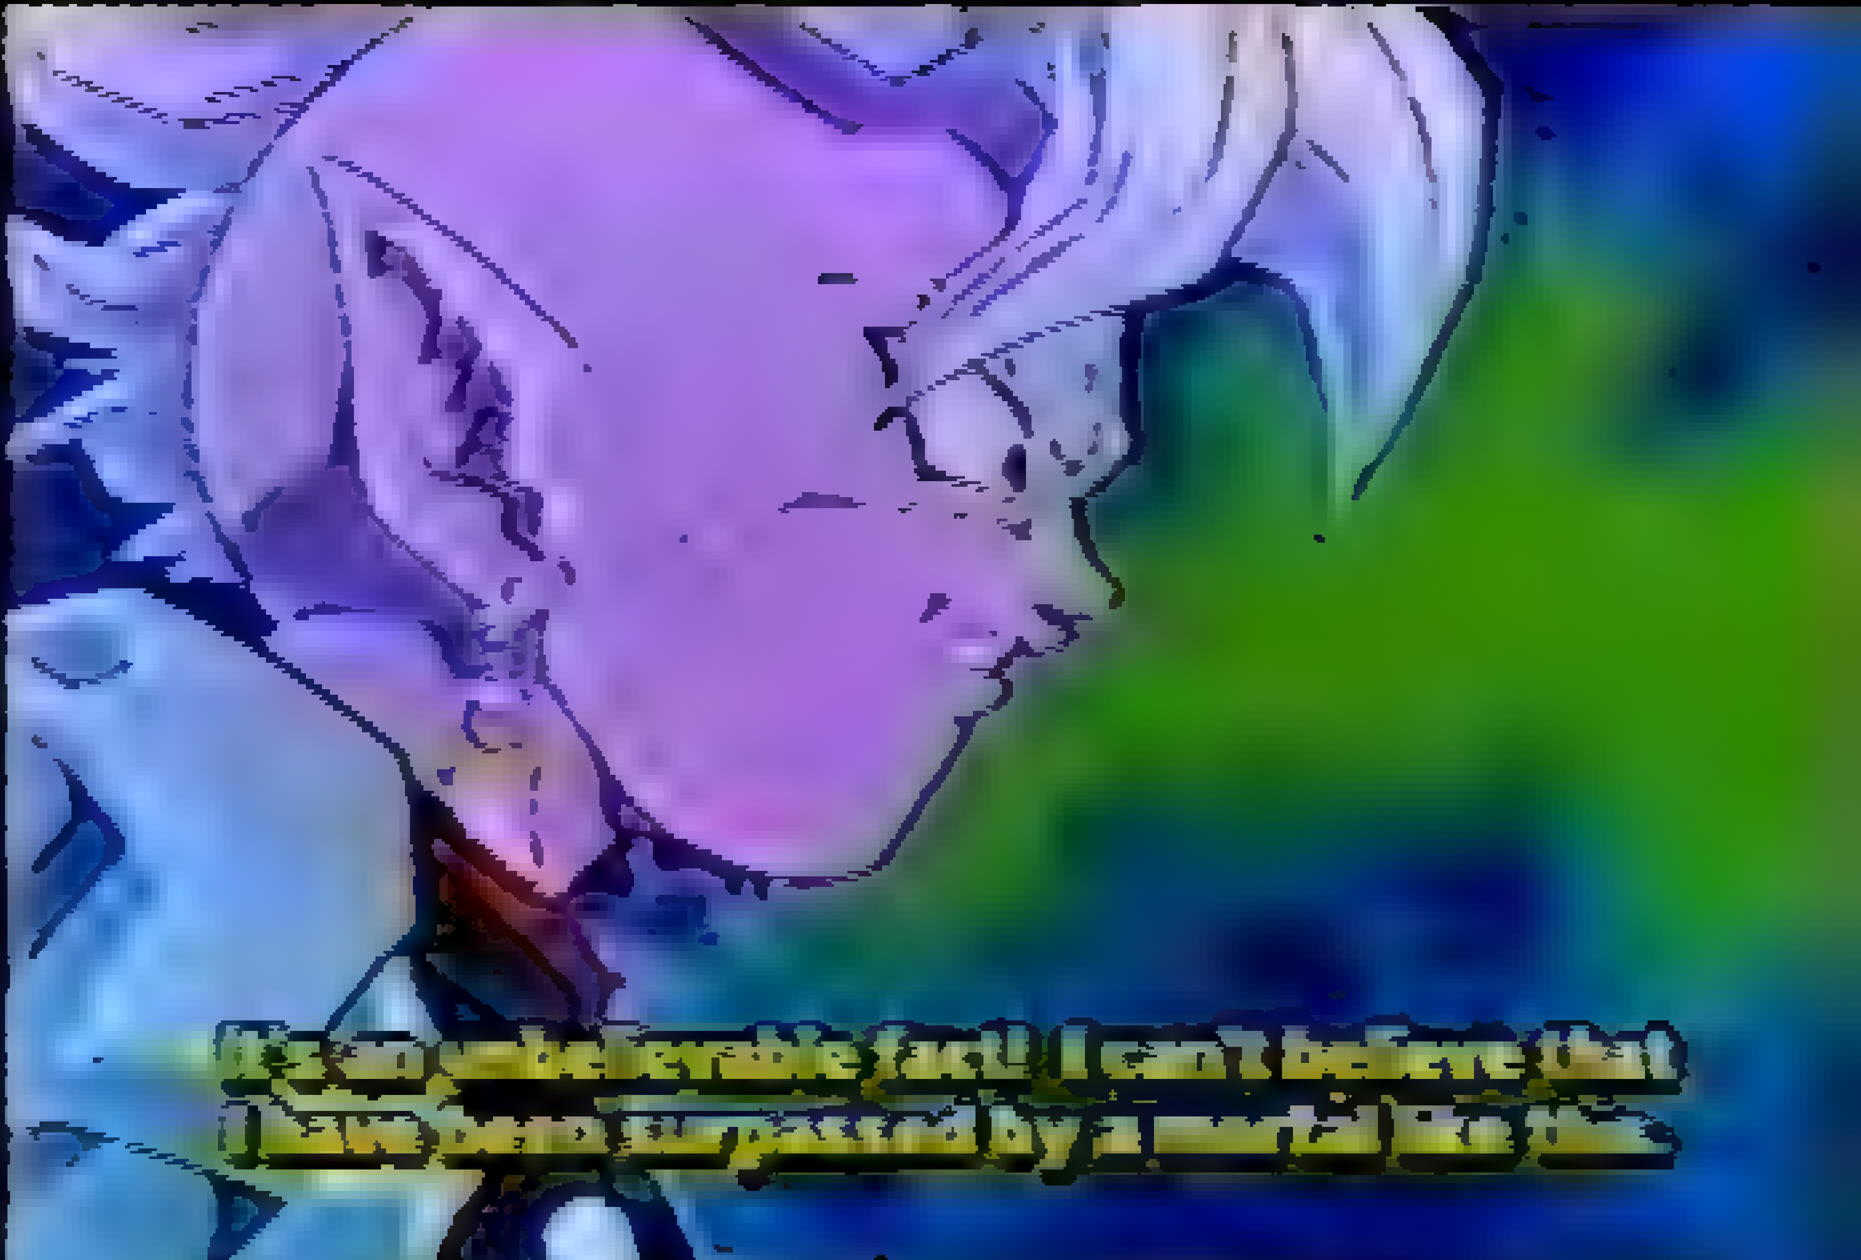

When they have to, any of them
can become as strong as Gokou.

When they have to, any of them
can become as strong as Gokou.

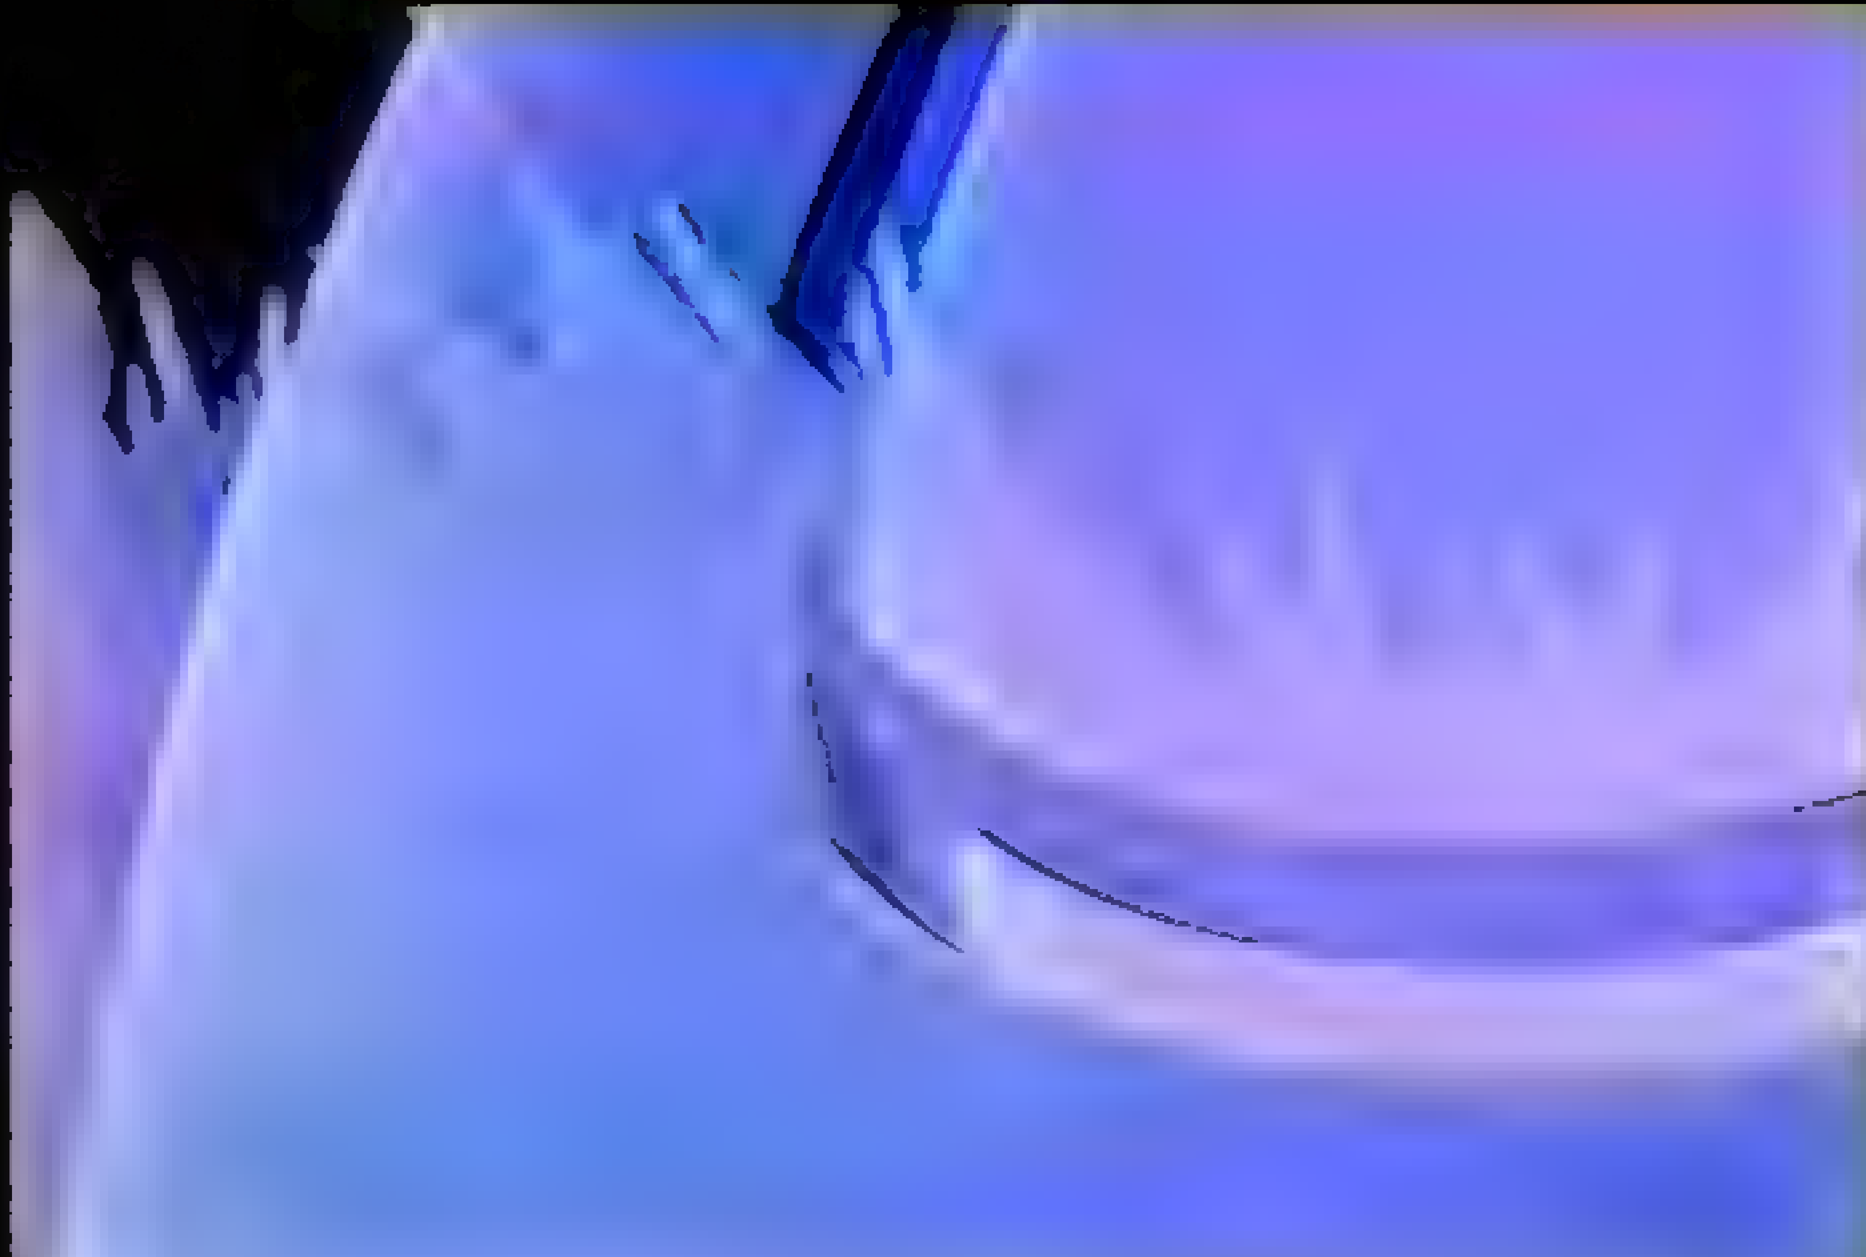

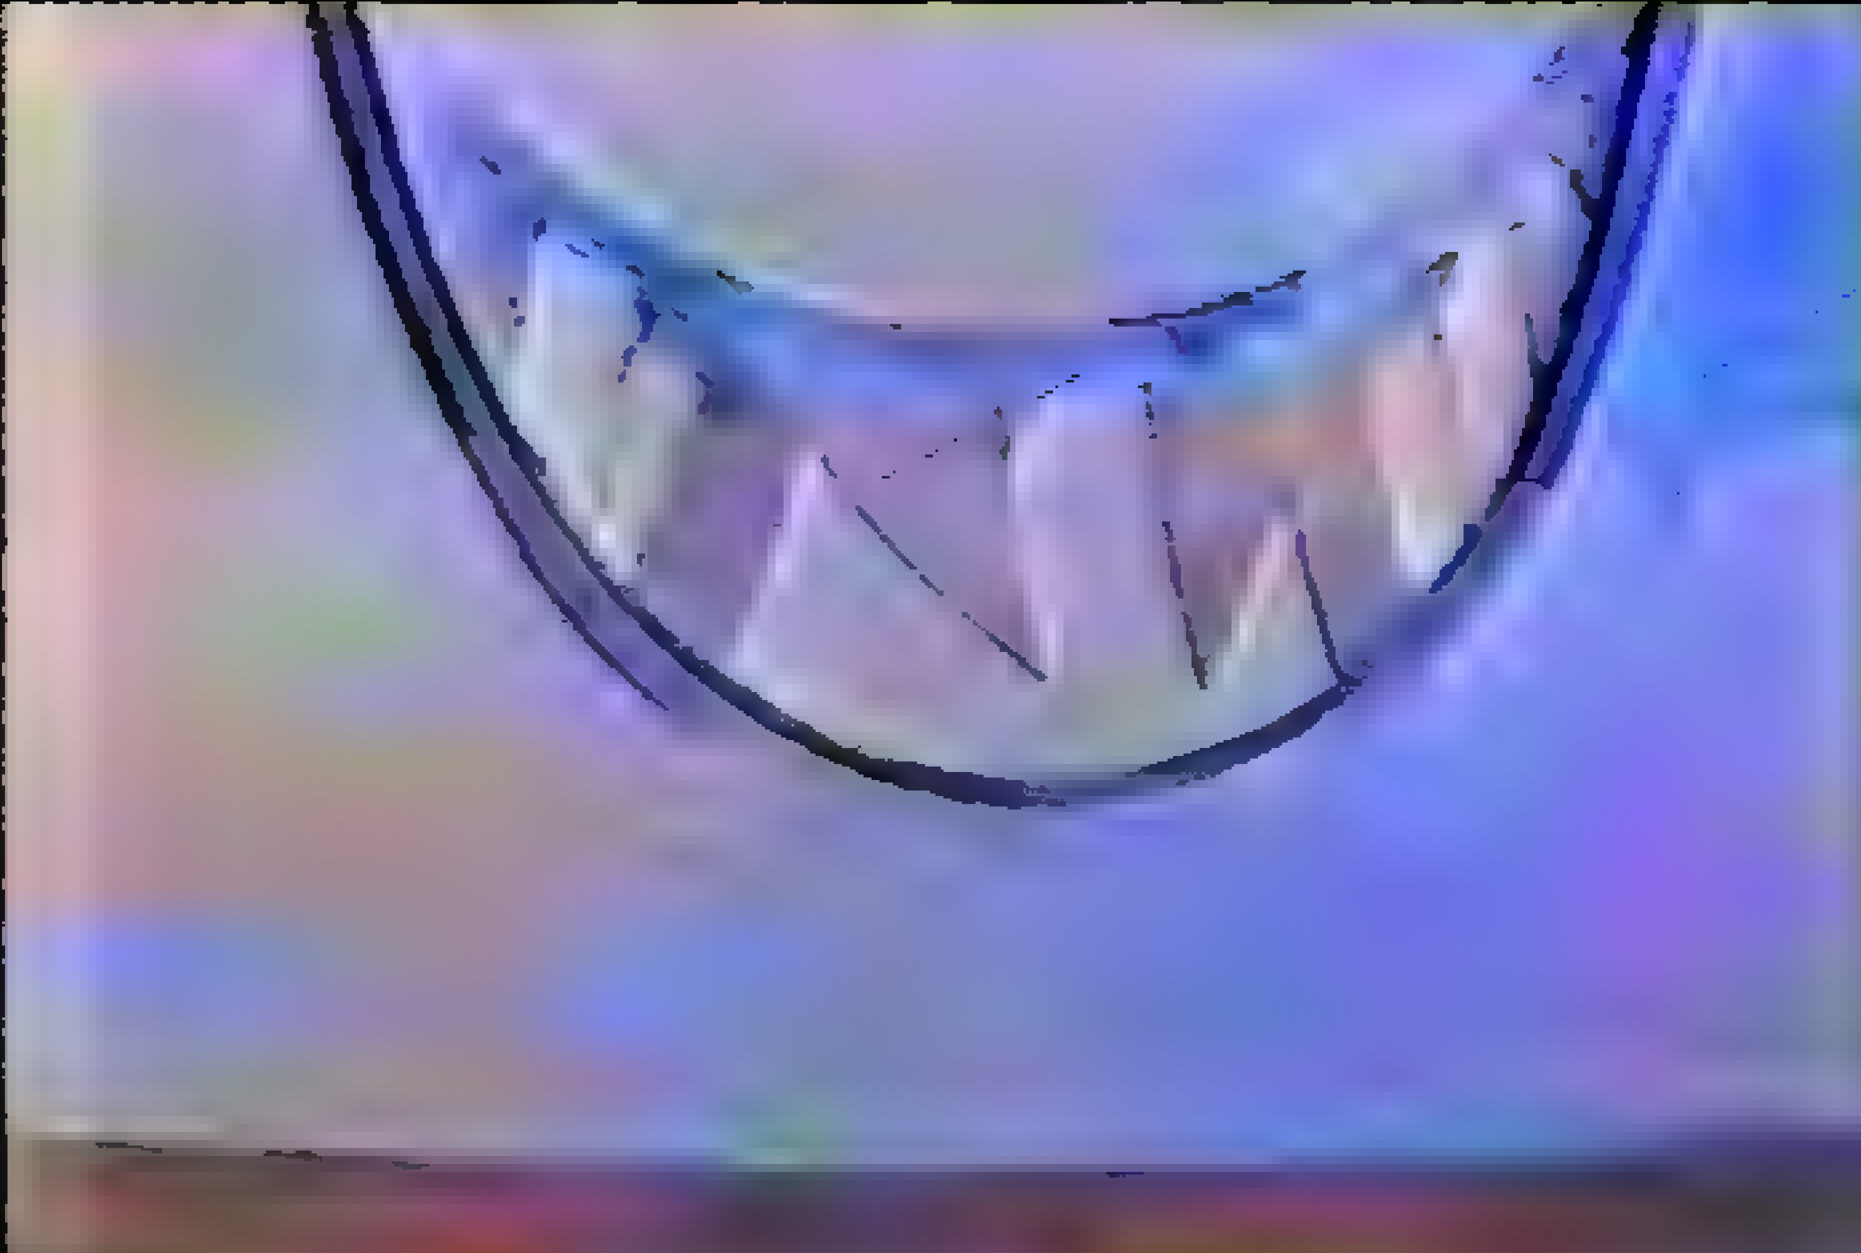

It's an unbelievable fact! I can't believe that
I have been surpassed by a mortal like this.

It's an unbelievable fact! I can't believe that

It's an unbelievable fact! I can't believe that
I have been surpassed by a mortal like this.

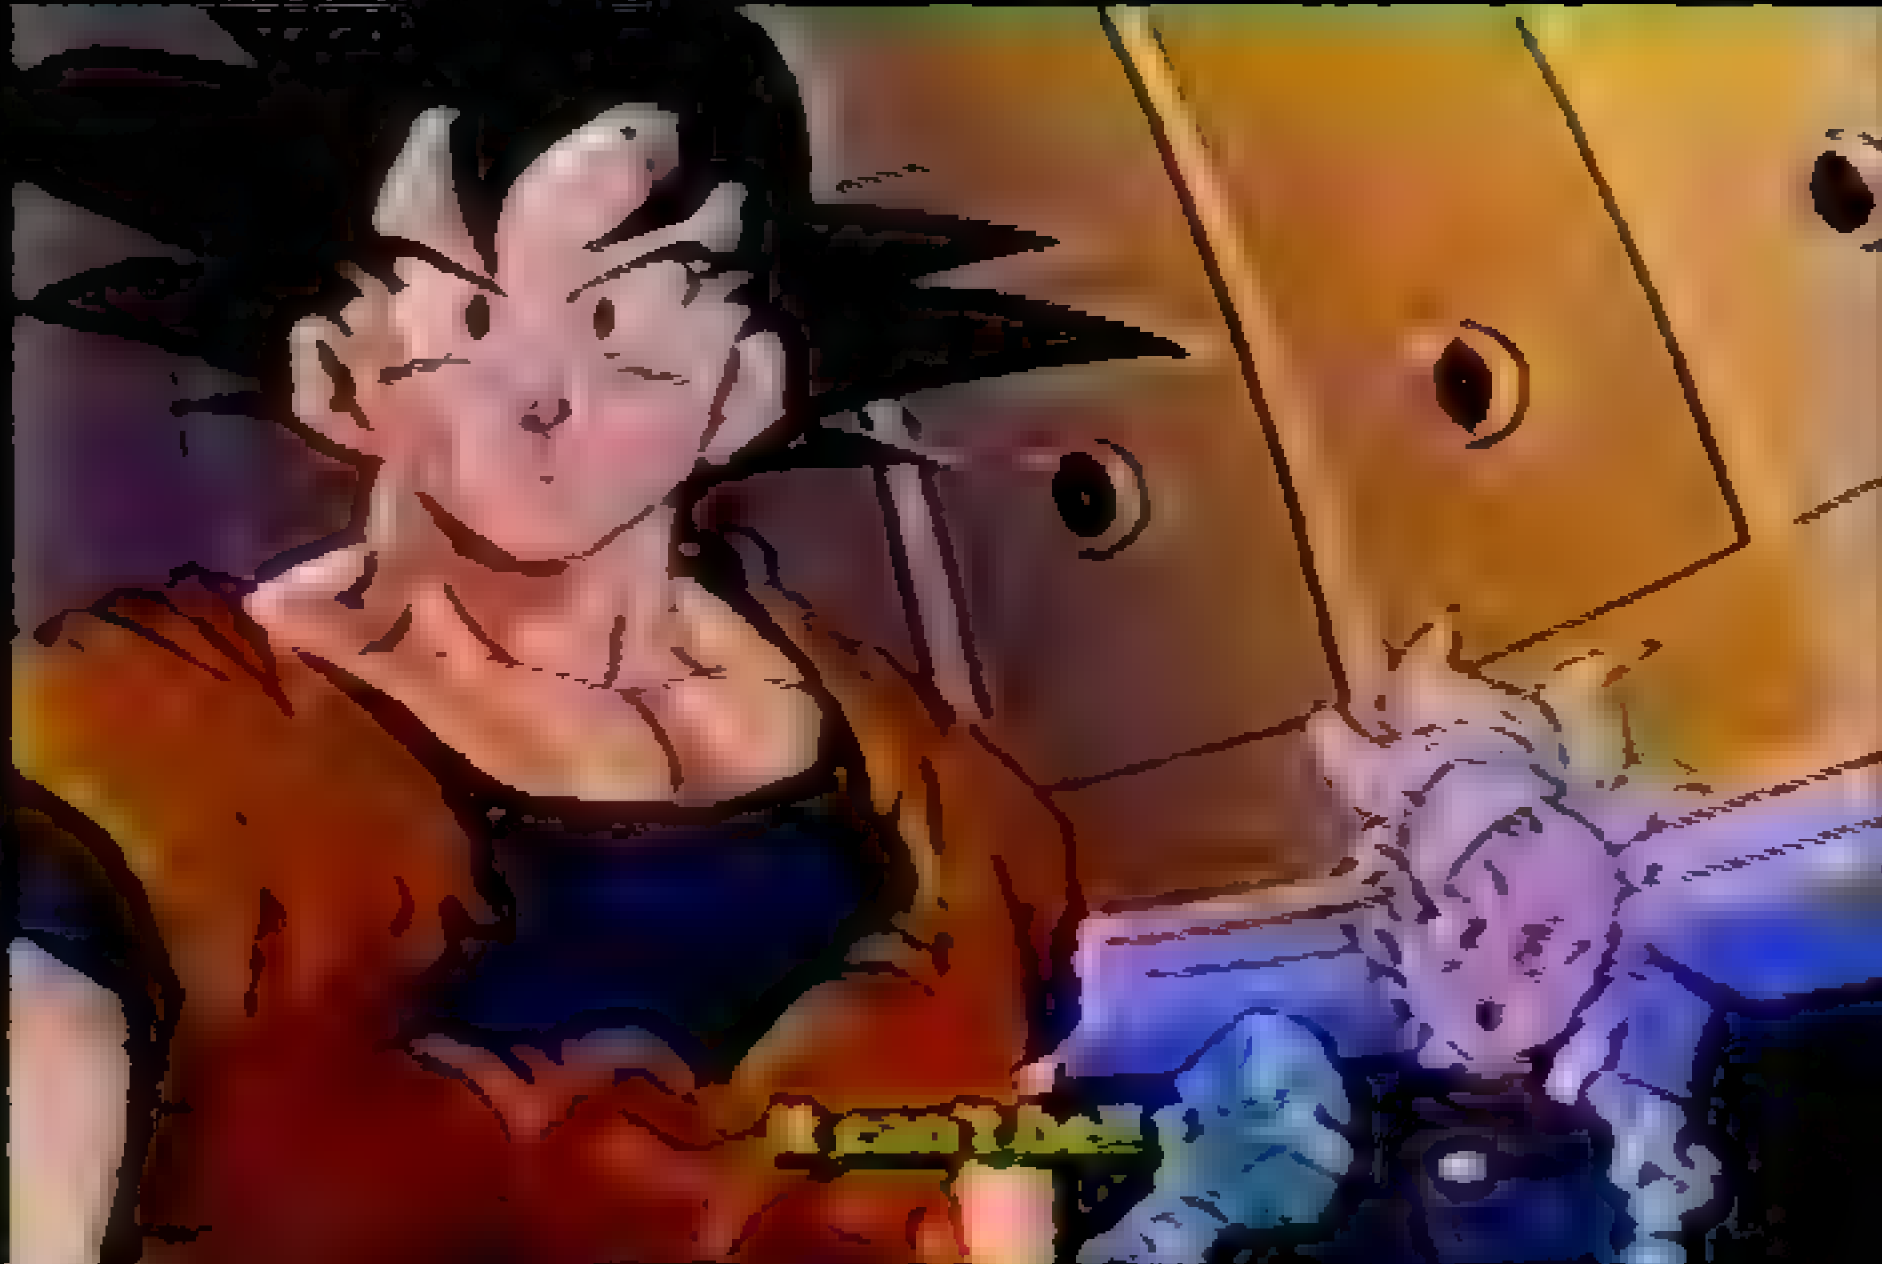

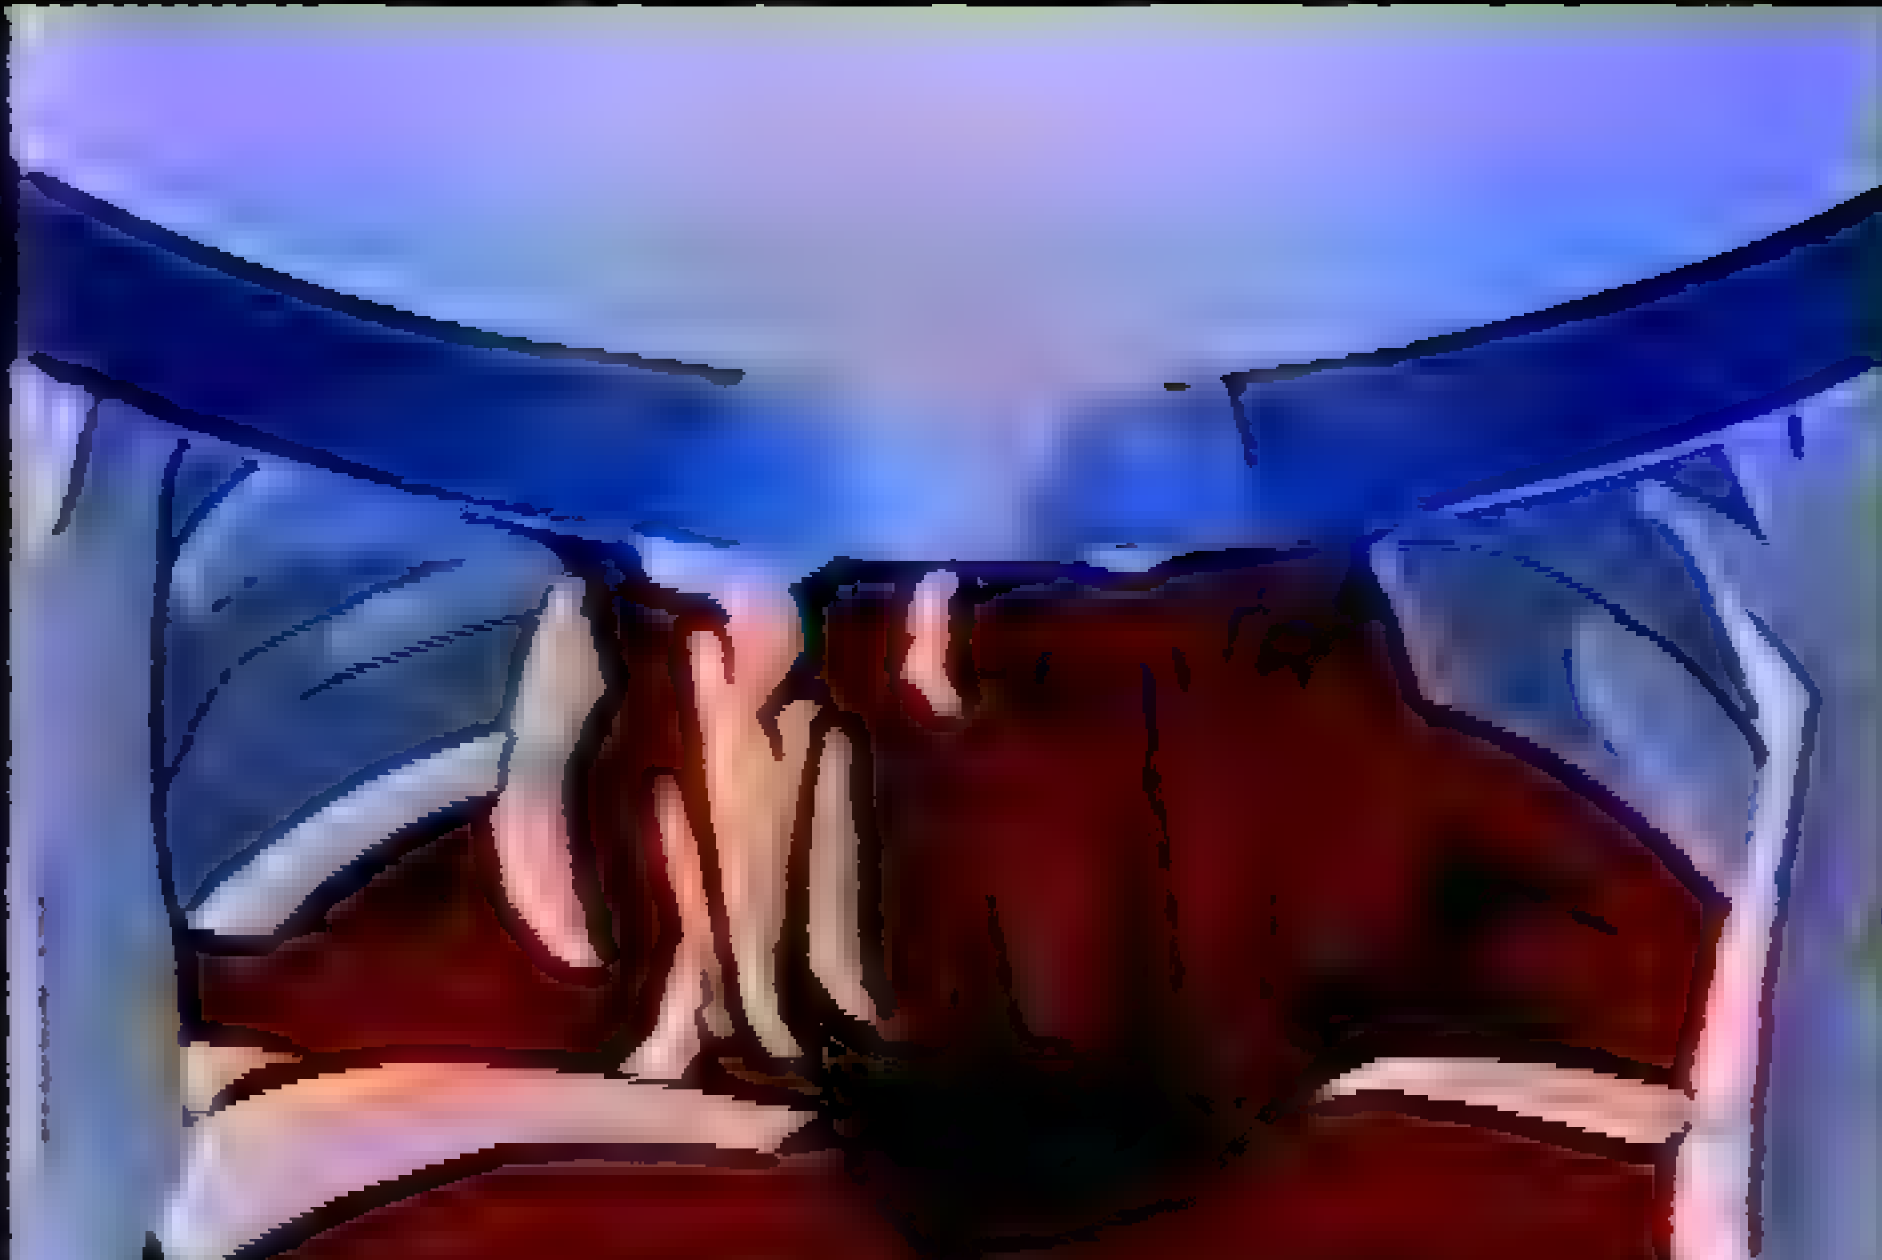

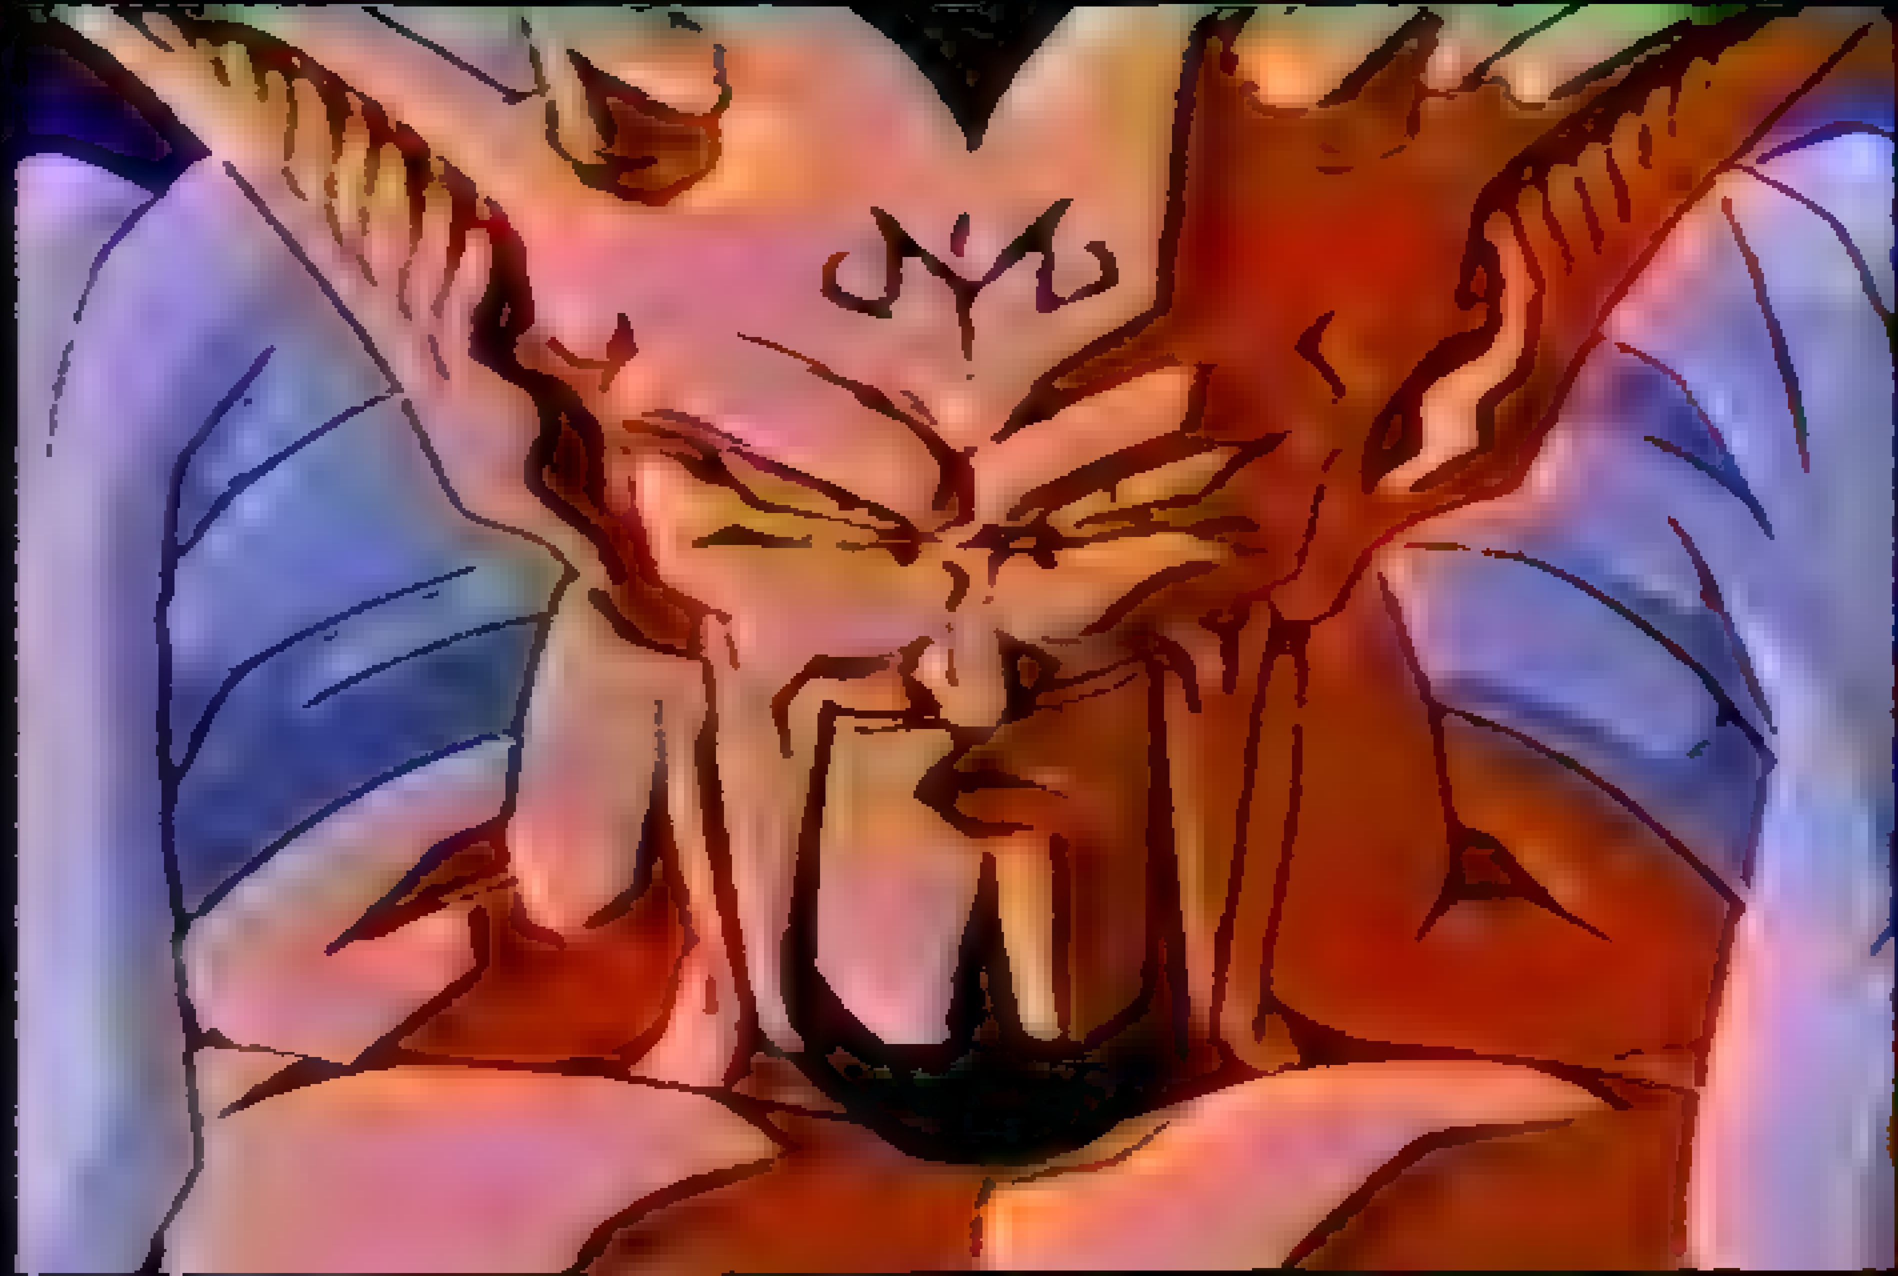

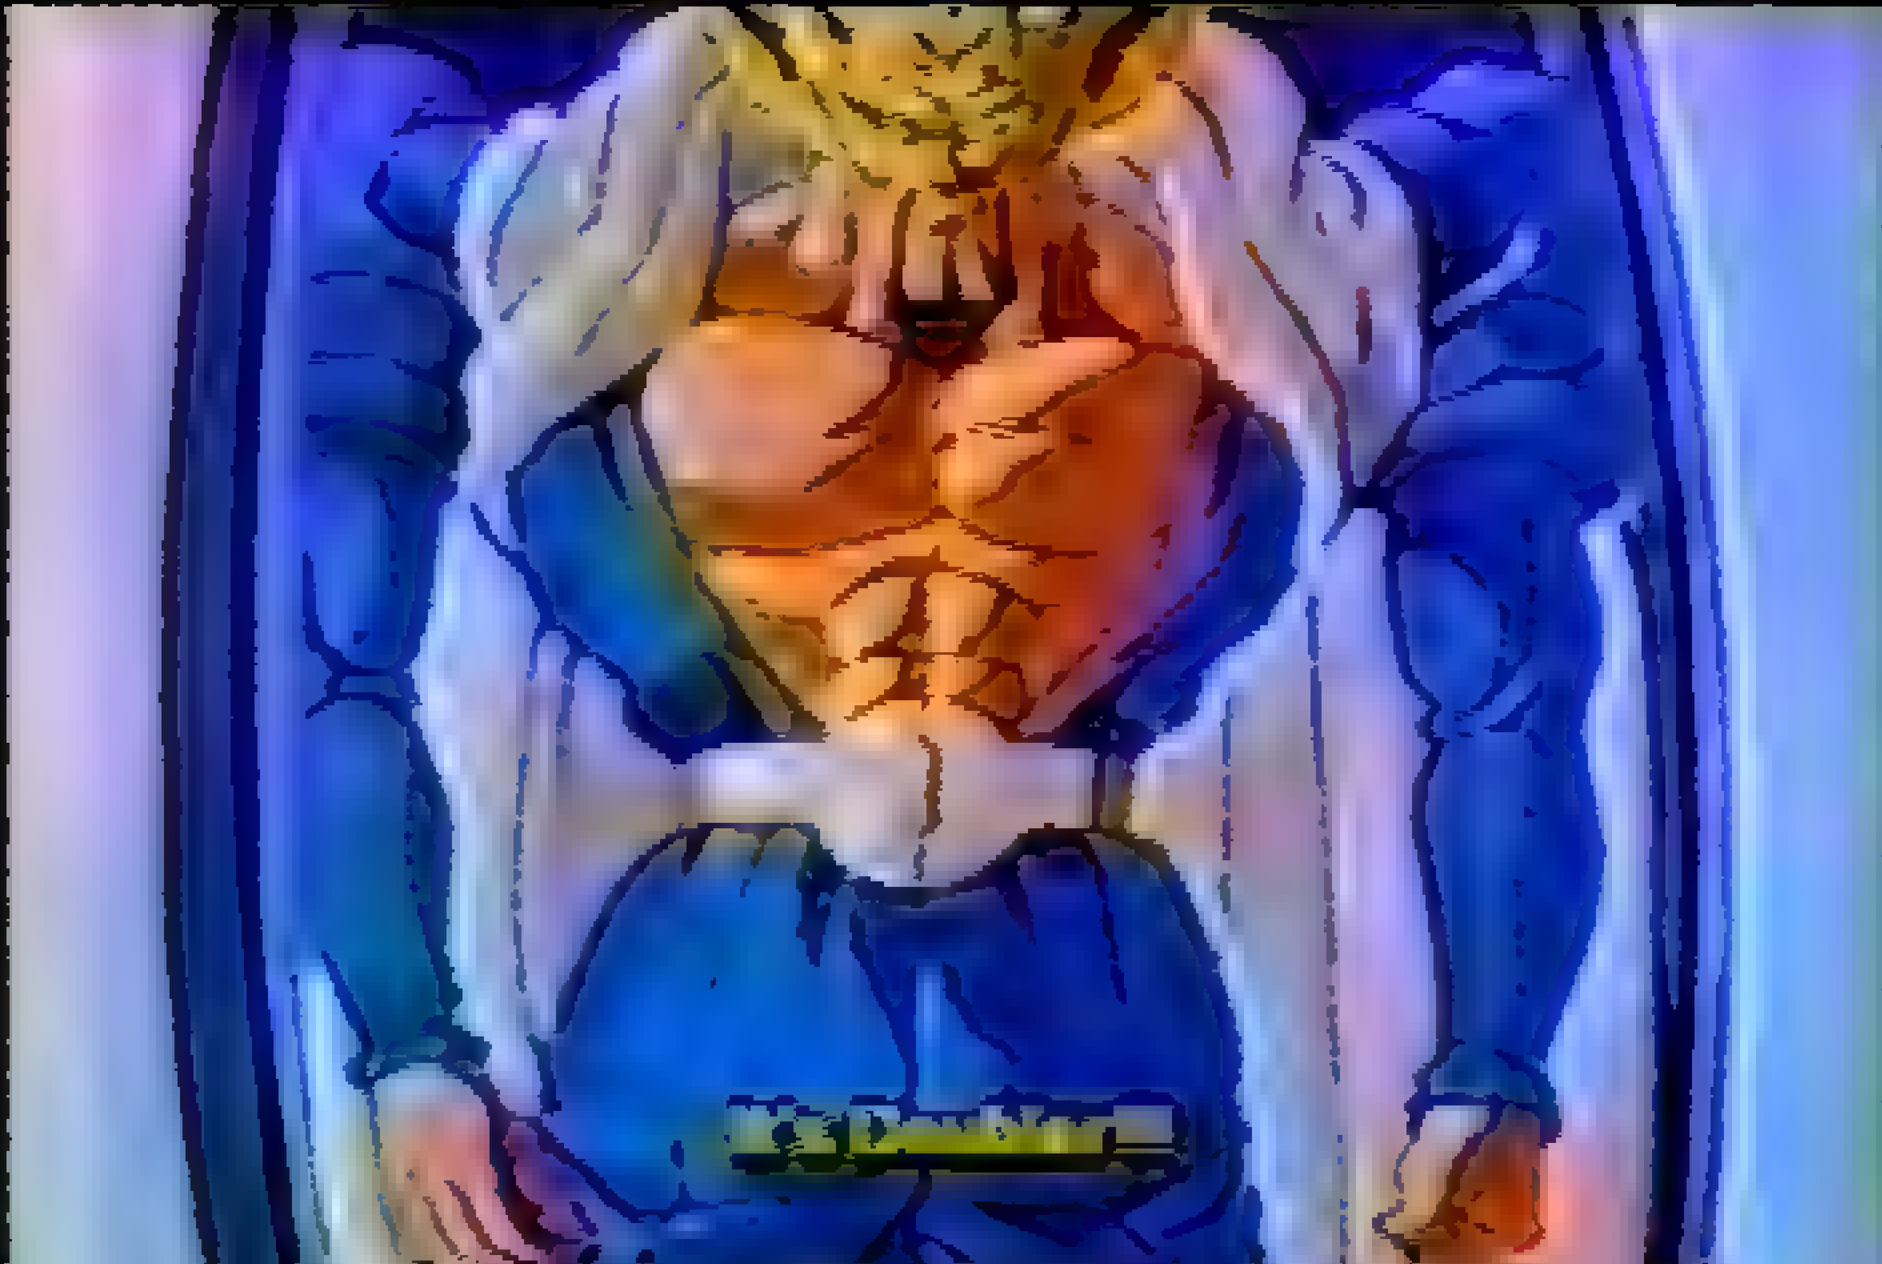

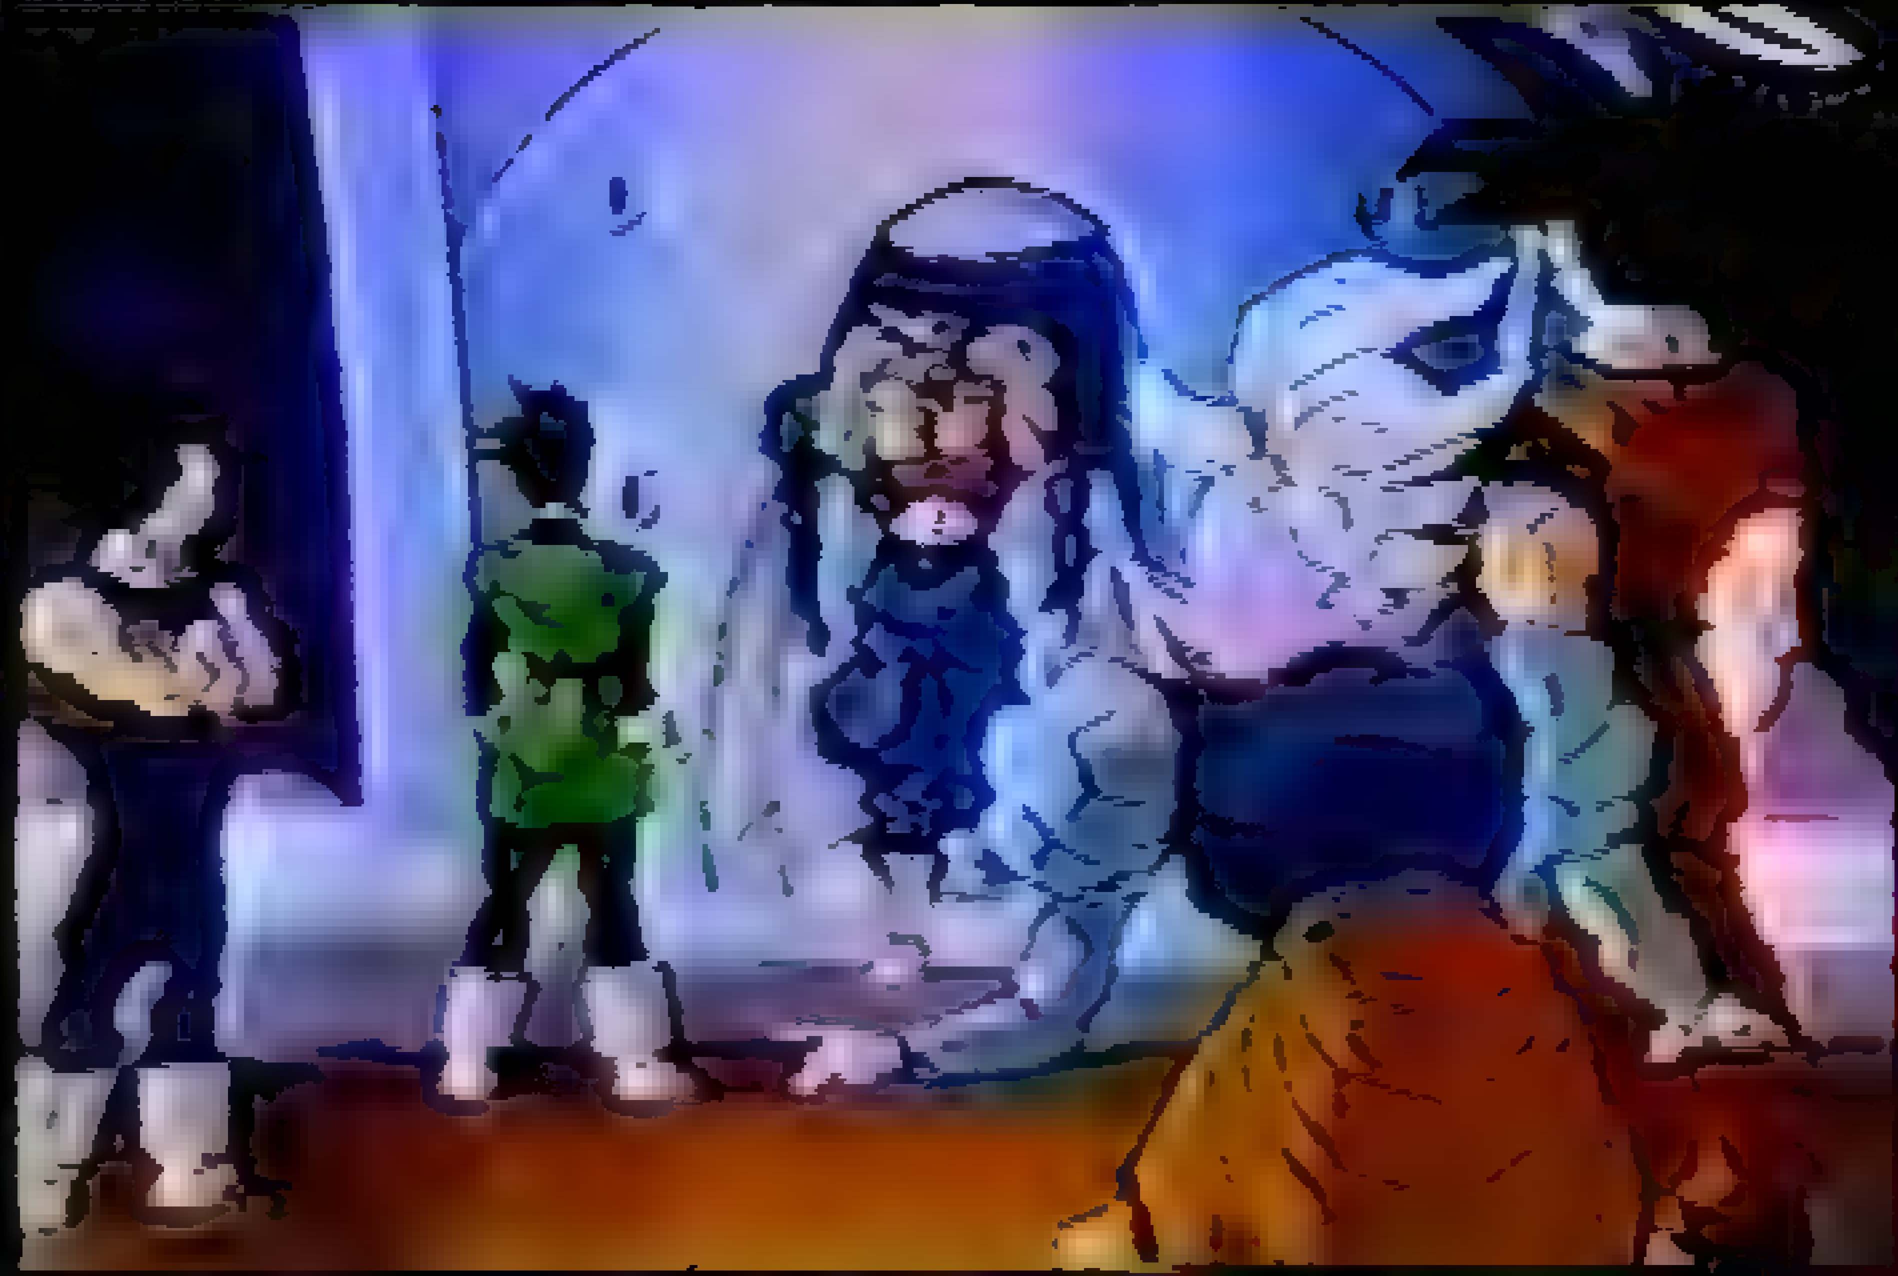

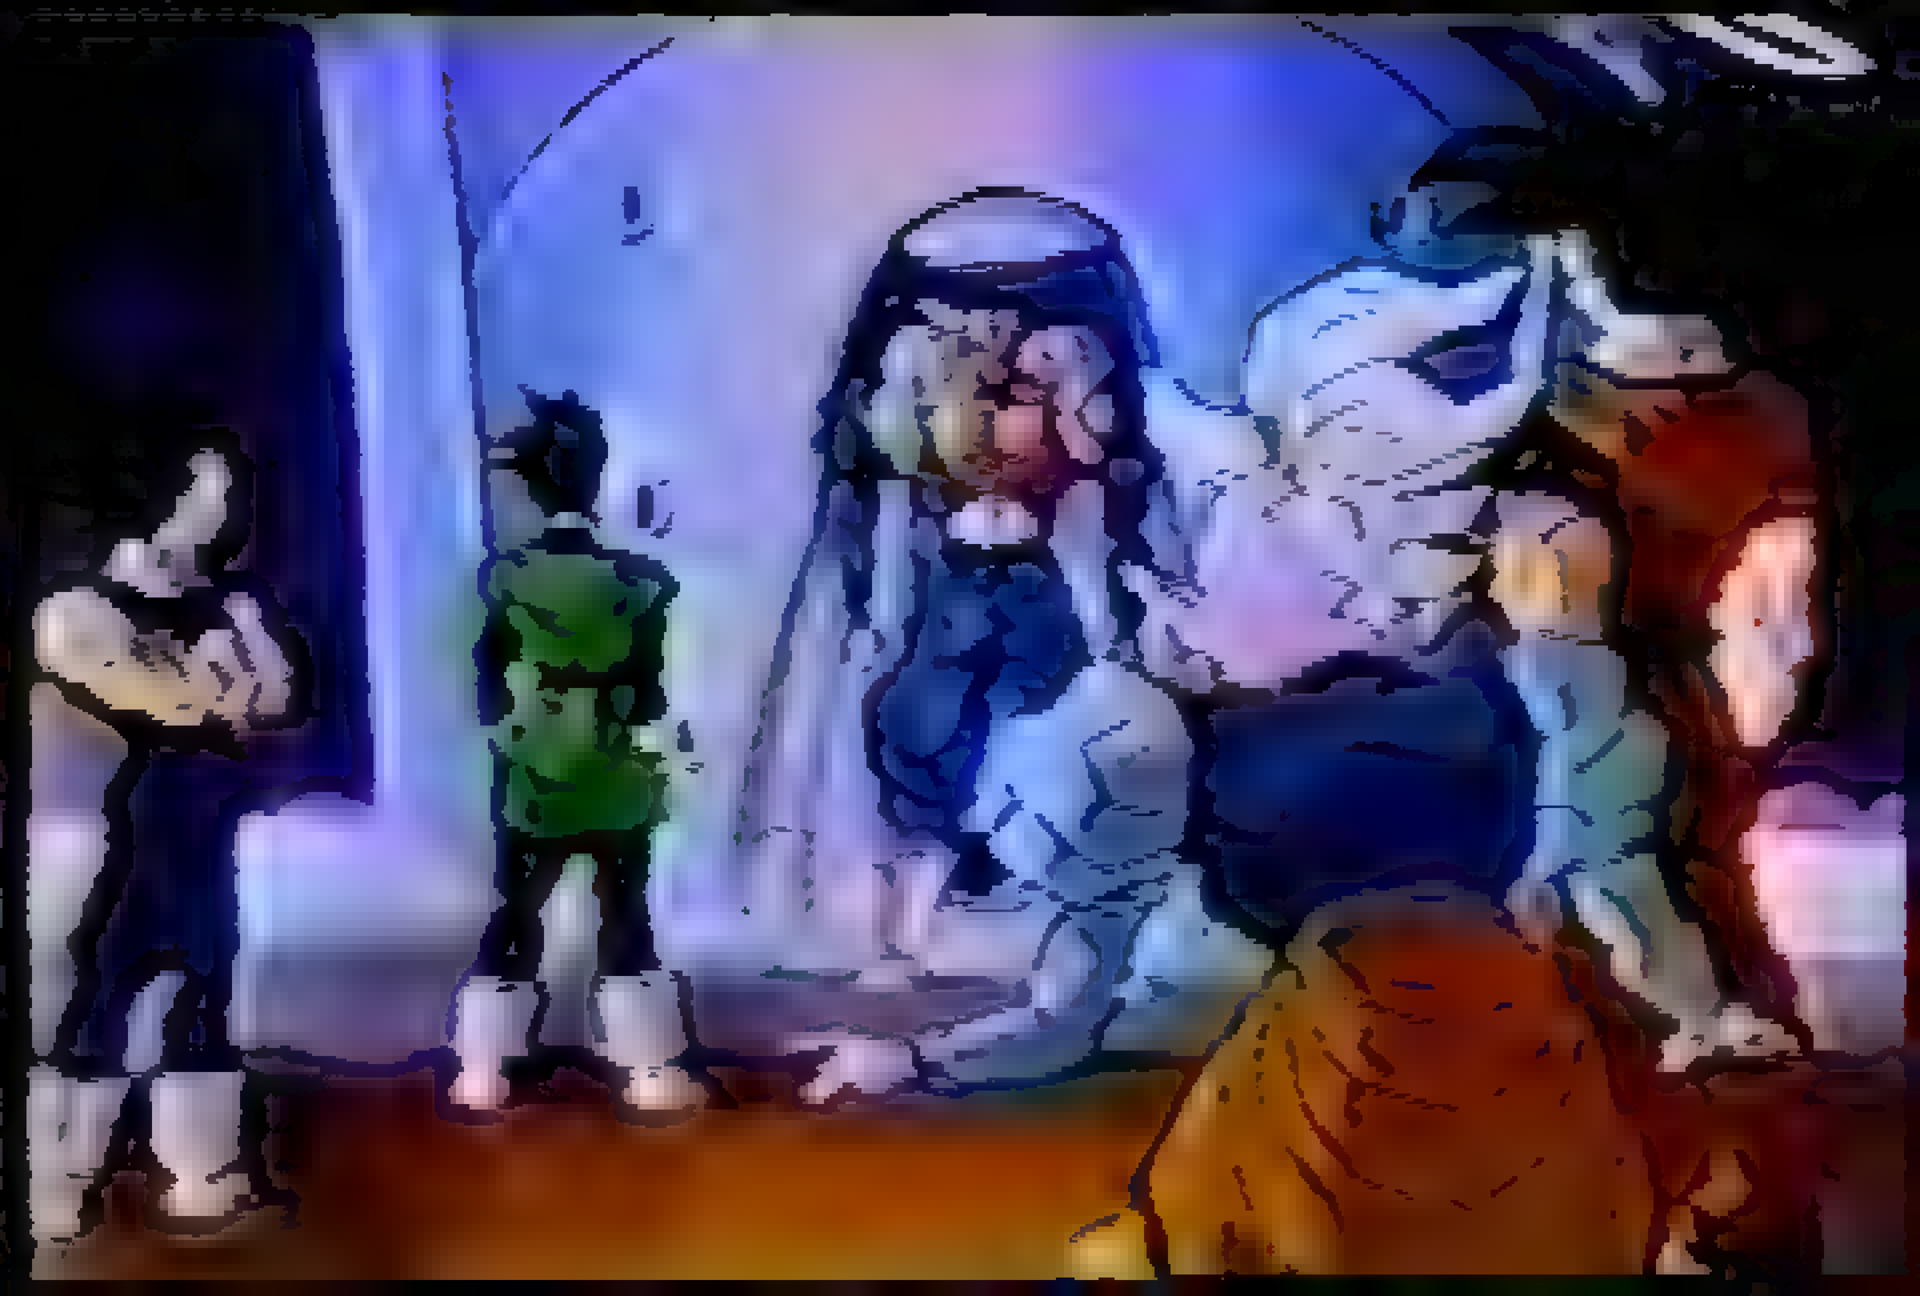

I don't think we'd have to
fight Dabura this soon.

You've defeated Yakon
and come to stage three.

You've defeated Yakon
and came to stage three.

That's pretty good for a

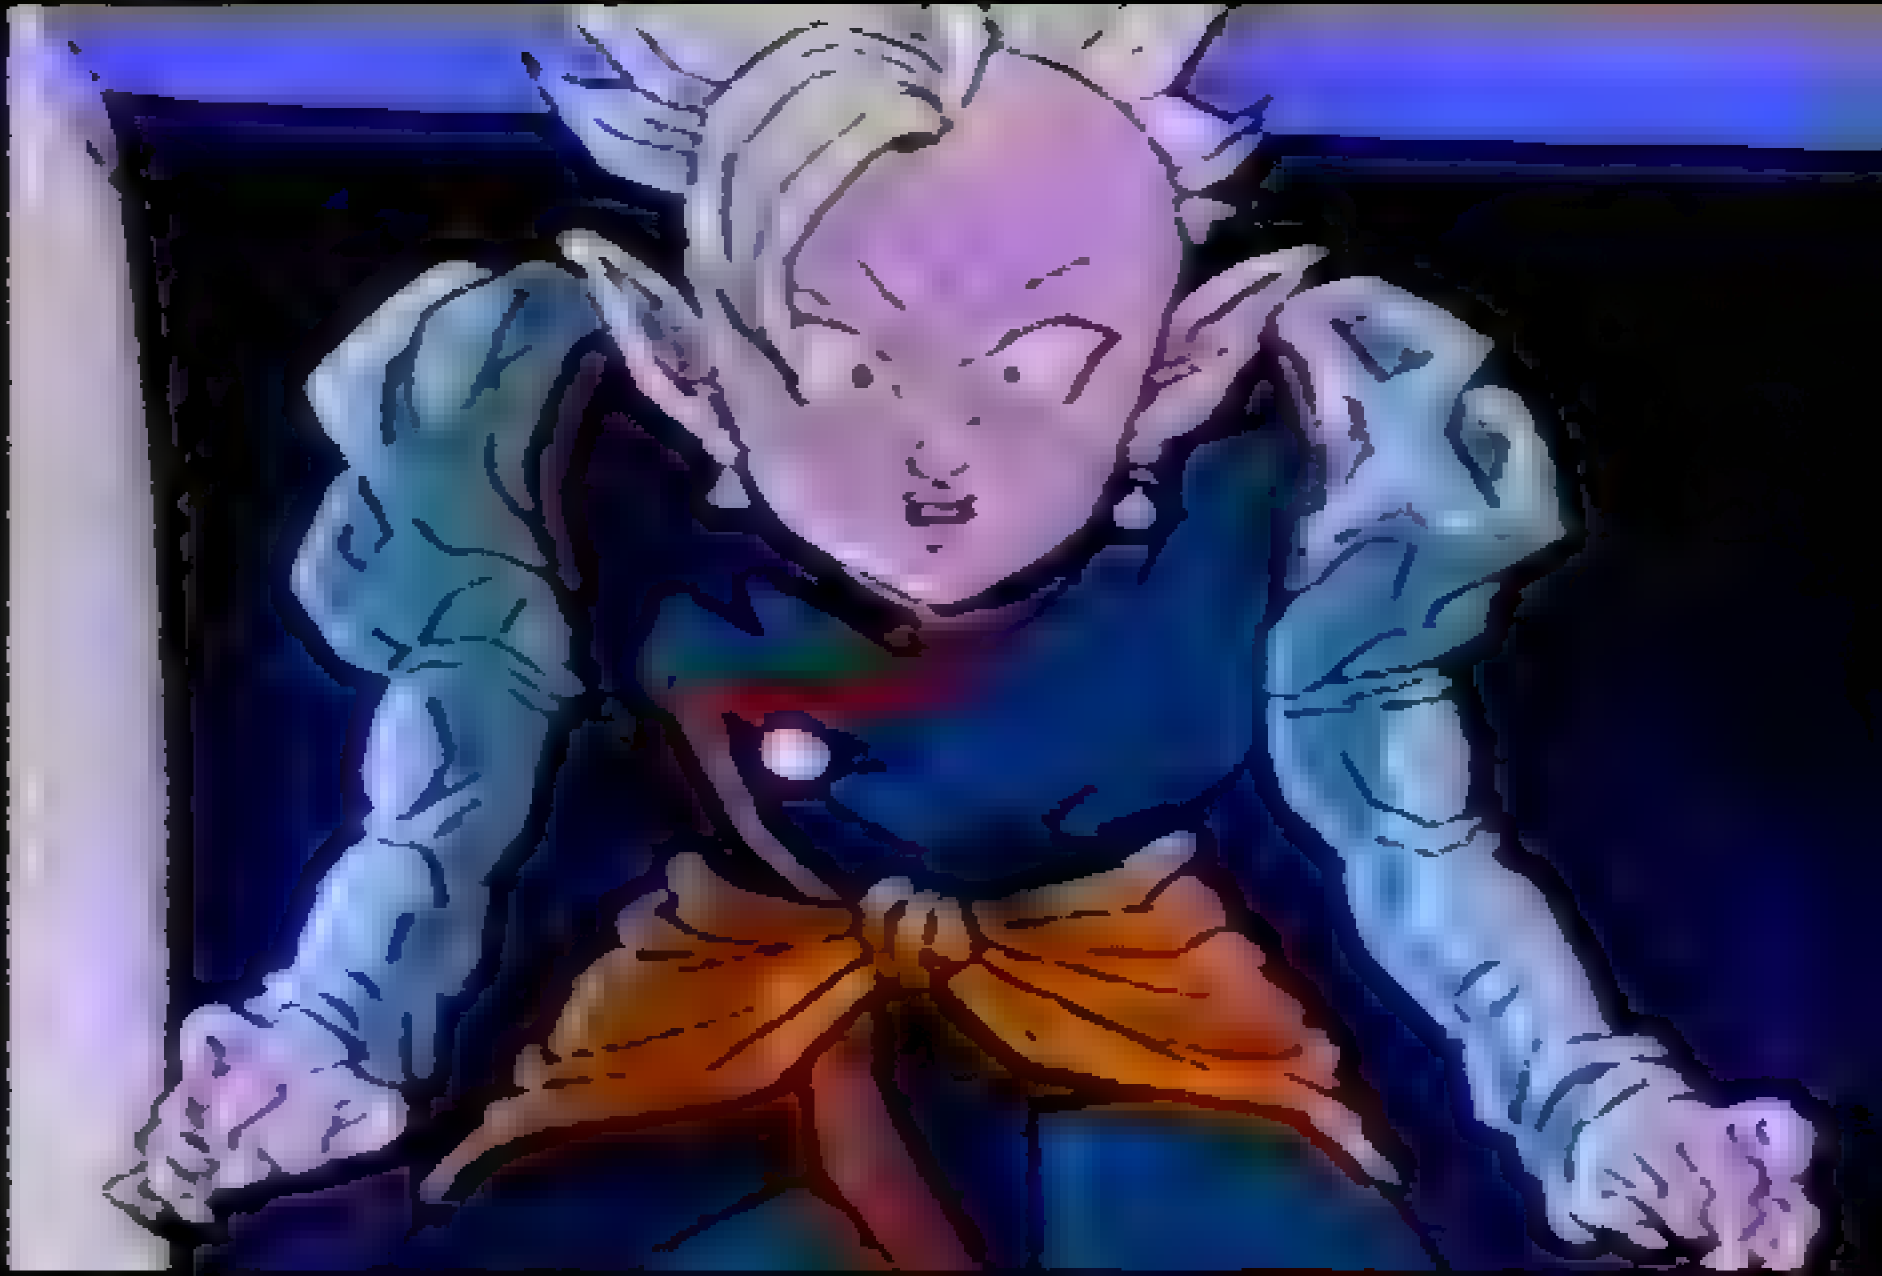

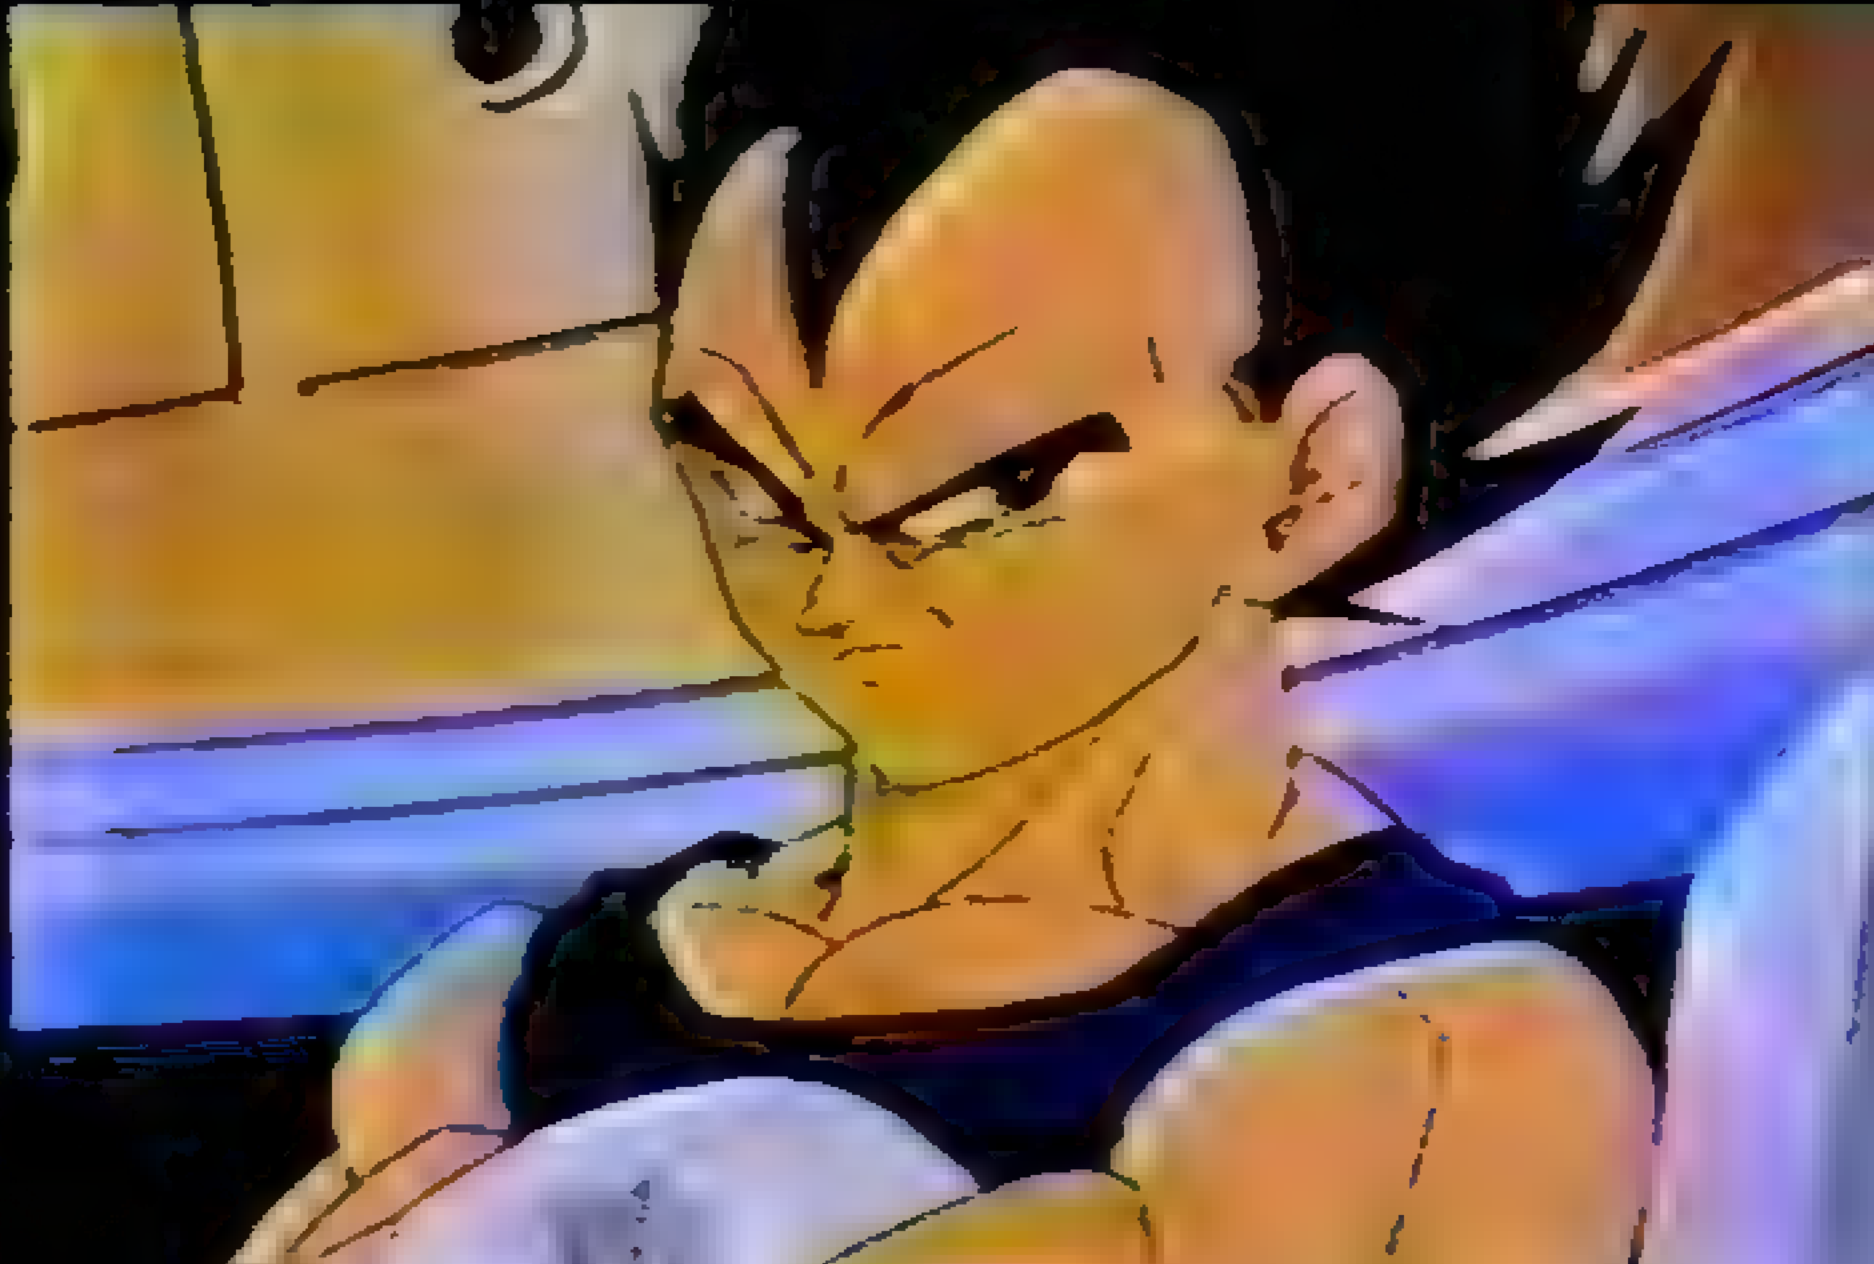

But this is as far as you get!

You're dead, now that you have to fight me.

You're dead, now that you have to fight me.

I've lost my respect for Babi Dee,
if this is the best he could do

I've lost my respect for Babi Dee,
if this is the best he could do.

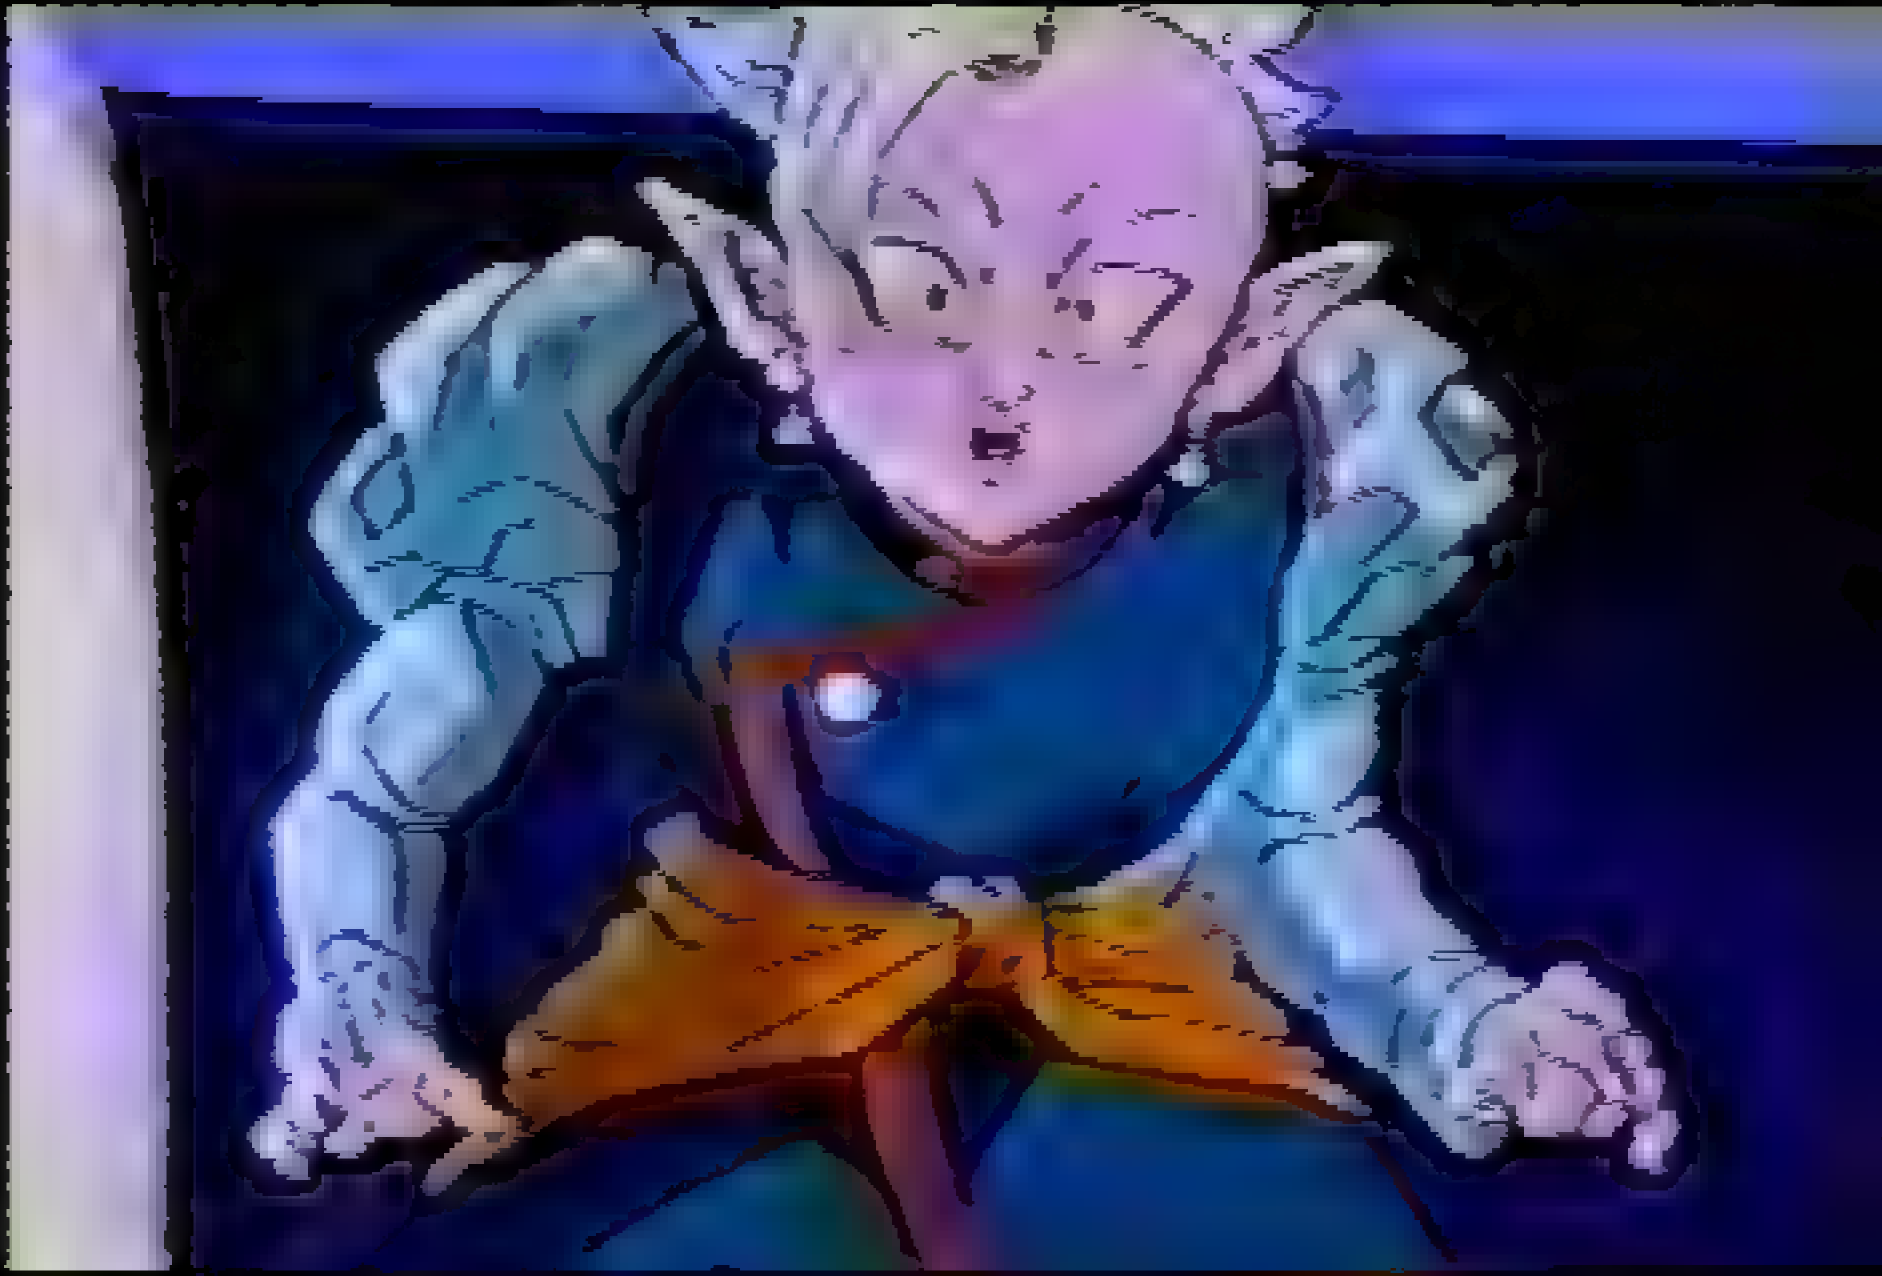

That's enough of this worthless
talk, come and get me.

That's enough of this worthless
talk, come and get me.

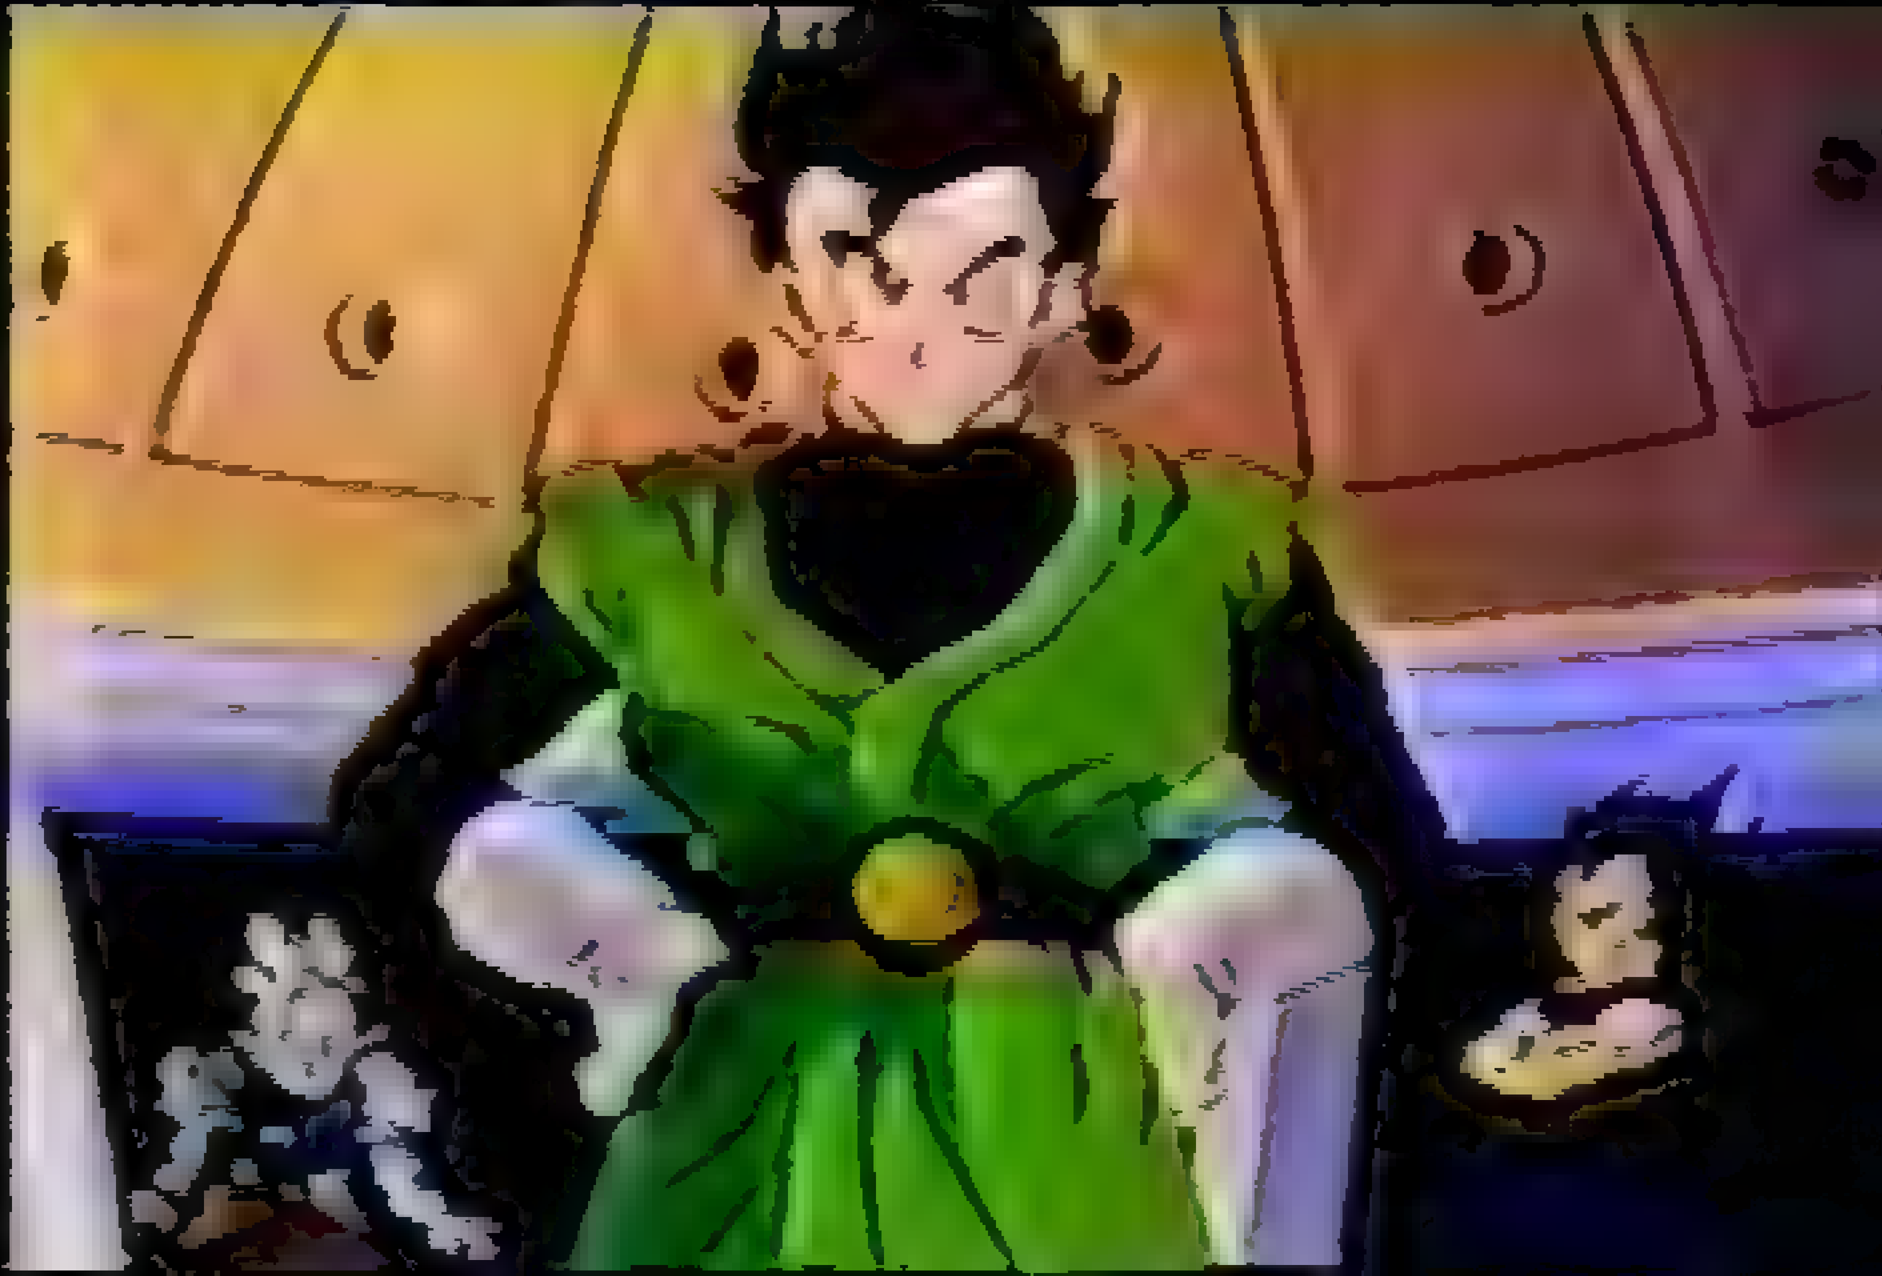

That's enough of this worthless
talk, come and get me!

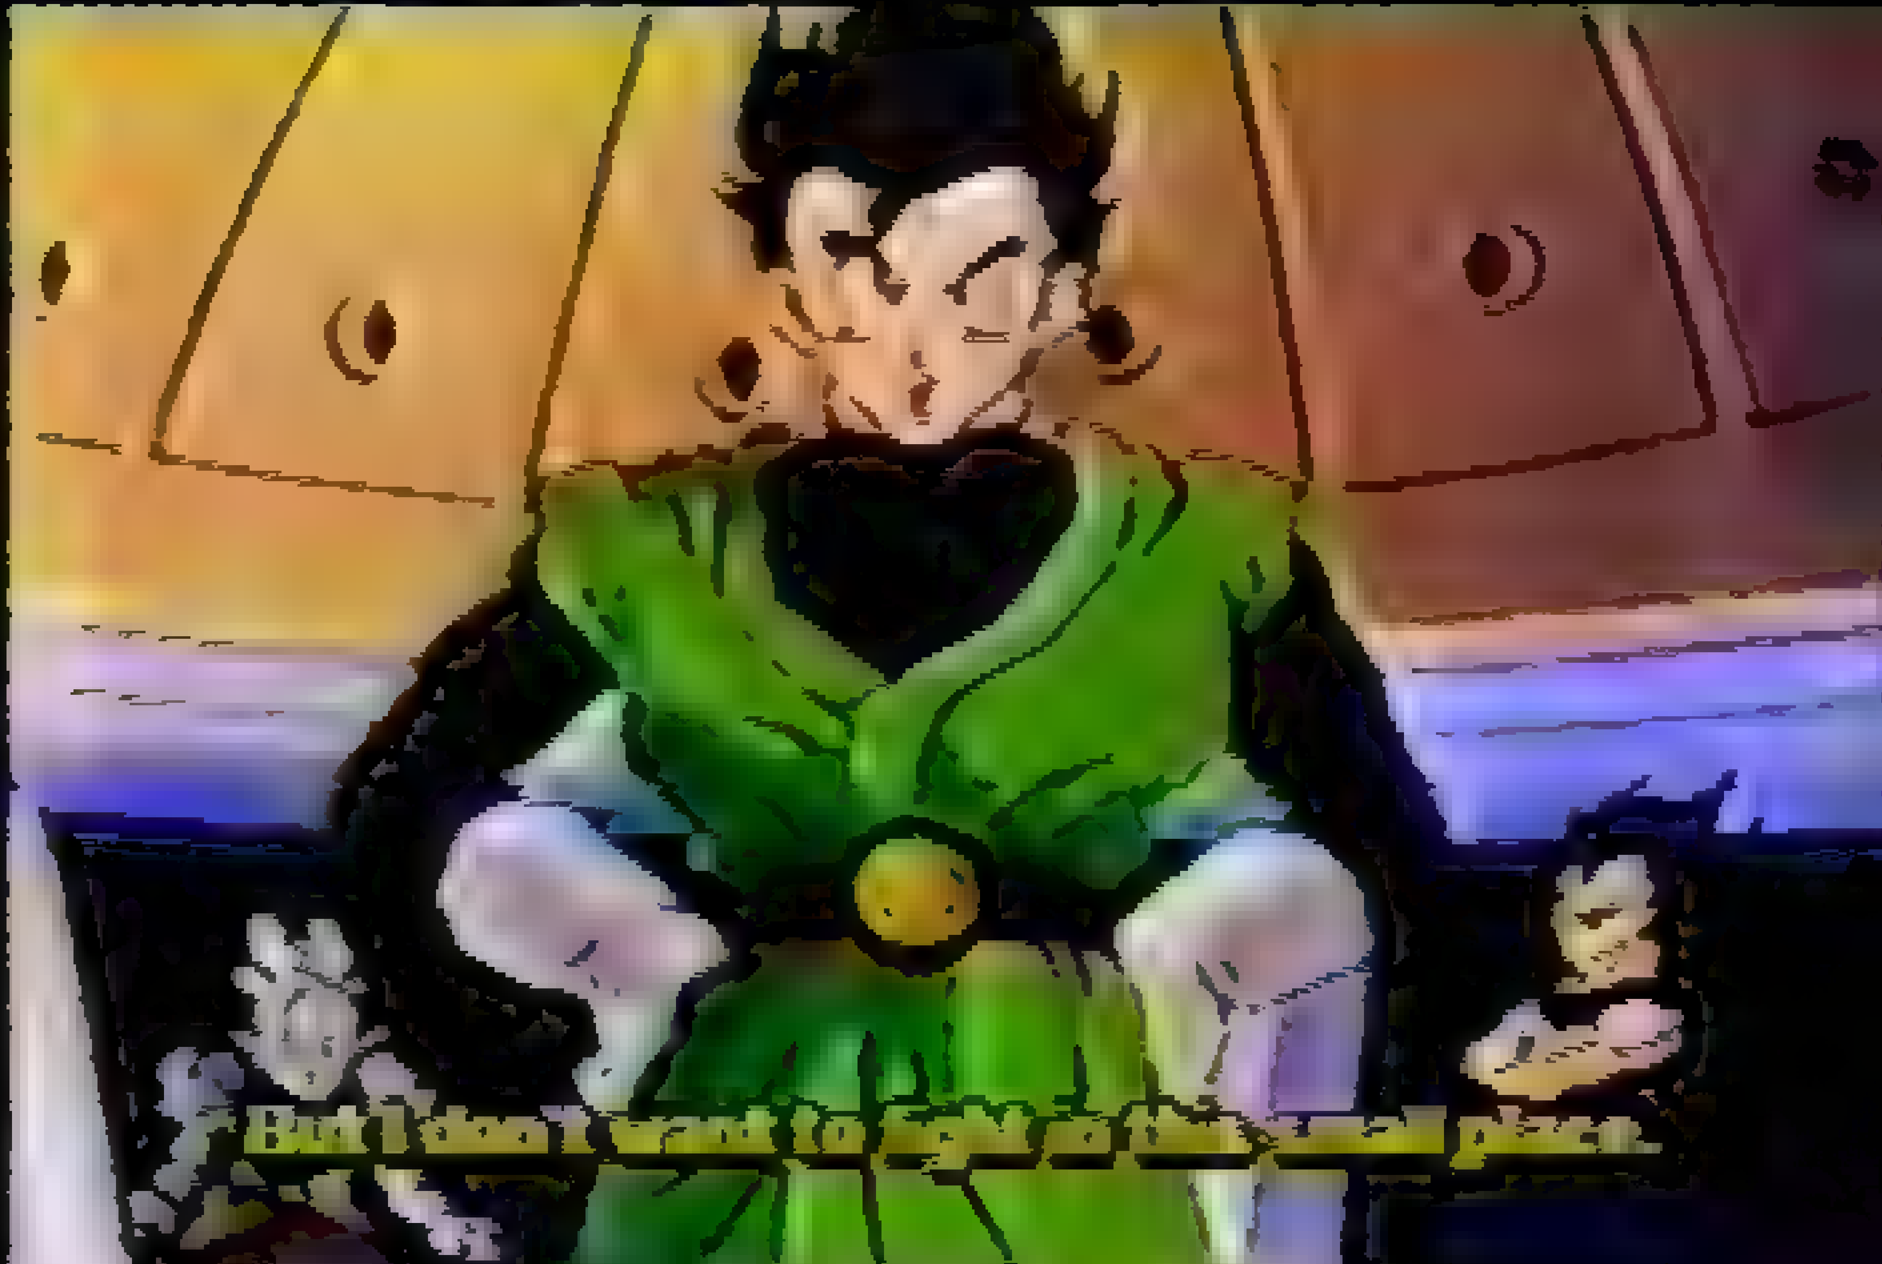

It's my turn!! I get to beat you by myself!

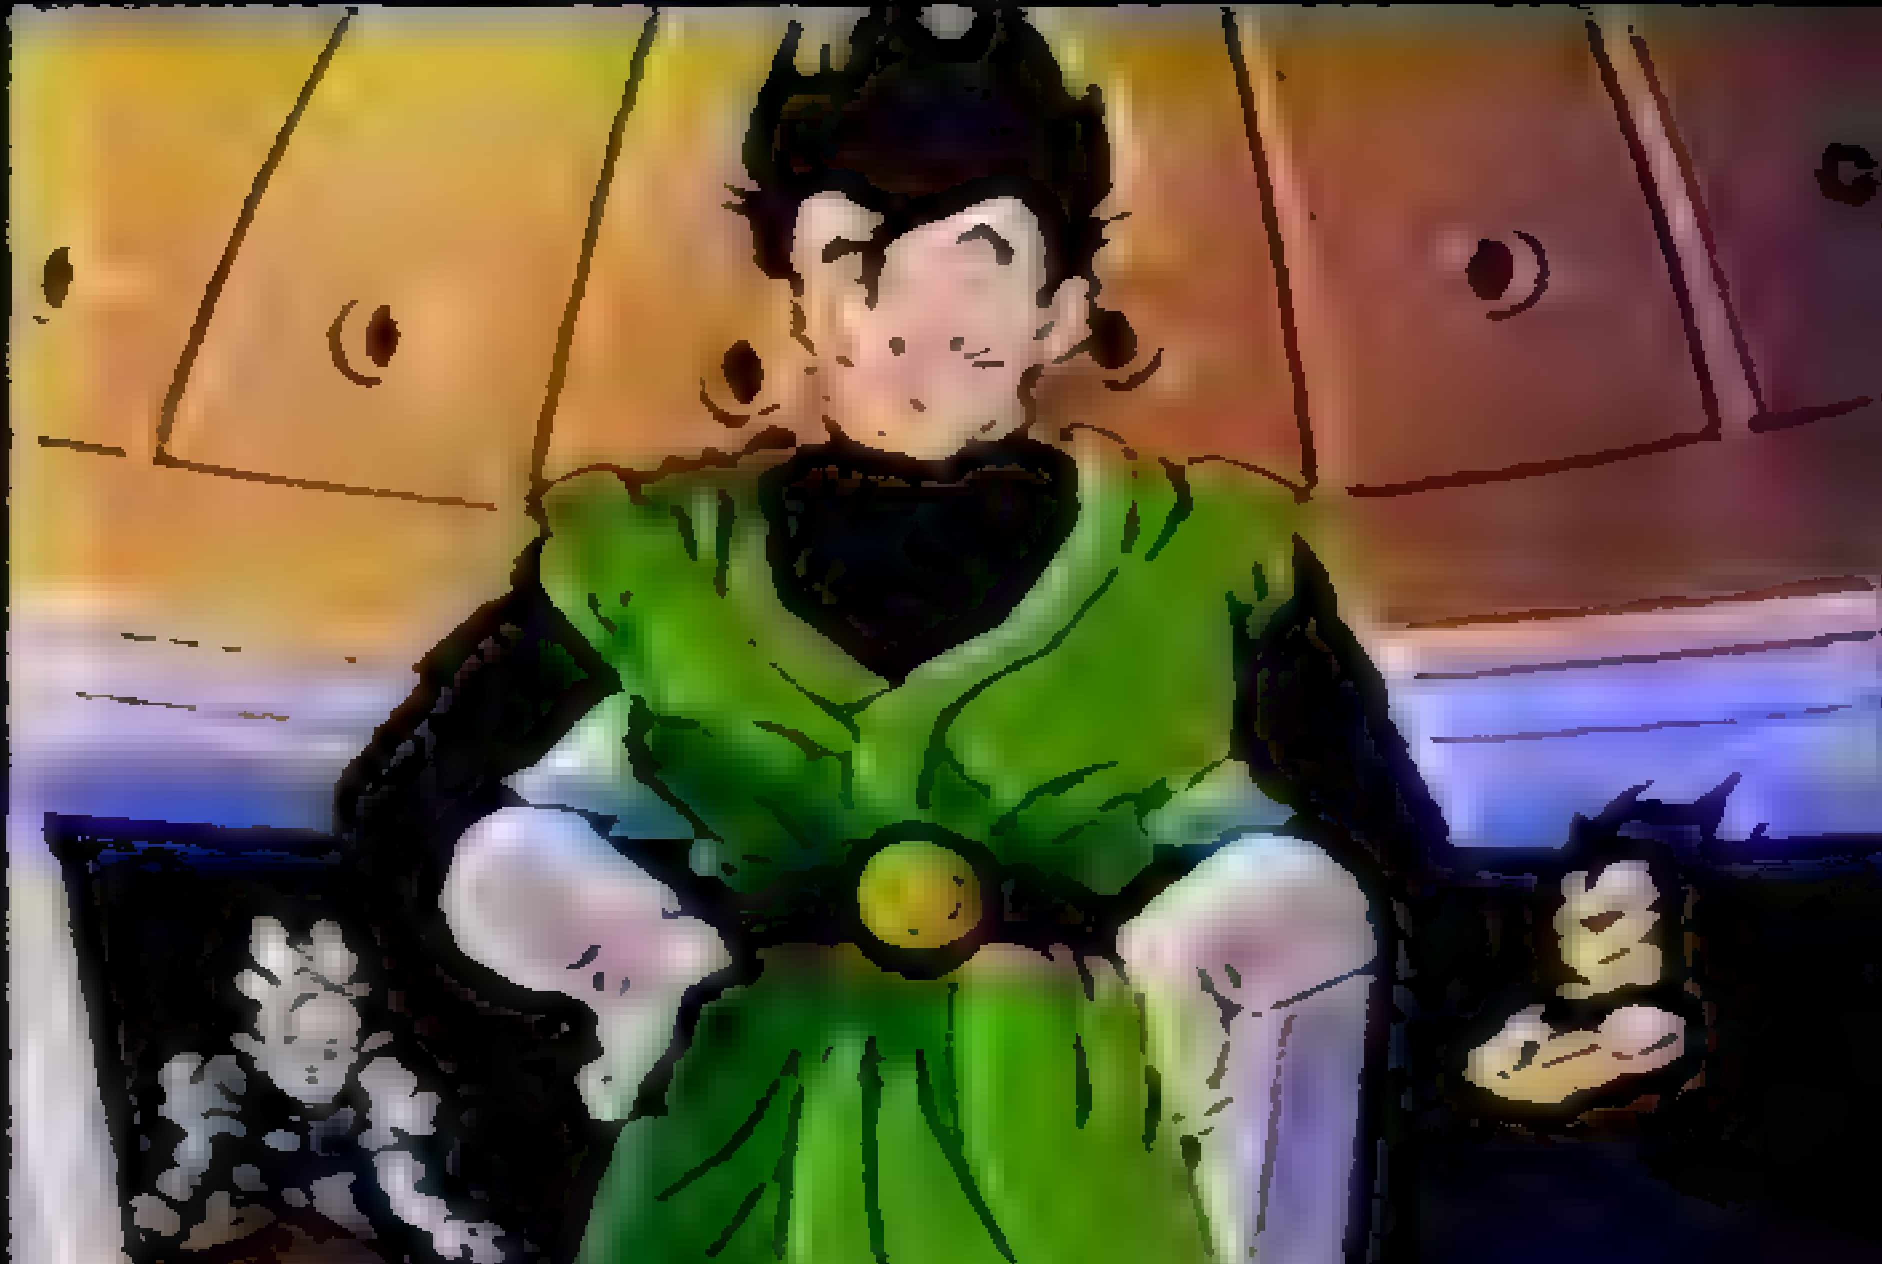

But I don't want to fight in this small place.

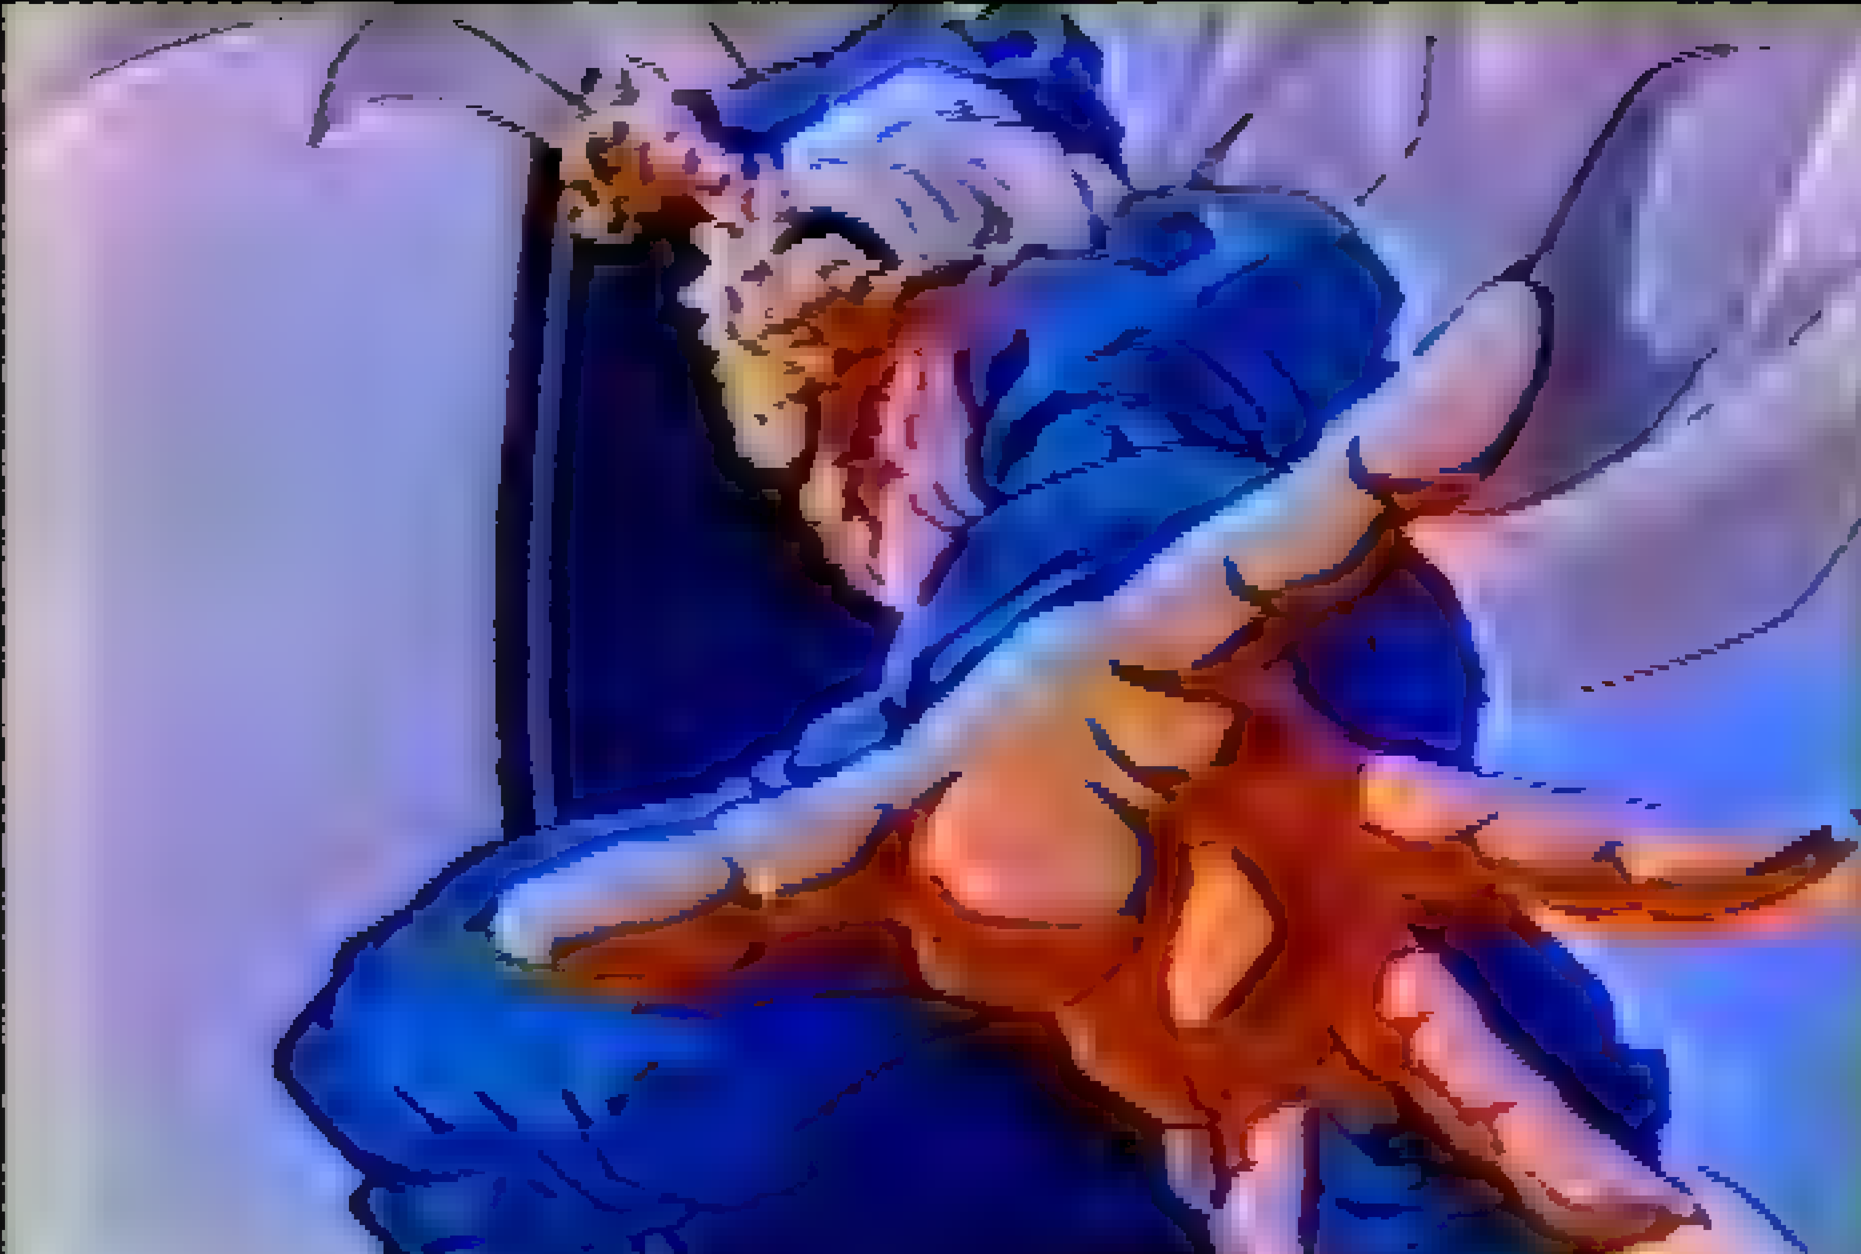

Let's go somewhere else to fight like dad did!

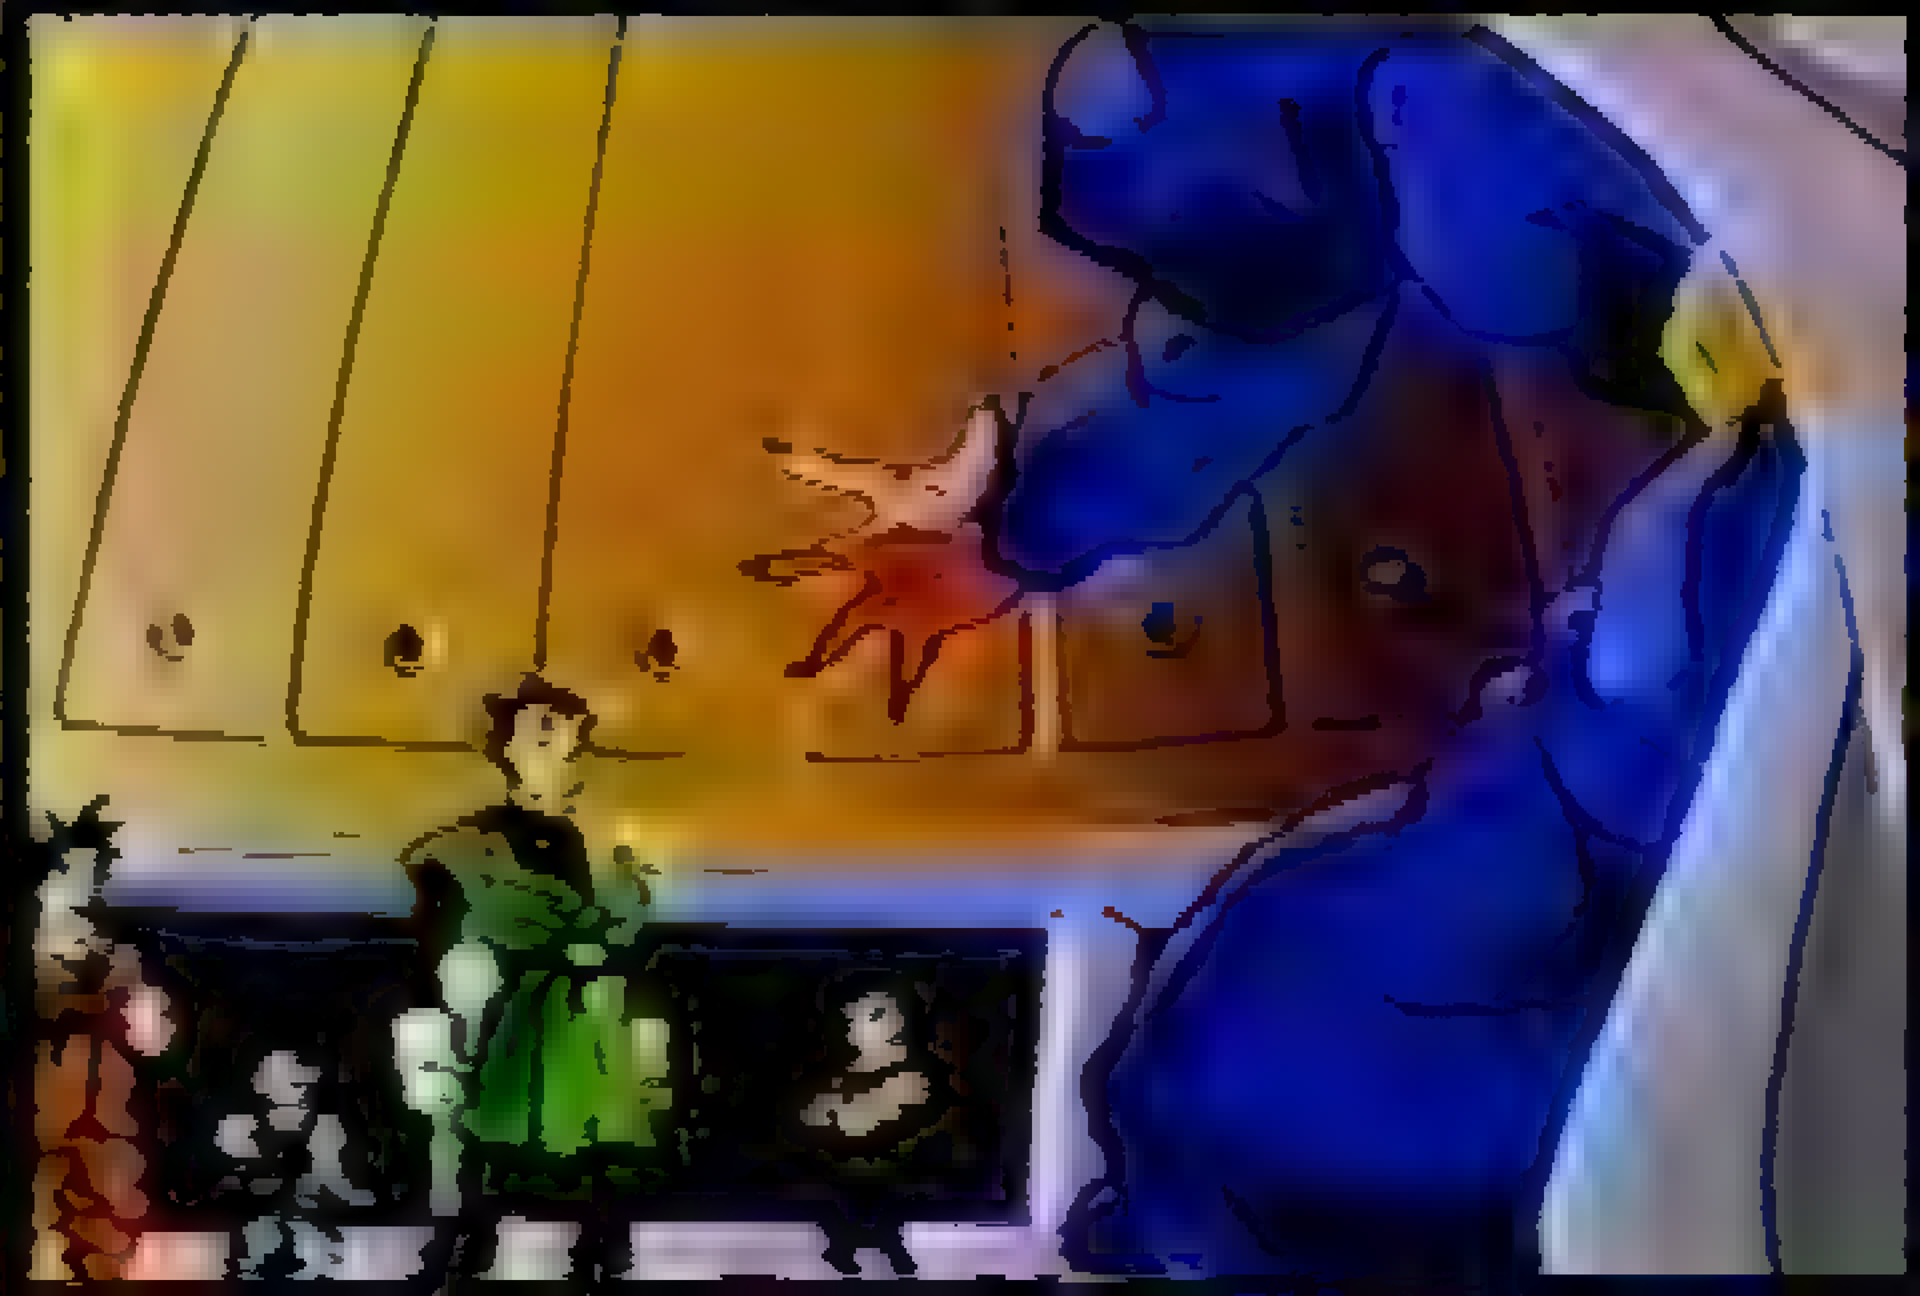

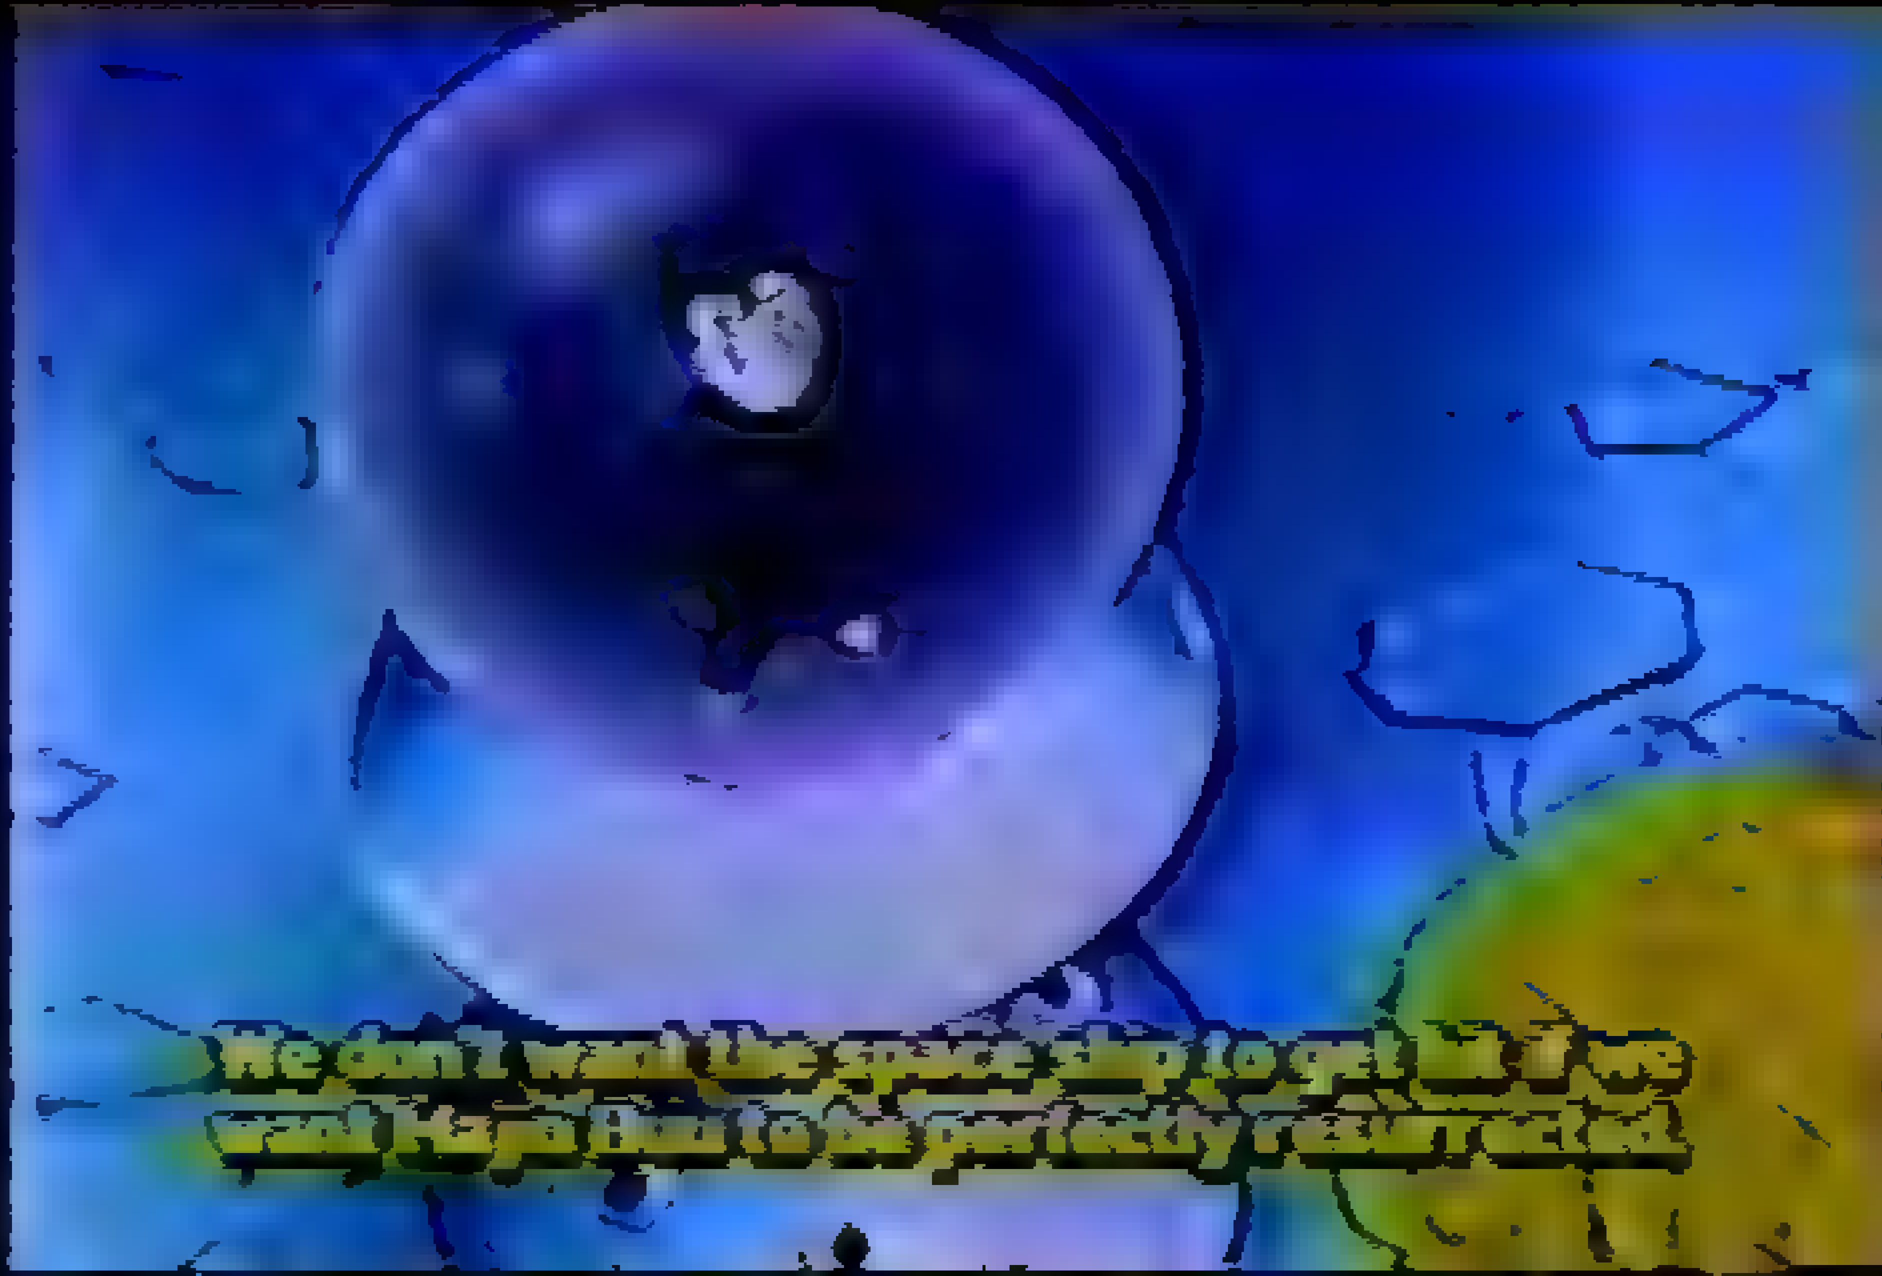

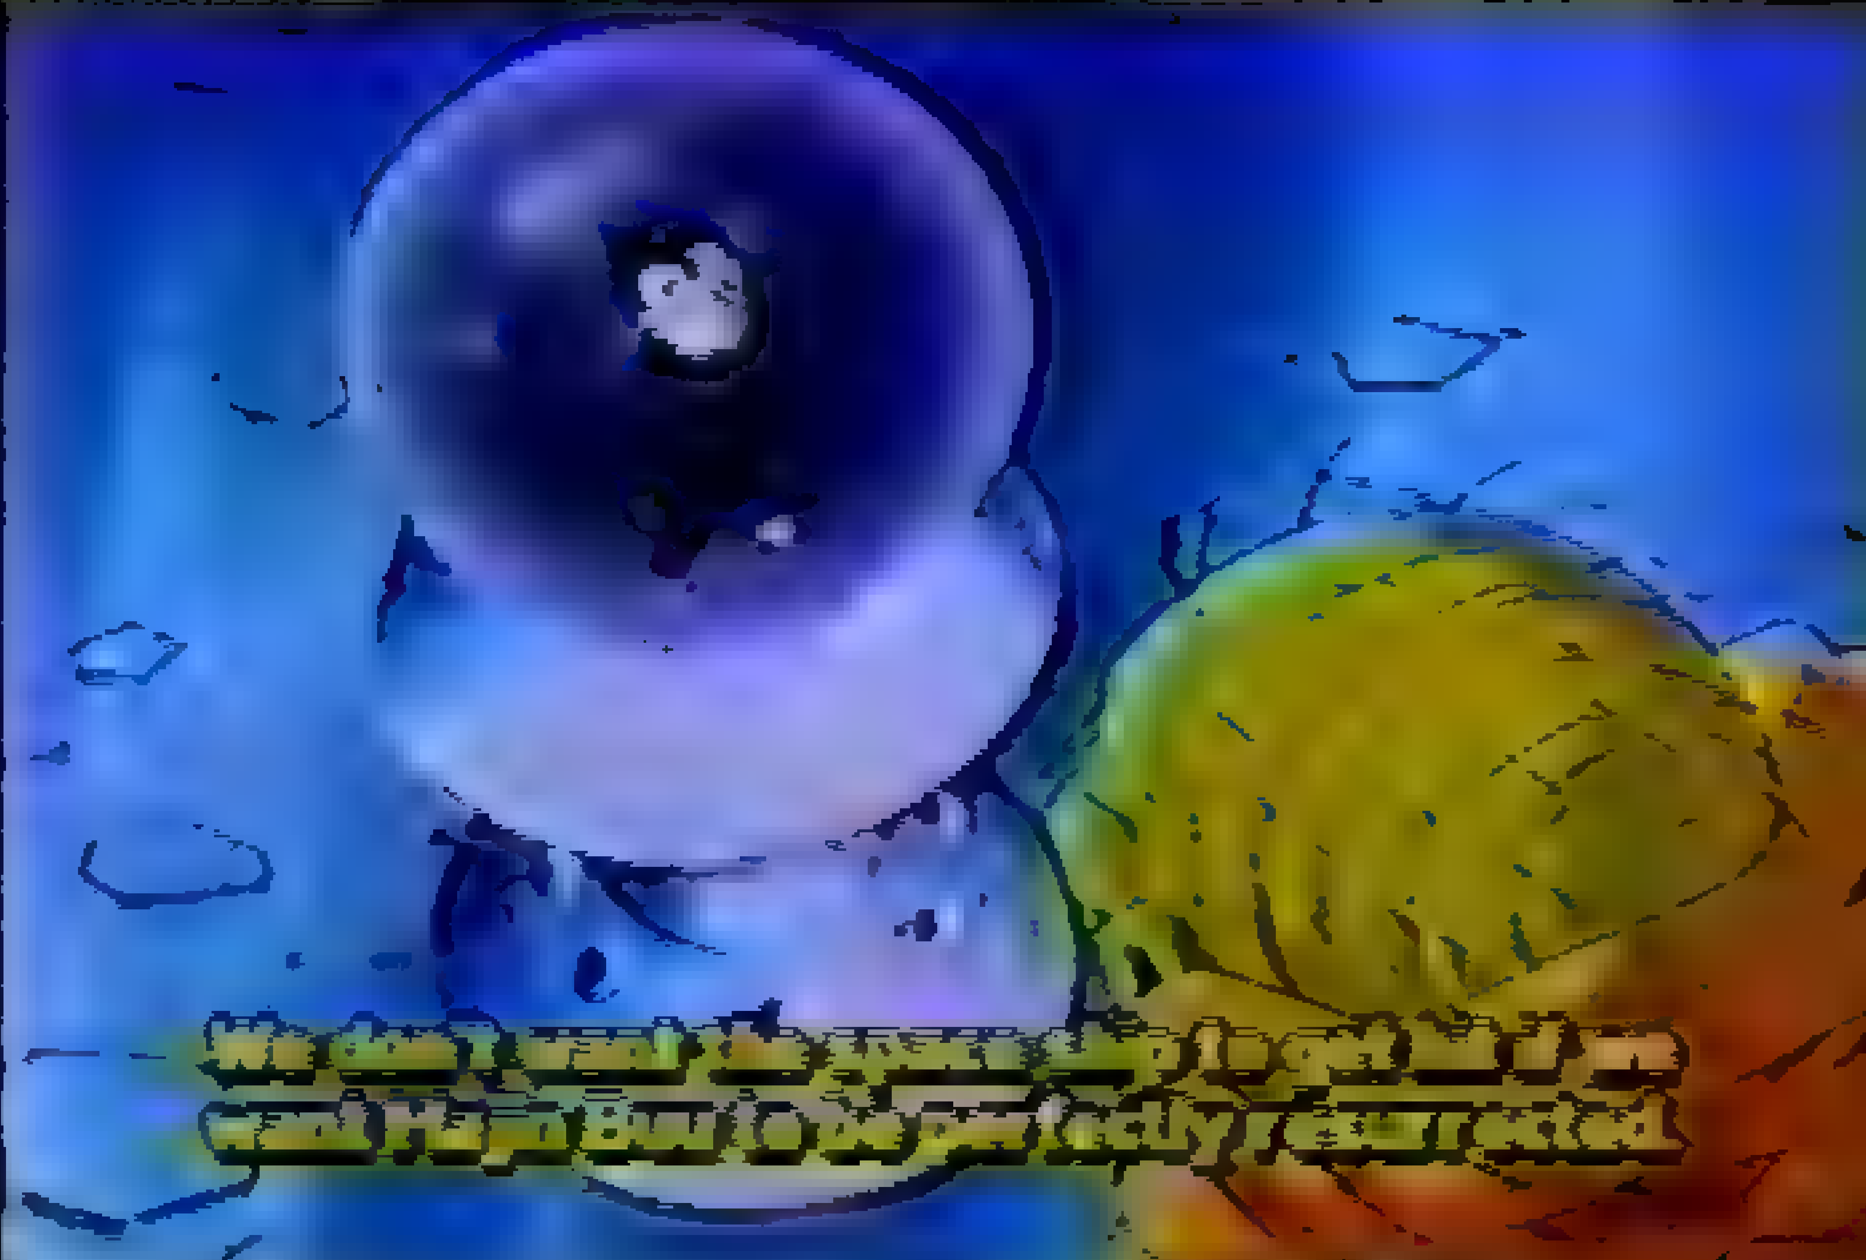

How dare you say that to me!

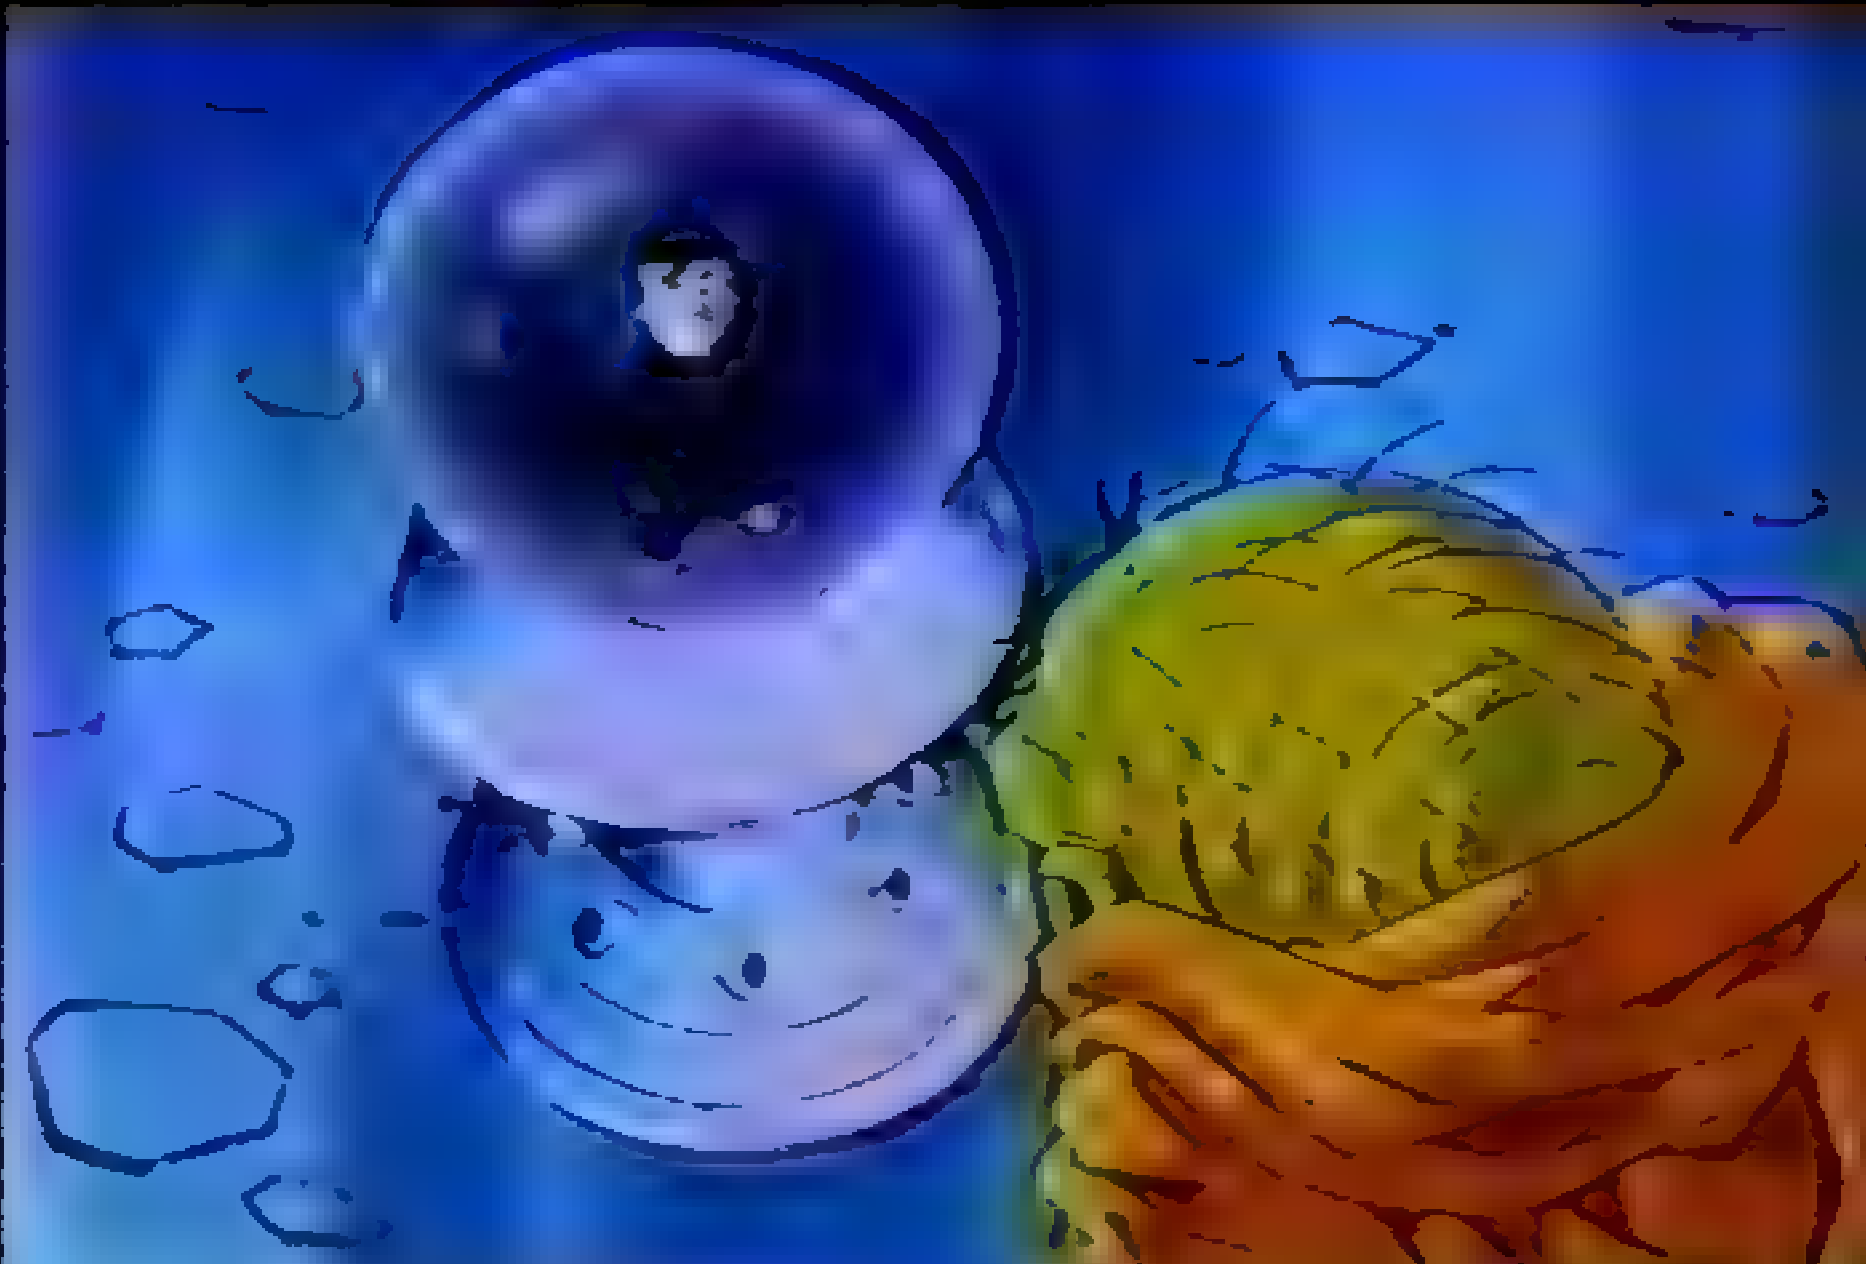

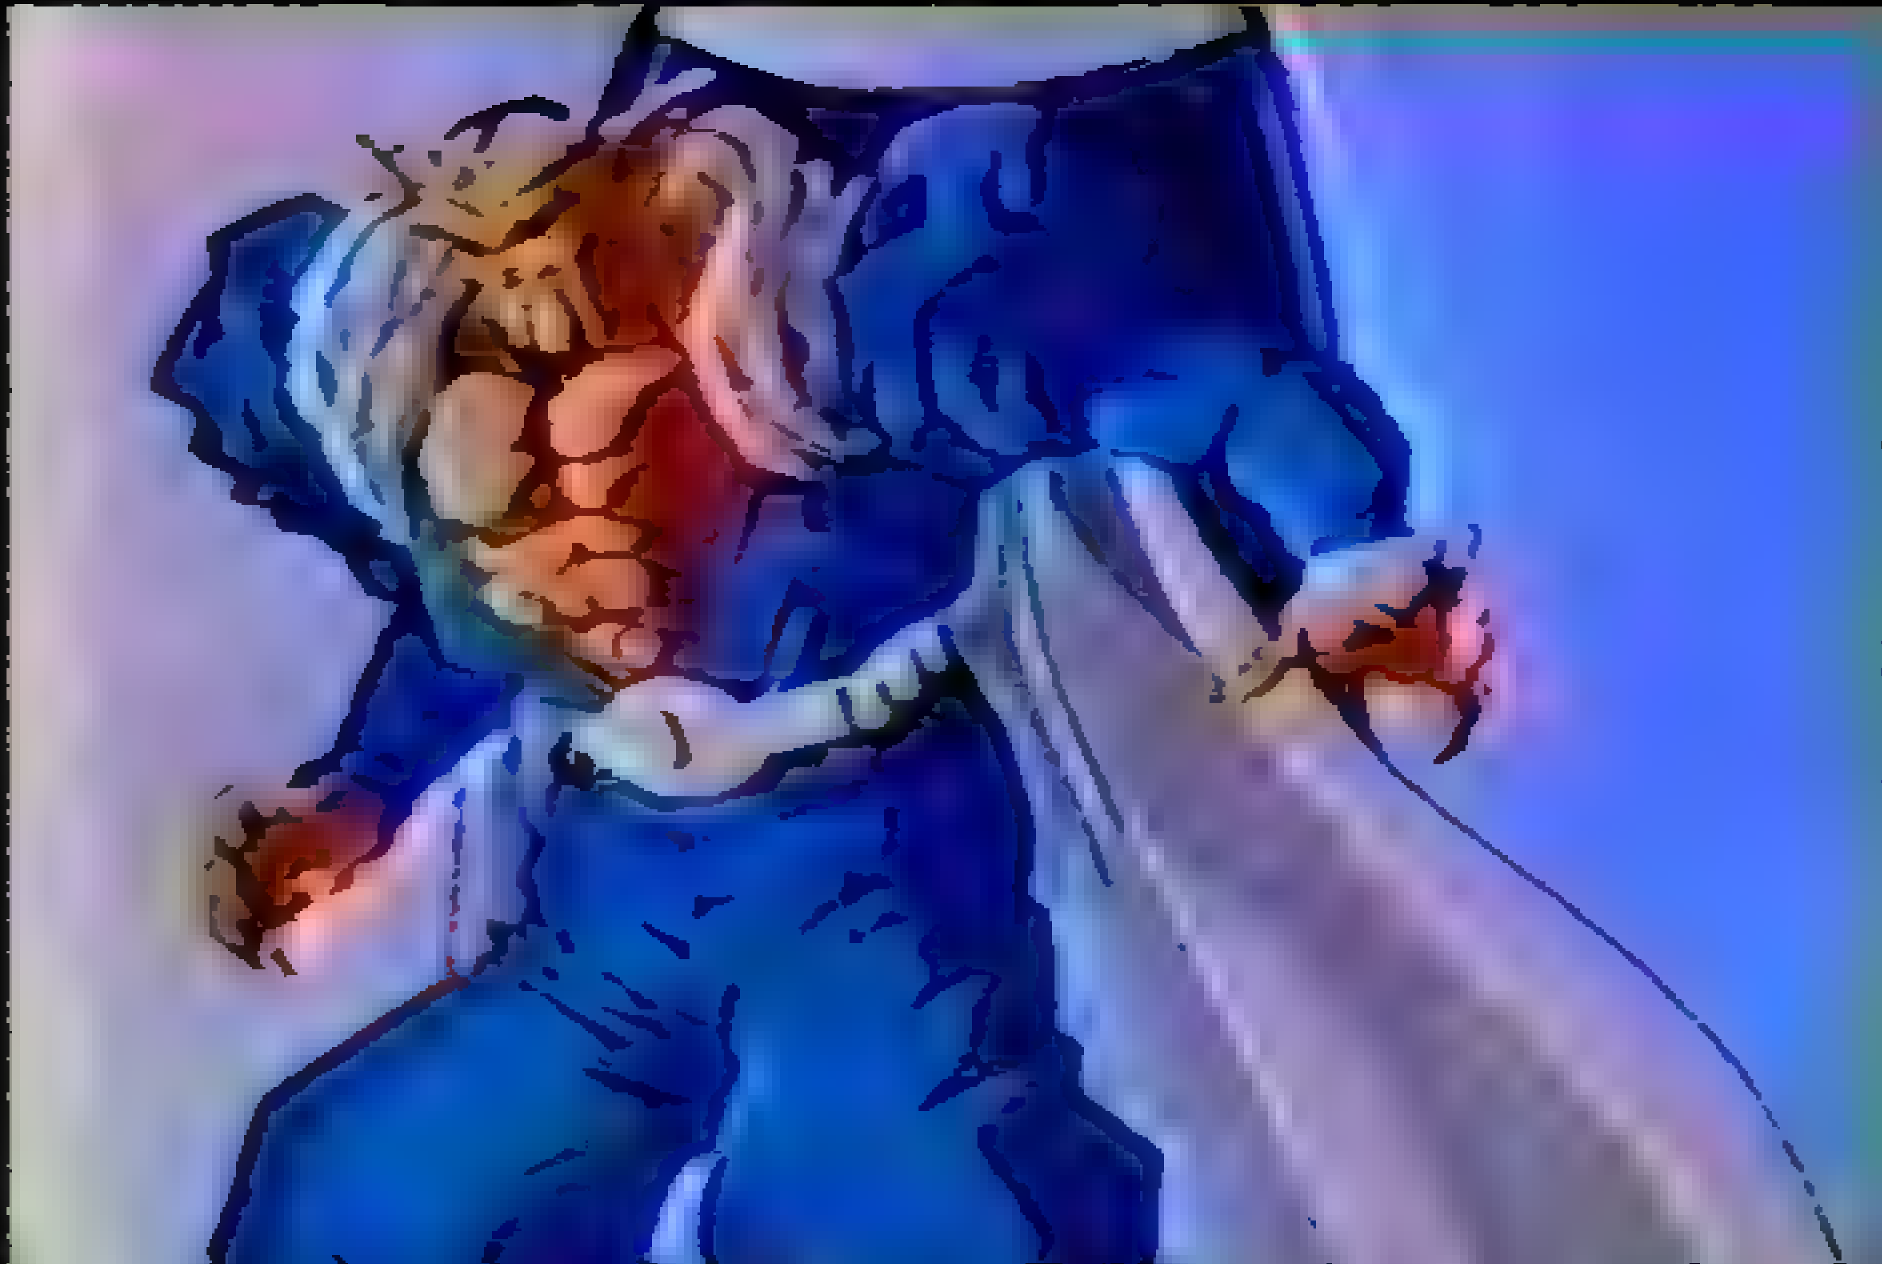

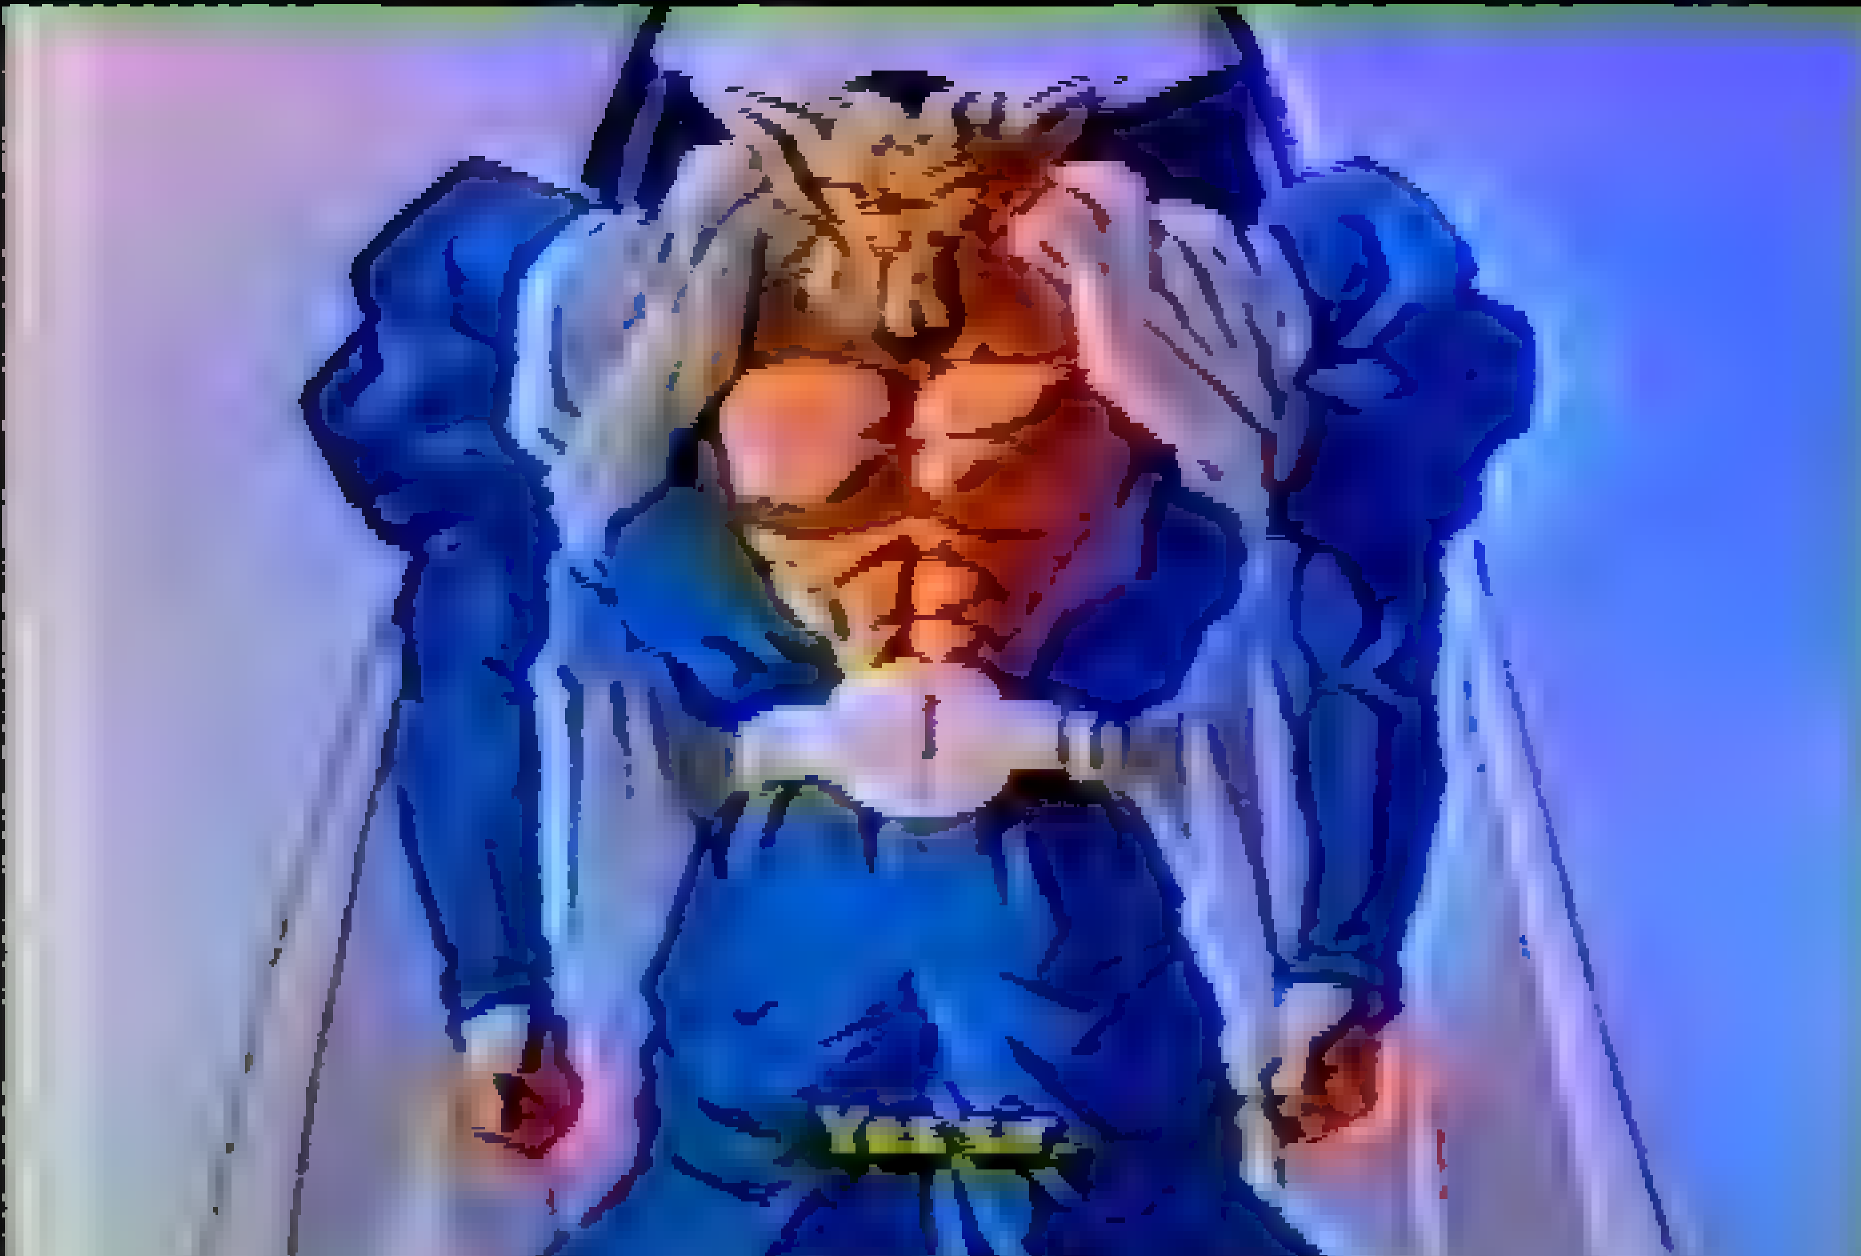

We don't want the space ship to get hit if we
want Majin Buu to be perfectly resurrected.

Won't you please fight somewhere else?

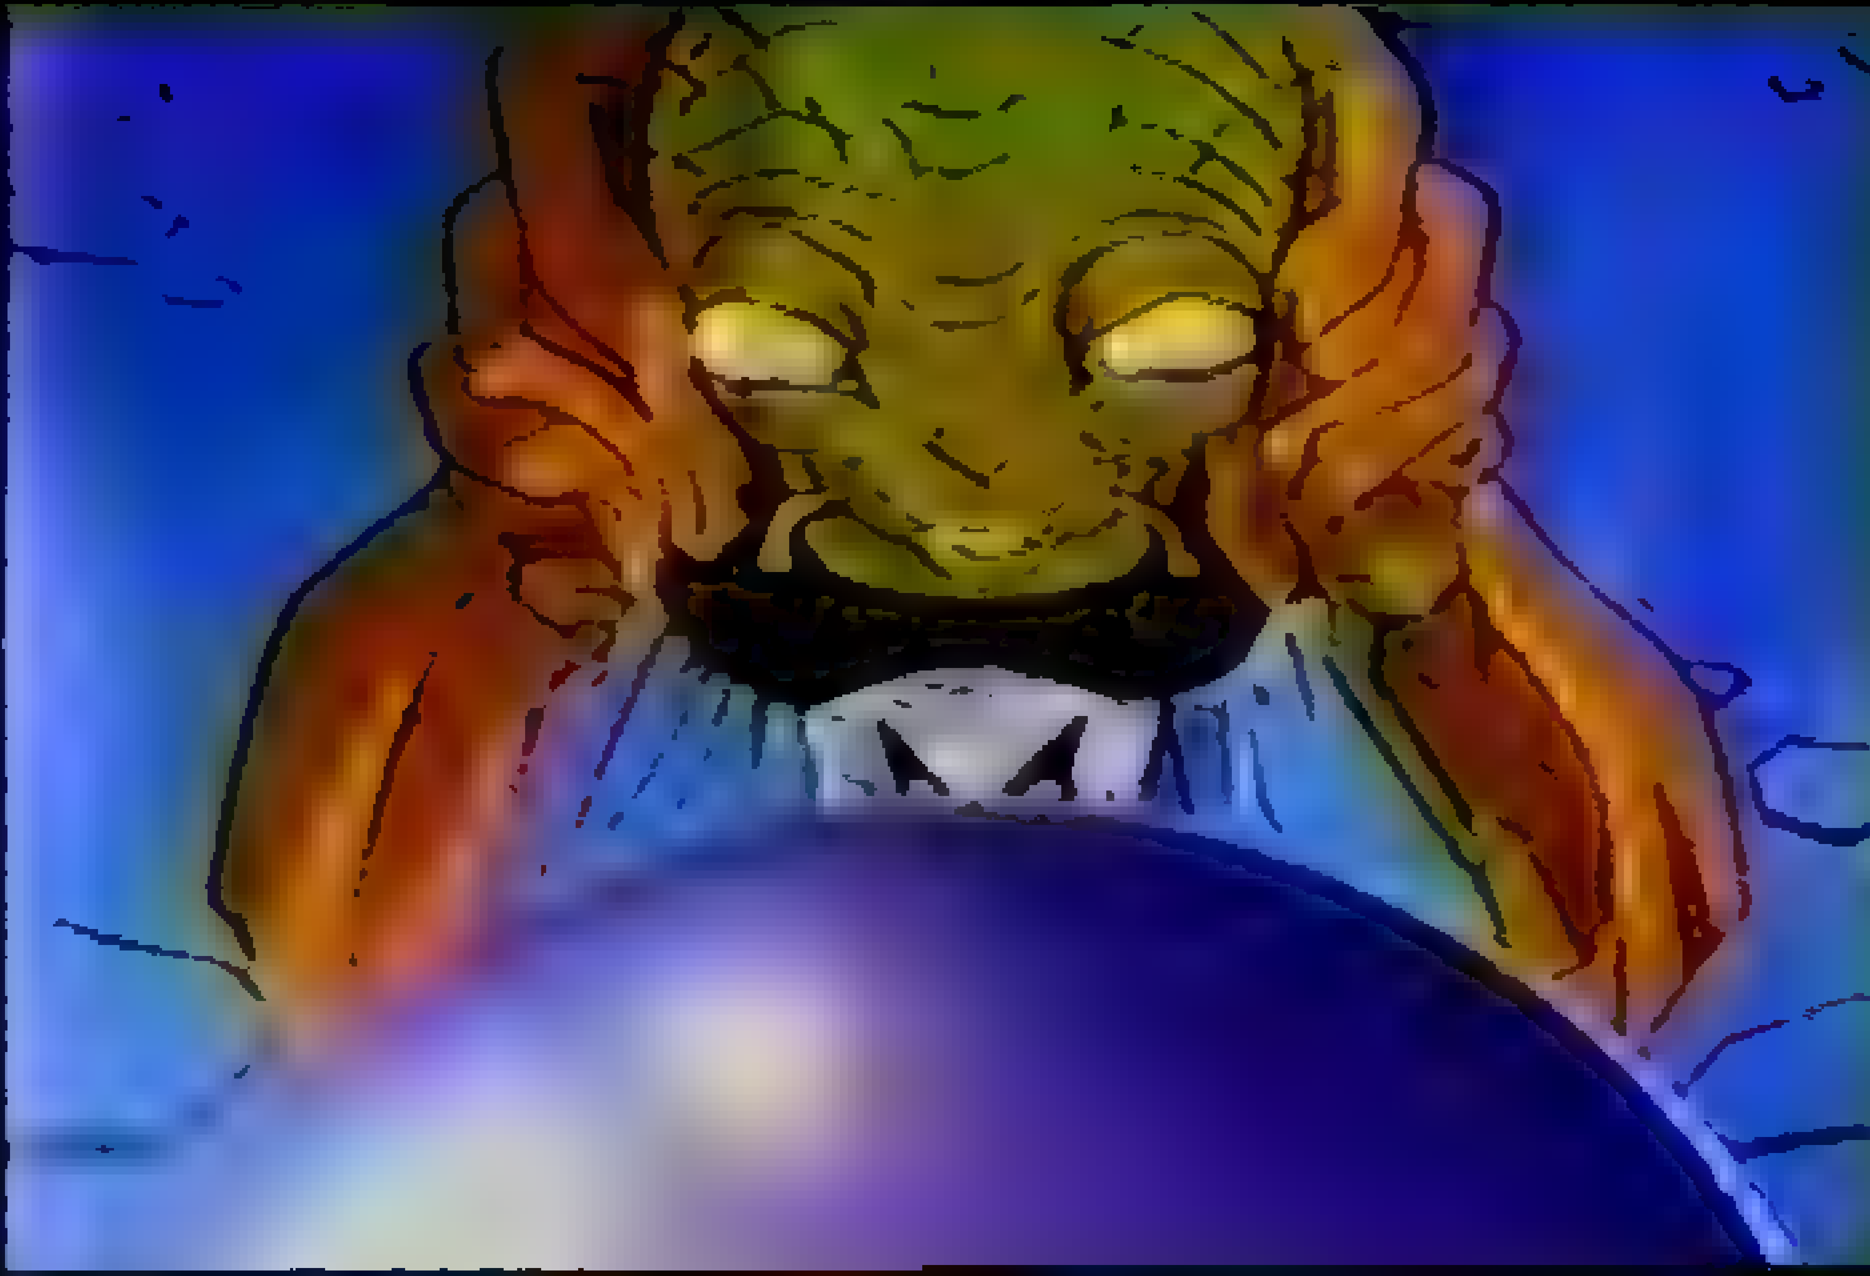

Where do you want to fight?

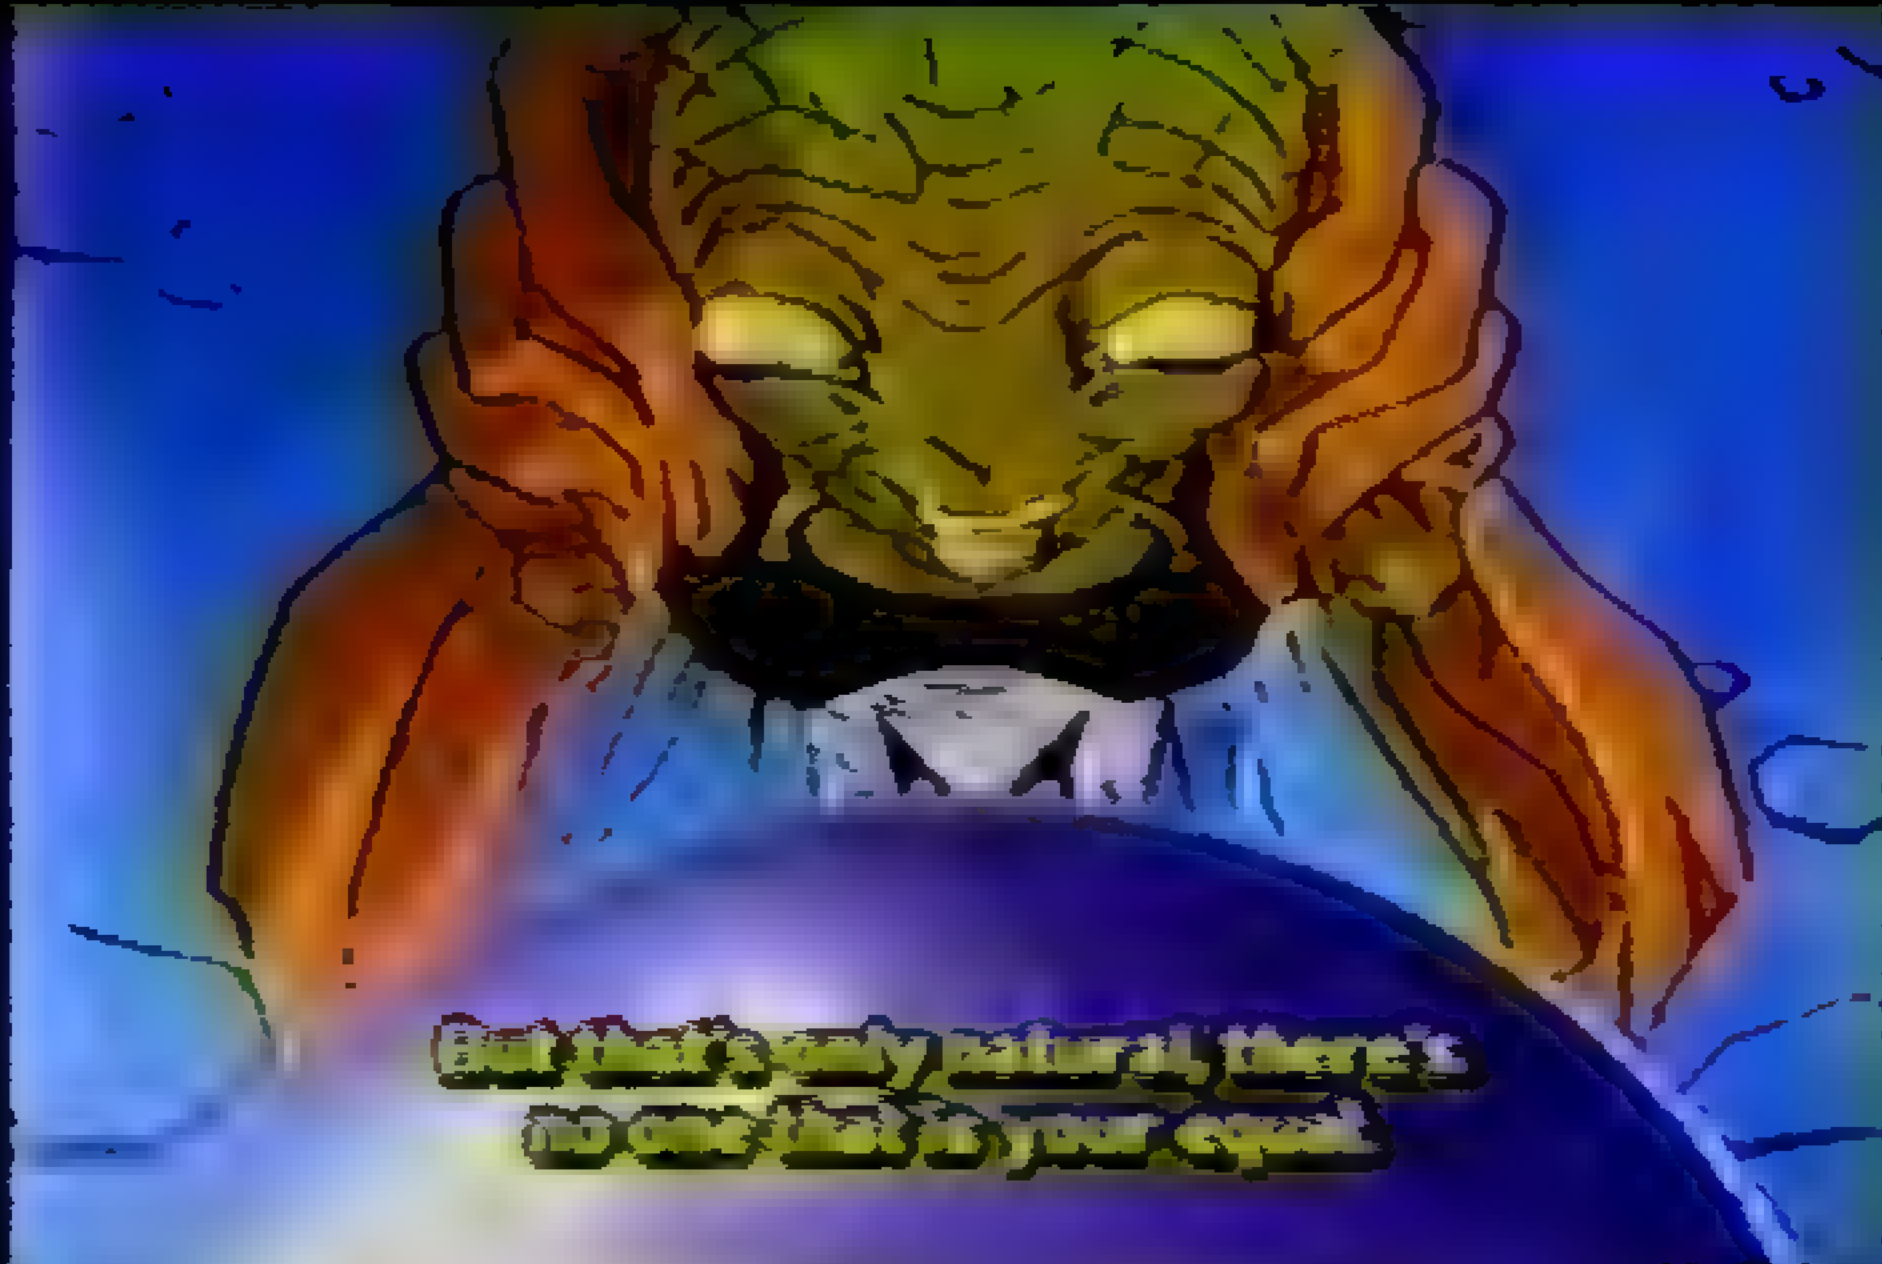

The planet Hande... It's
environment is close to the Earth's.

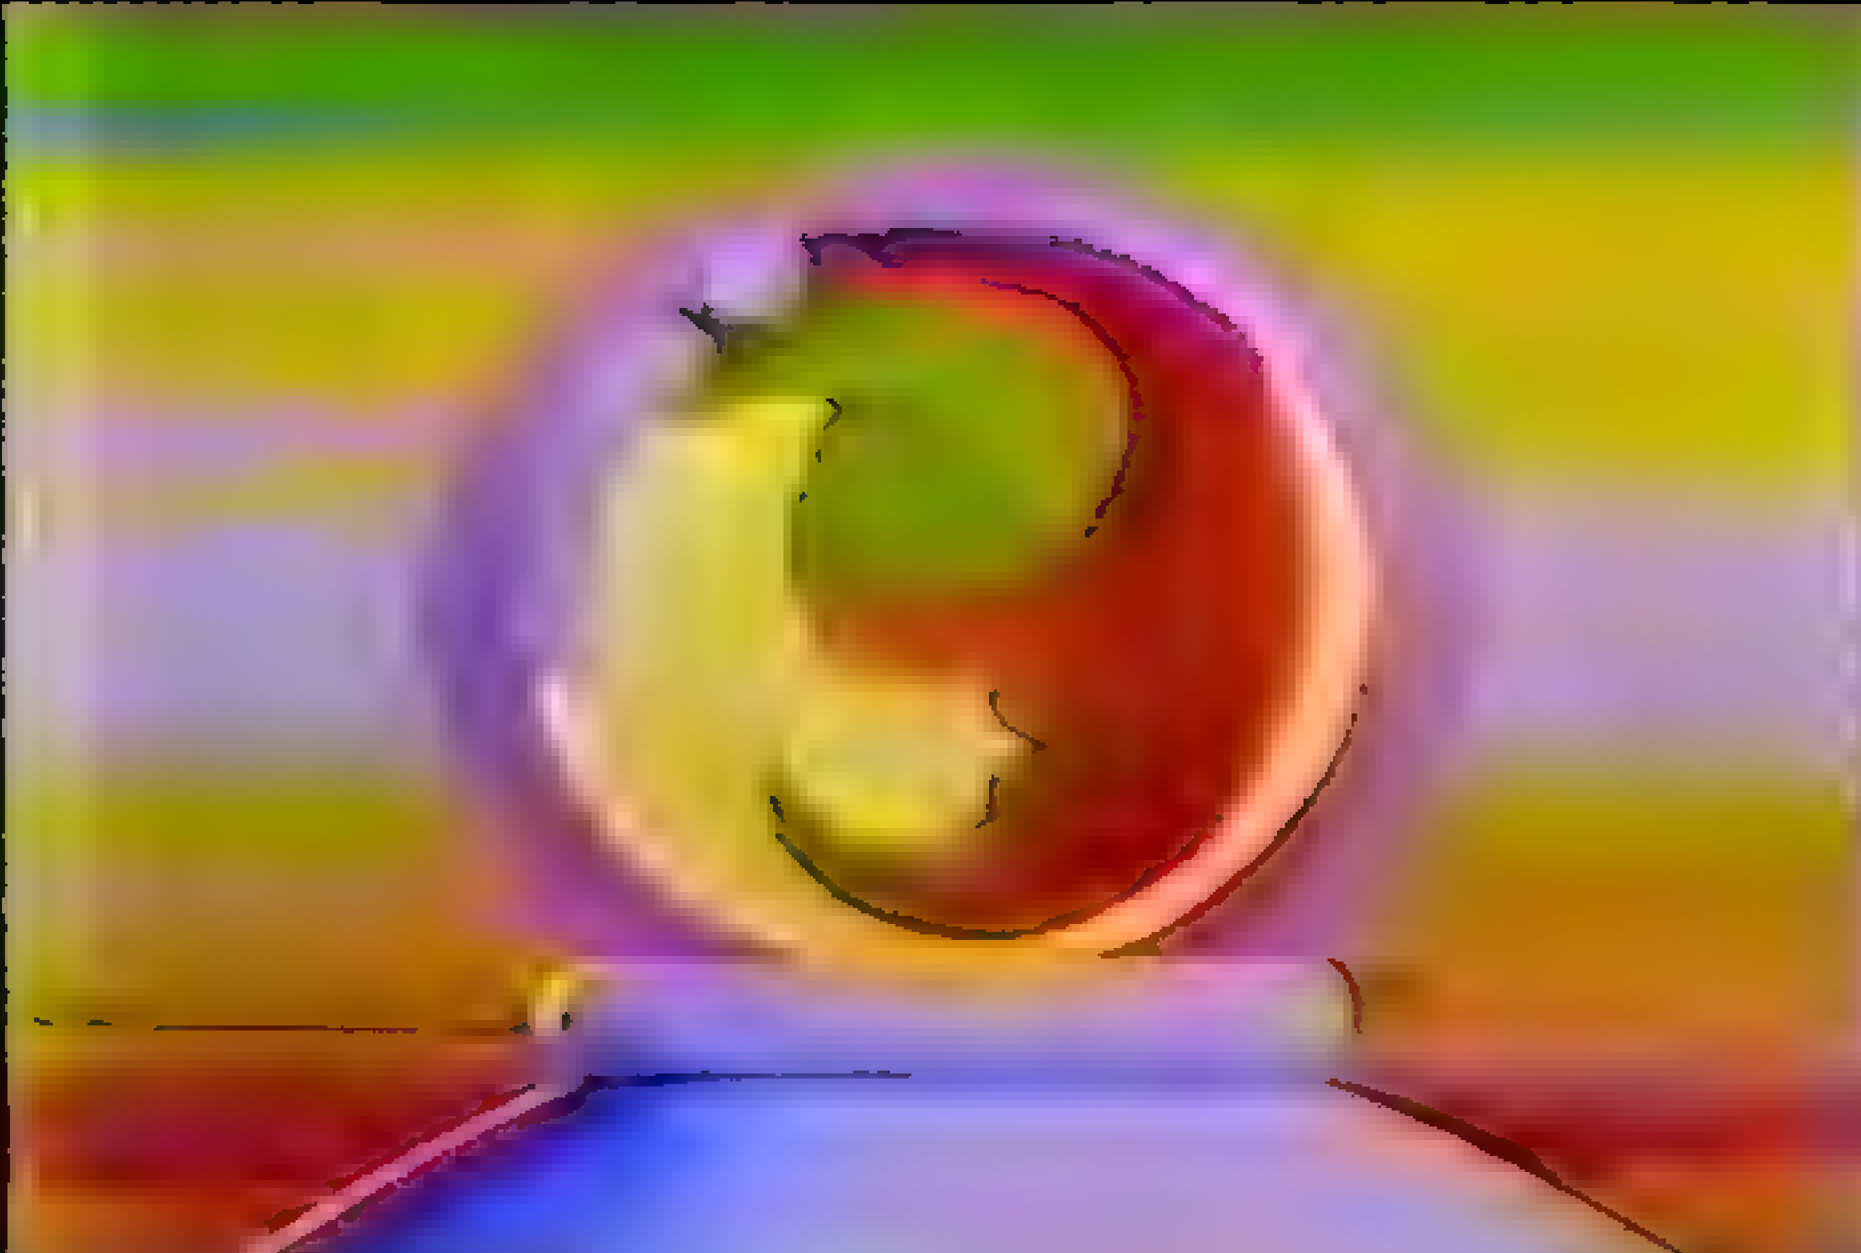

You've got a lot of self-confidence.

But that's only natural, there's
no one that is your equal.

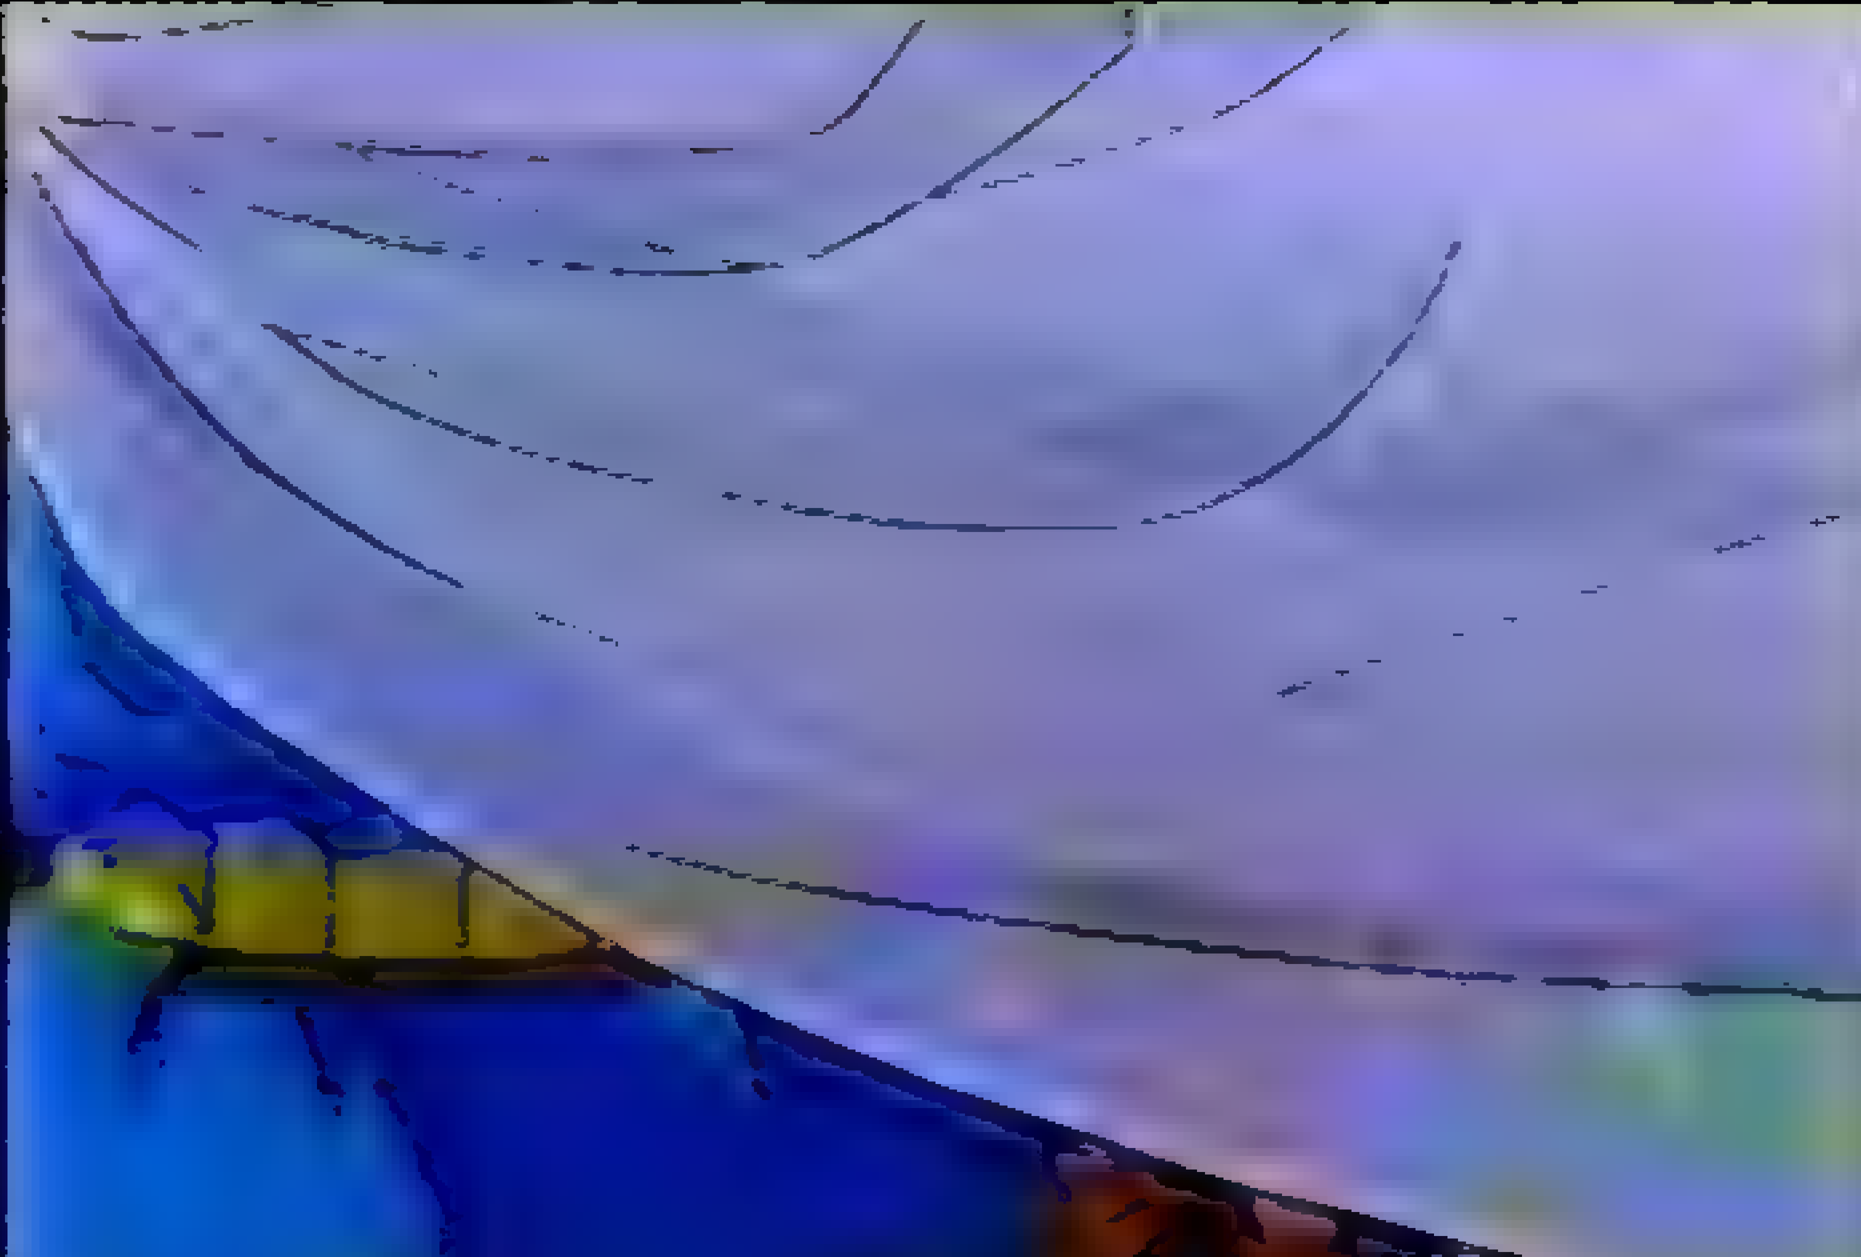

But that's only natural, there's
no one that is your equal.

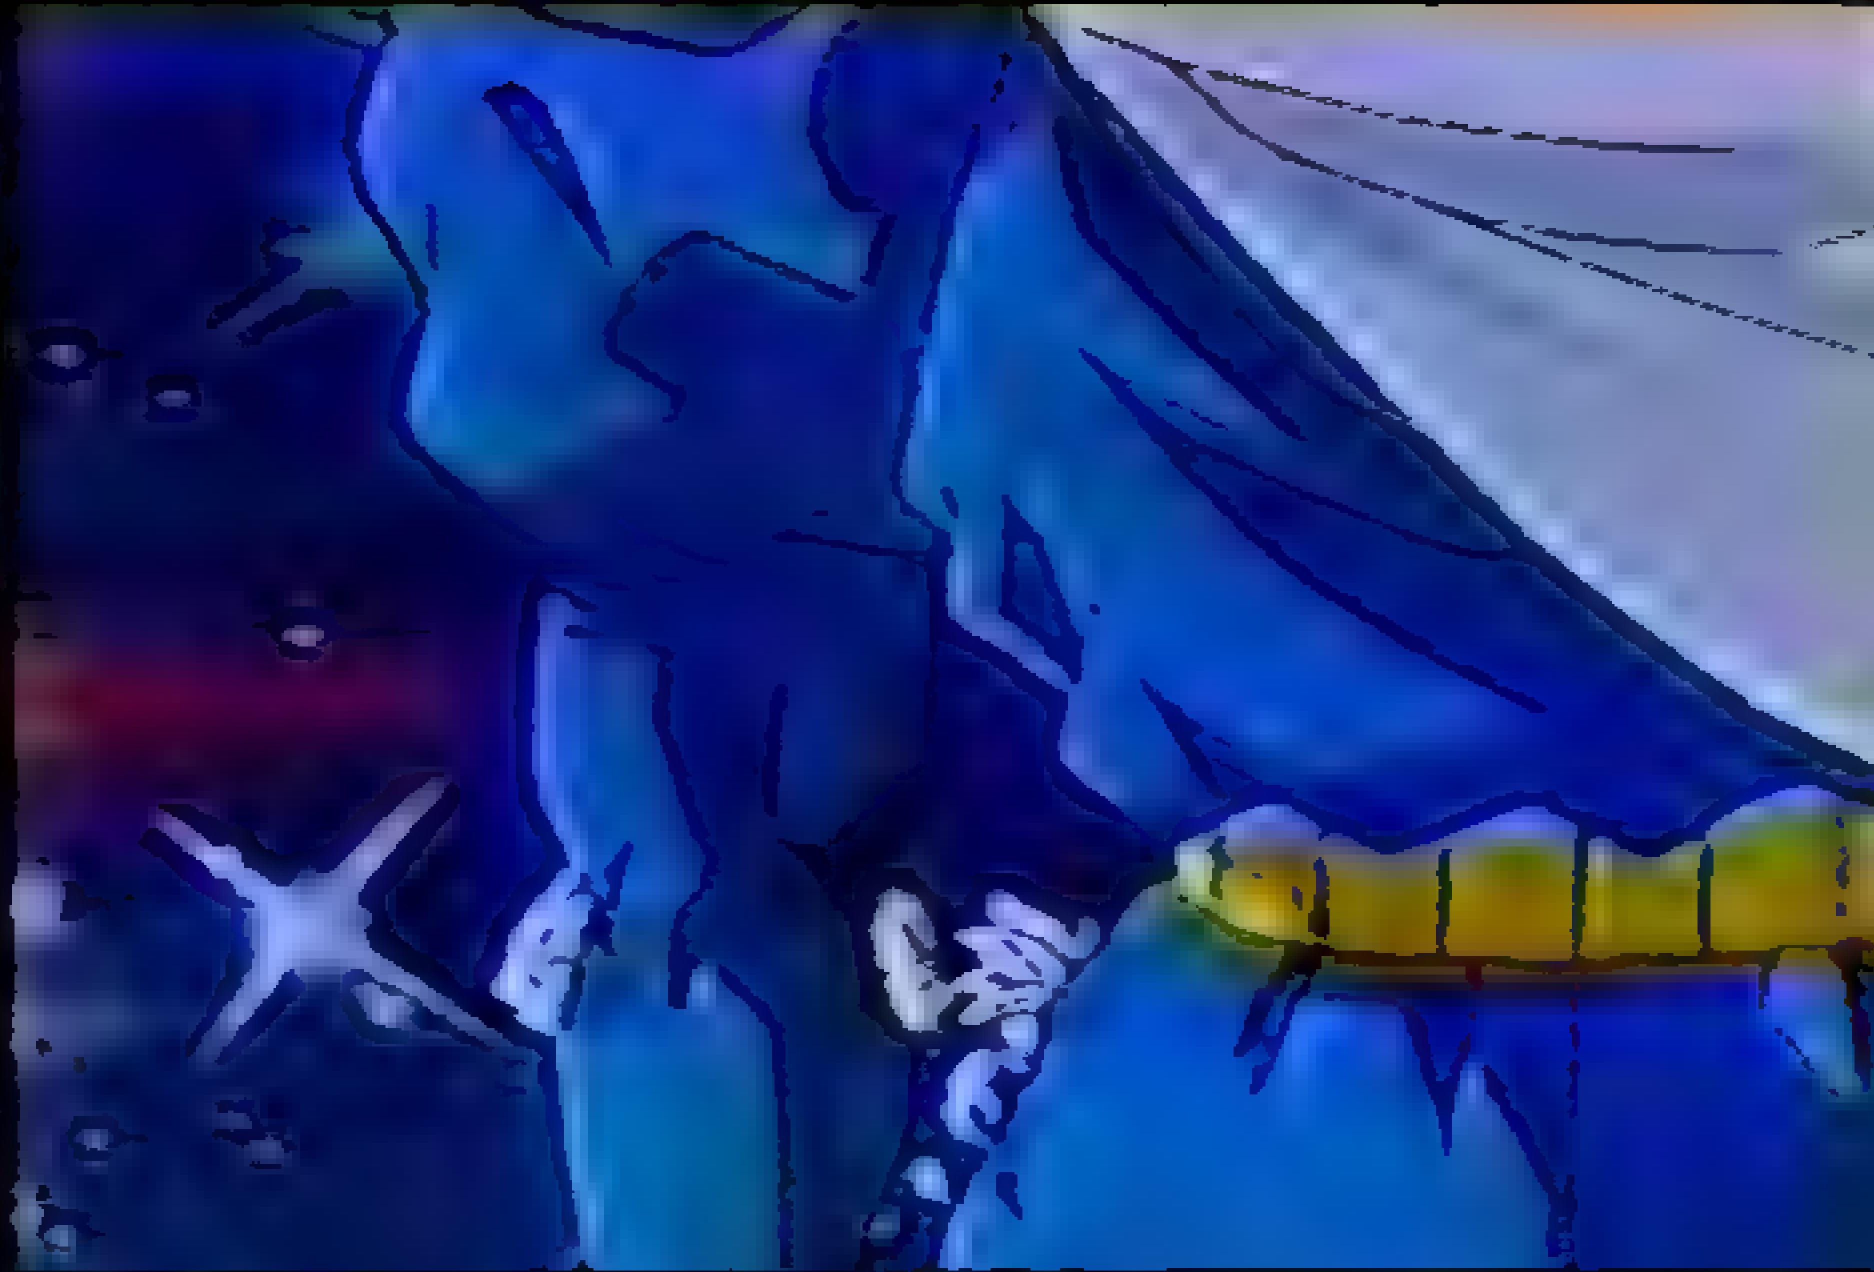

Let's go!

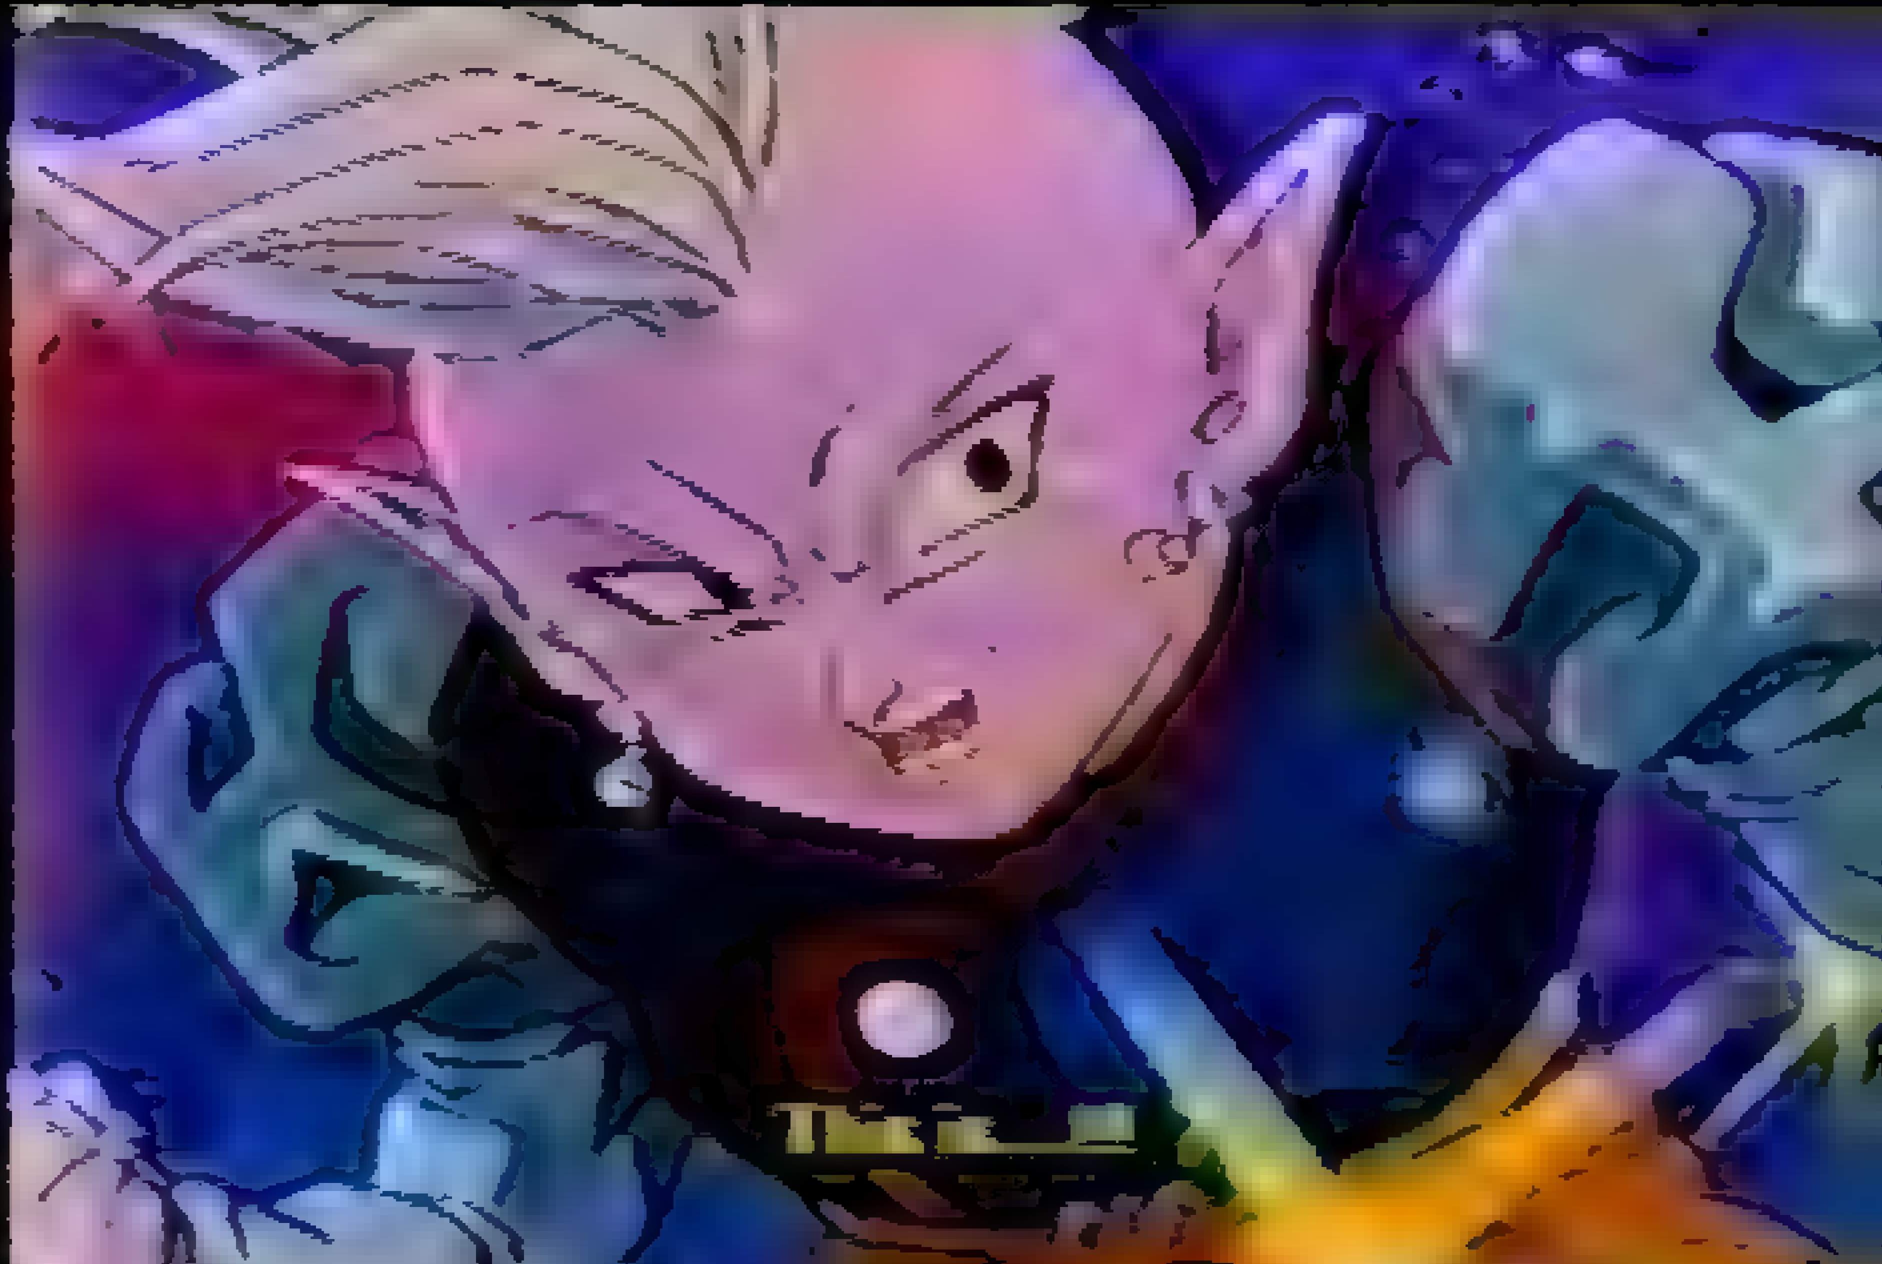

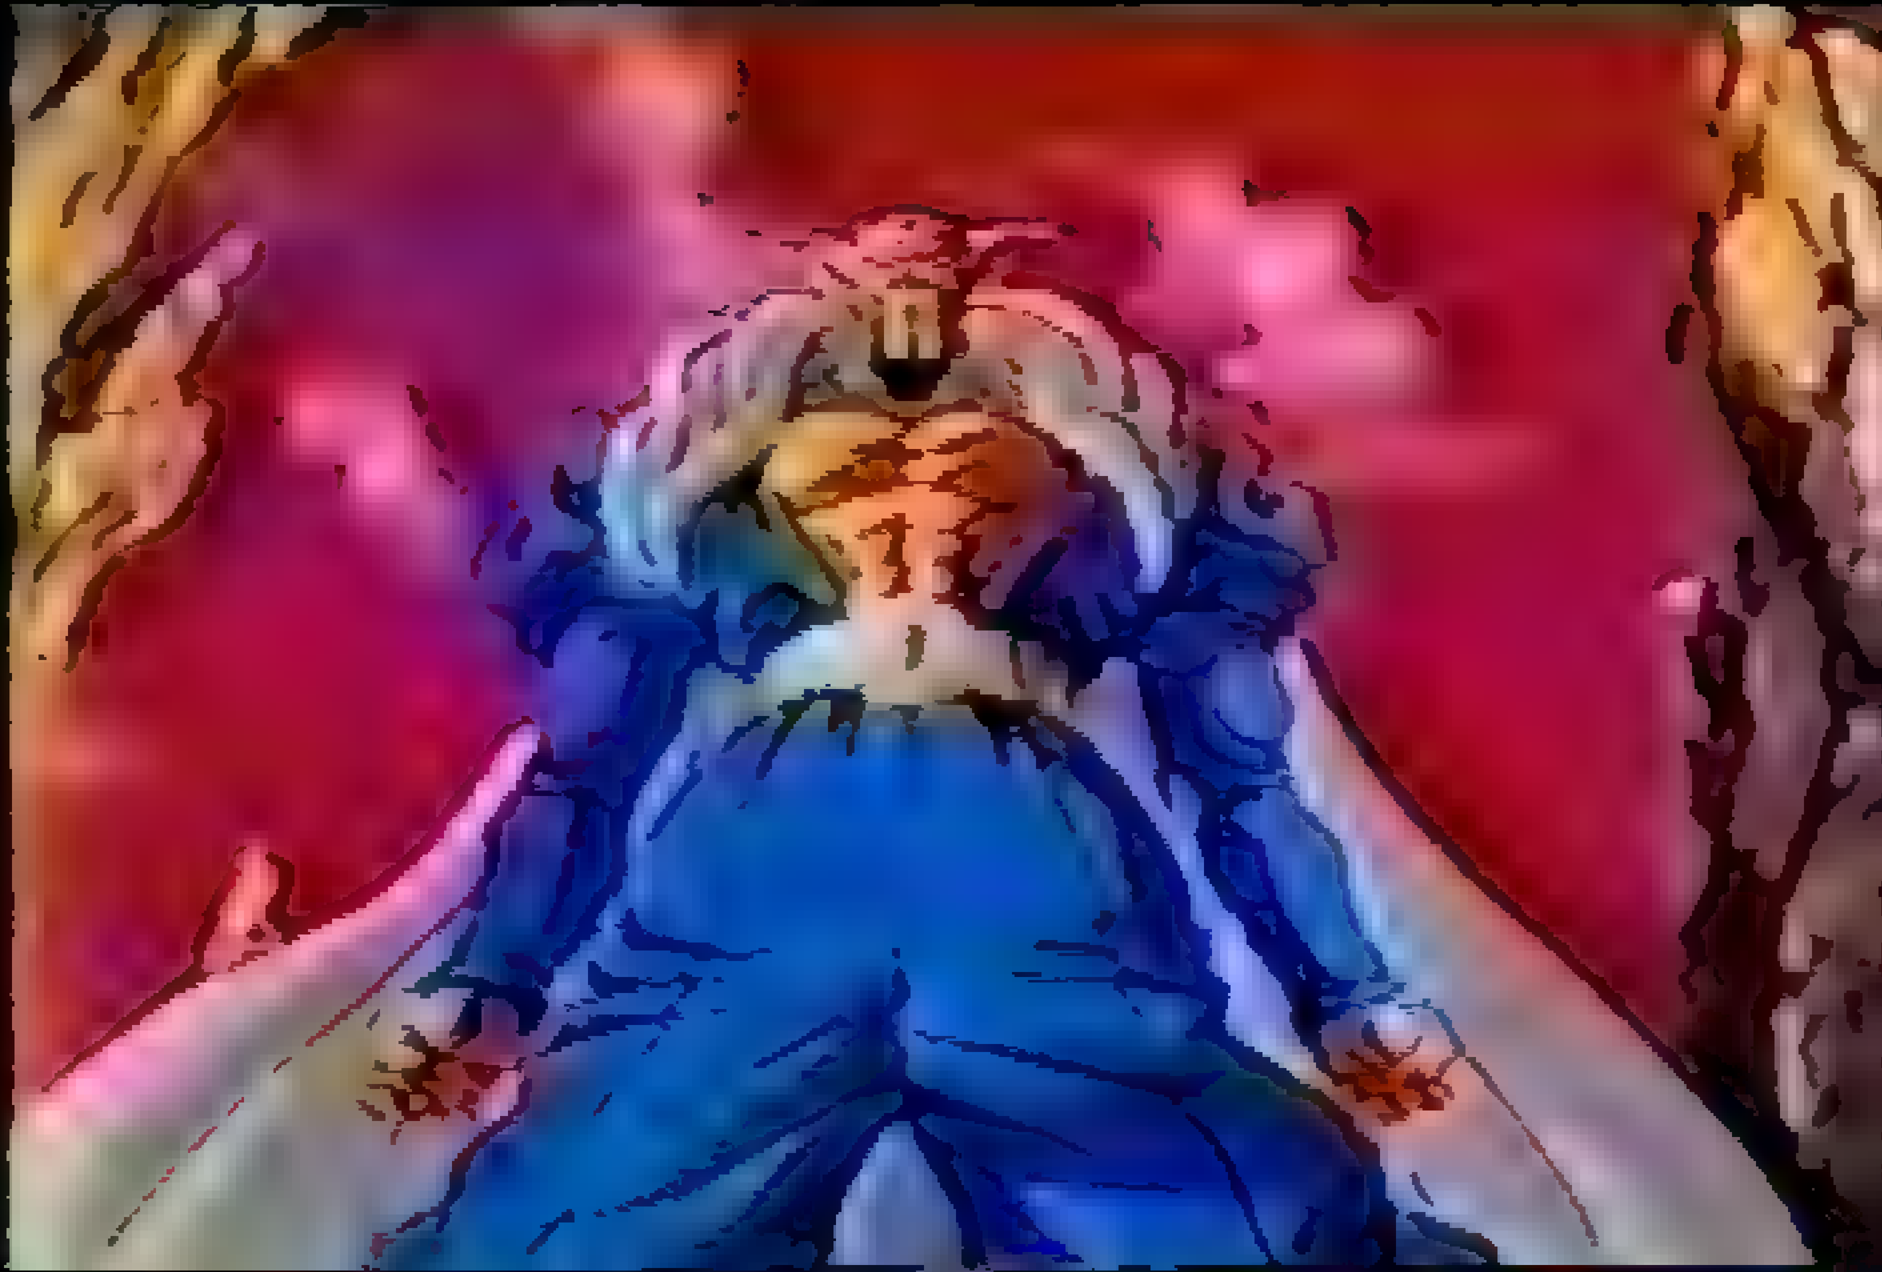

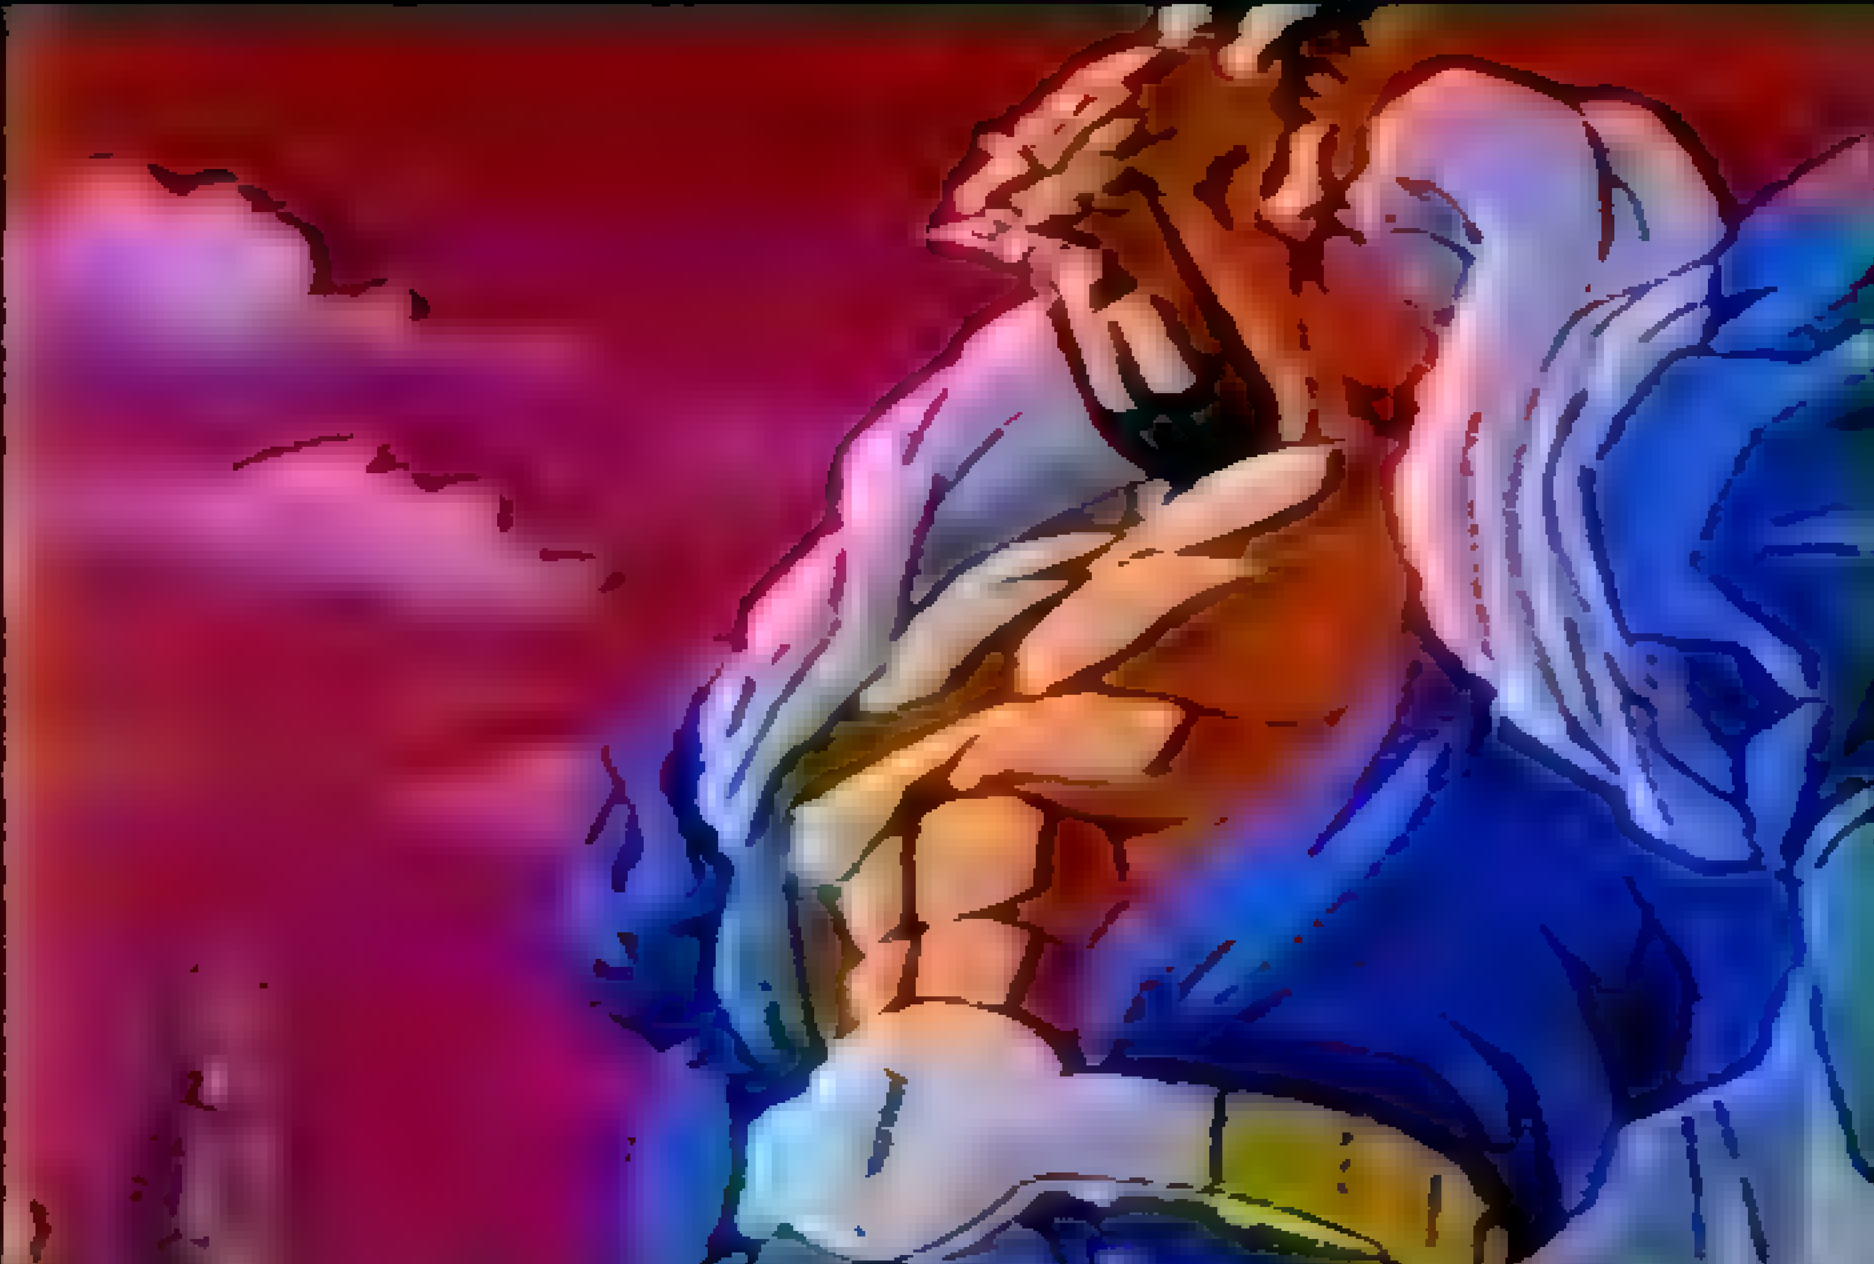

Well, You can't complain about this!

Good! Let's do it!

Don't let your guard down,

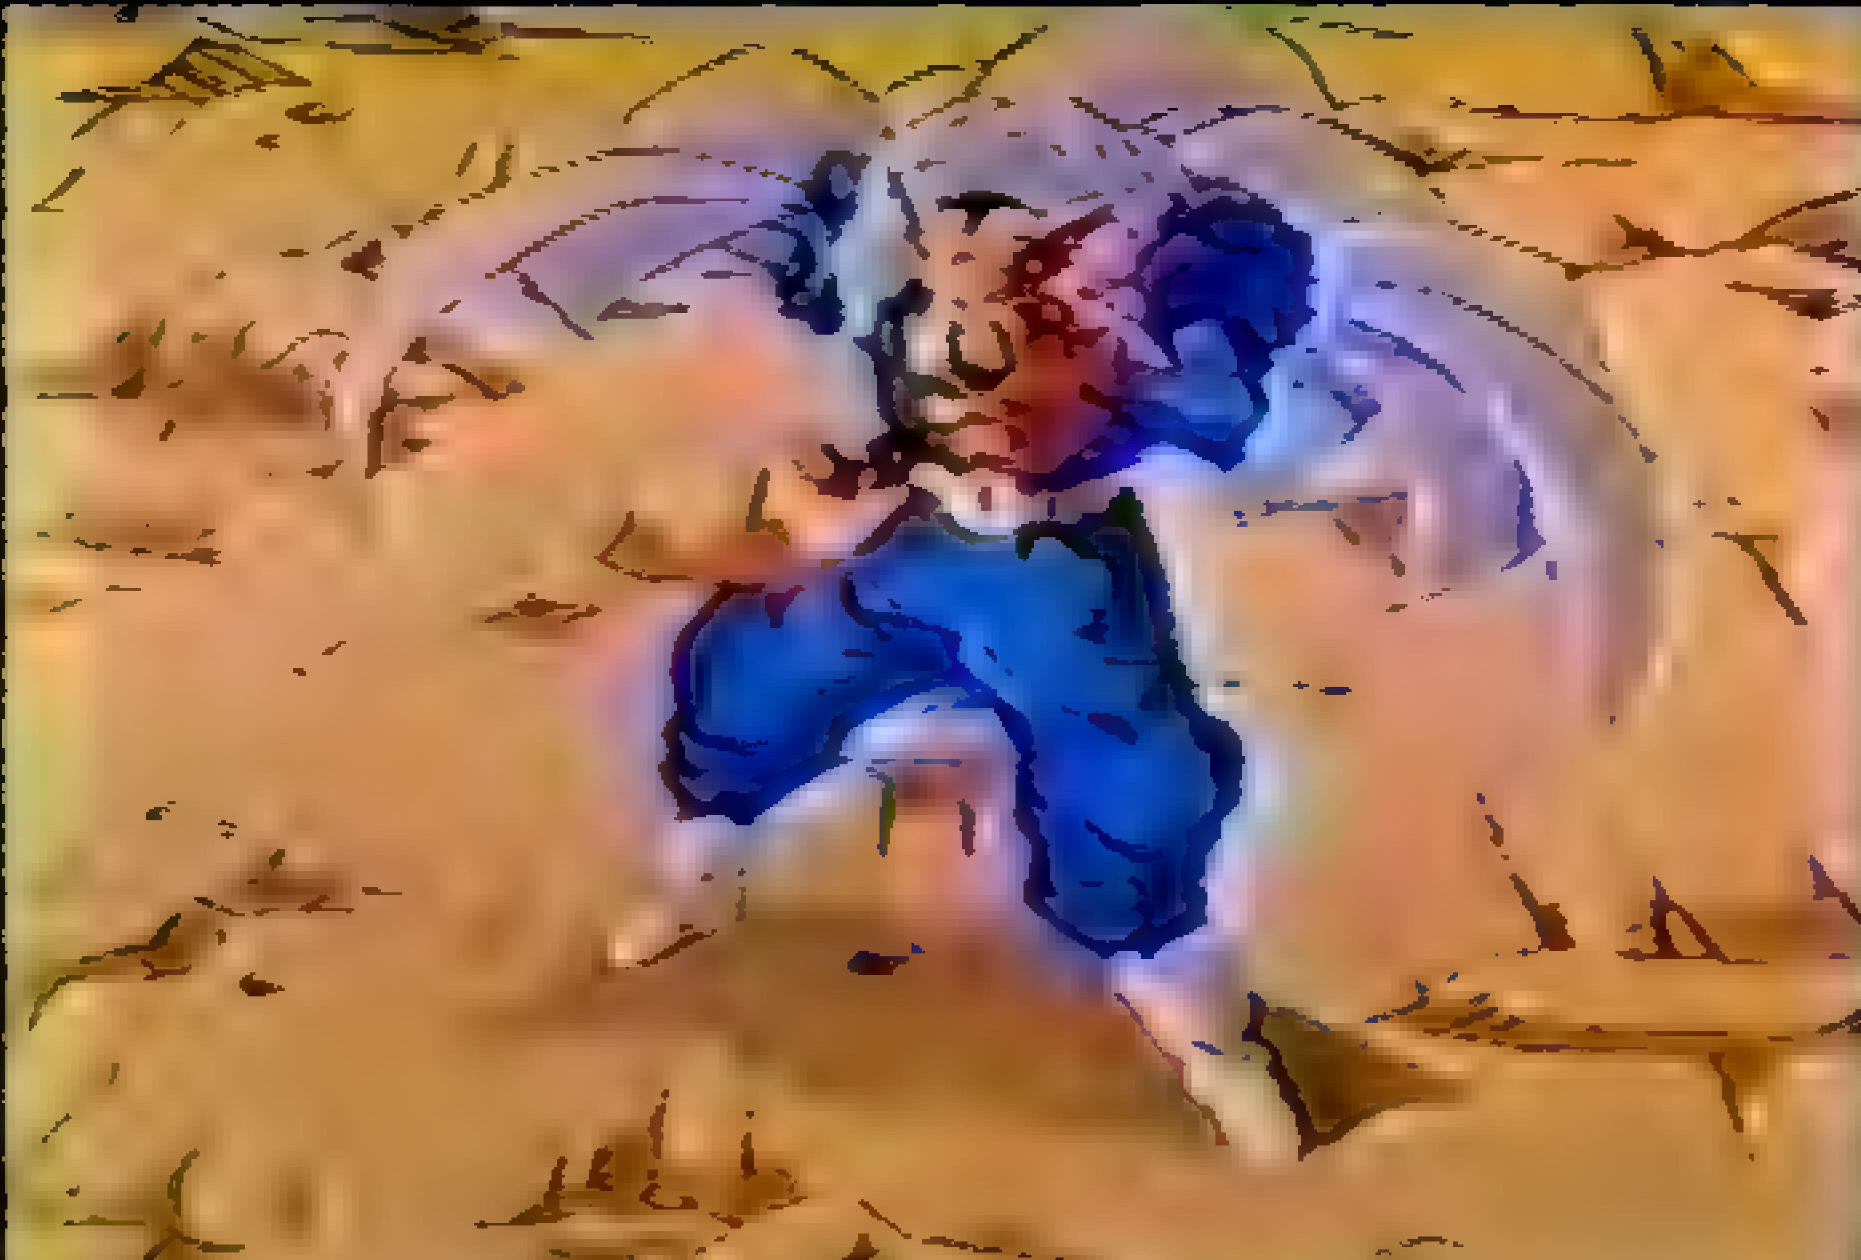

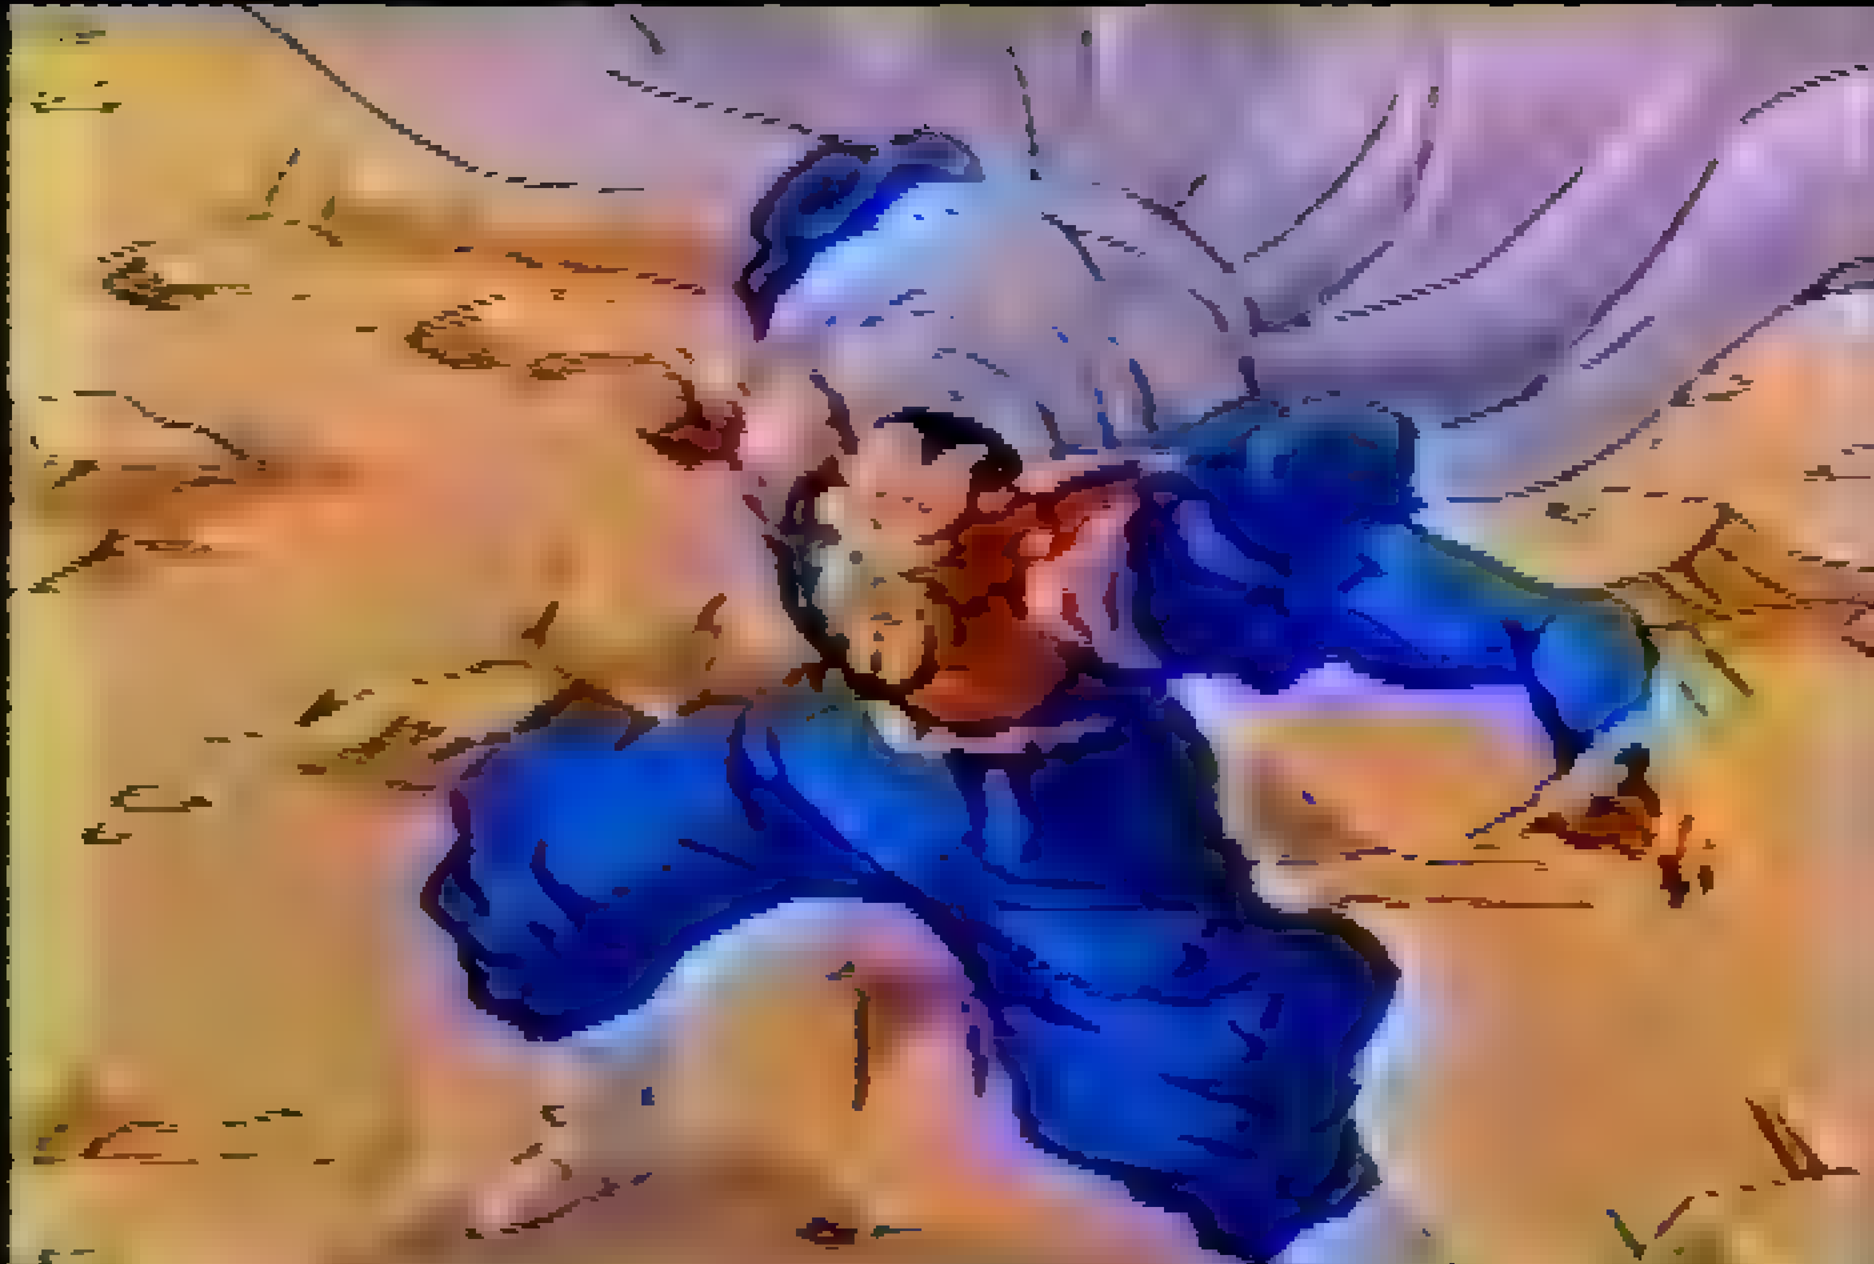

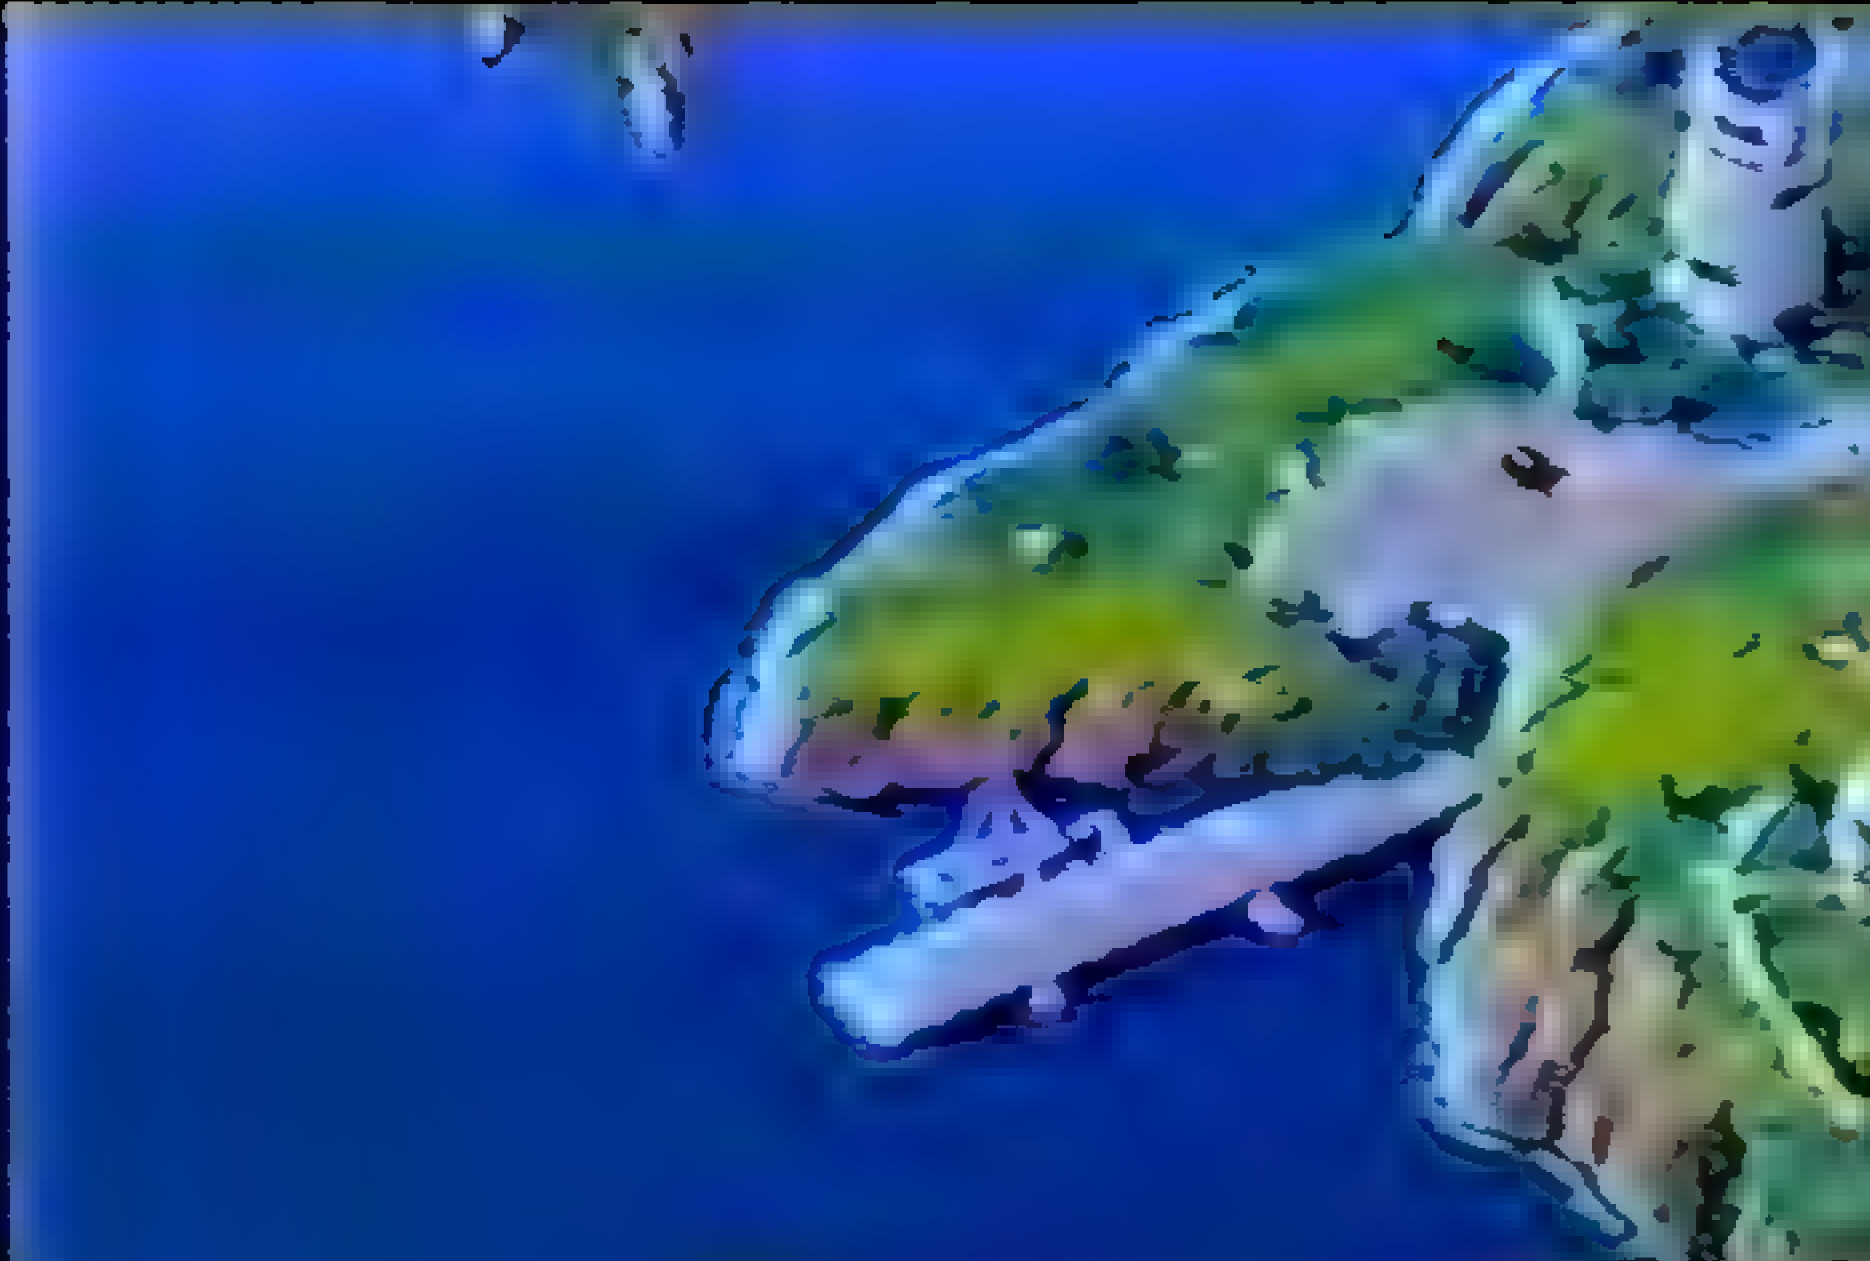

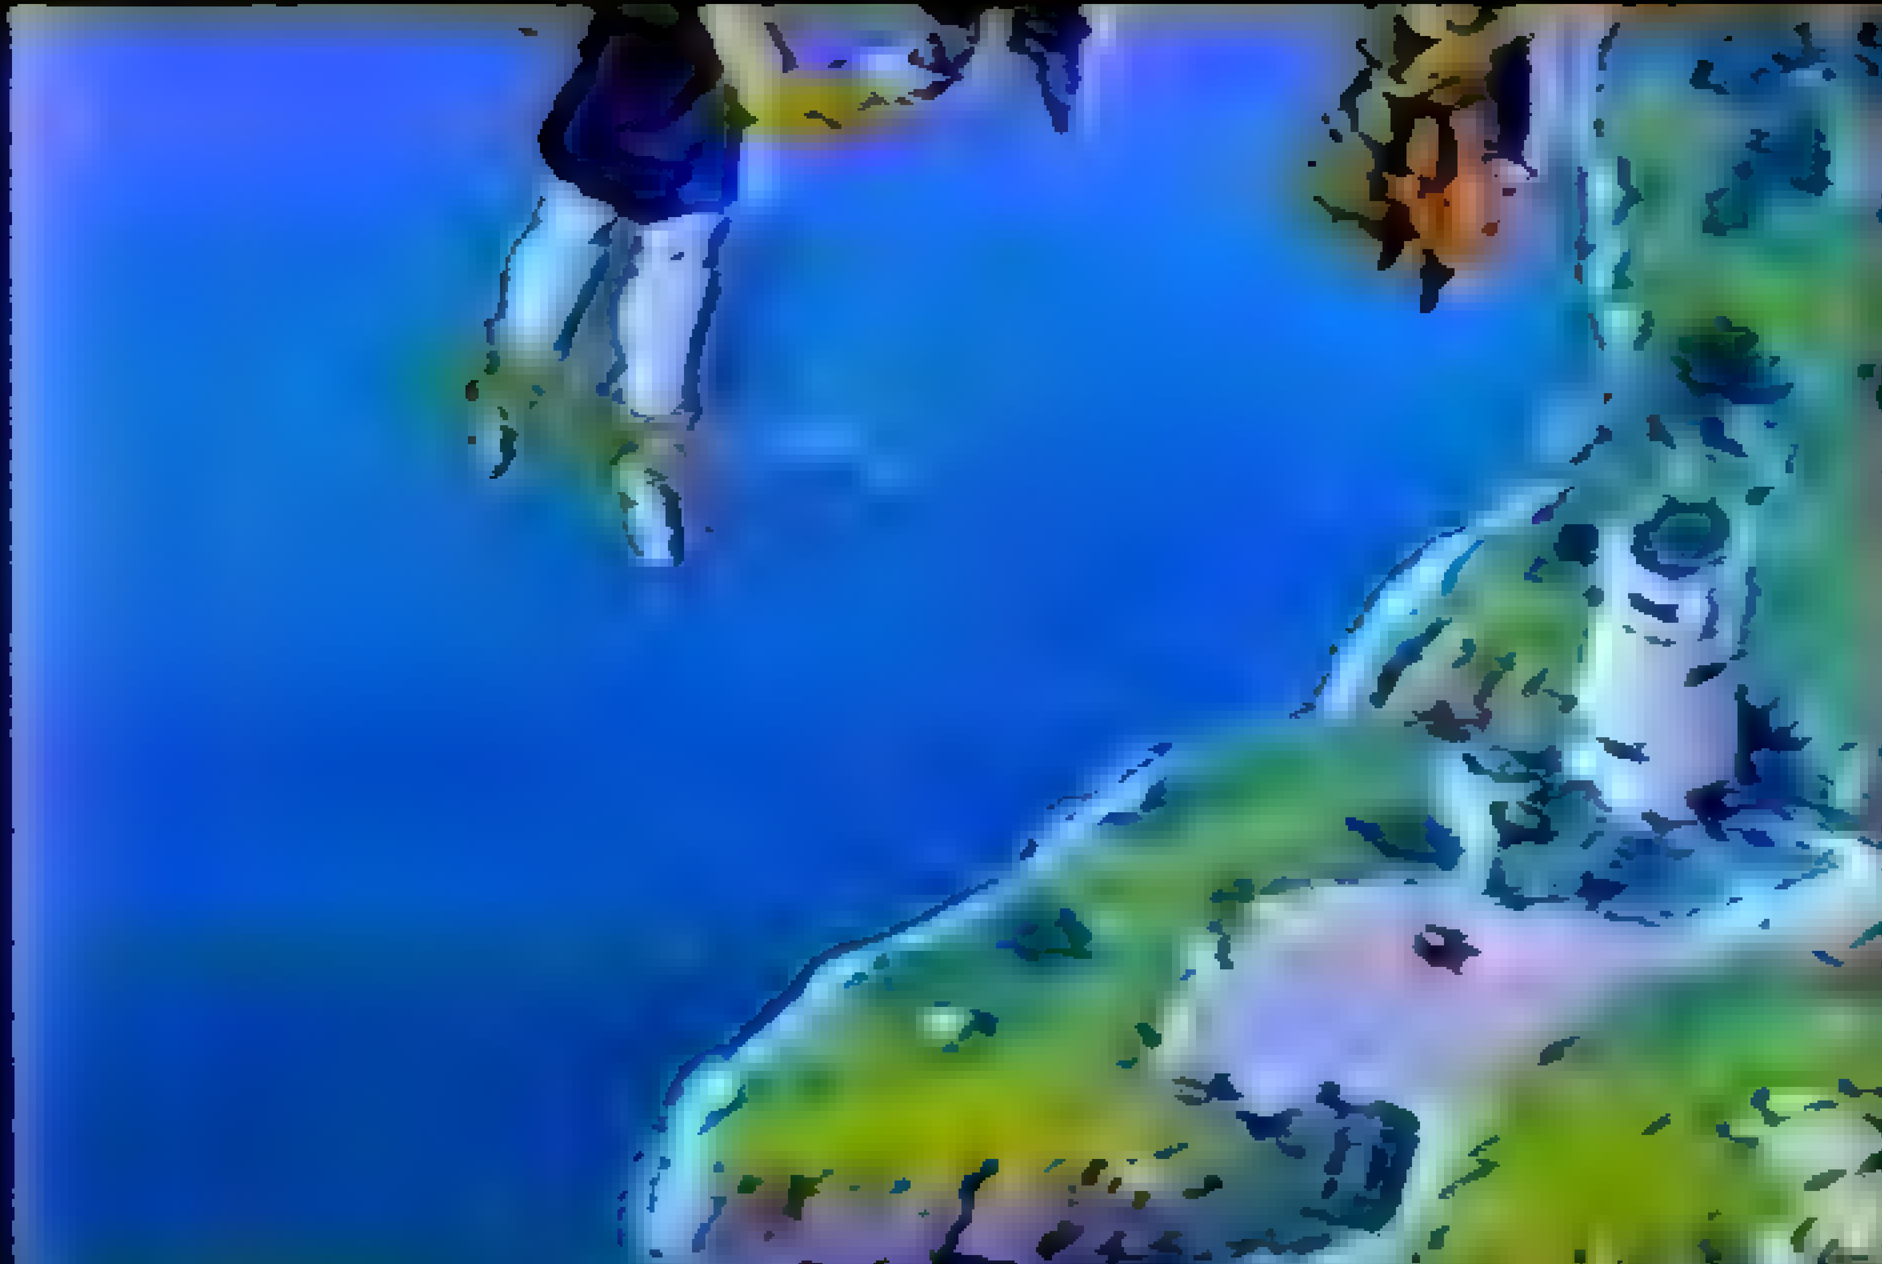

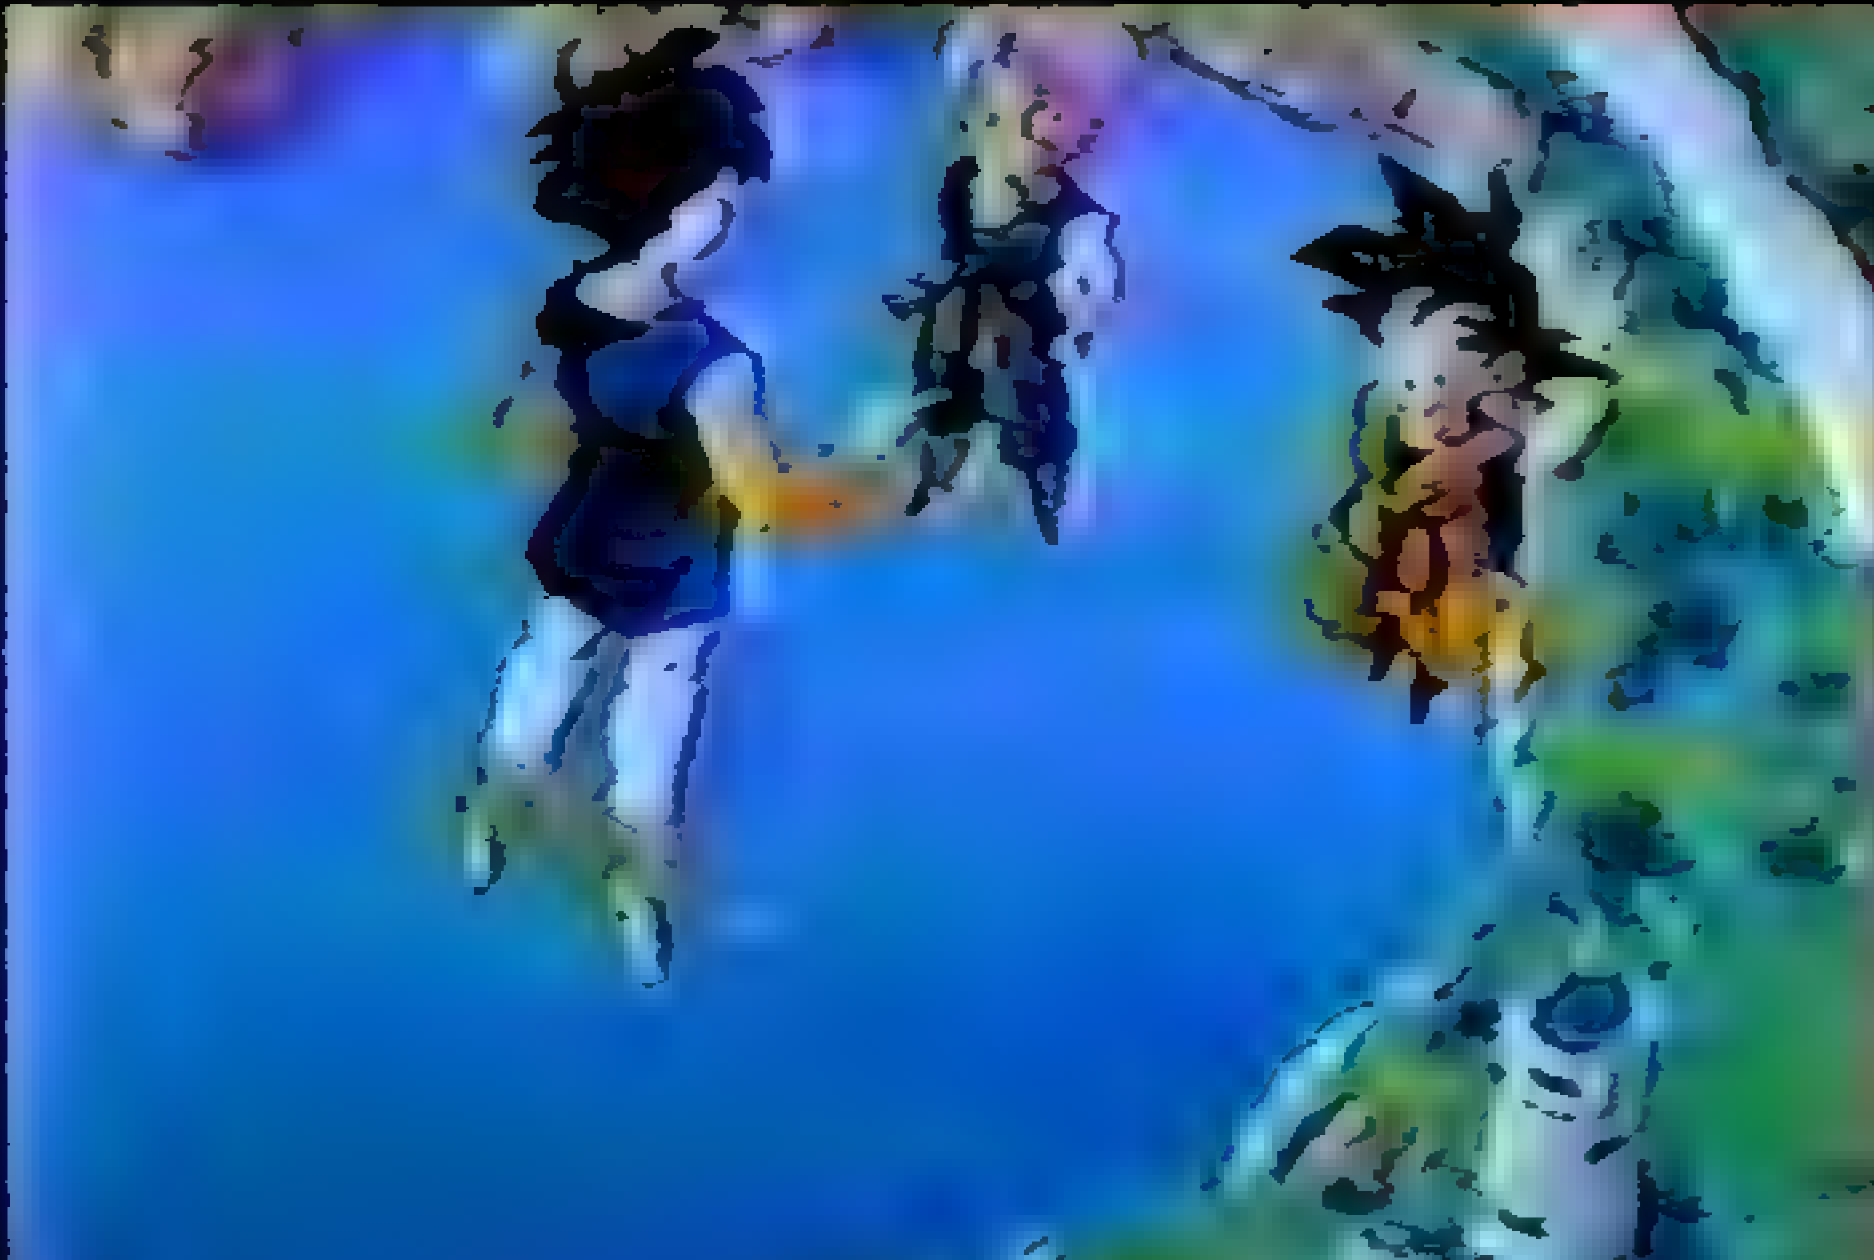

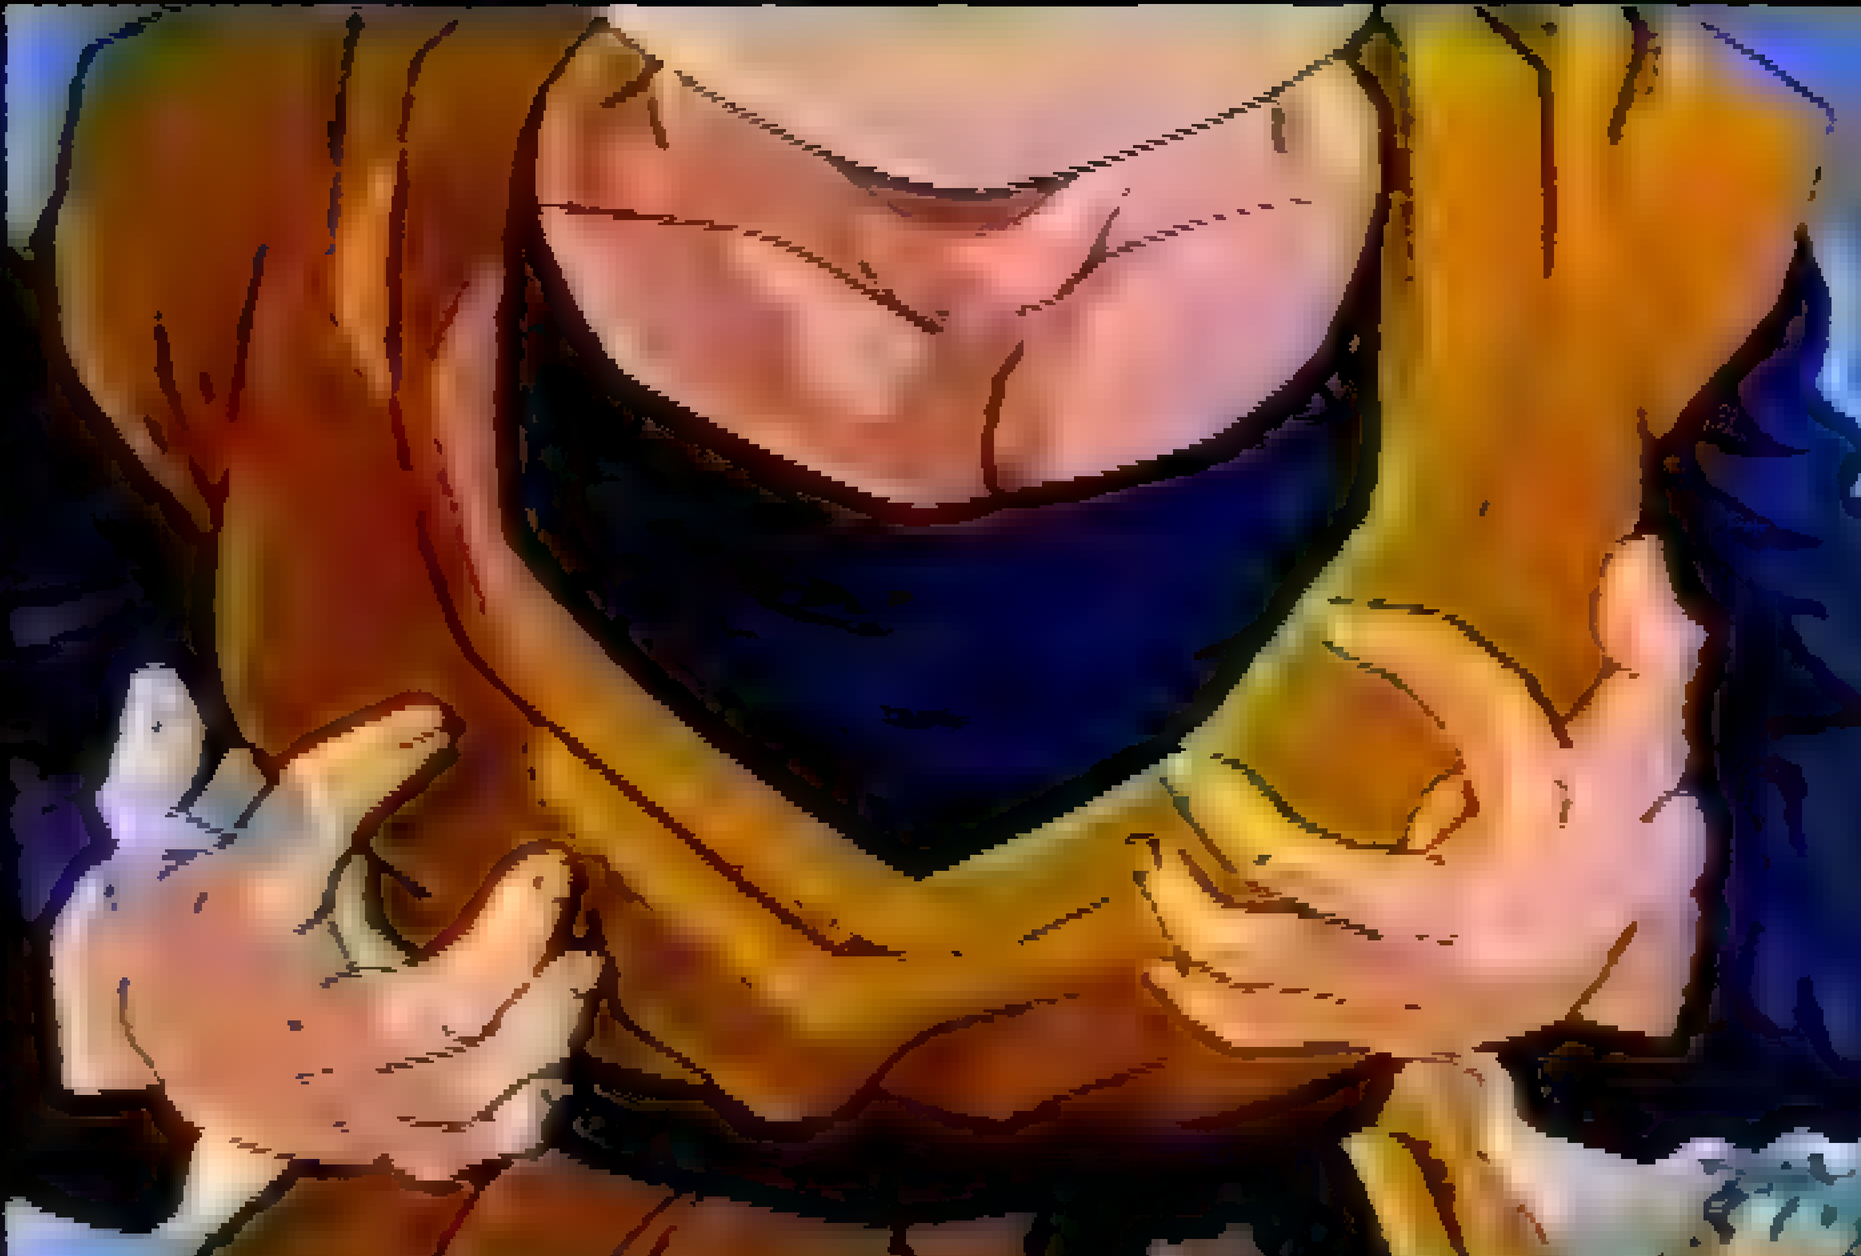

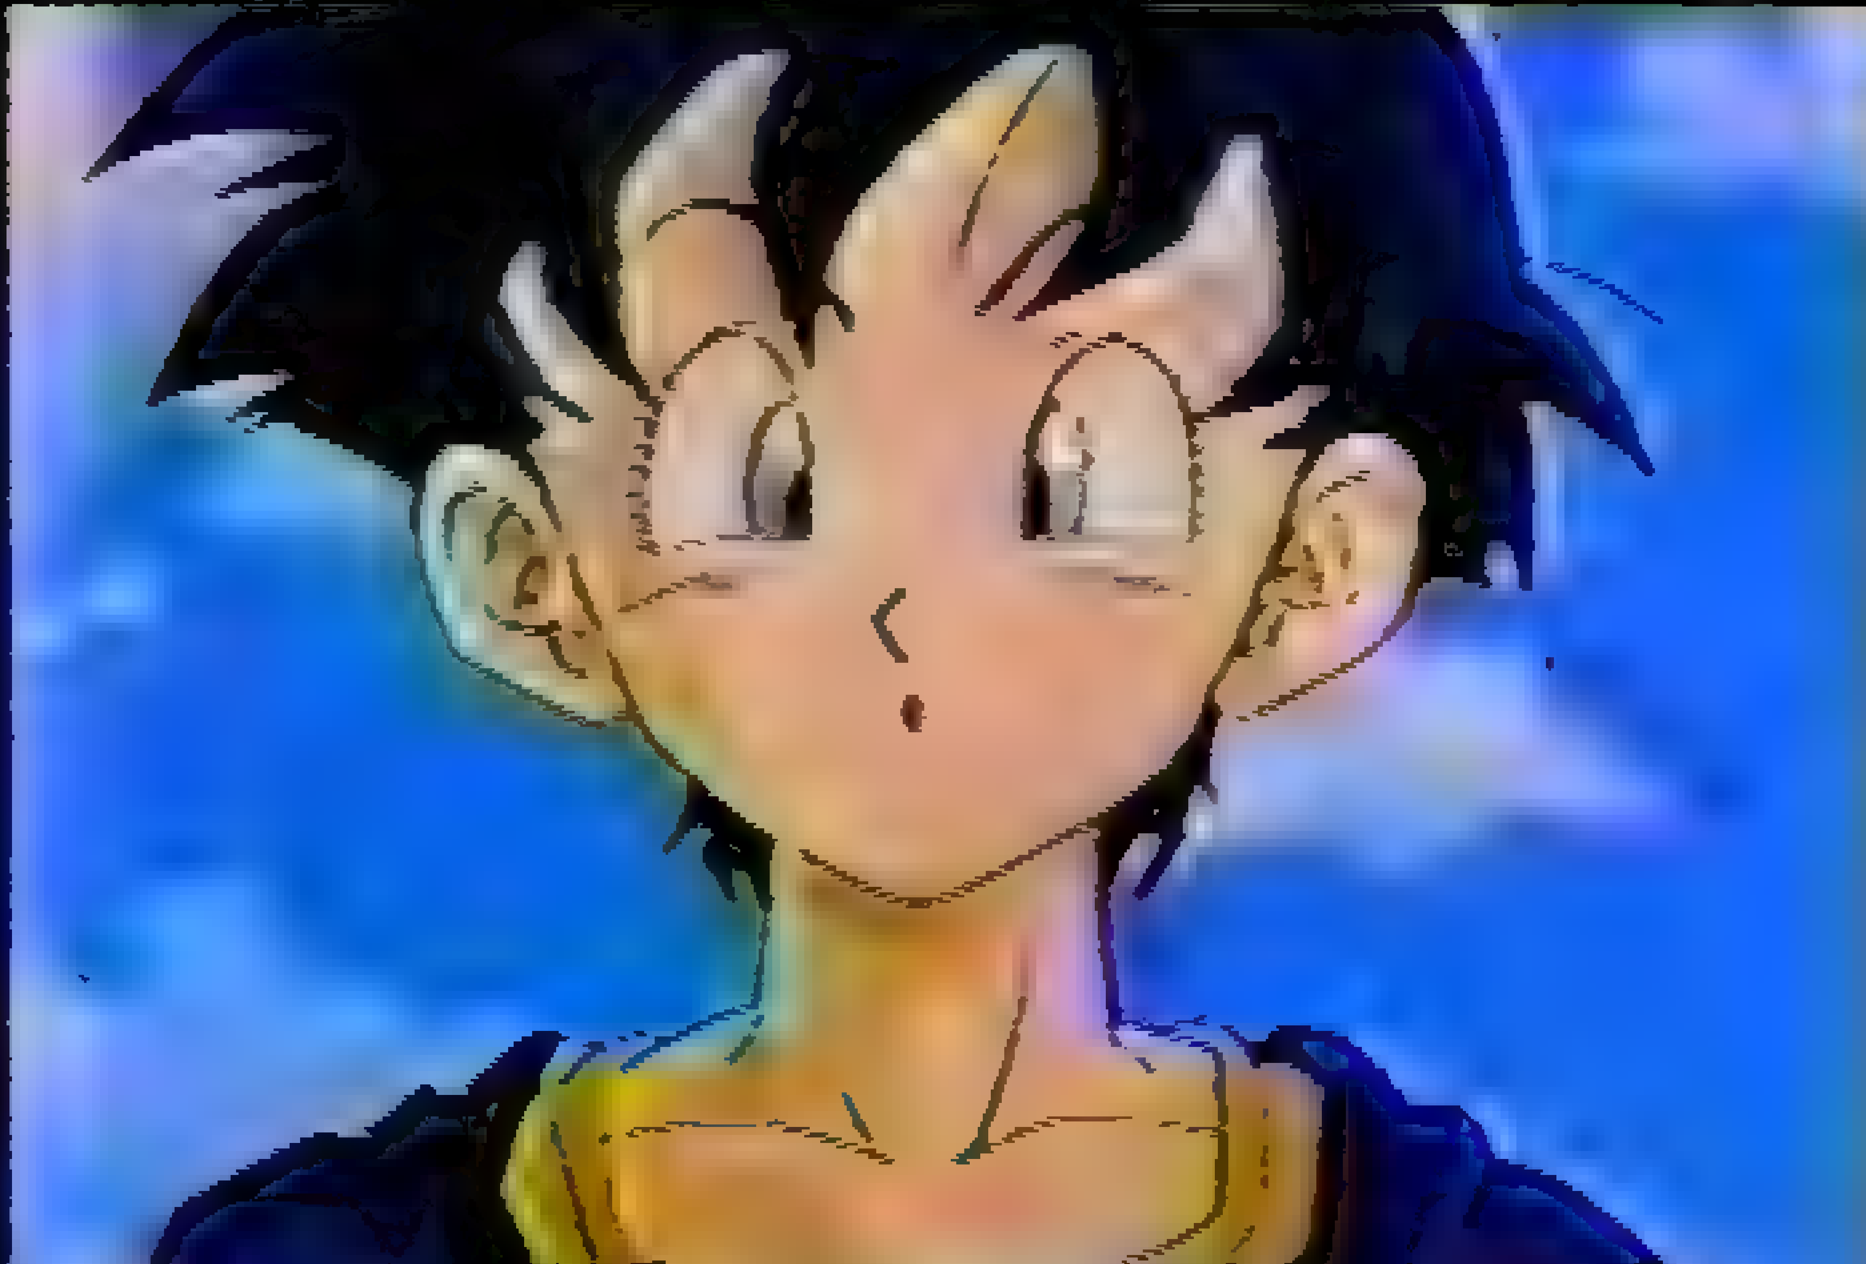

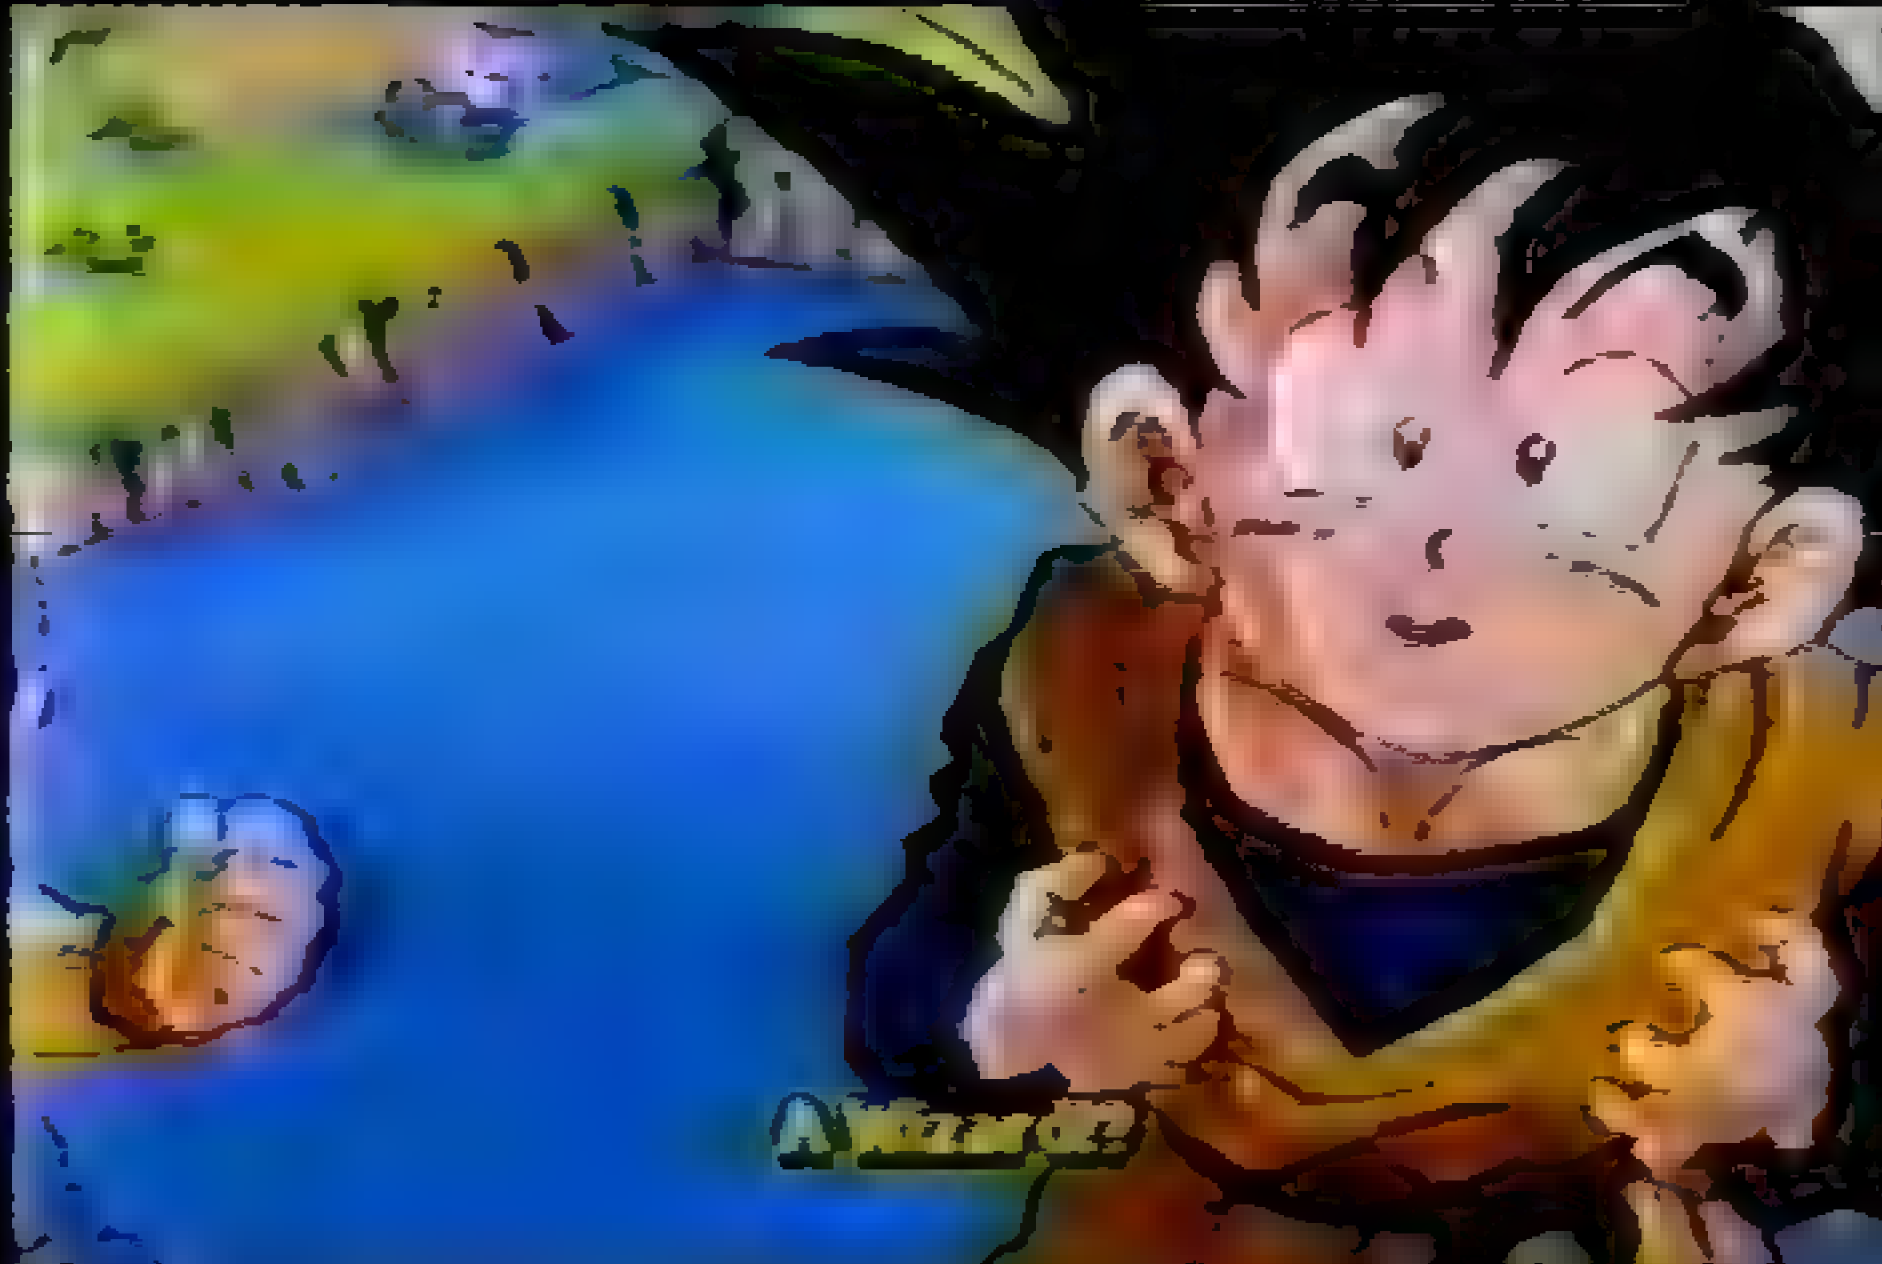

…so that's what's going on.
That's where everyone else is.

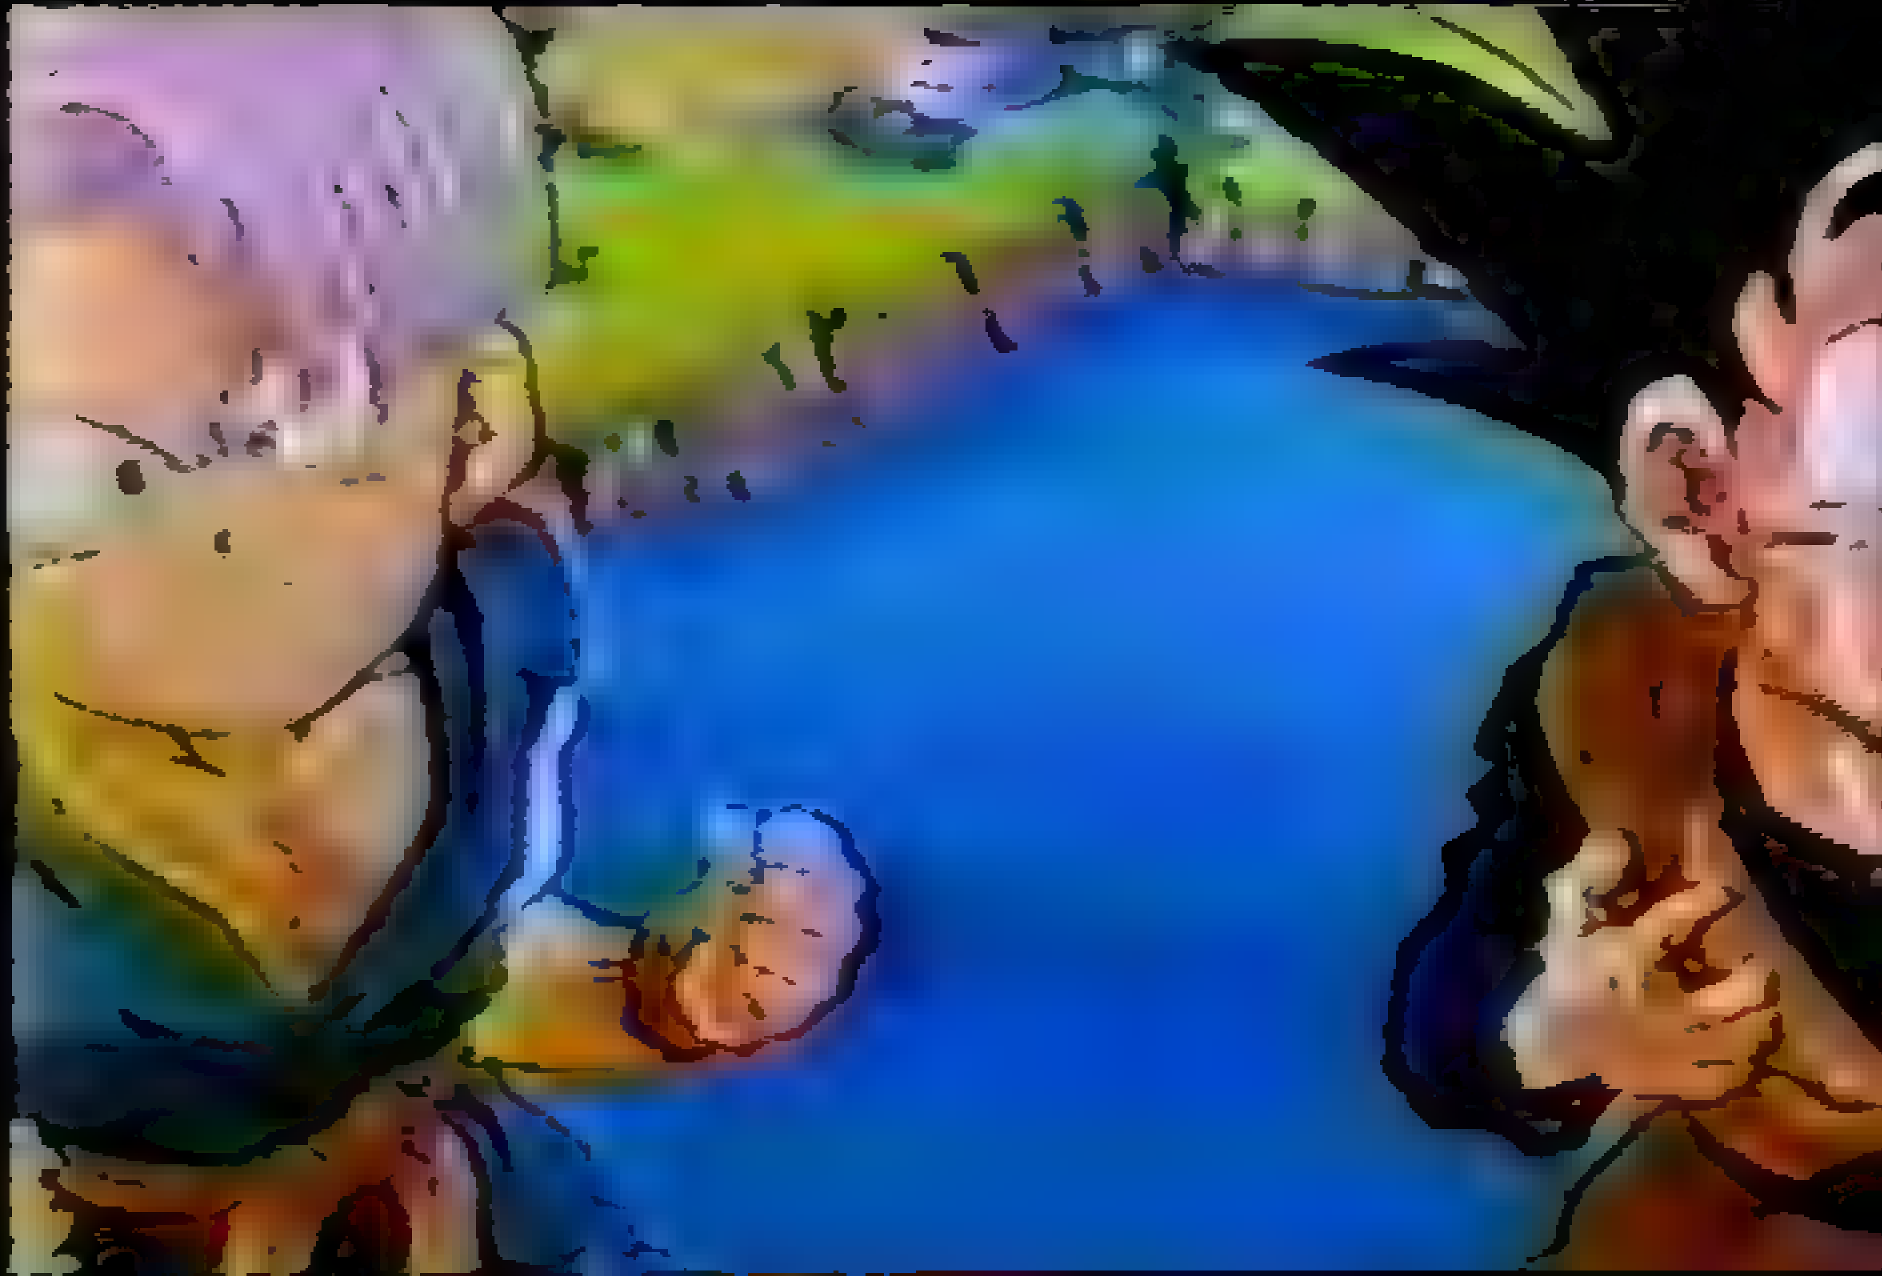

...so that's what's going on.
That's where everyone else is.

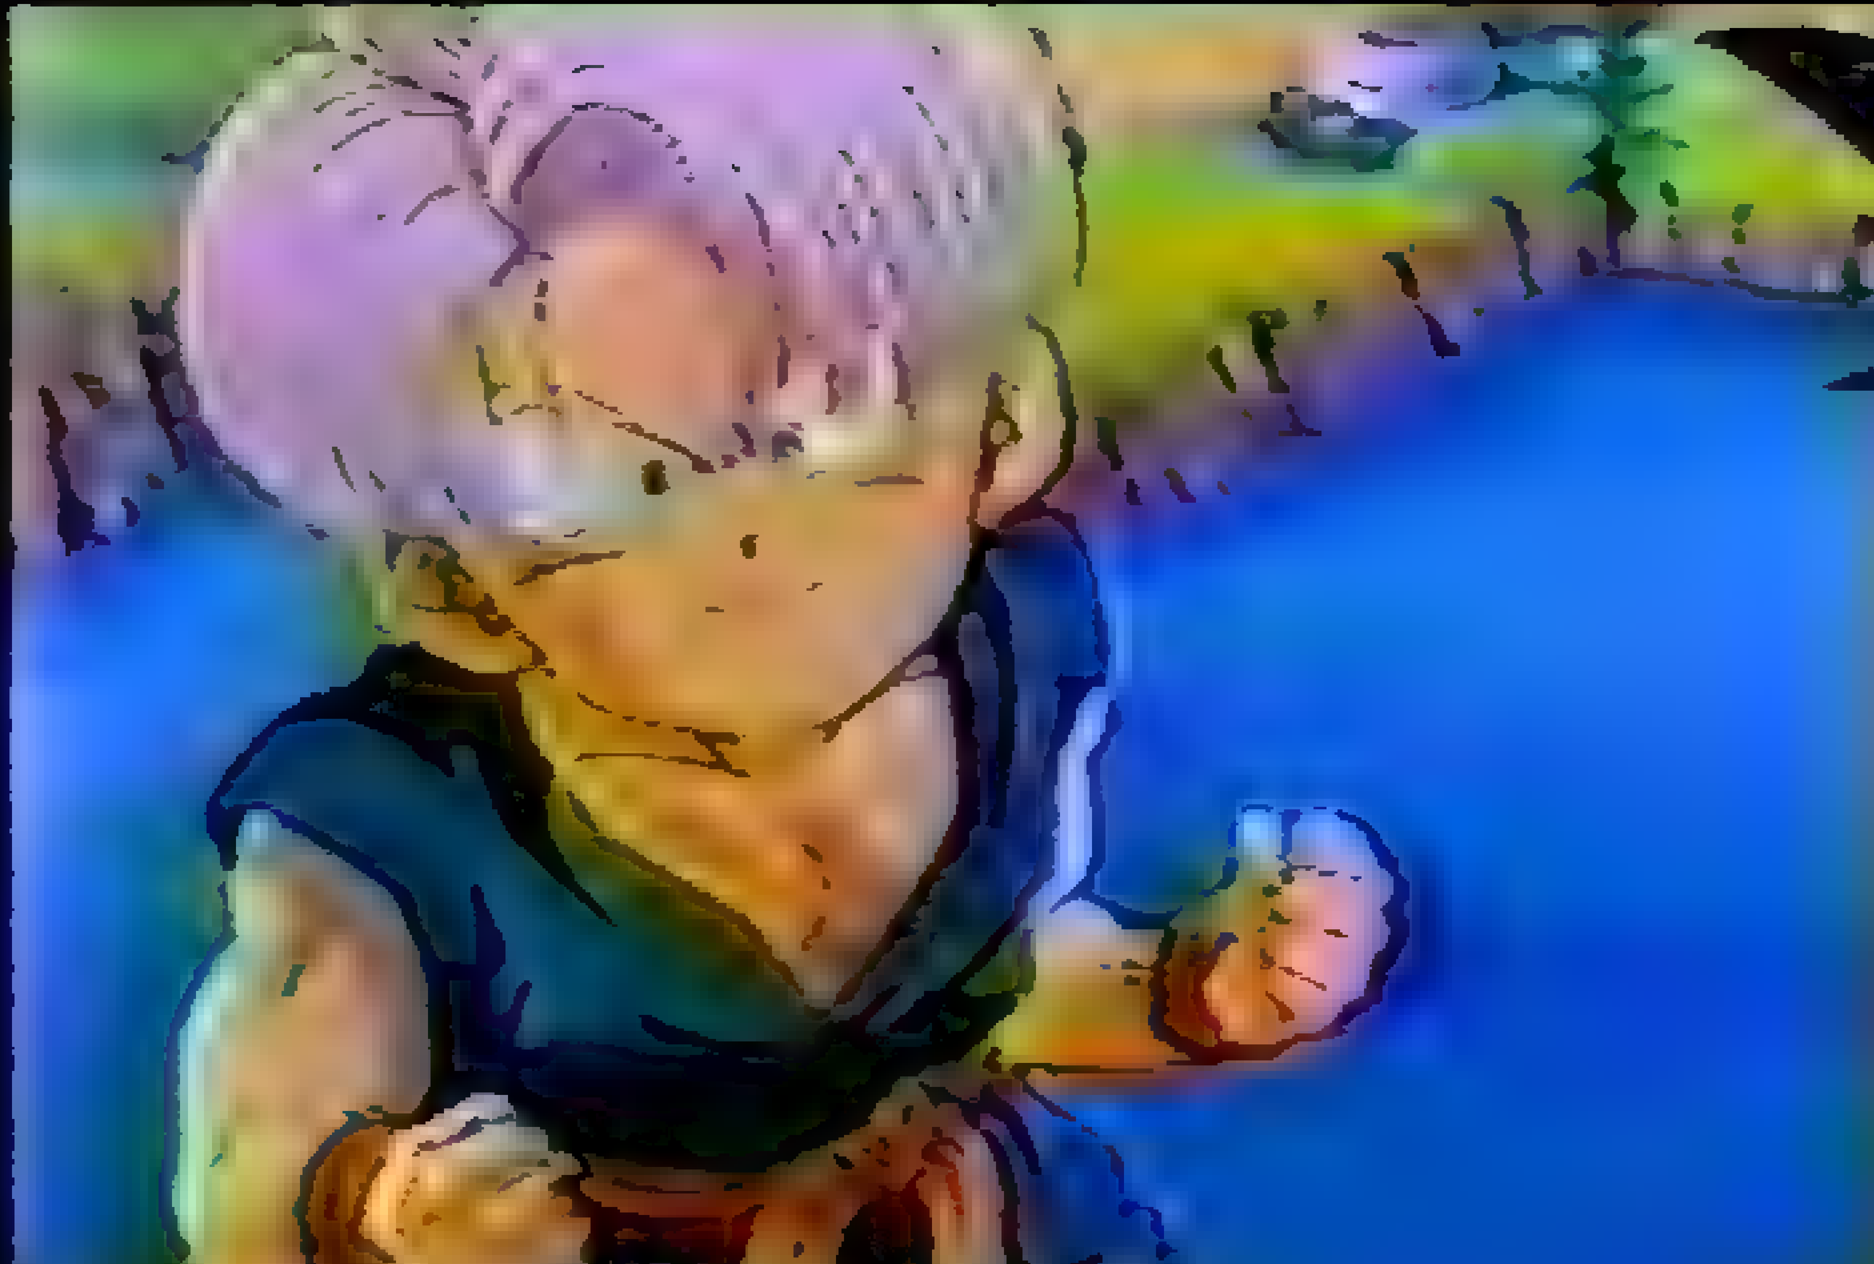

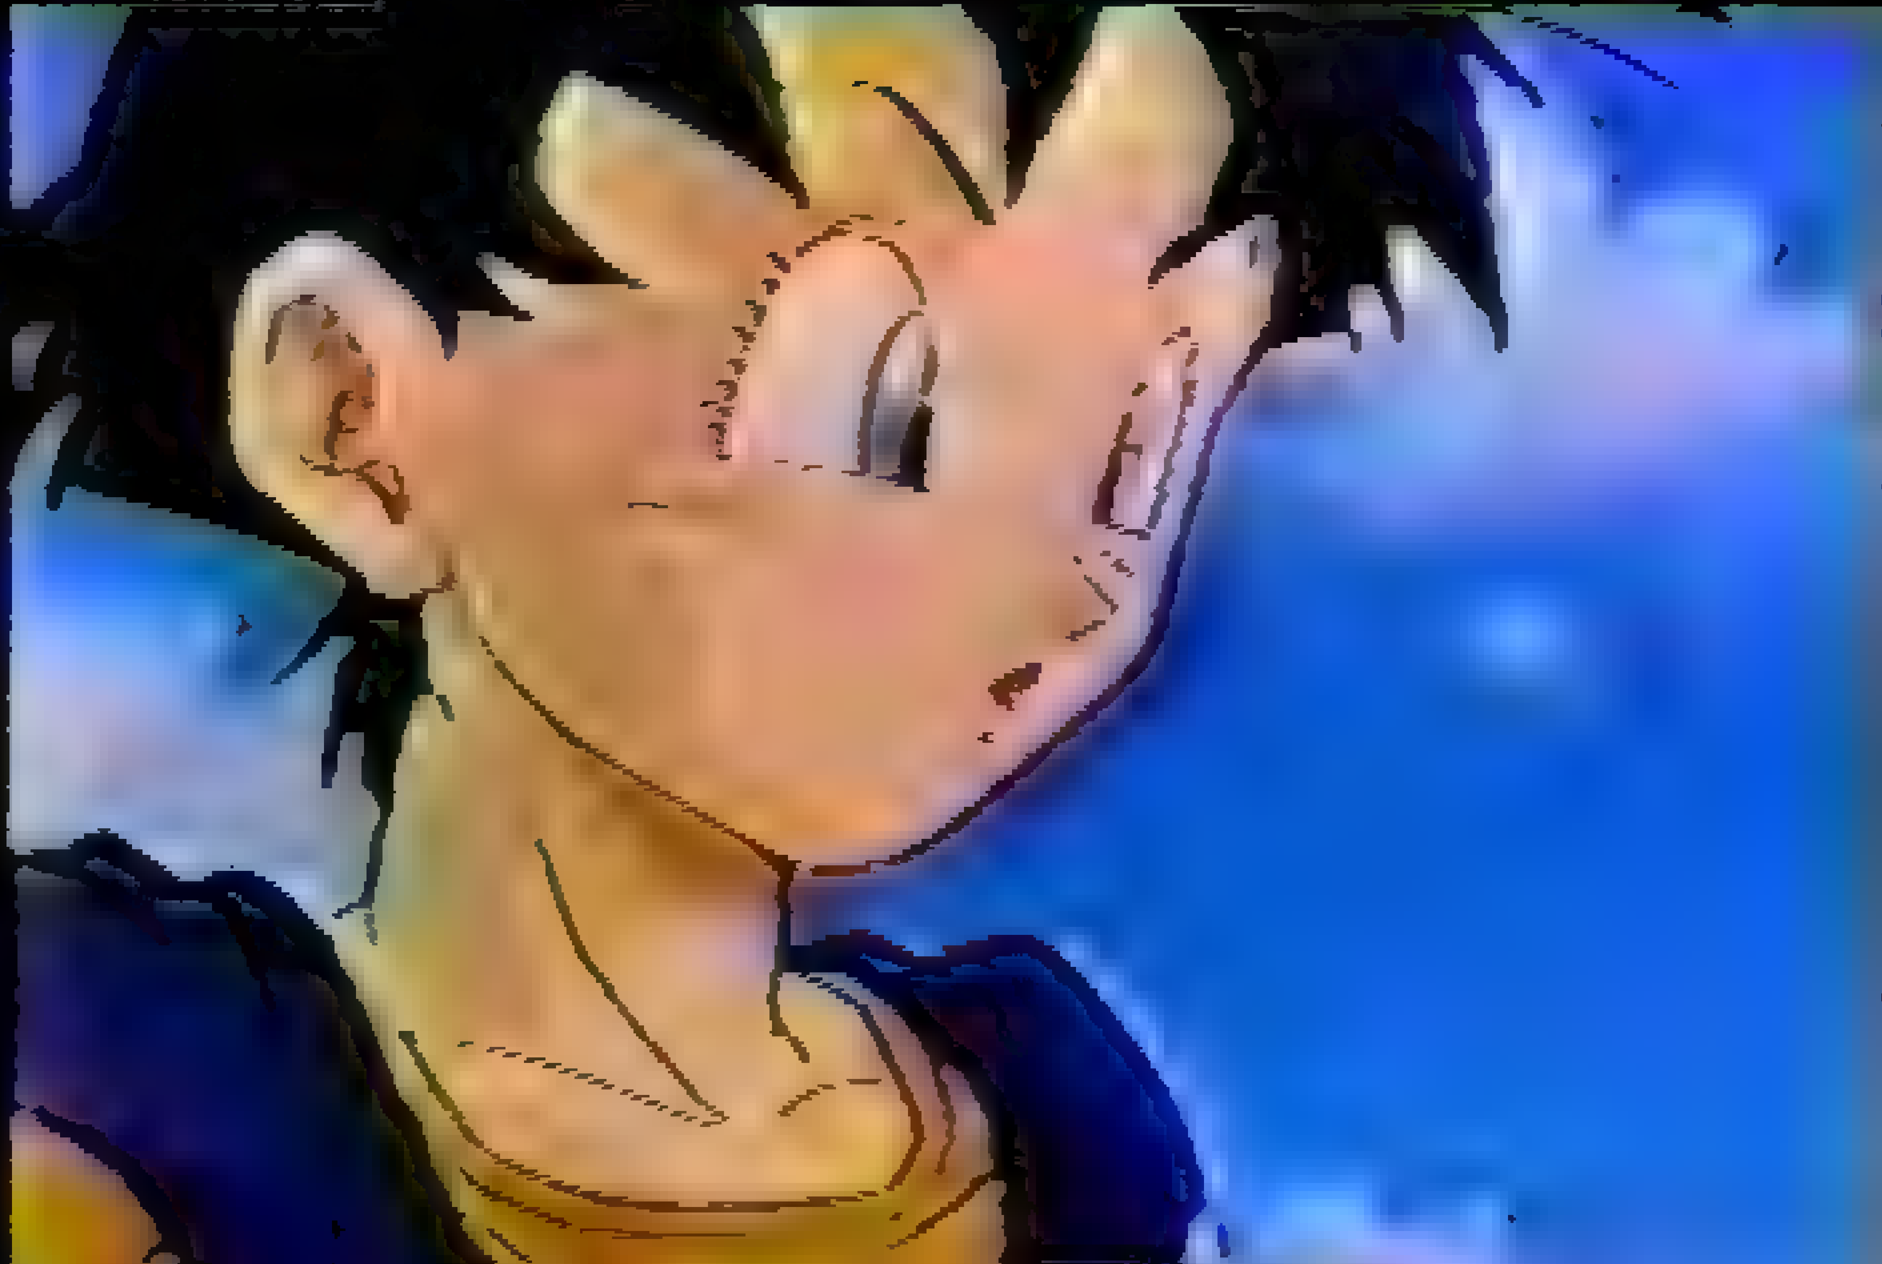

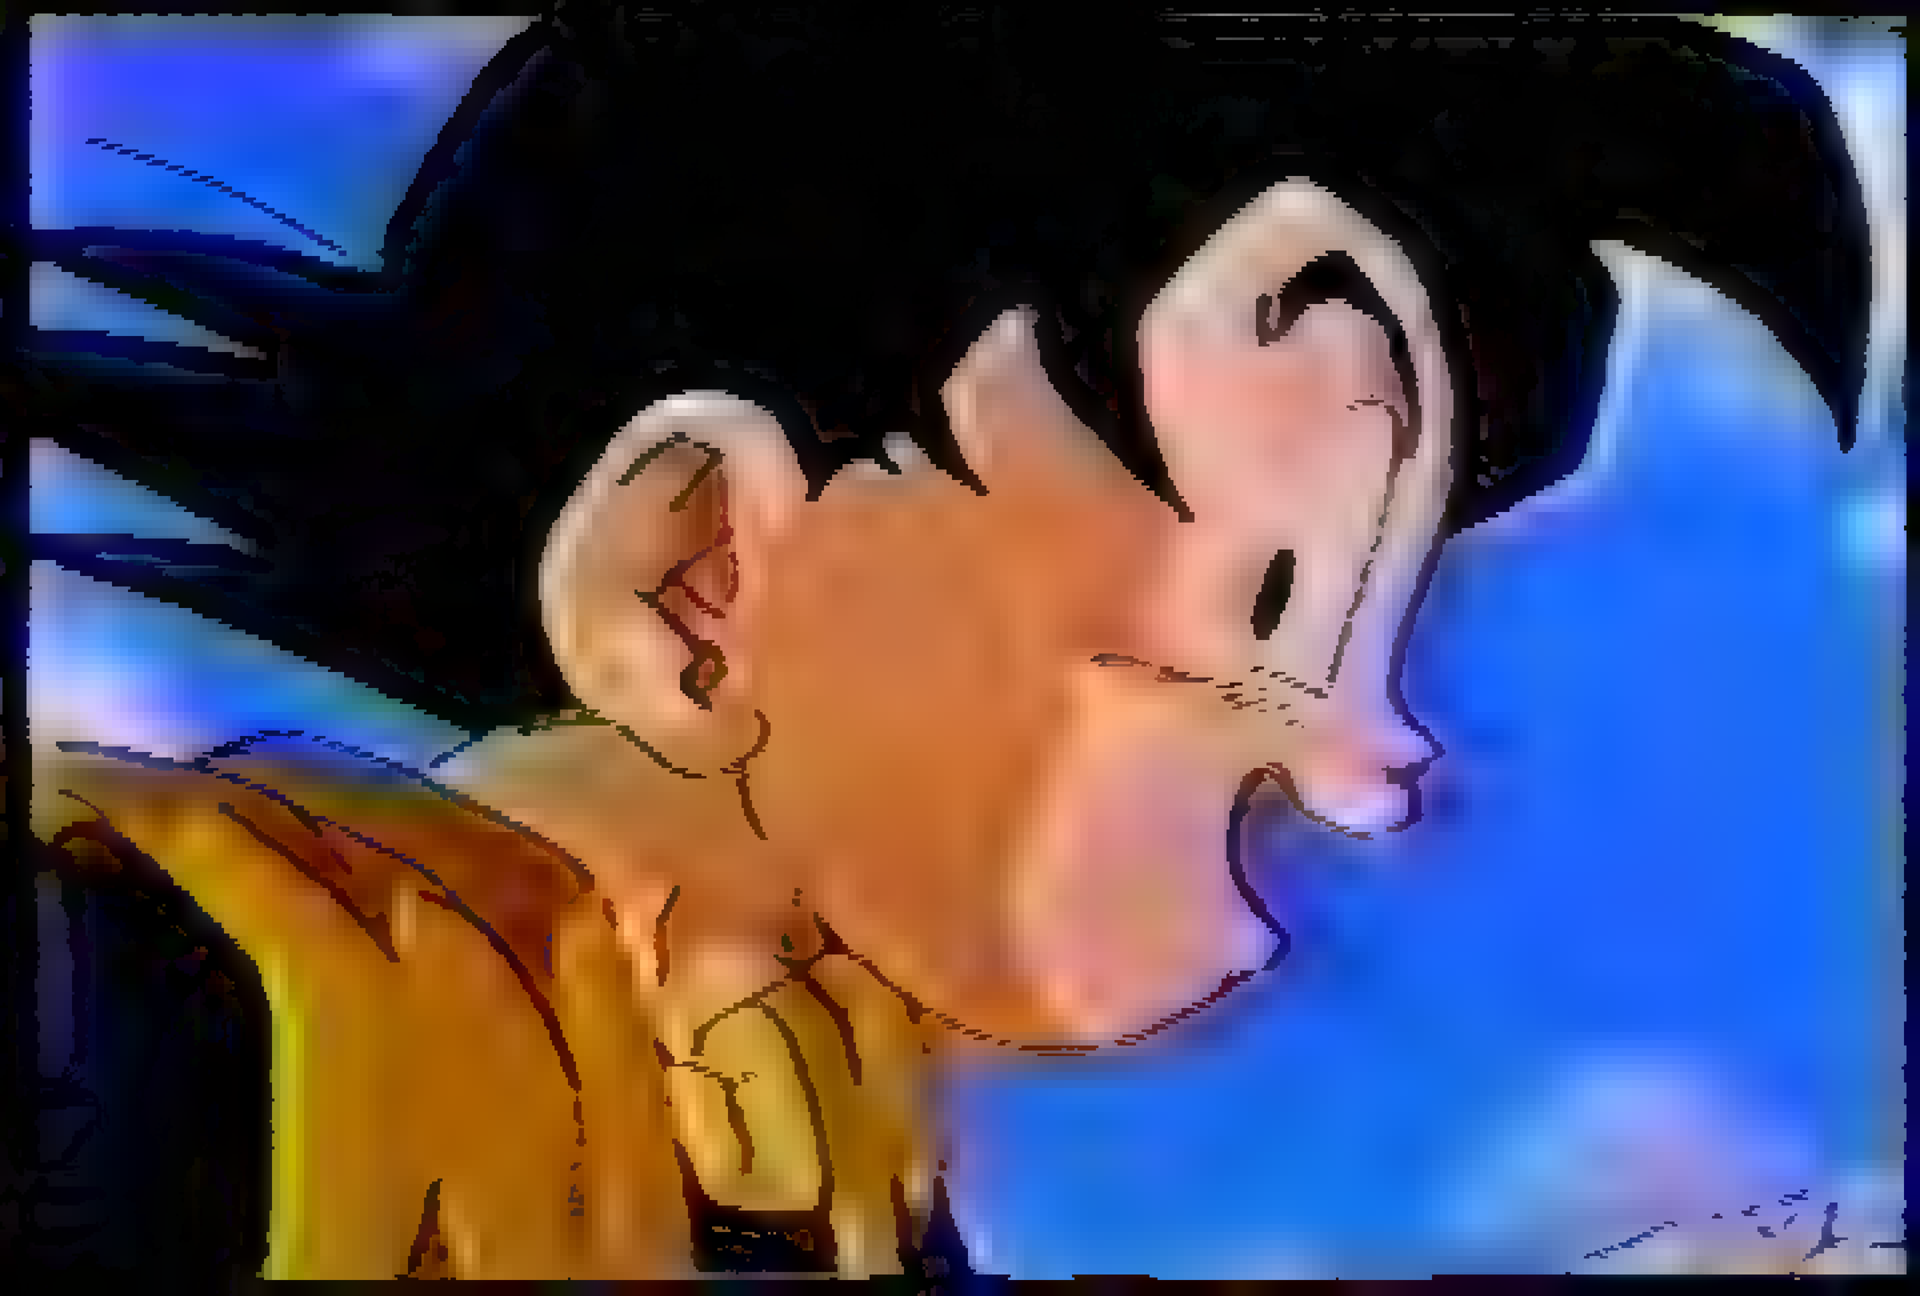

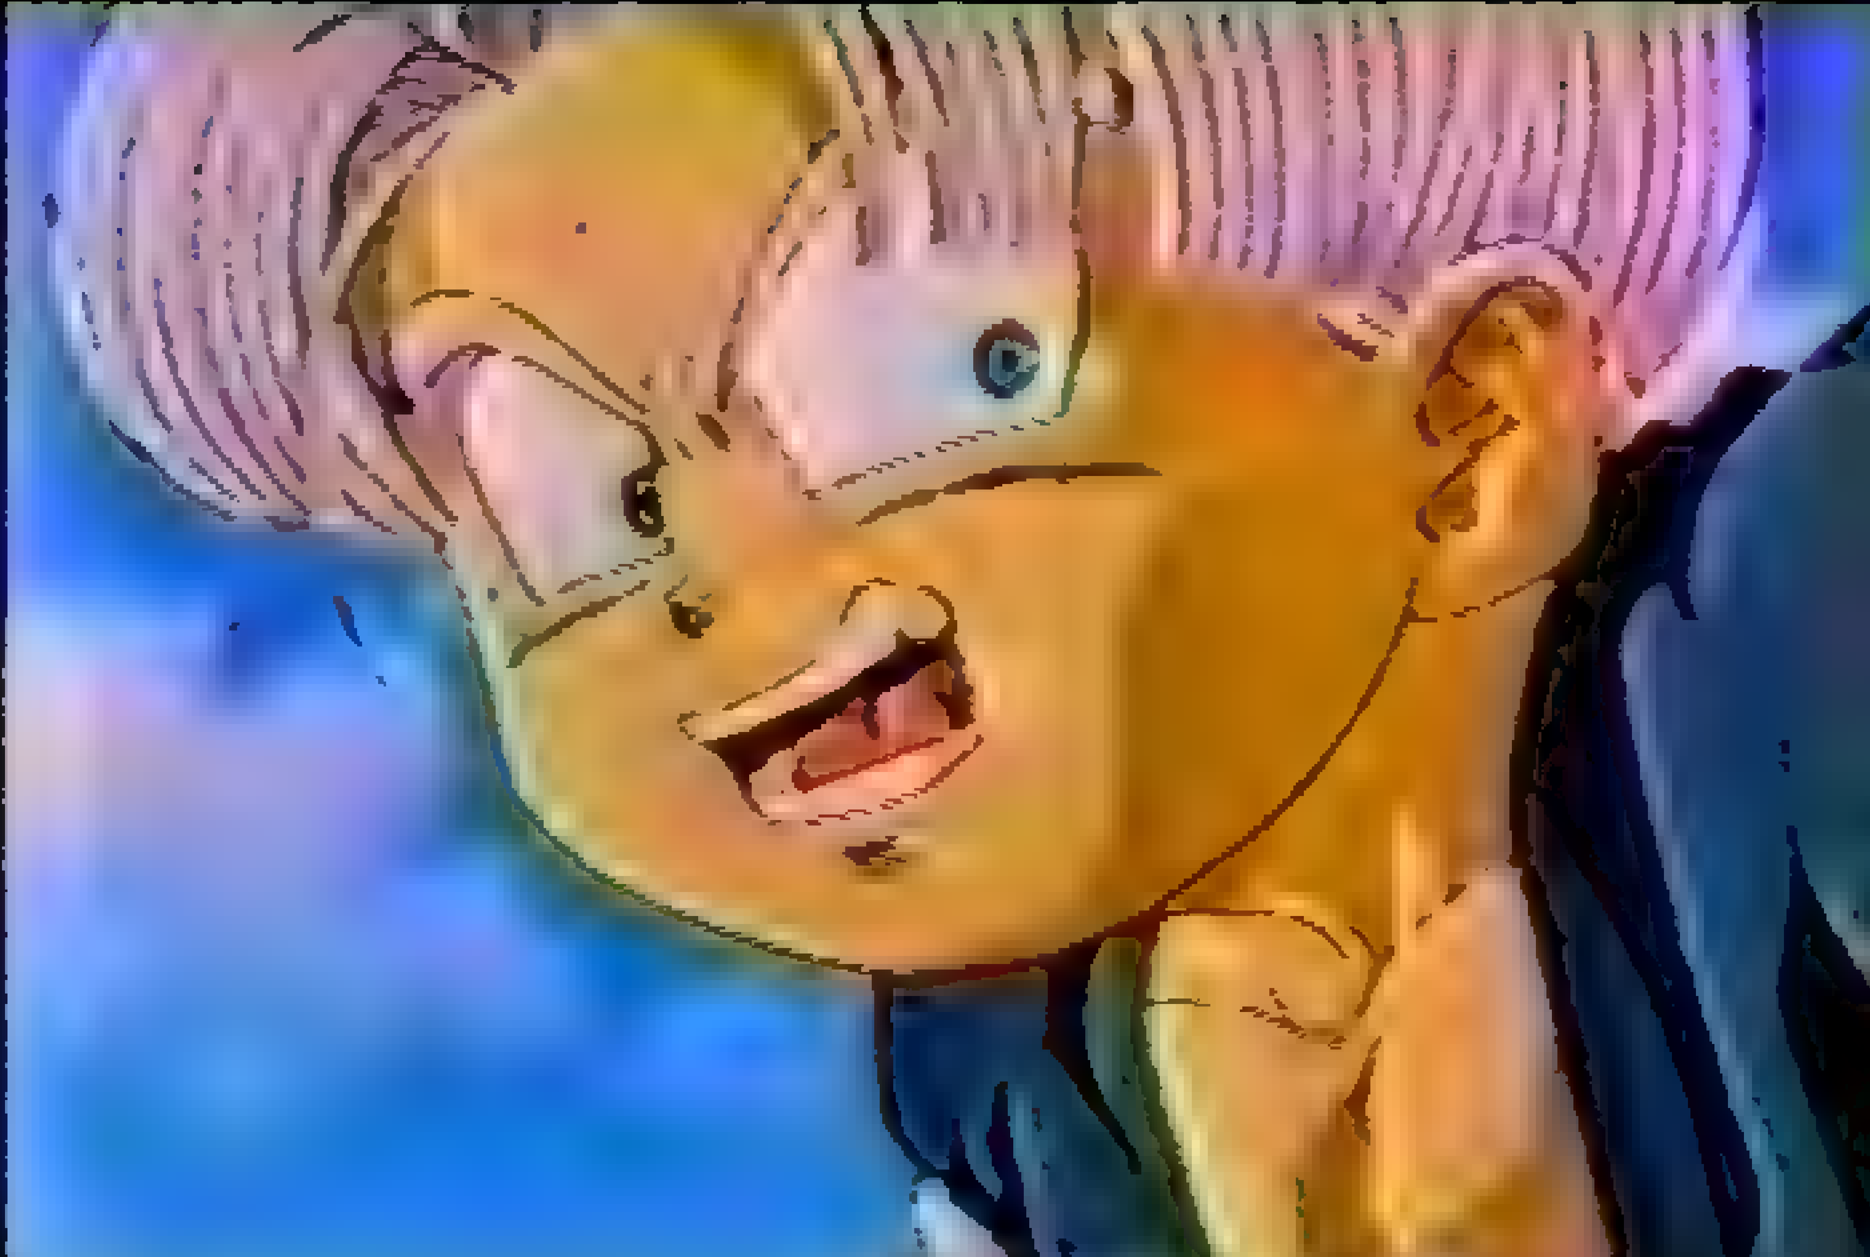

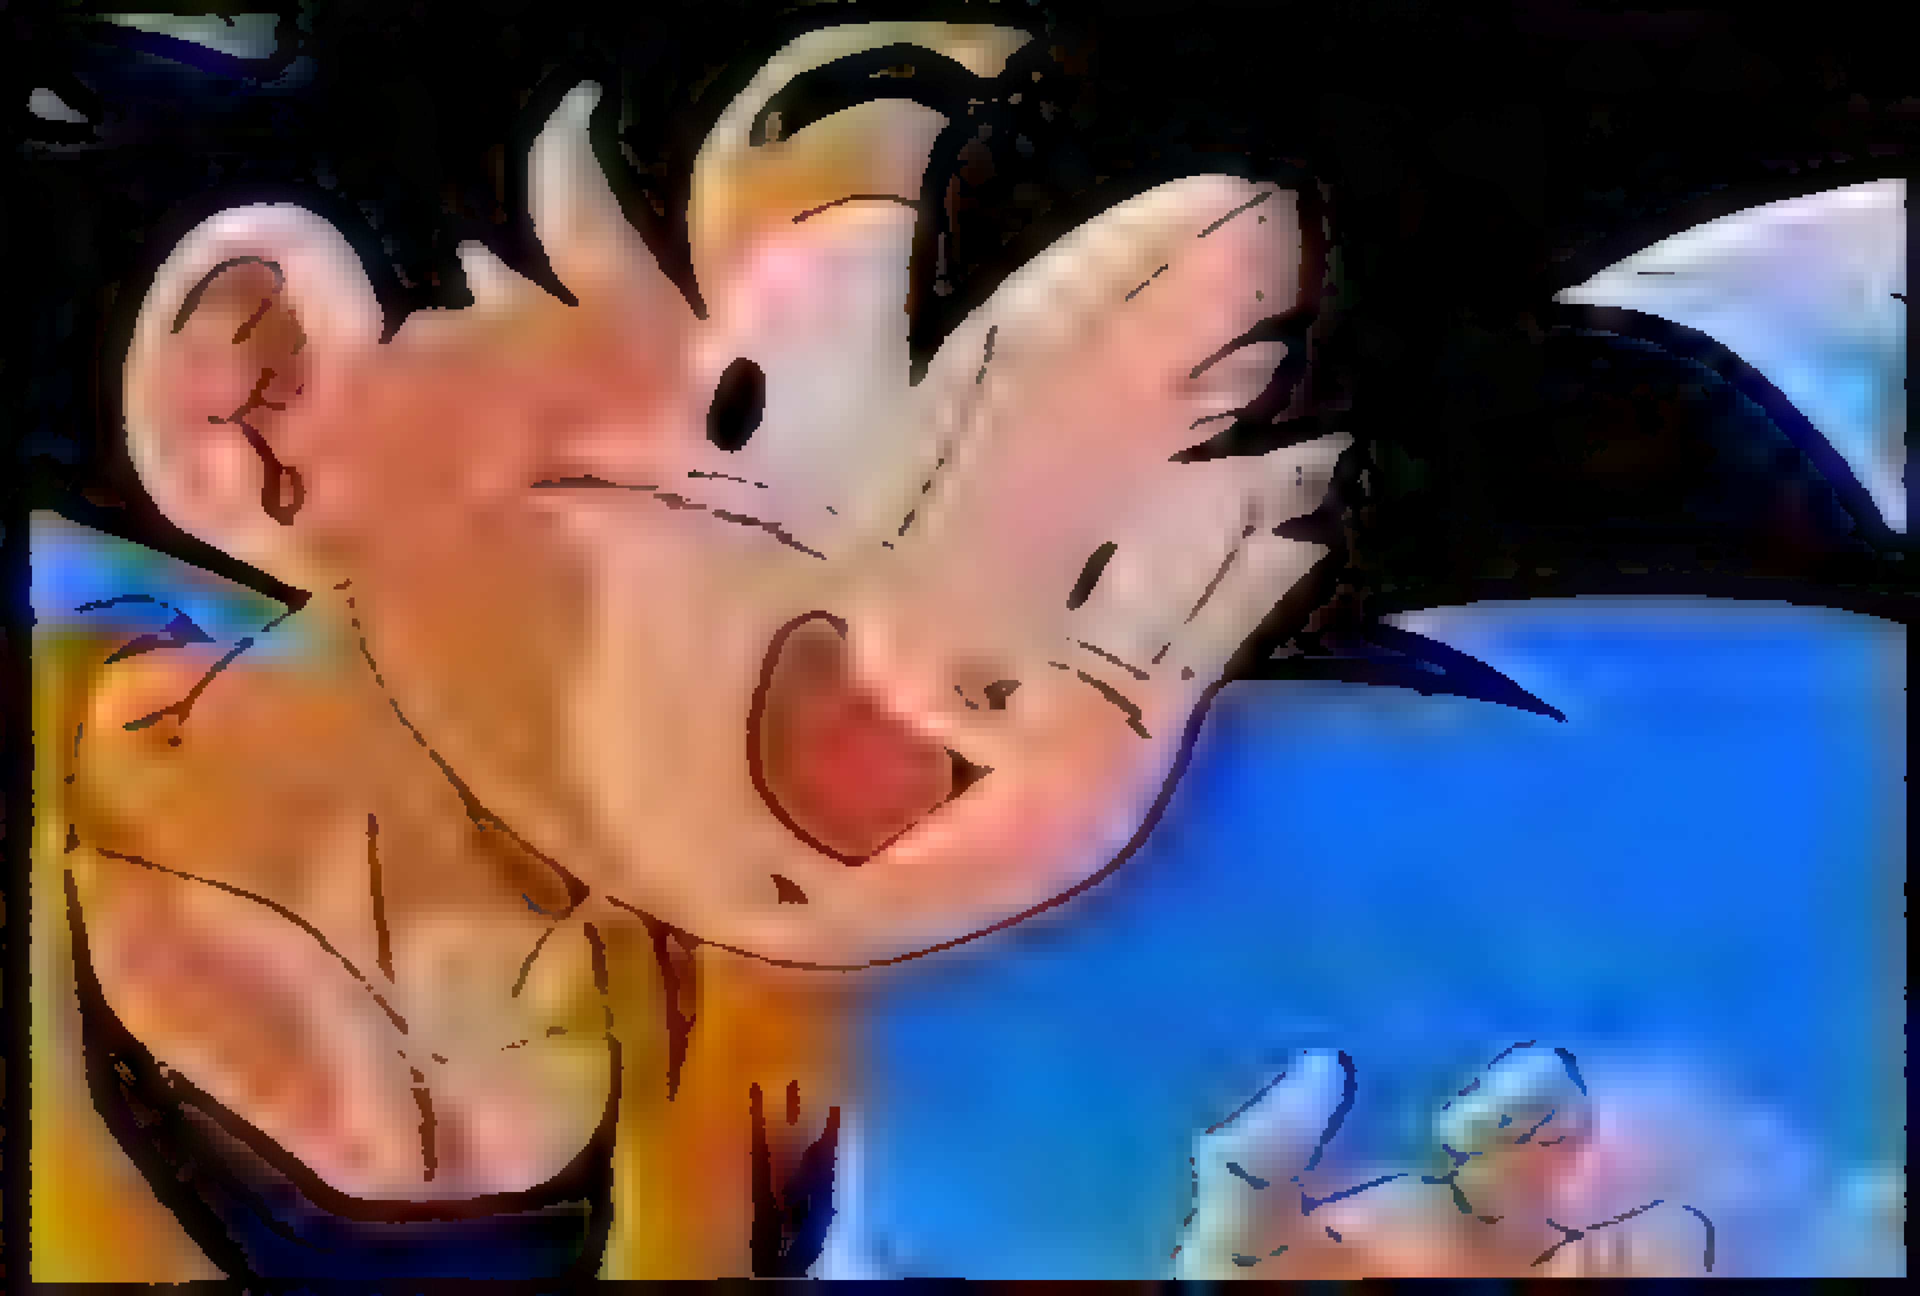

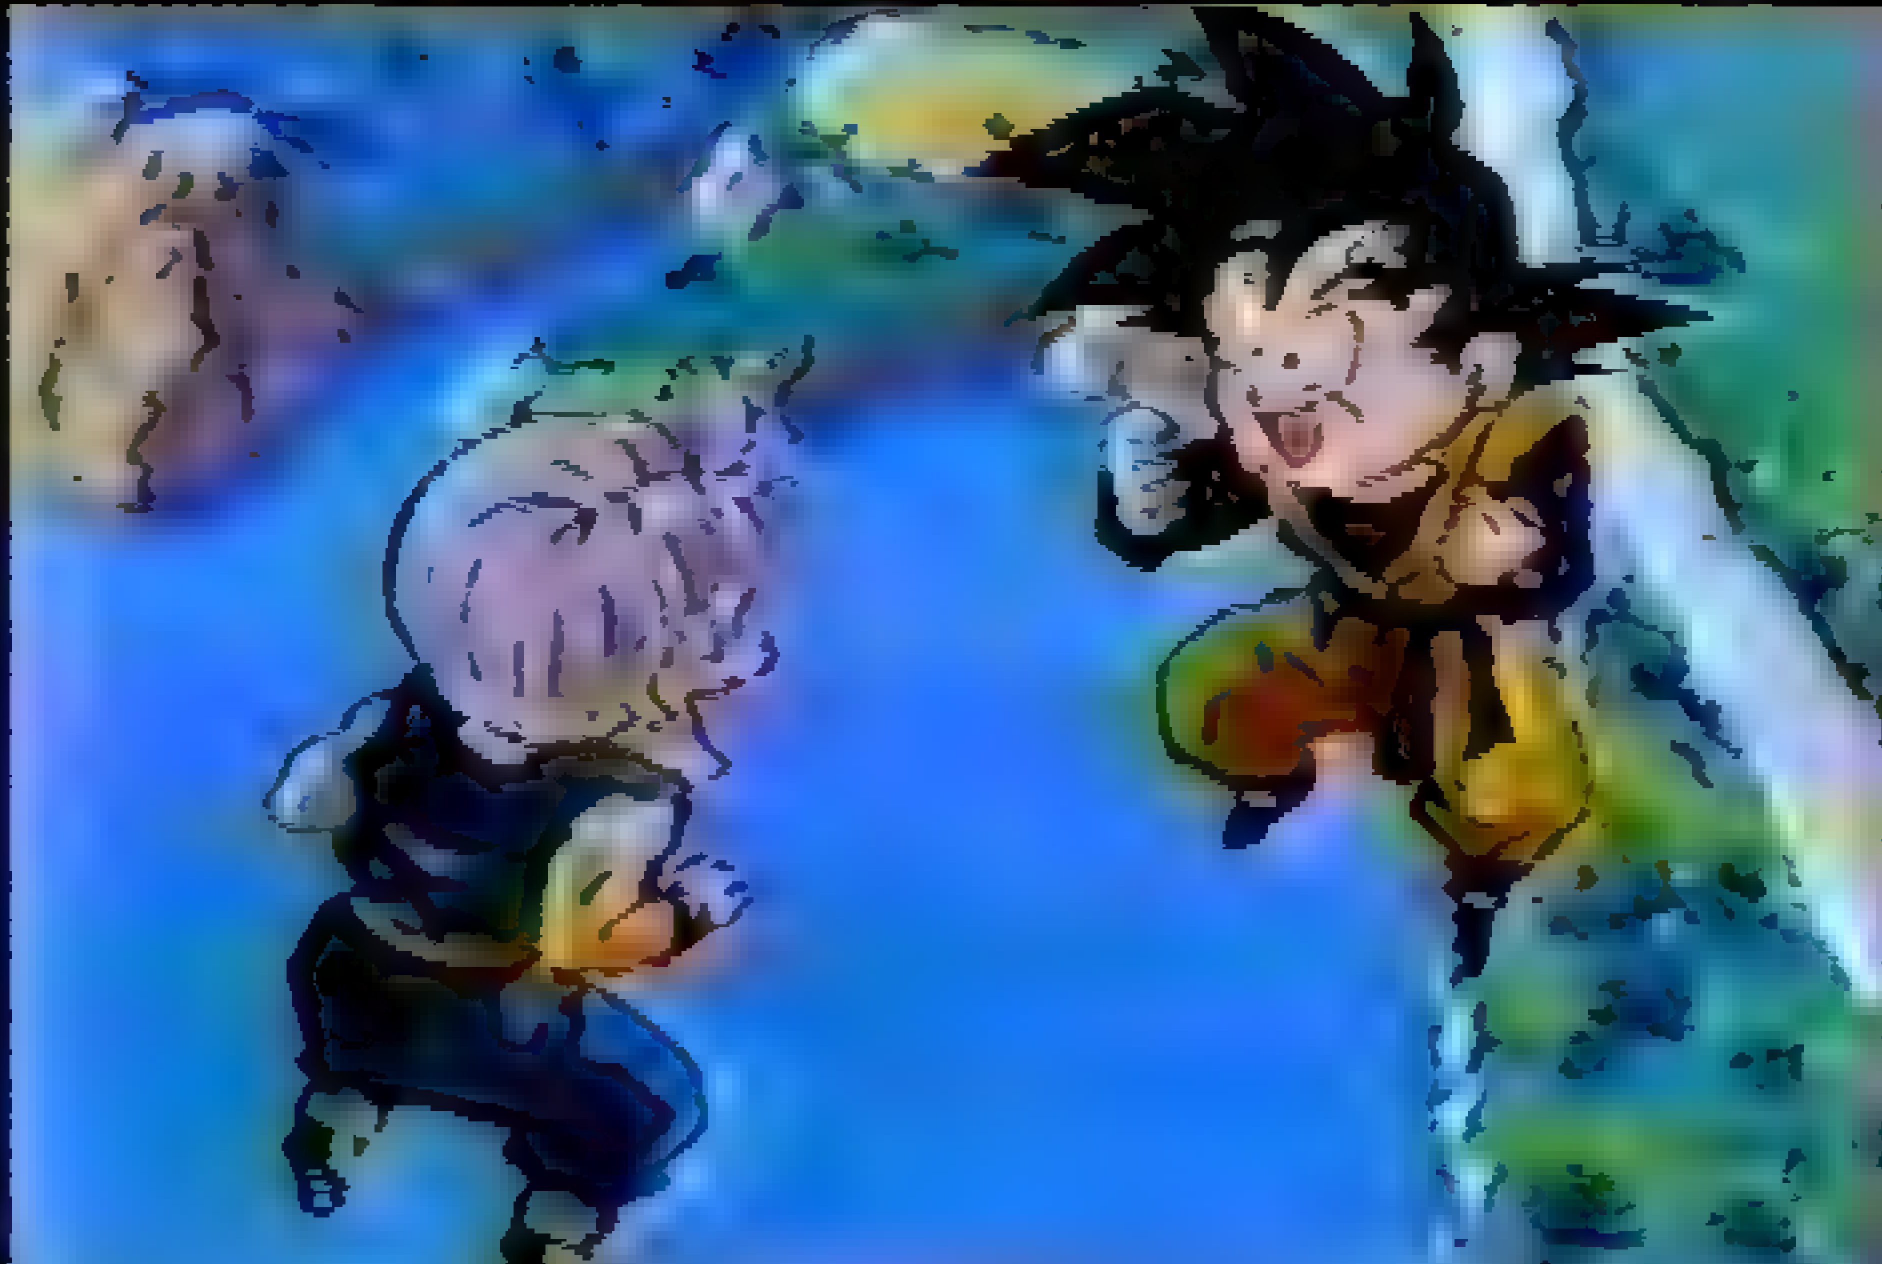

Did you hear that, Goten!?

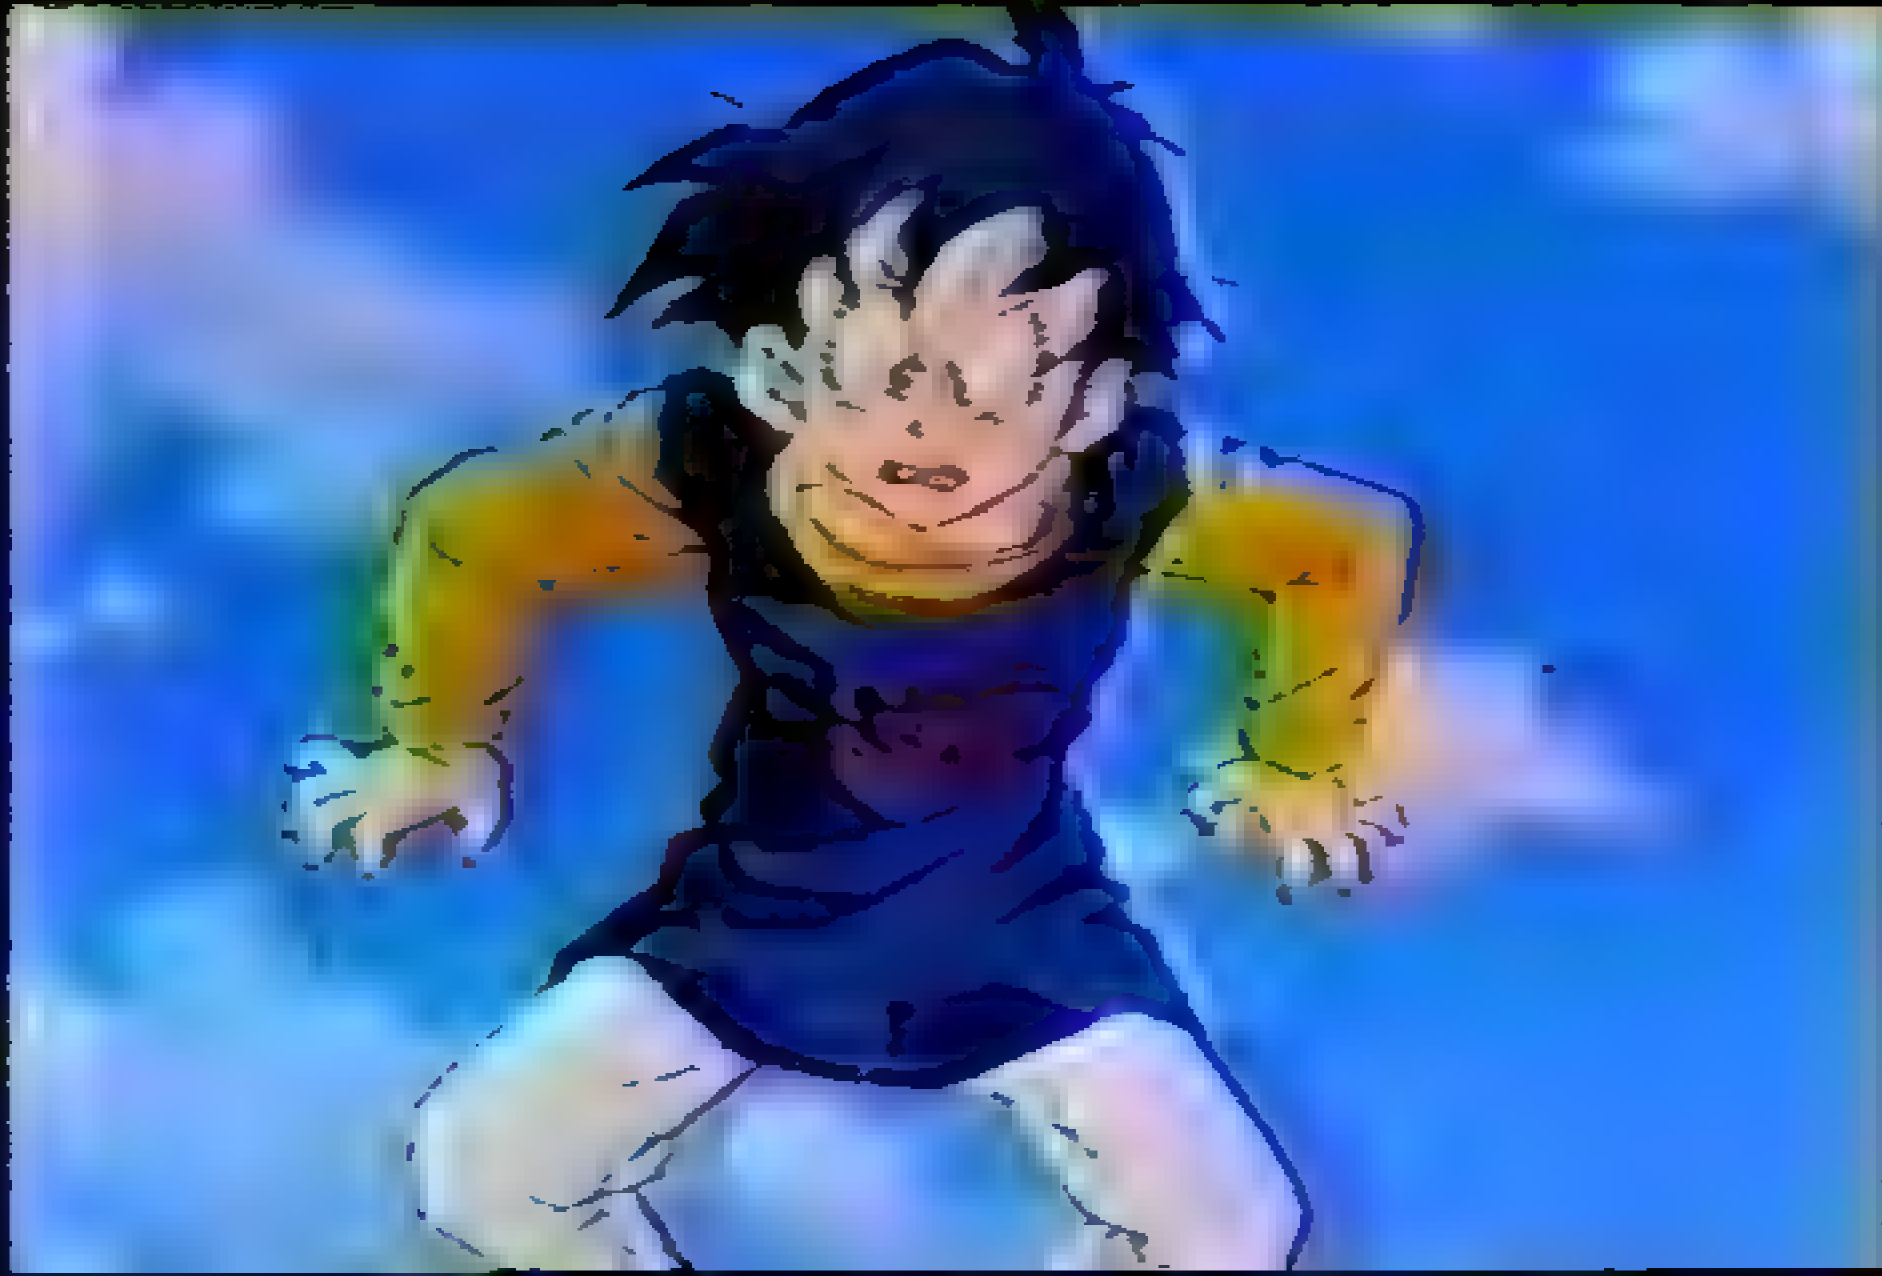

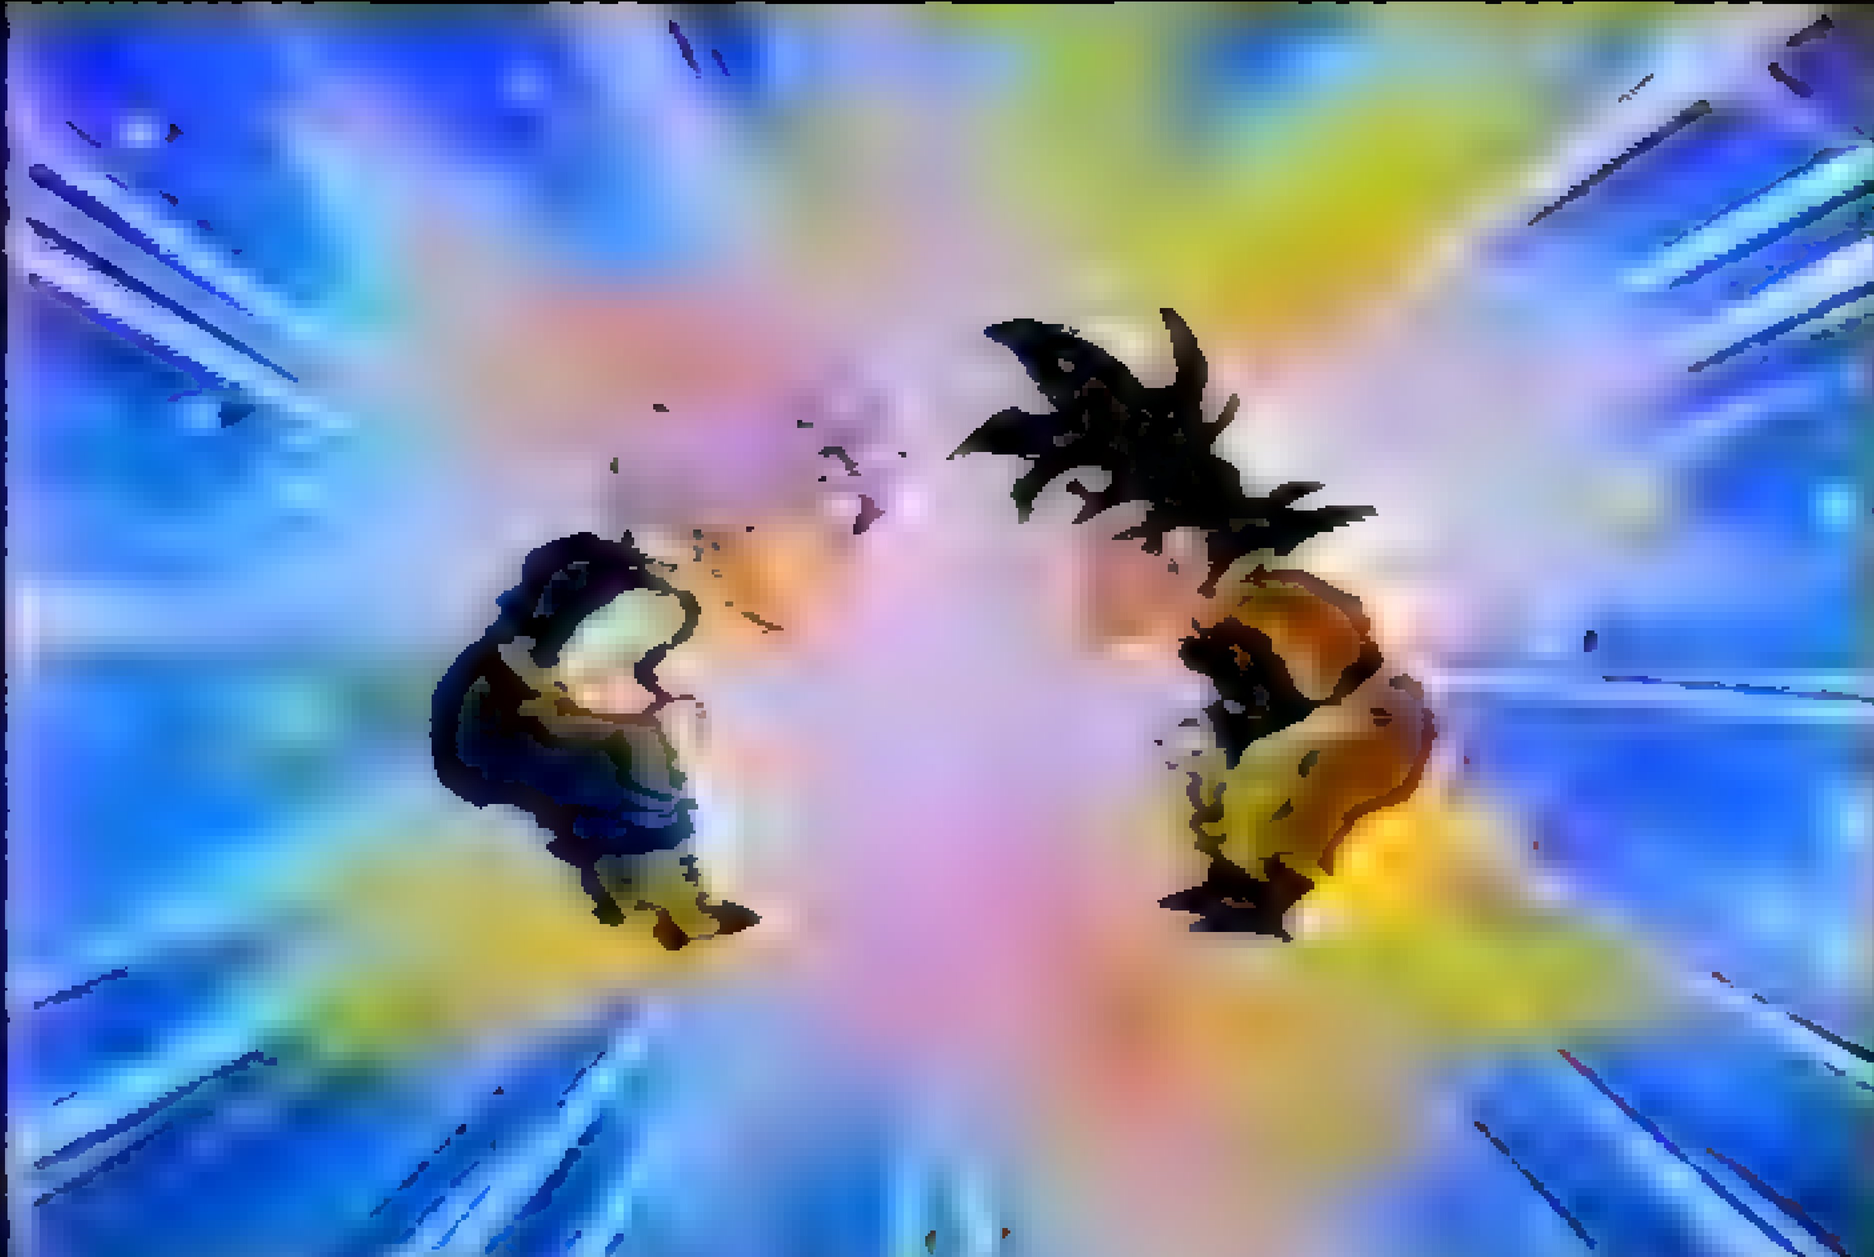

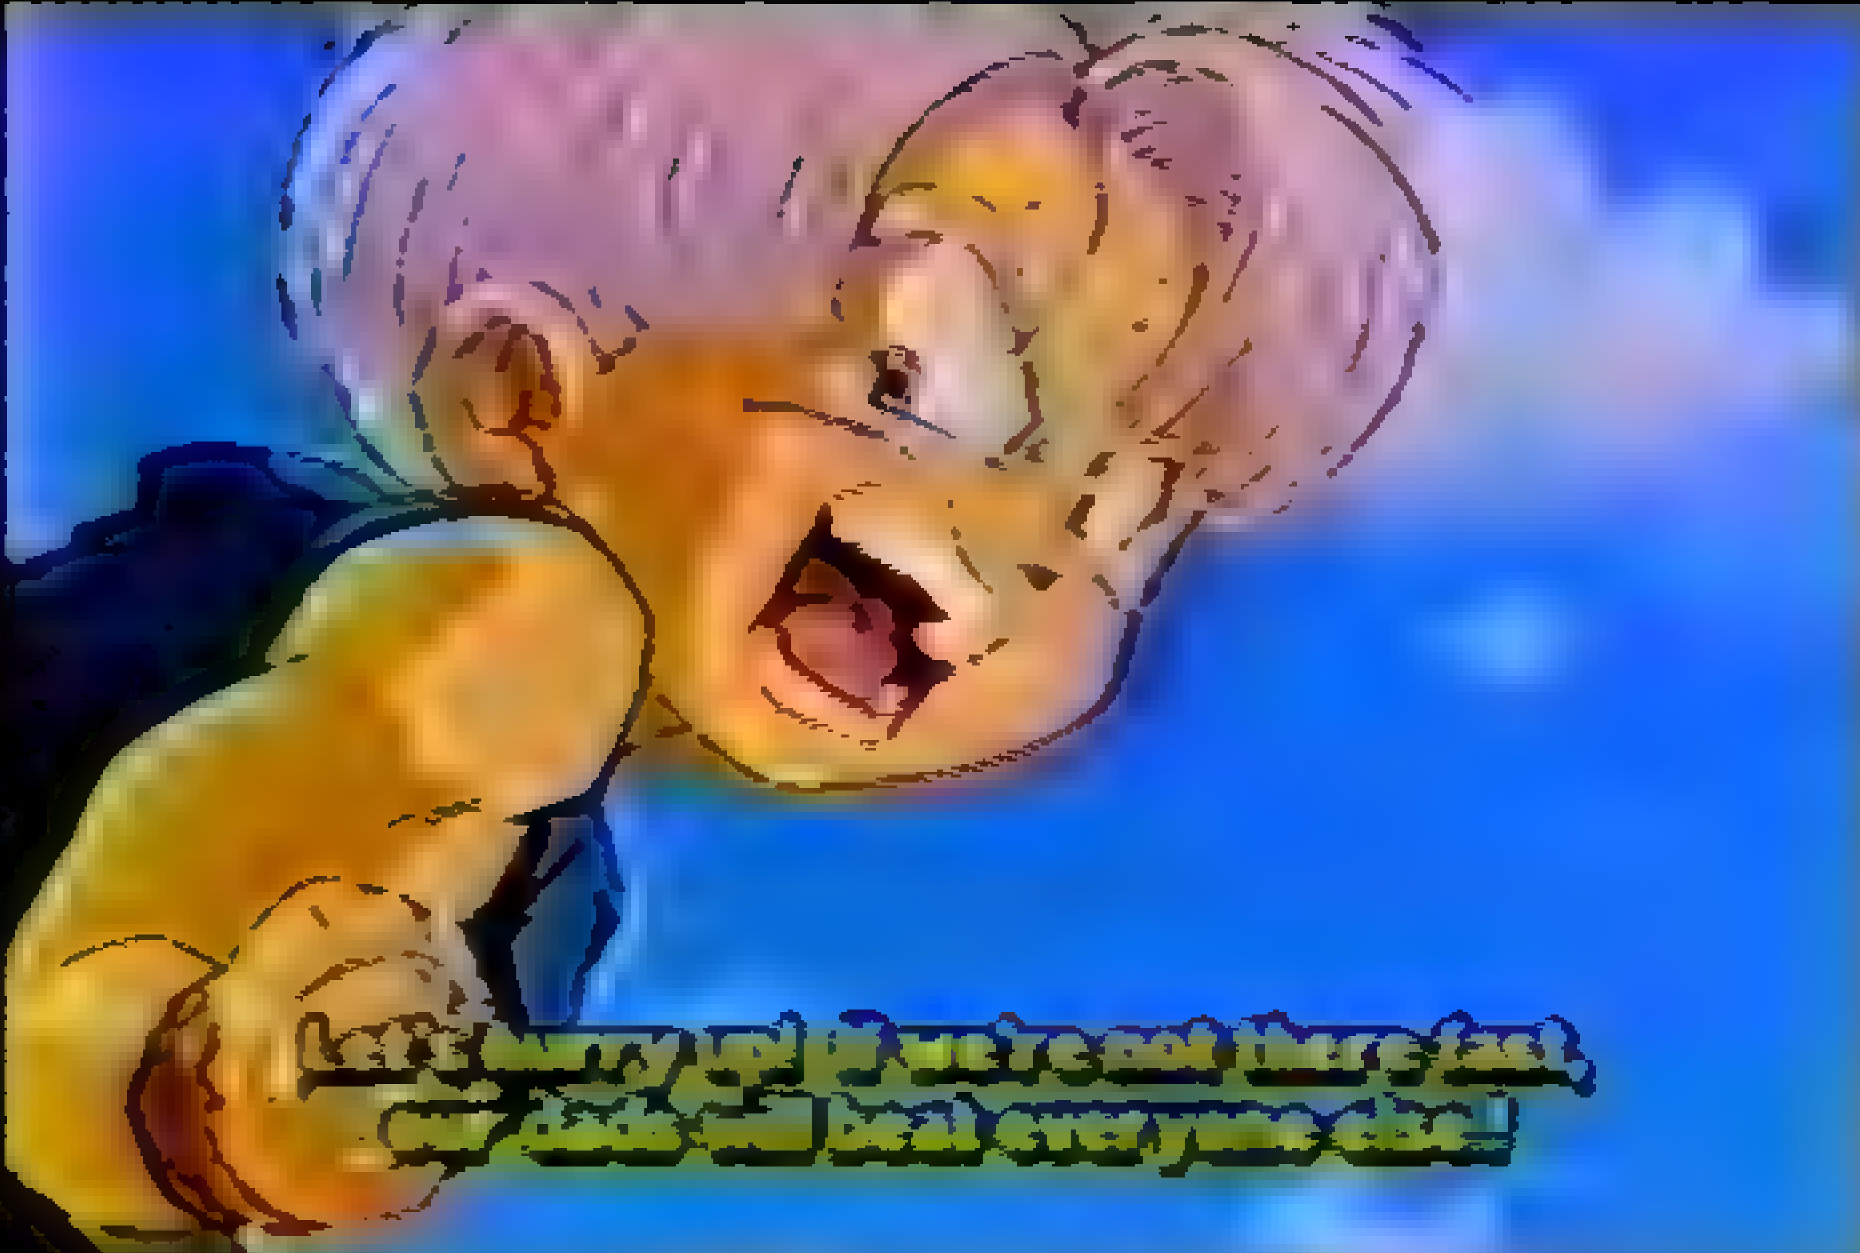

They must be over there.

Hey, you two! Don't tell
me you want to go there!

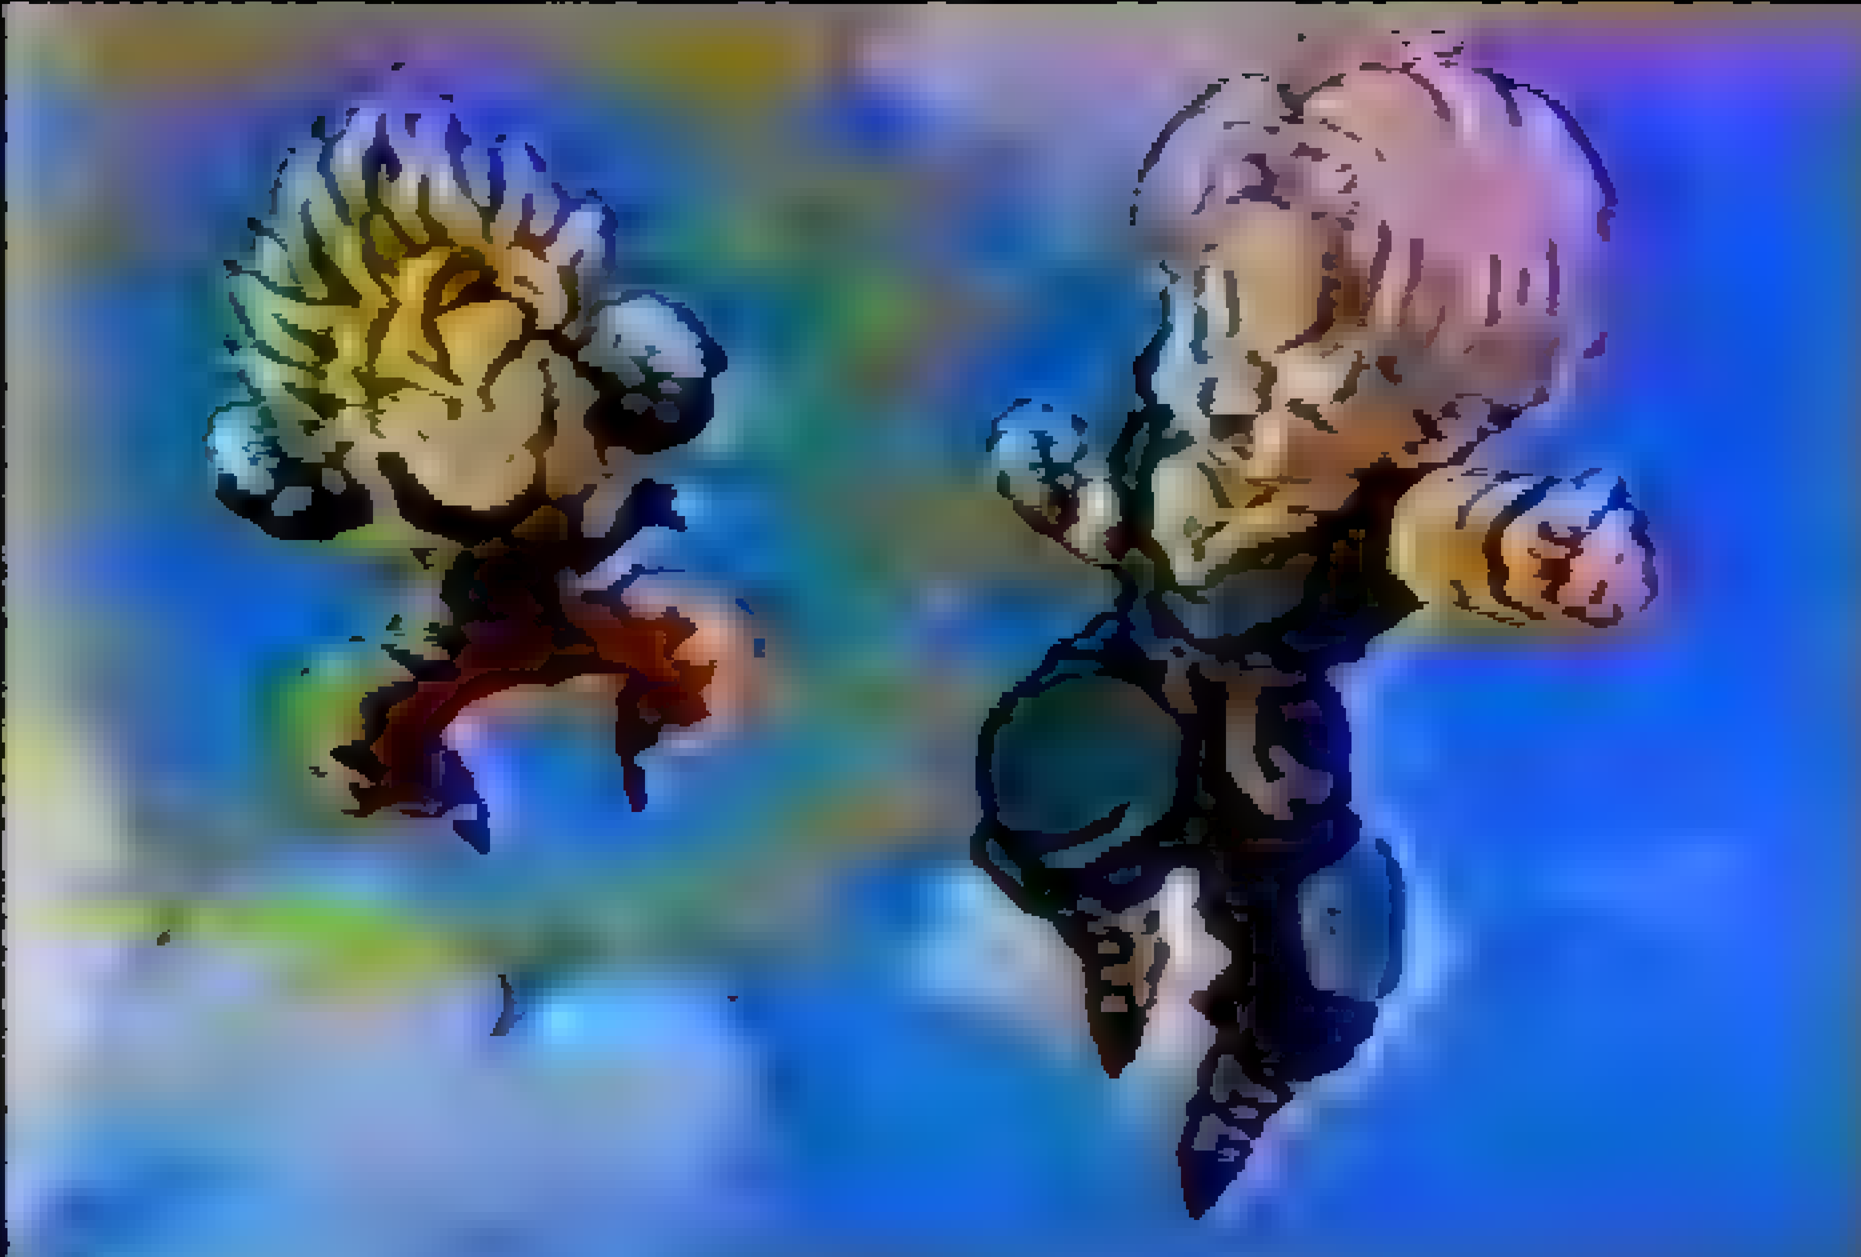

Let's hurry up! If we're not there fast,
our dads will beat everyone else!

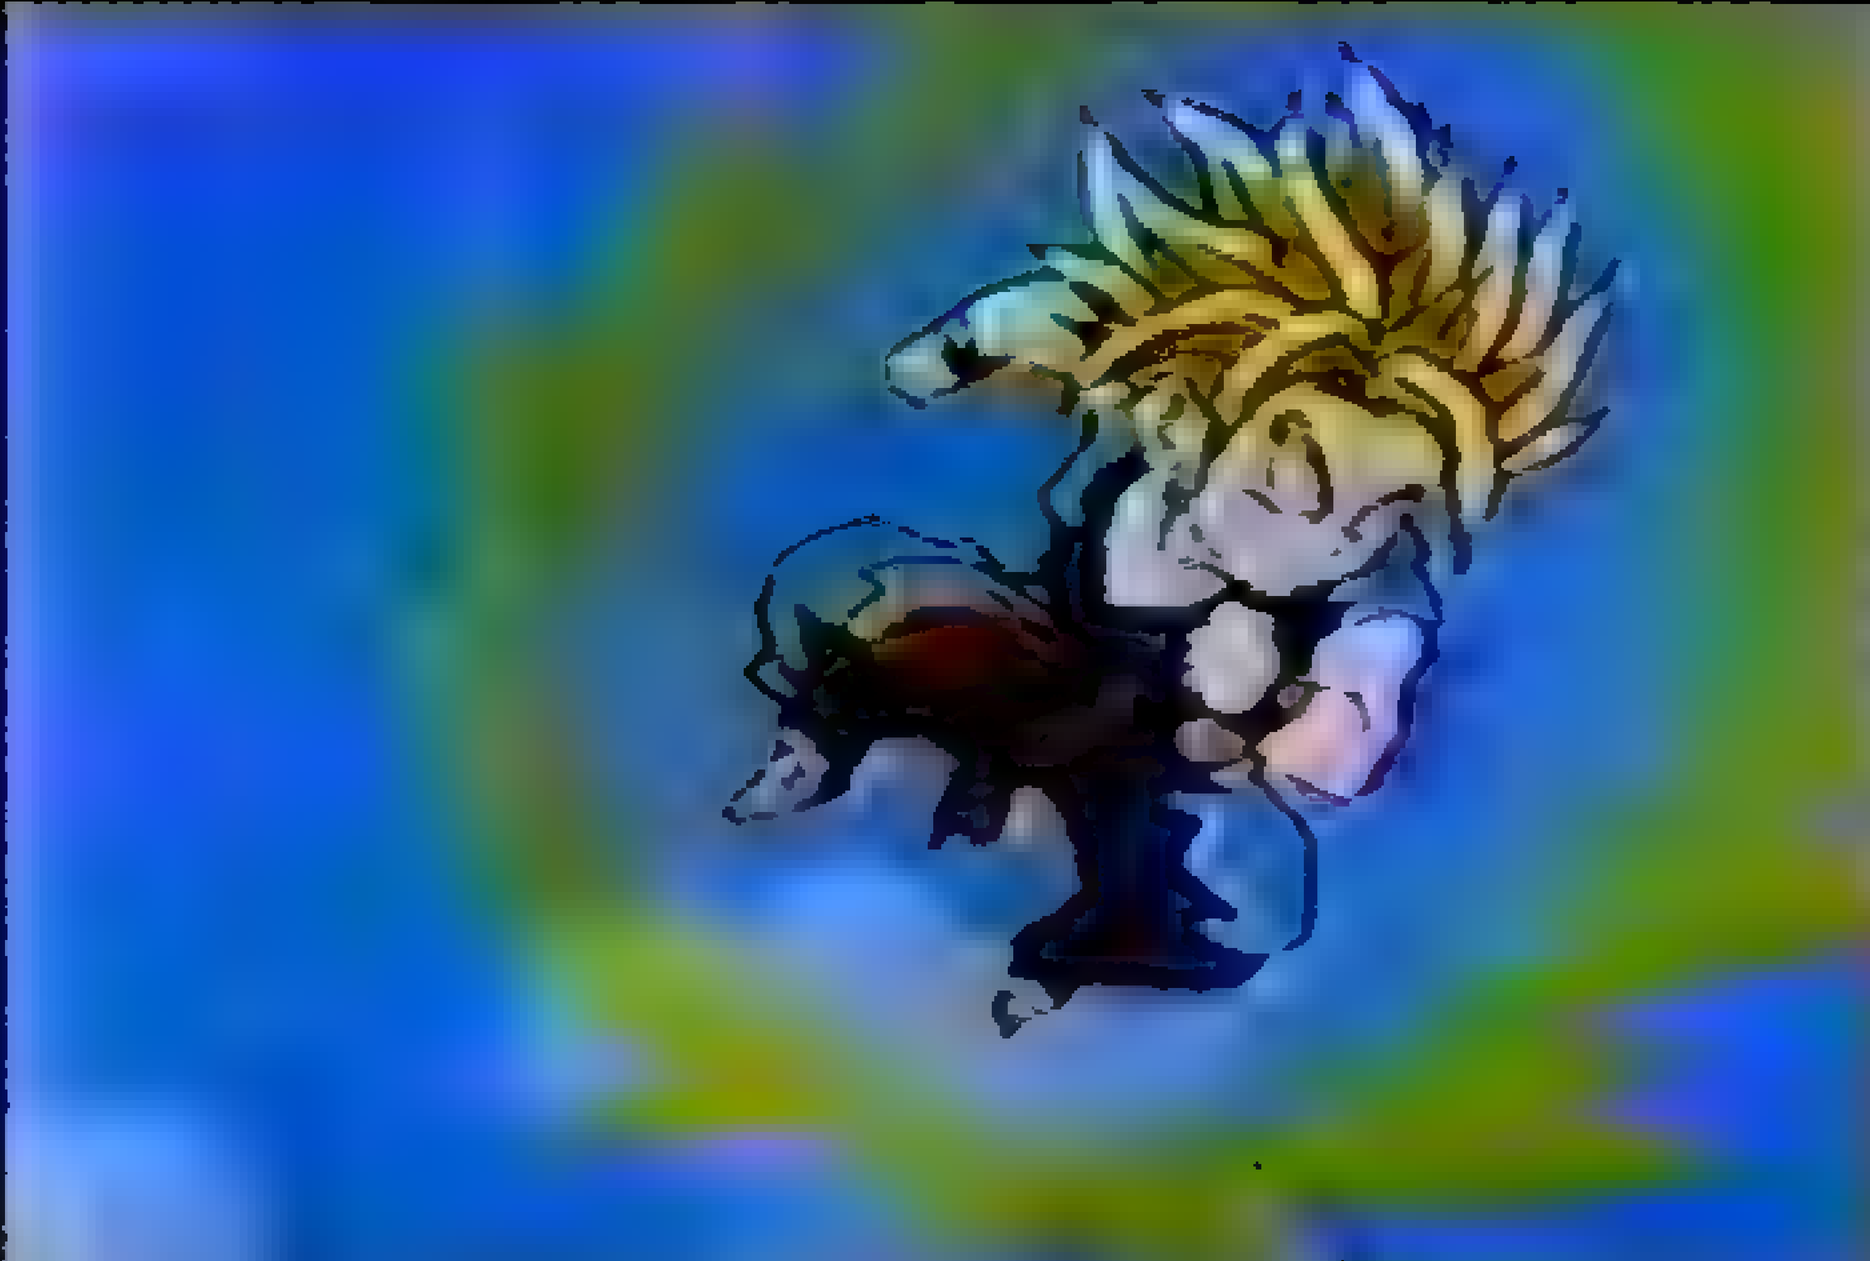

No way! I wanna see 'em!
I wanna see the

Are you broken or something?

What's with that attitude?
I'm worried about her.

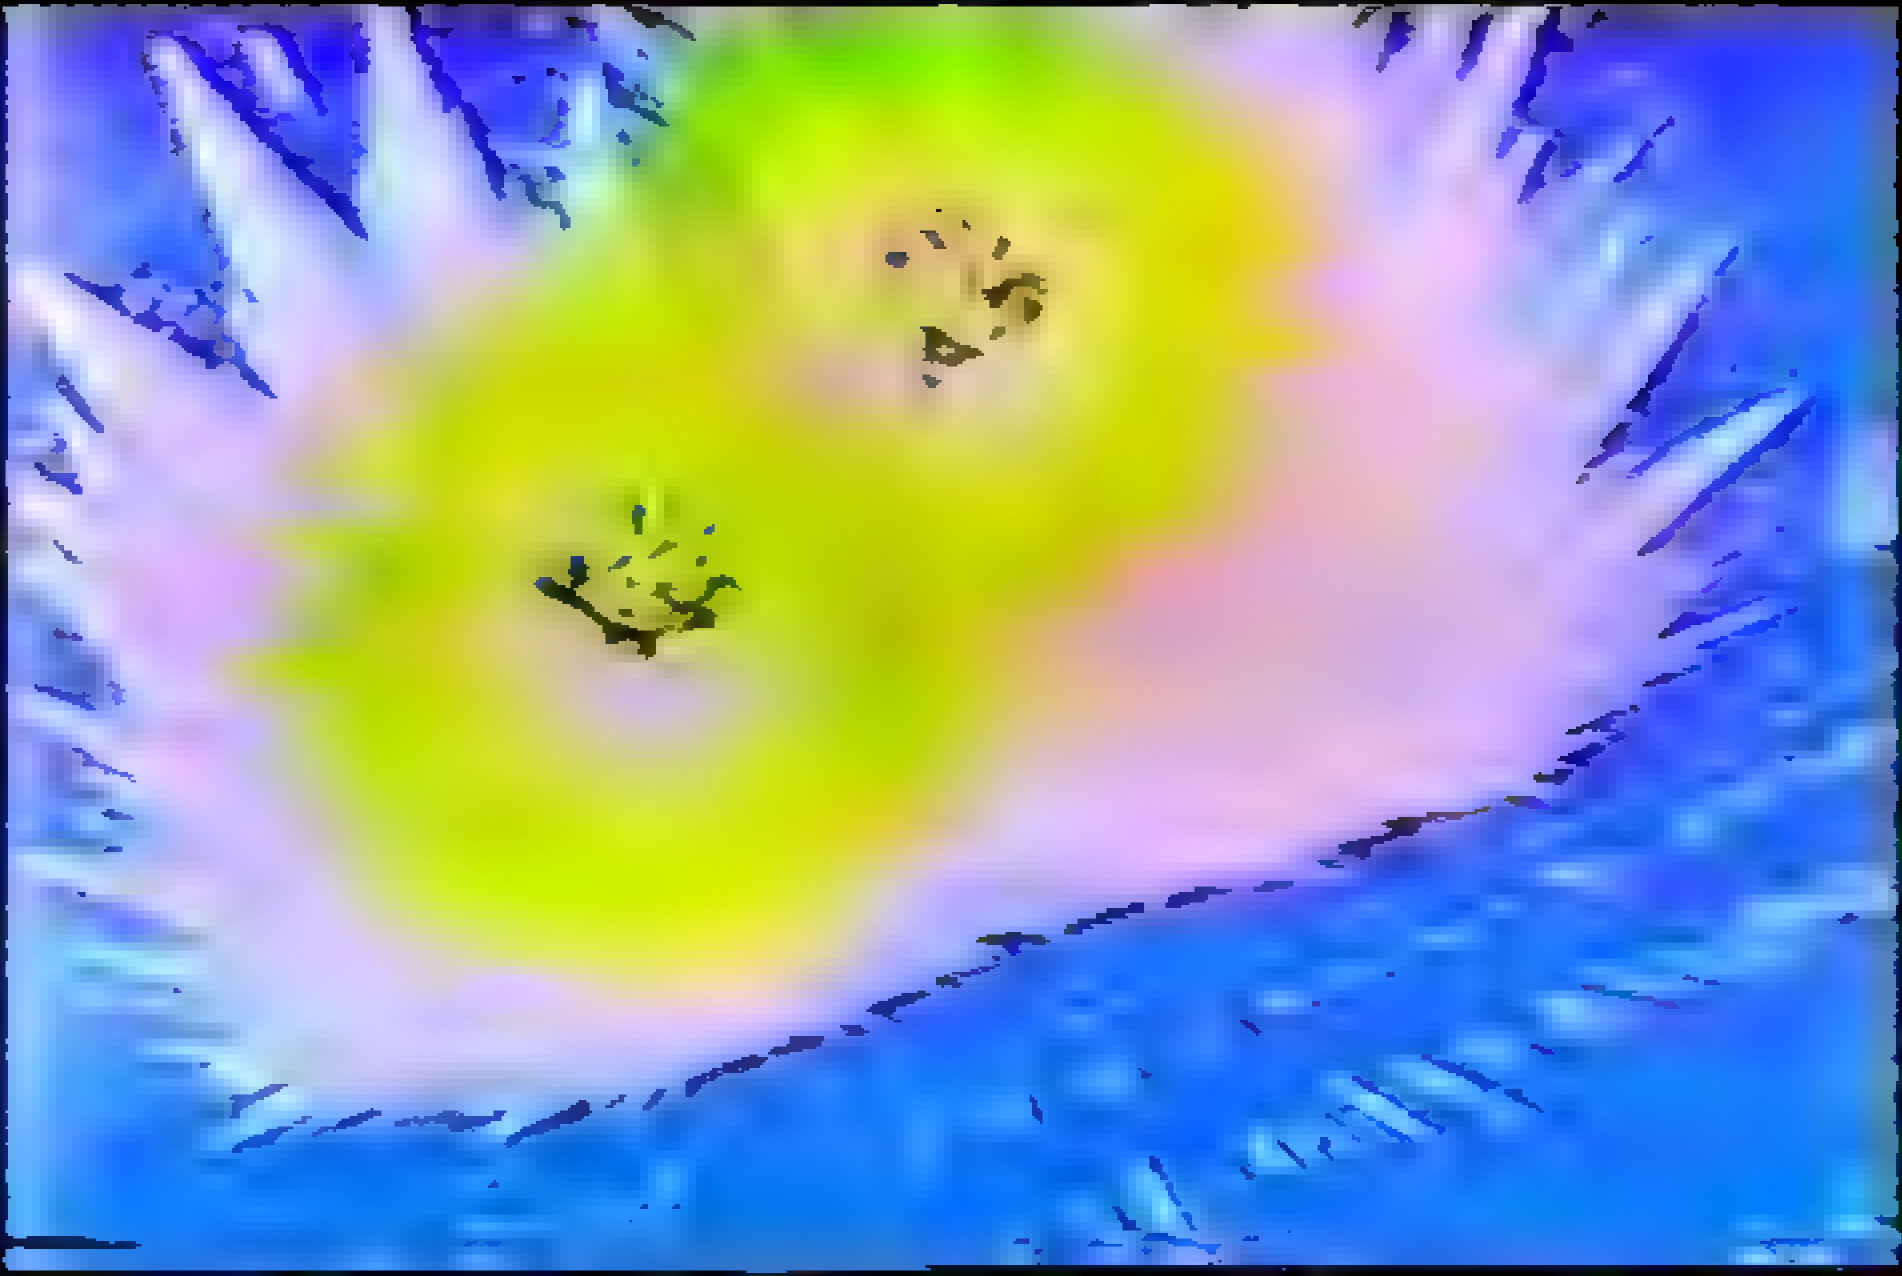

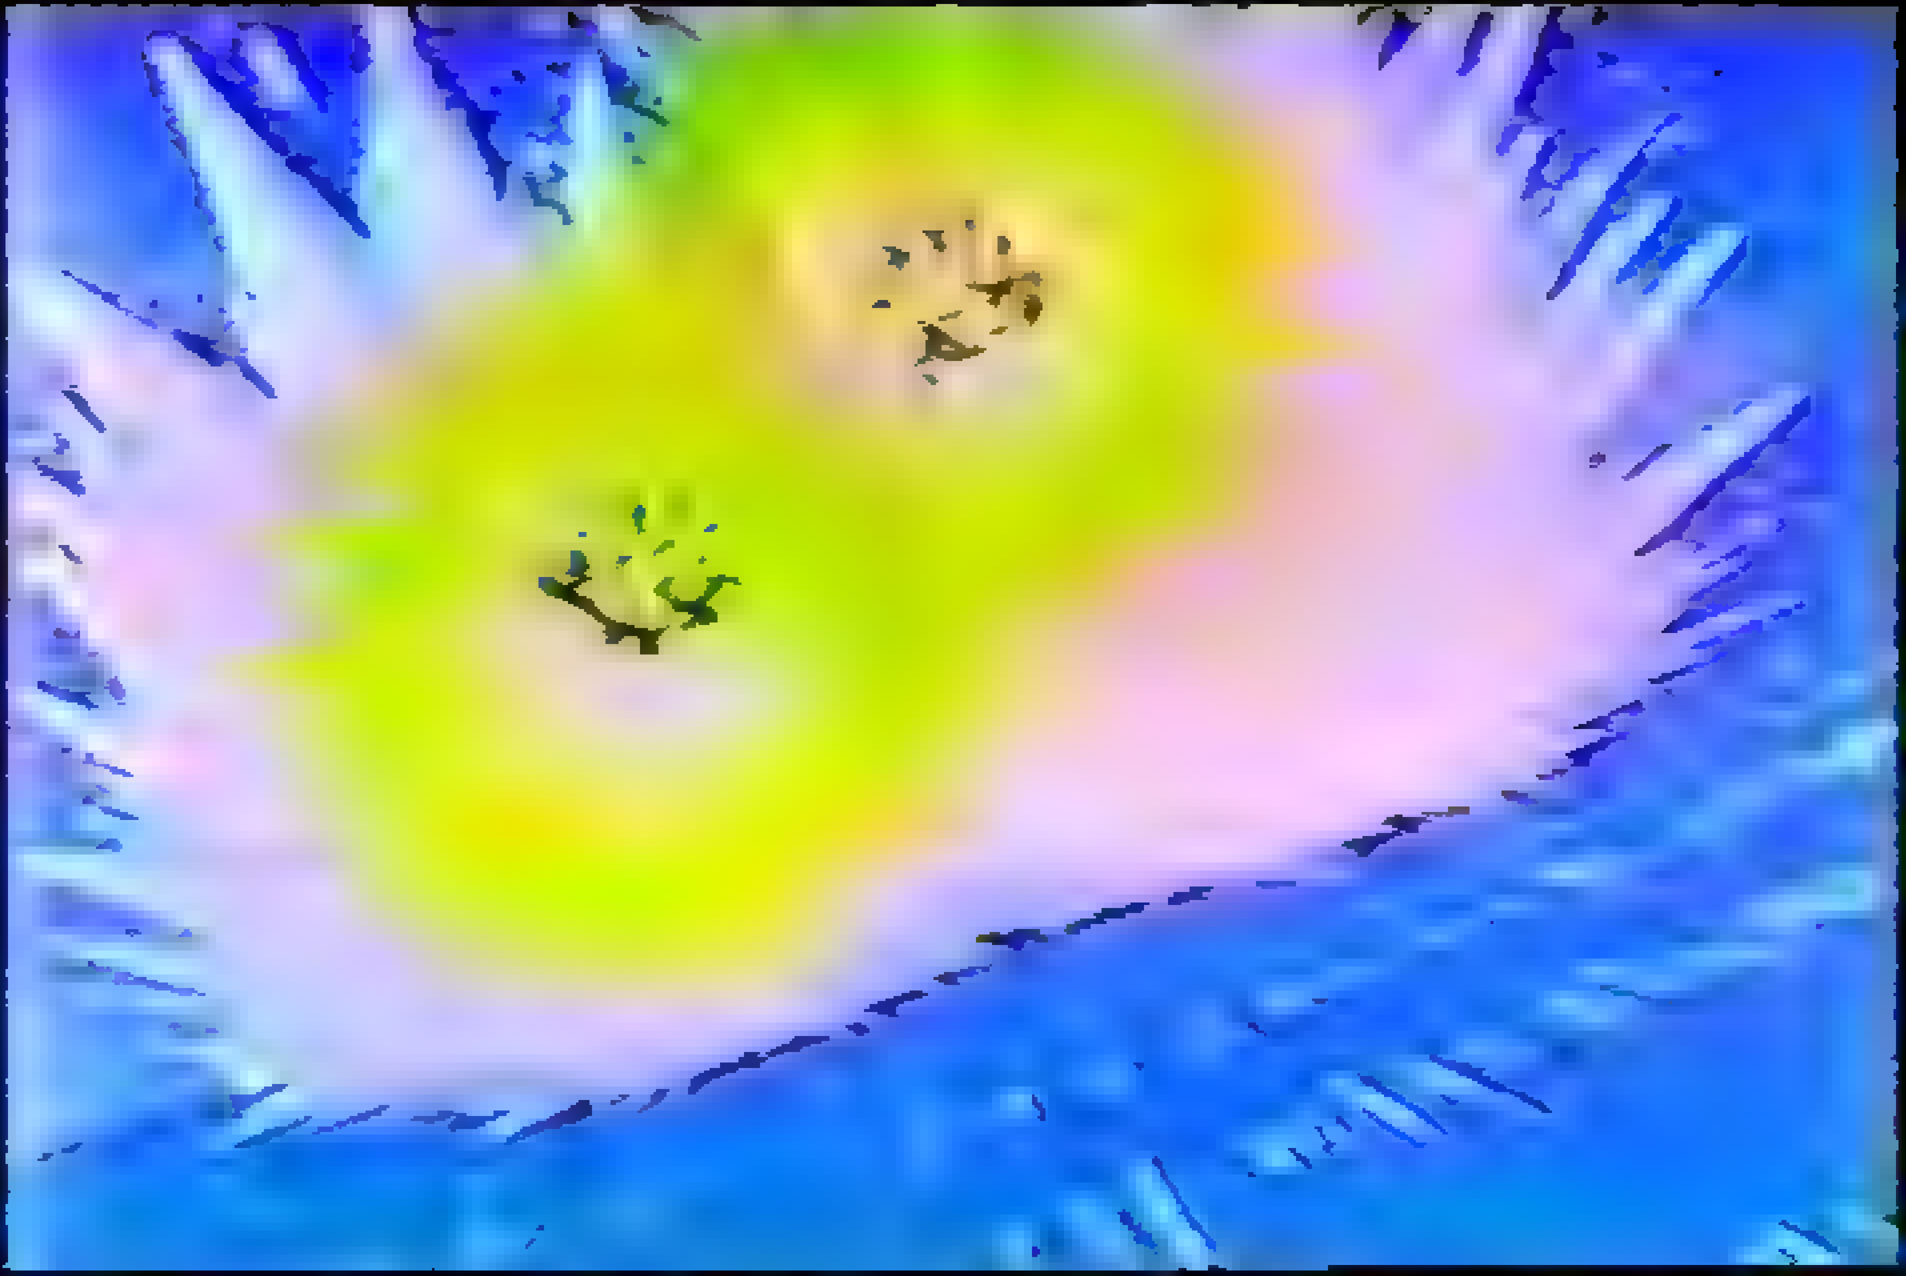

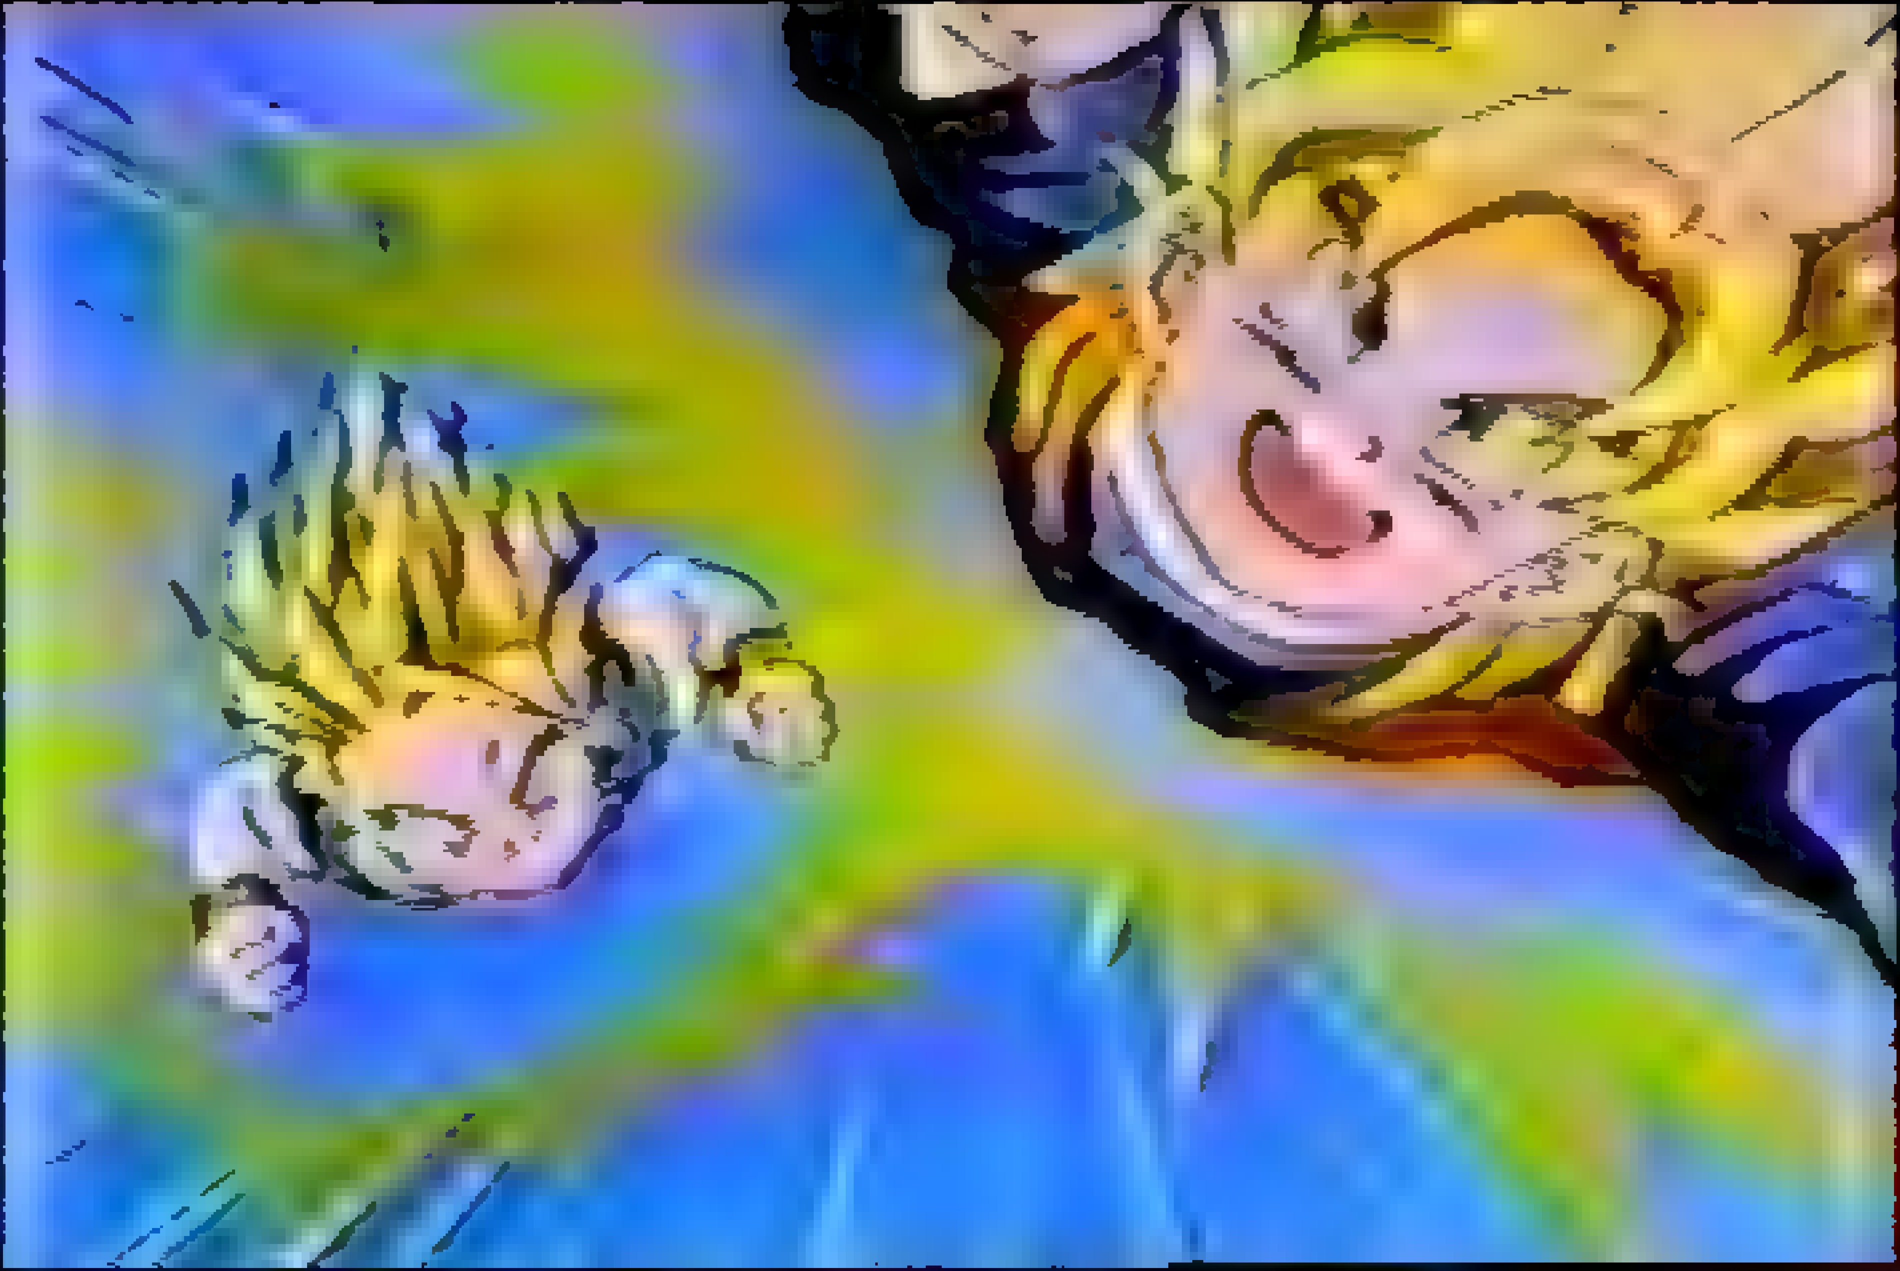

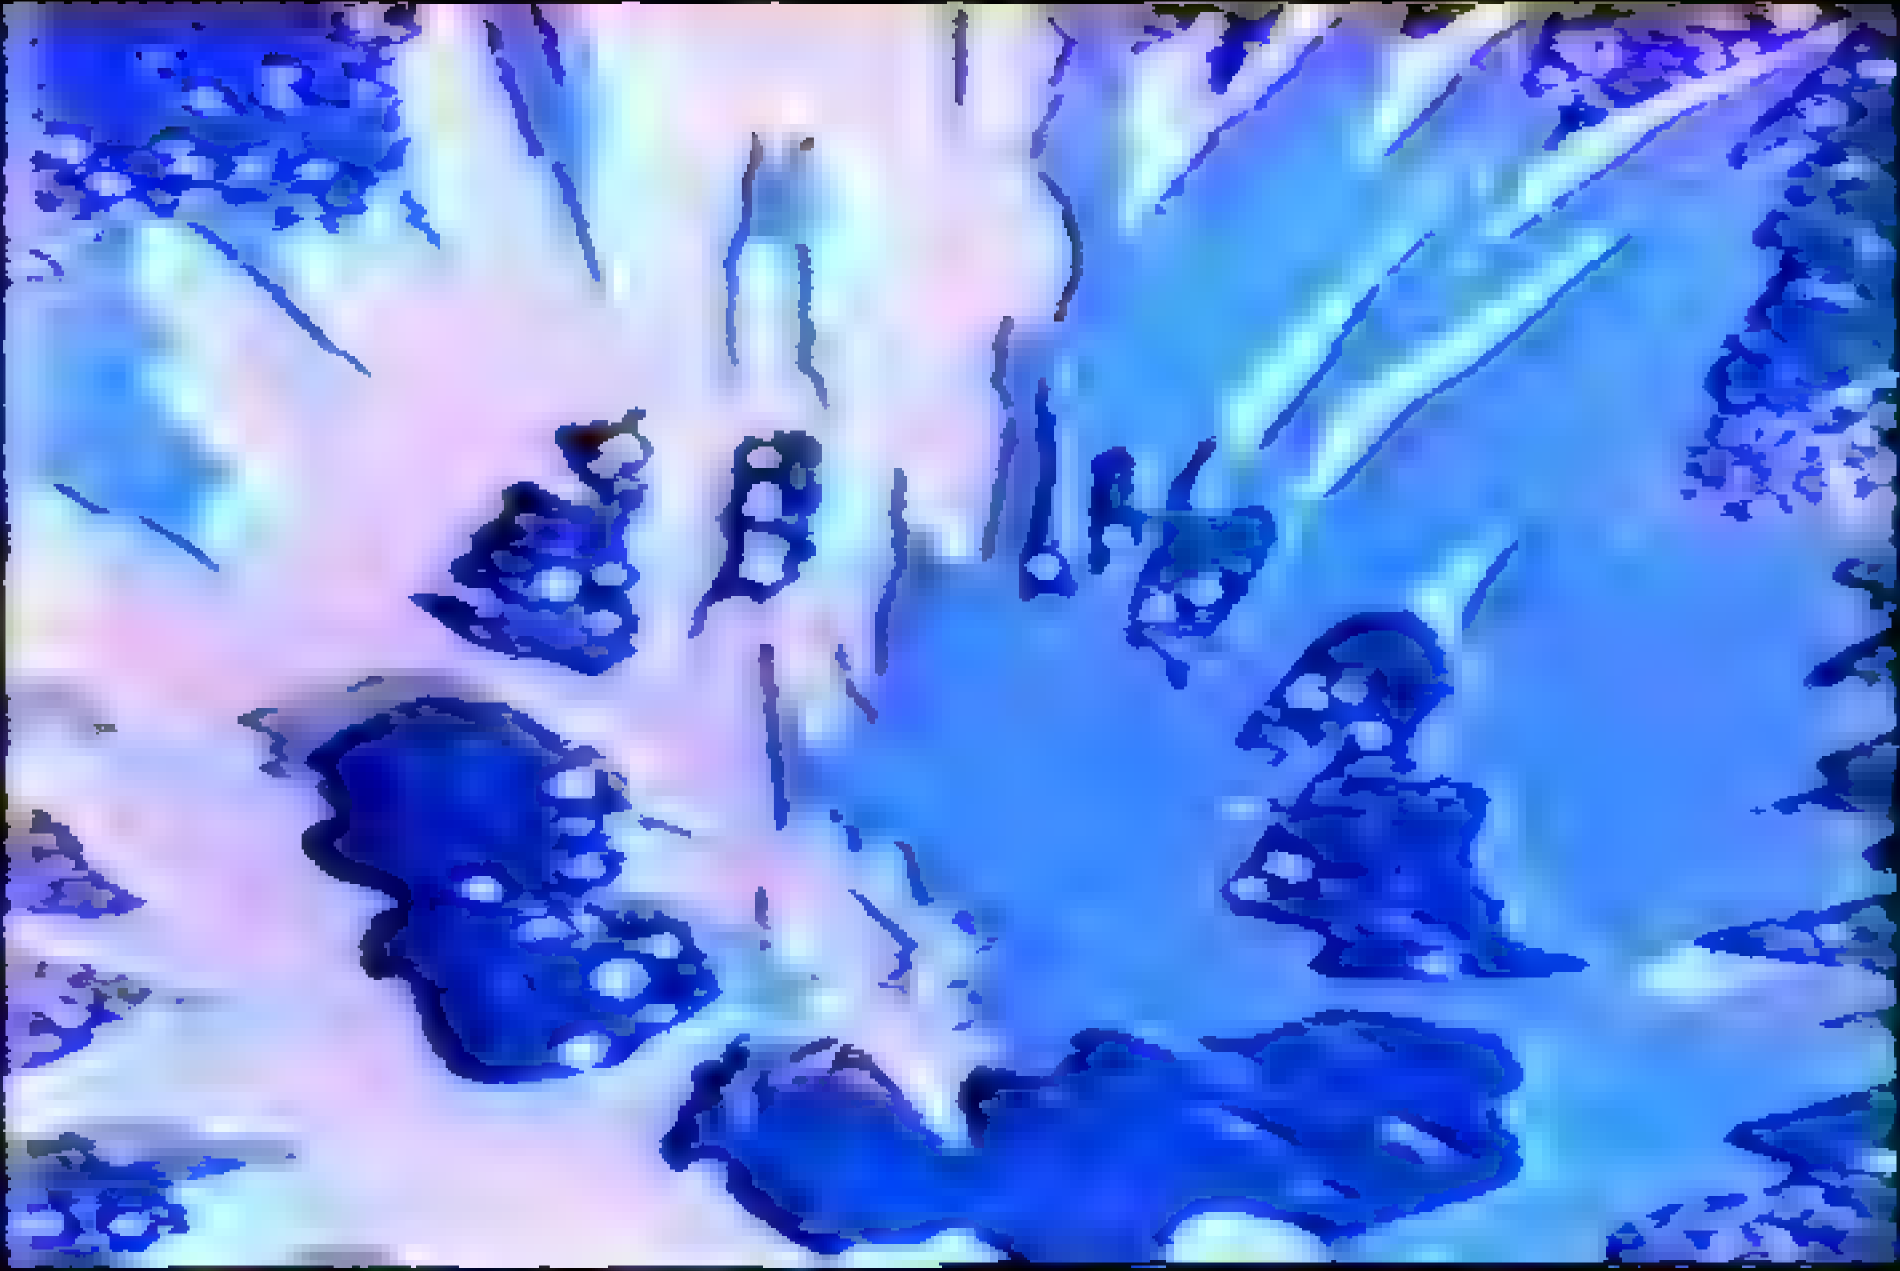

Hey!

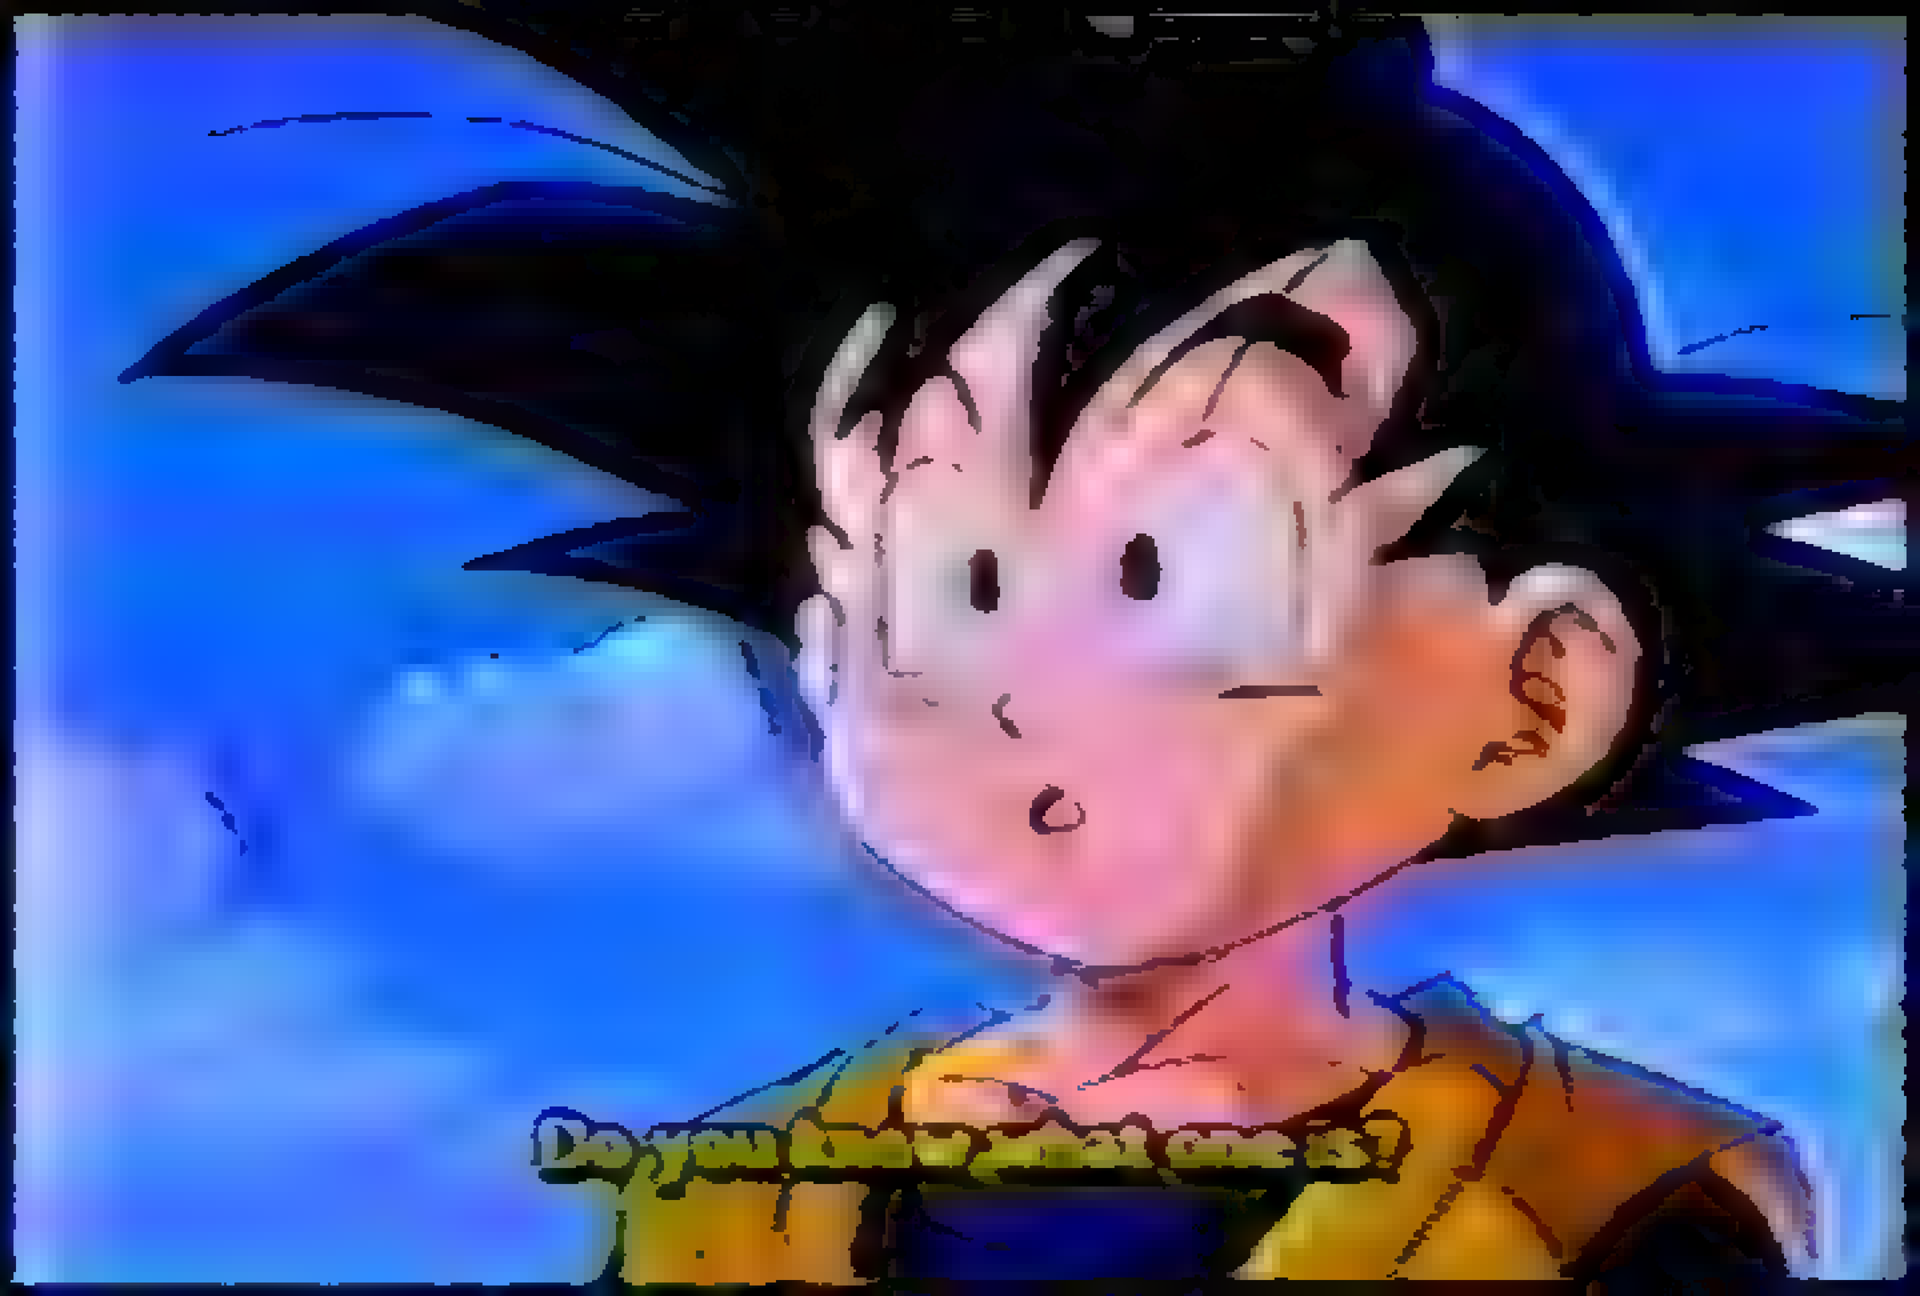

Did you get all excited about seeing

without even knowing what a Majin is?

Do you know what one is?

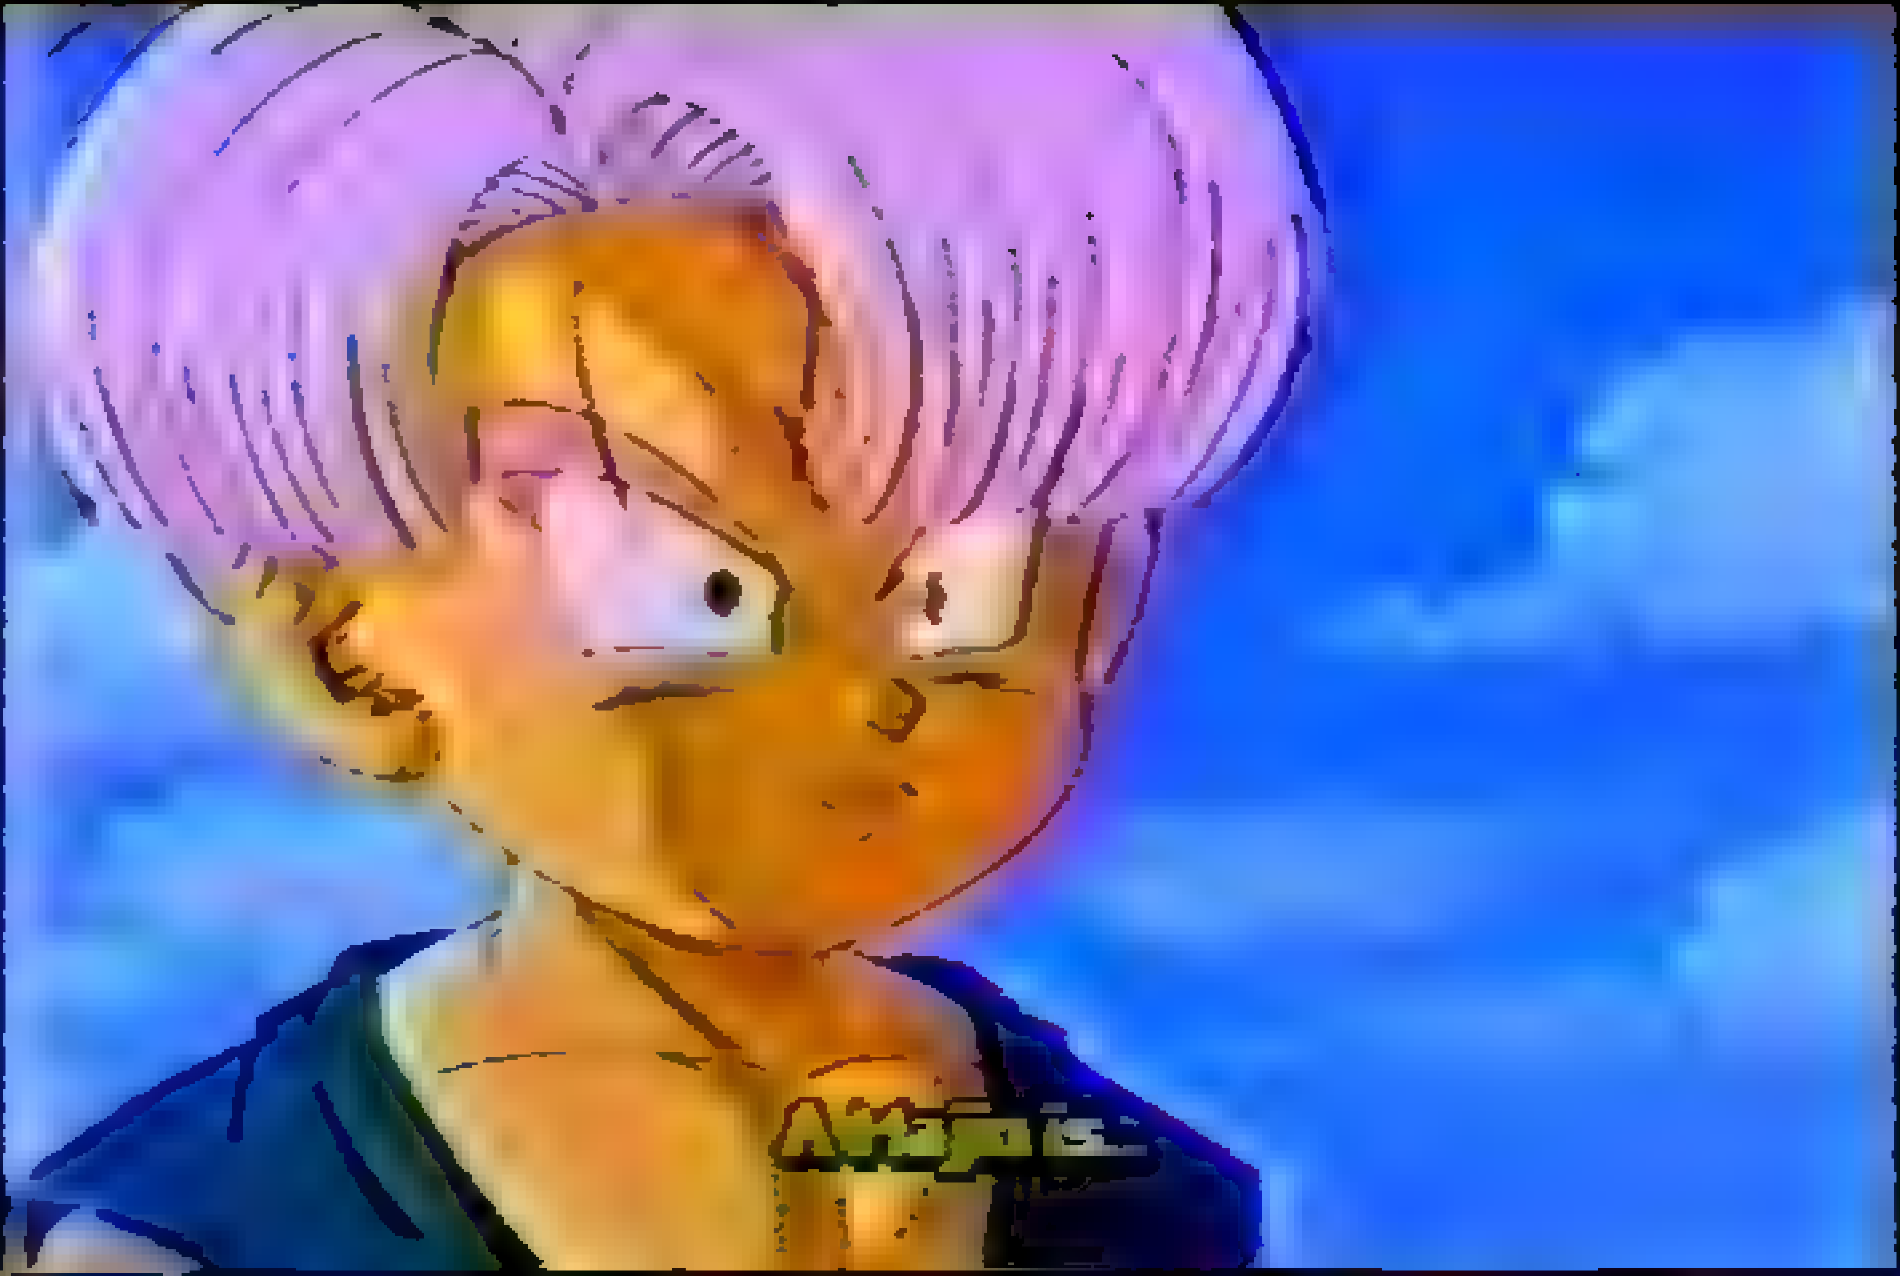

Do you know what one is?

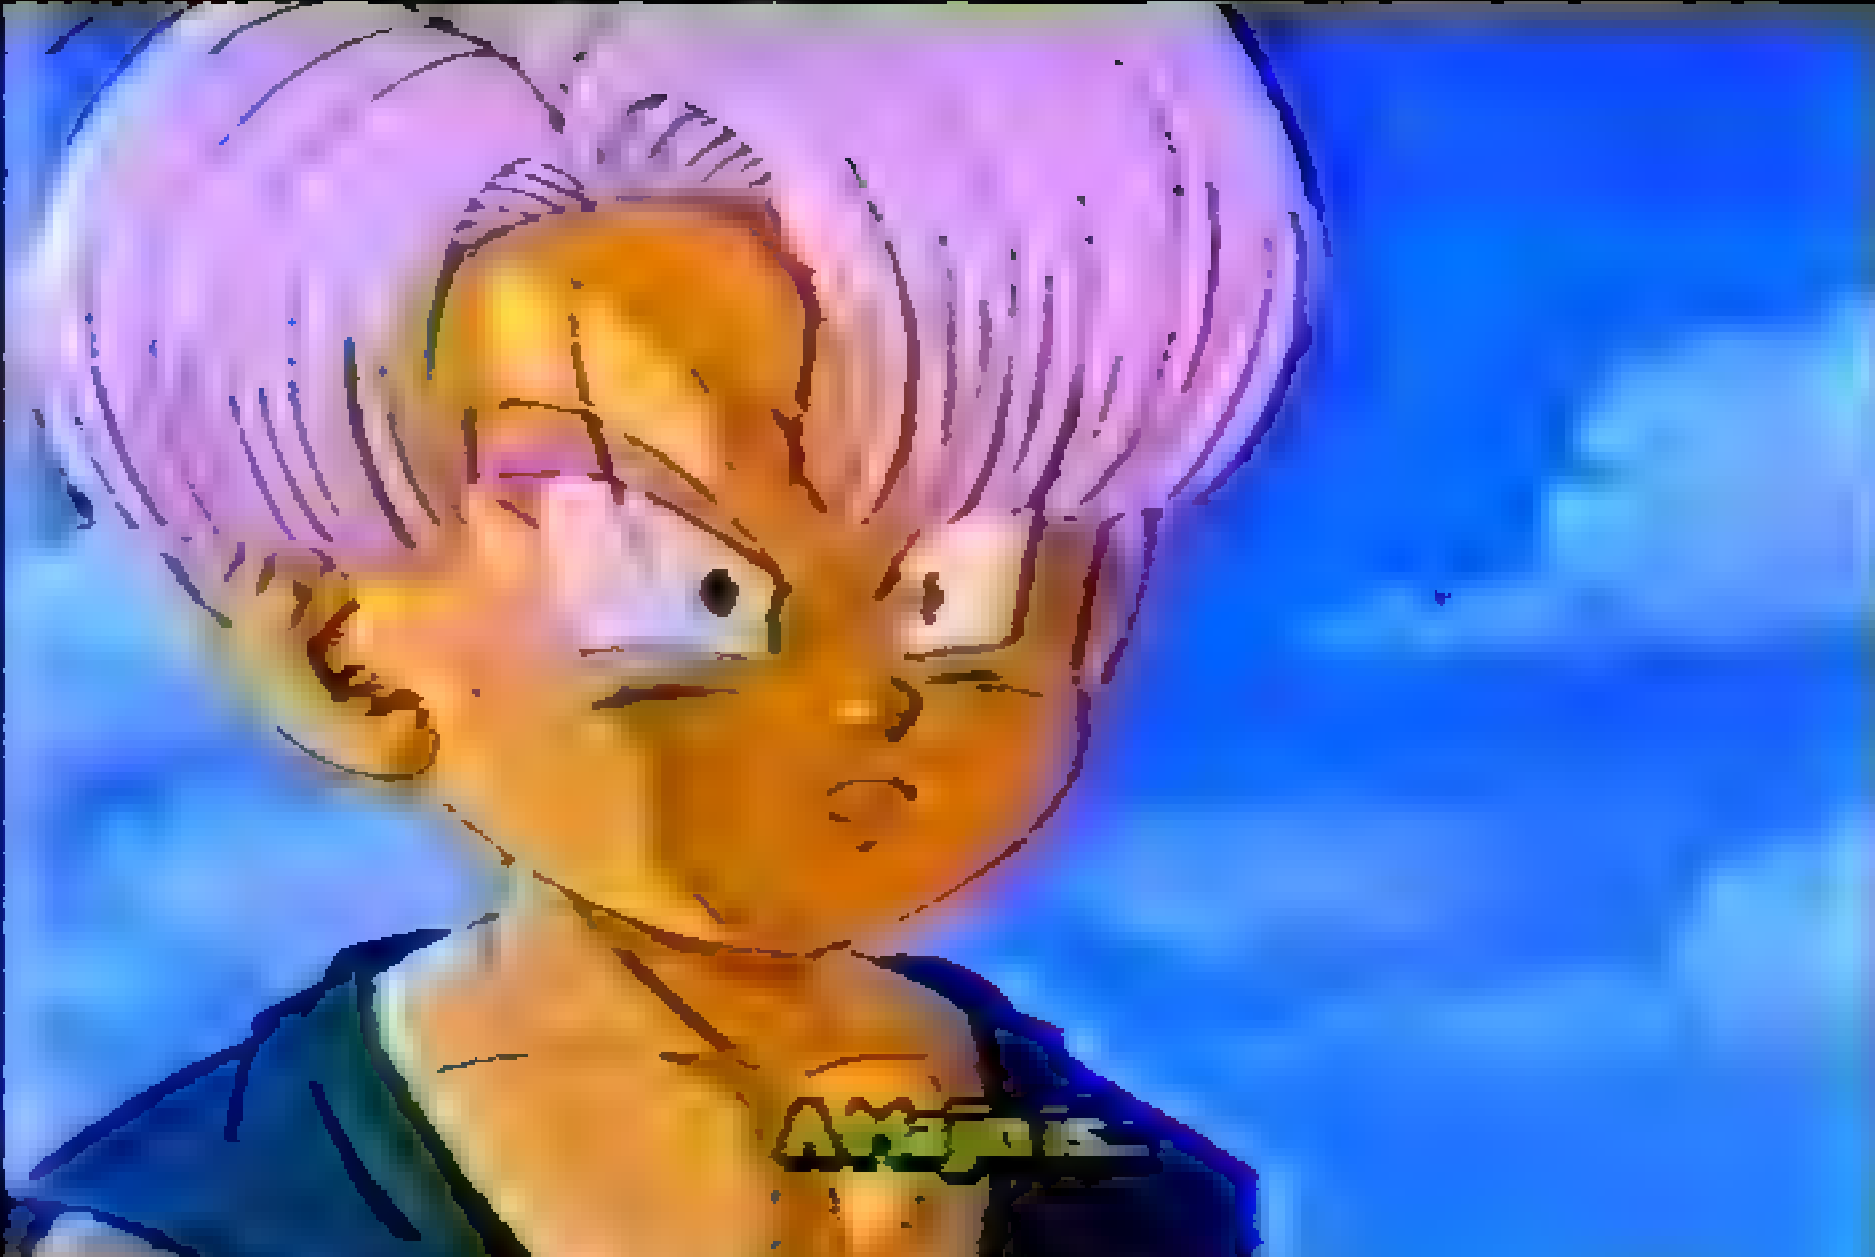

Of course I do!

You see, a

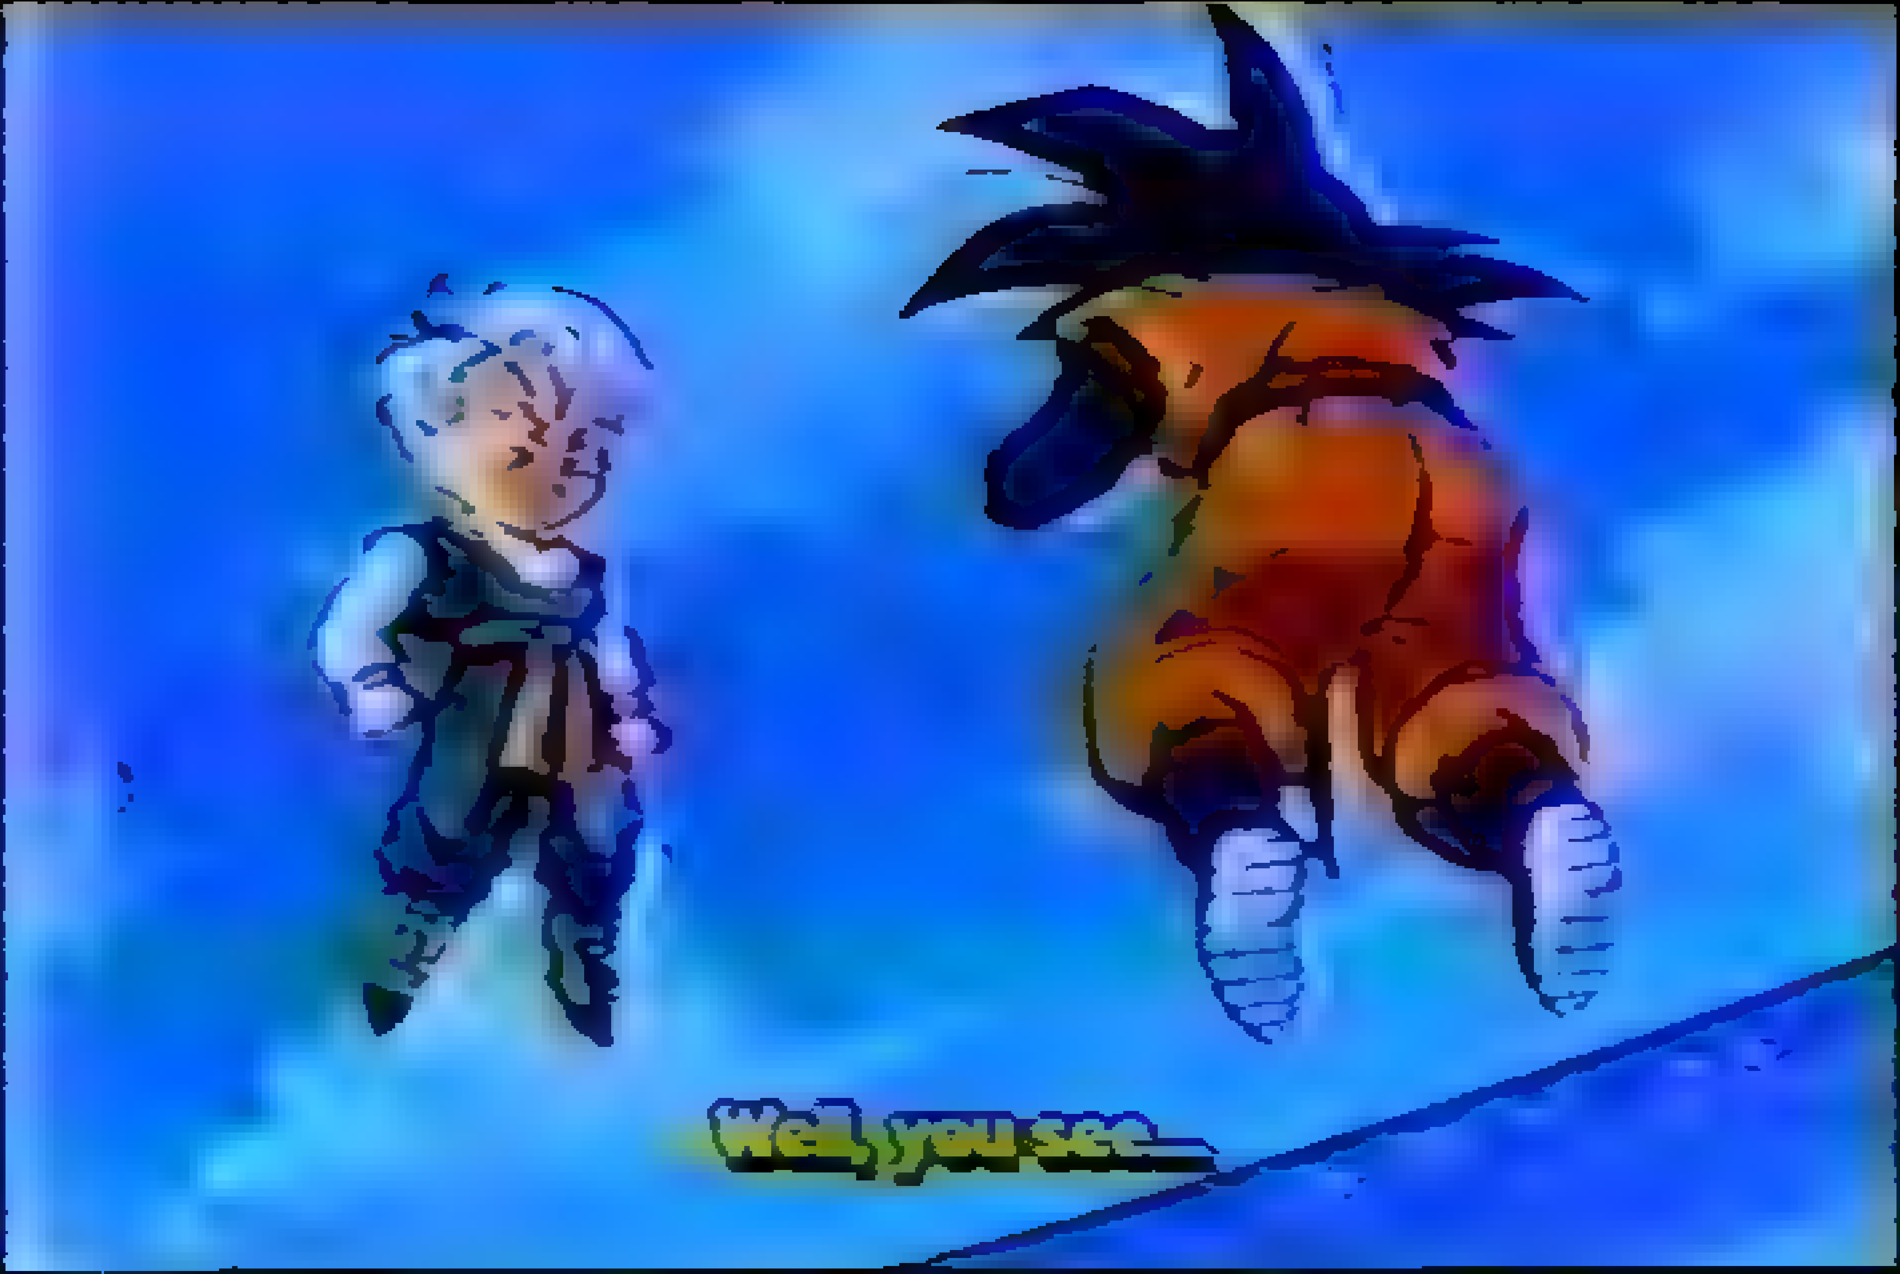

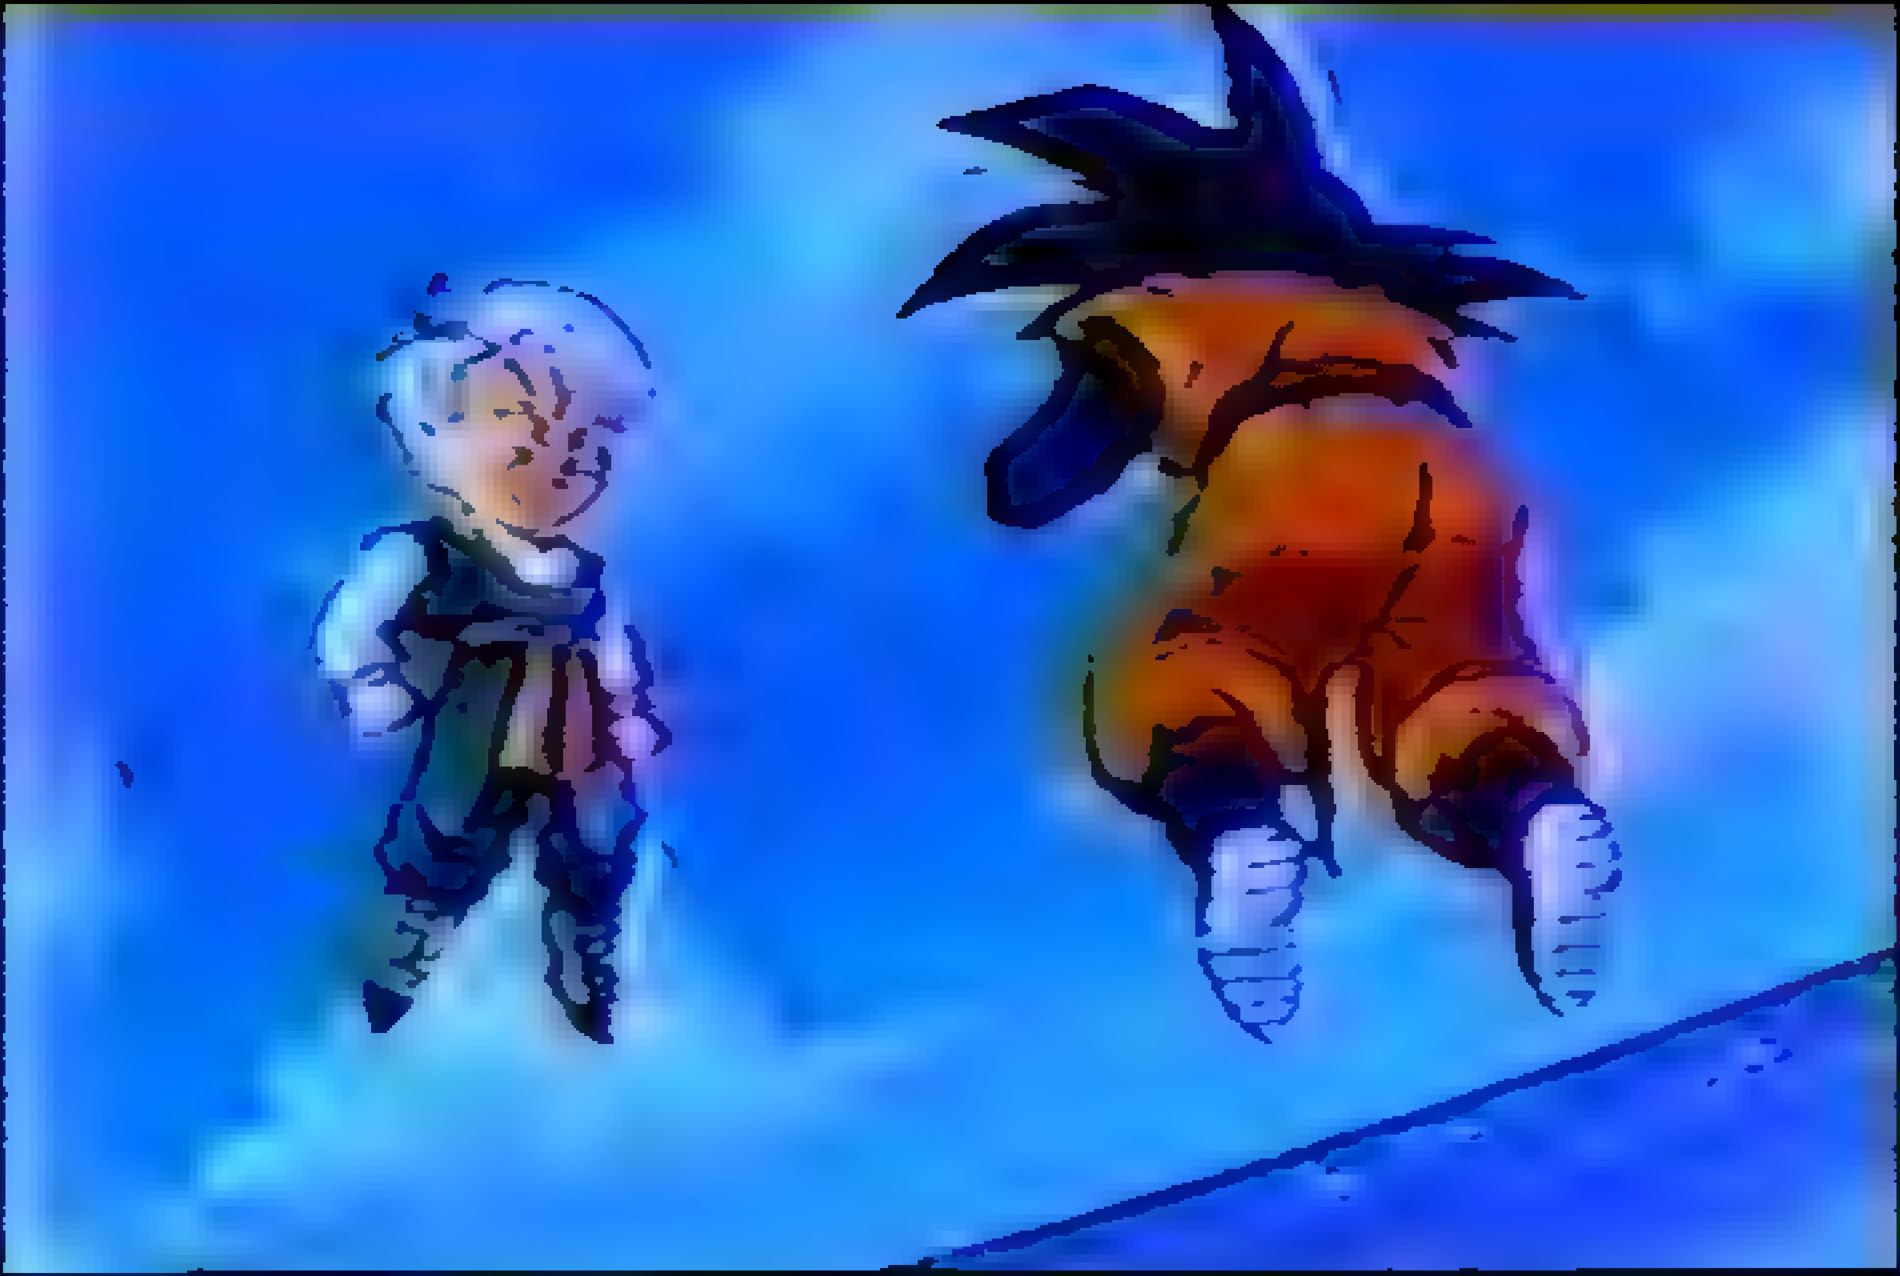

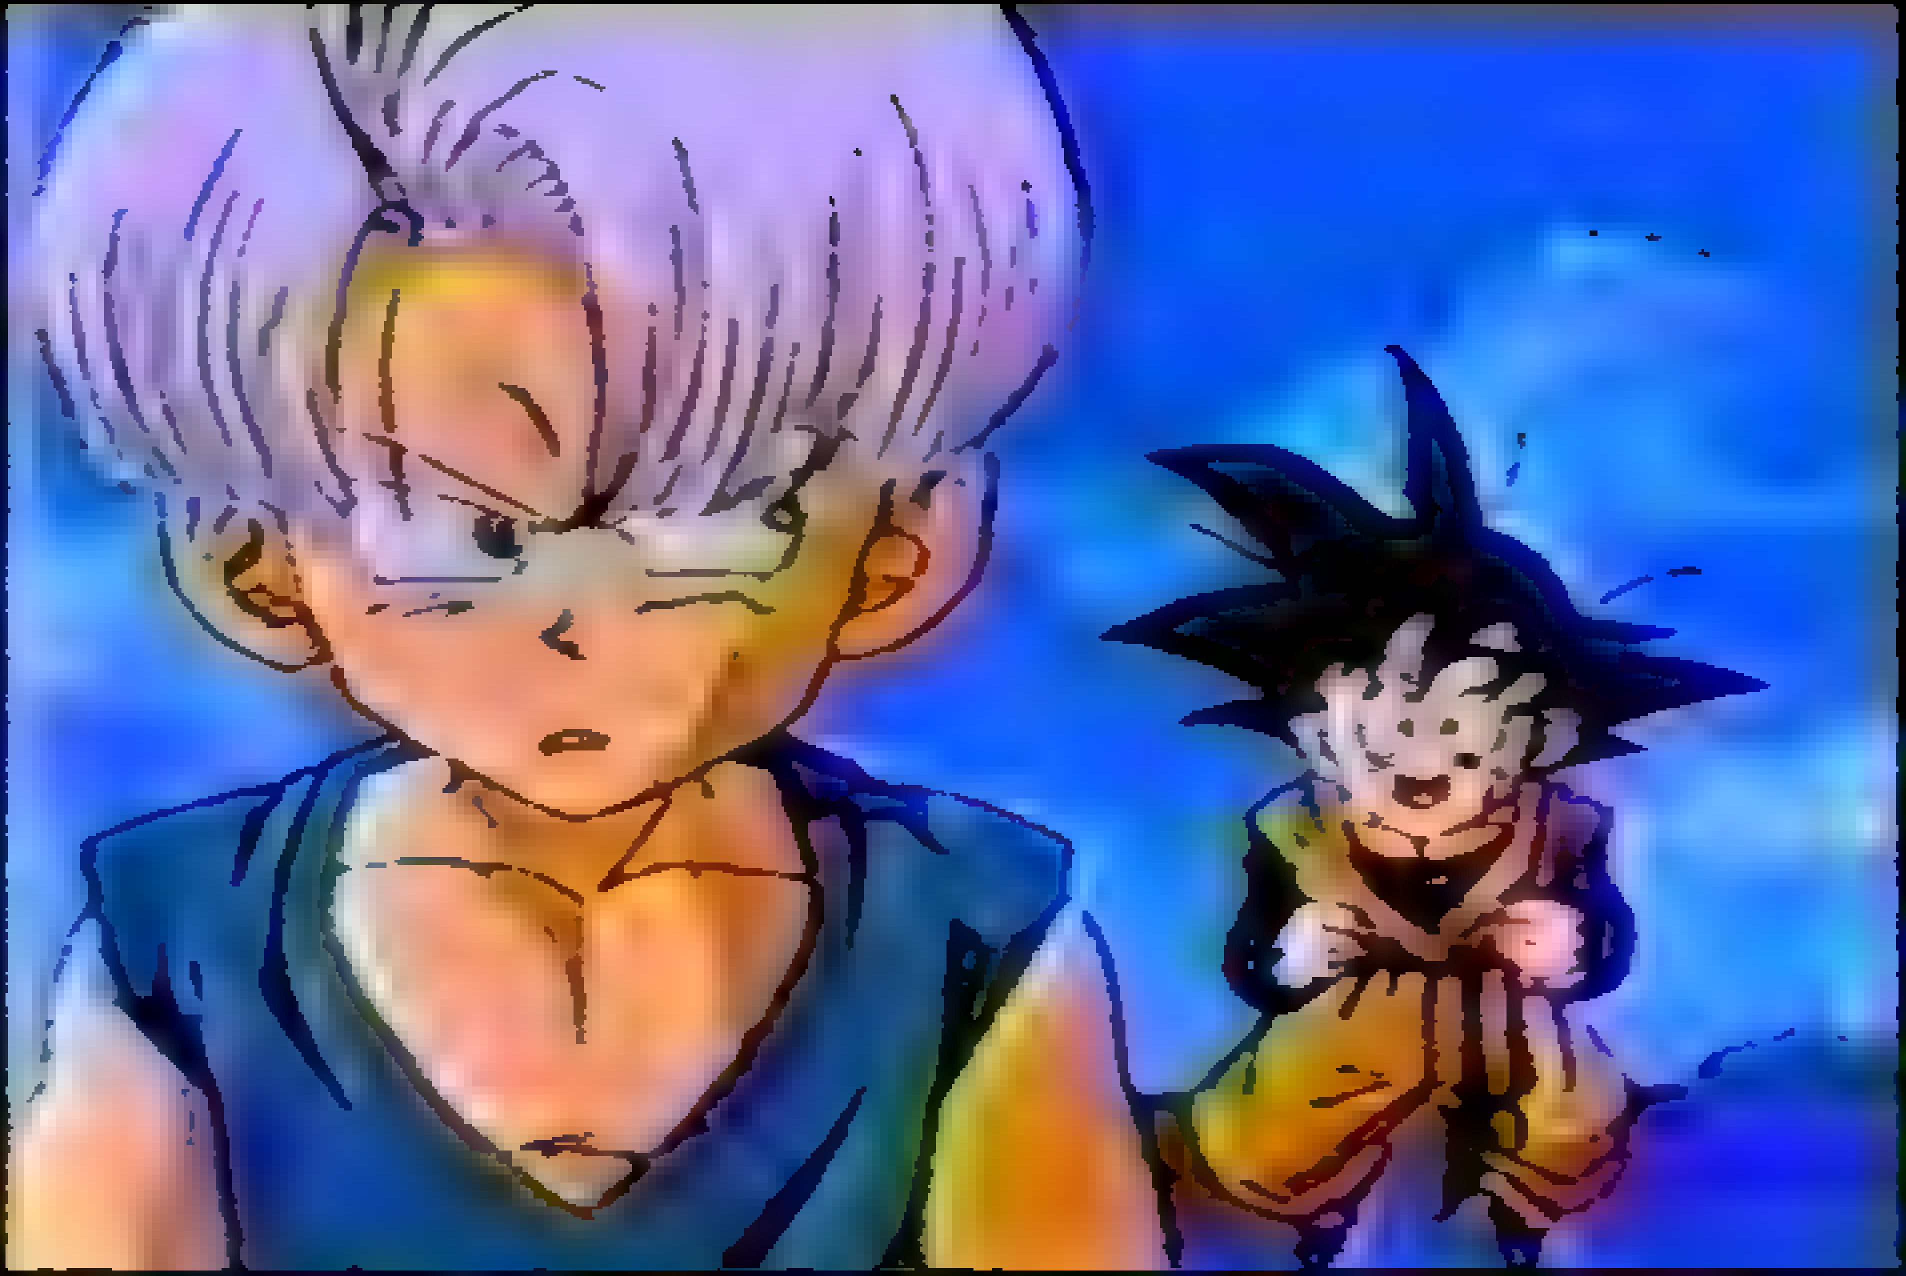

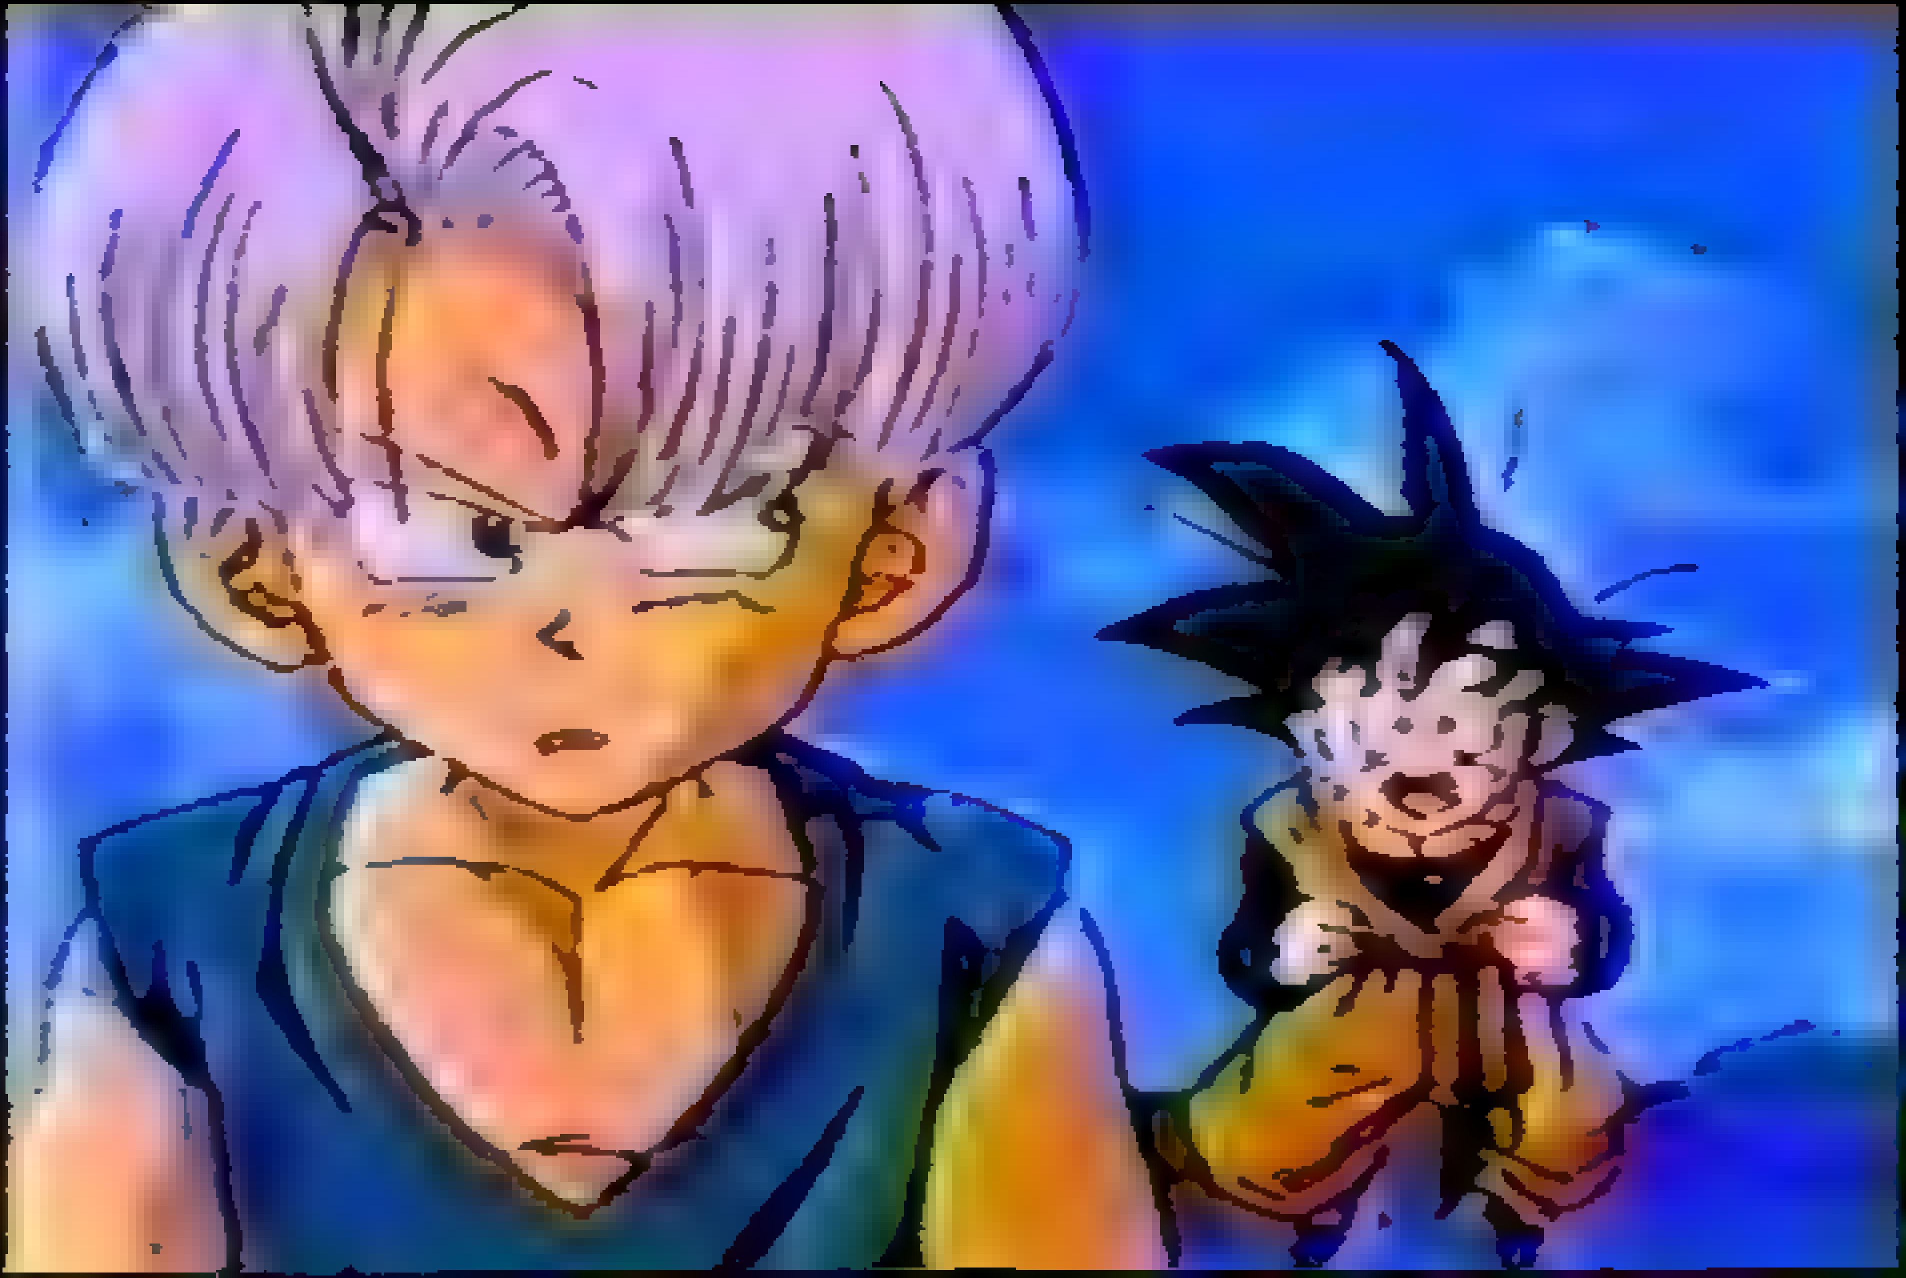

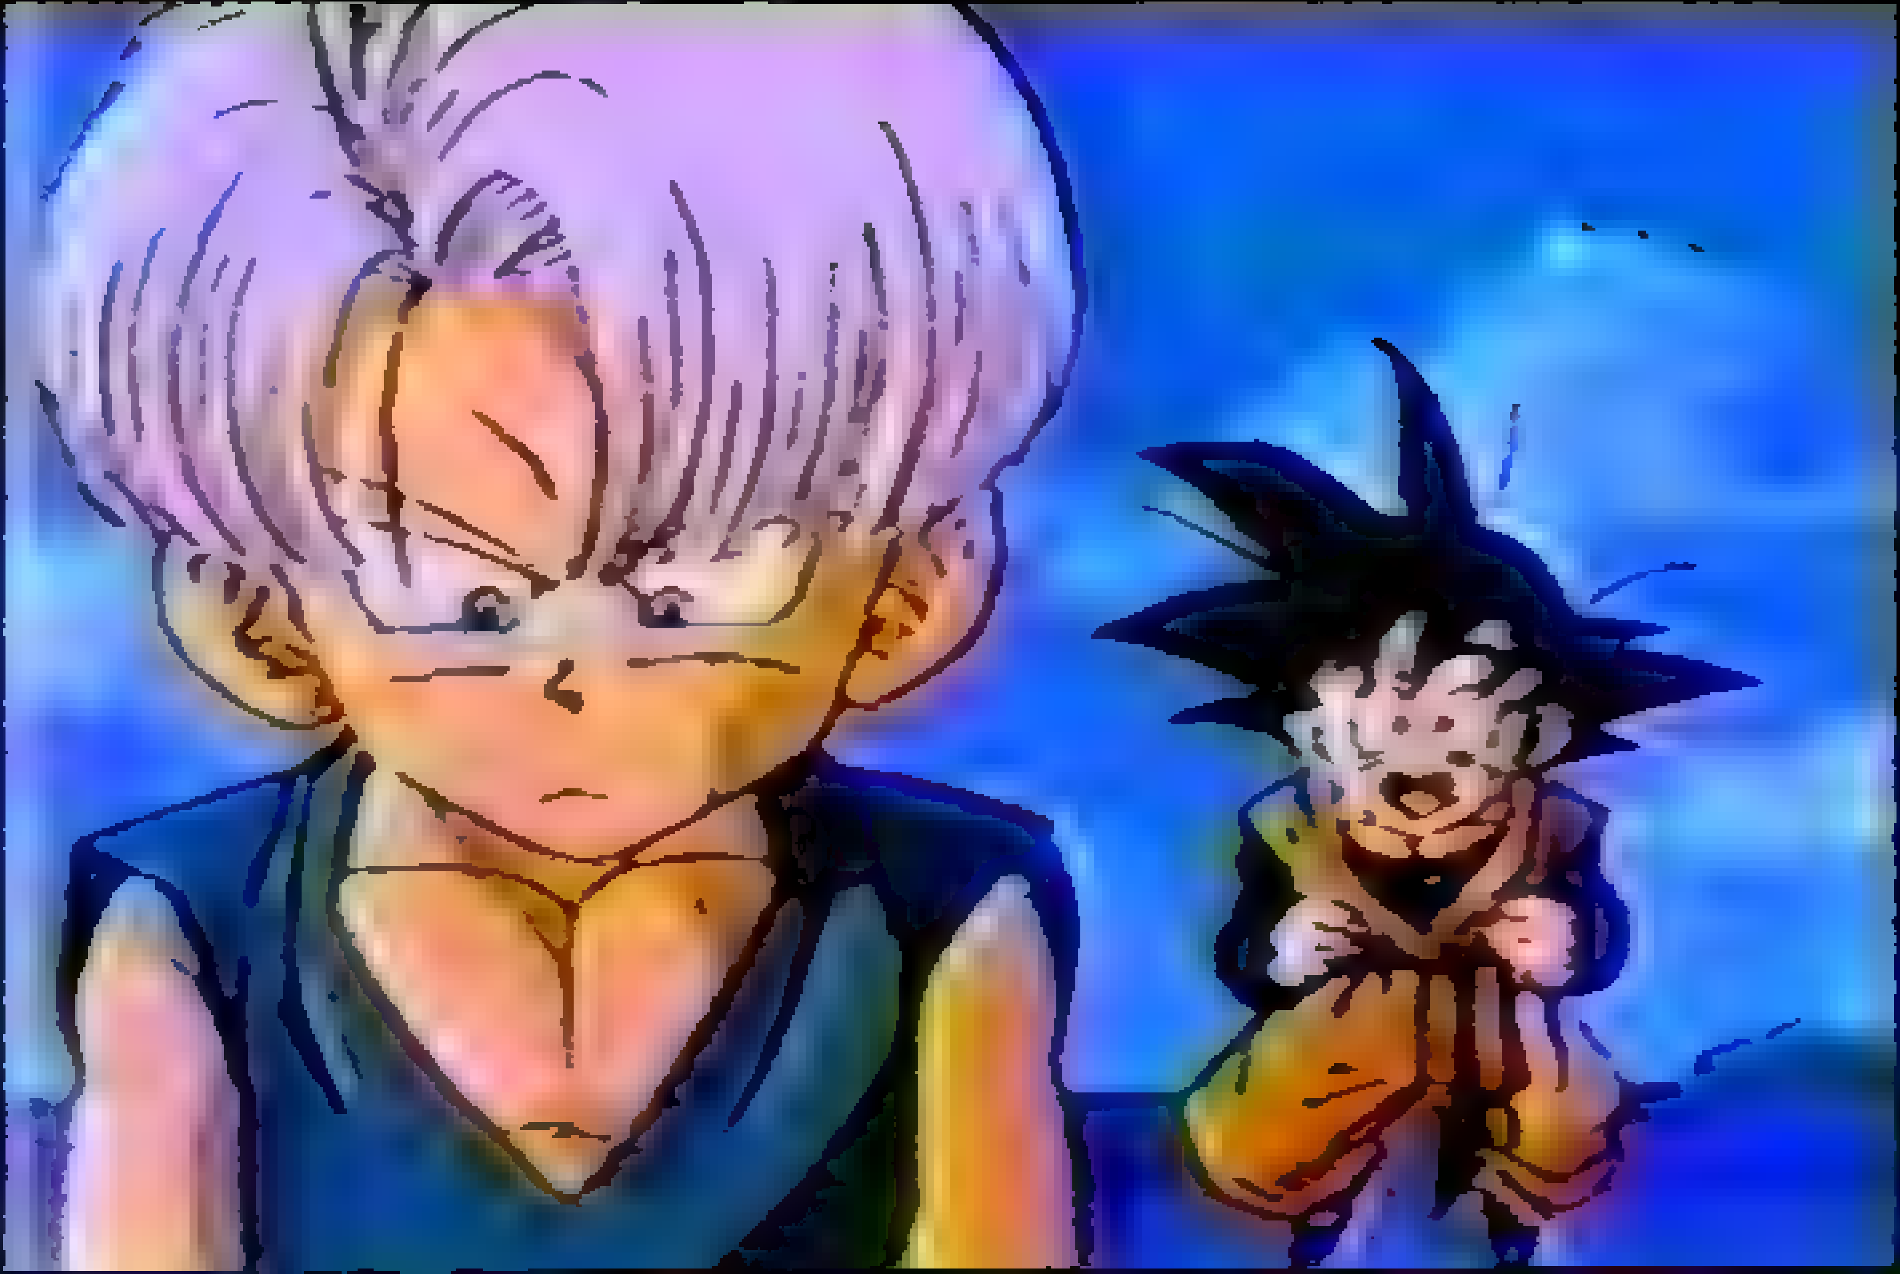

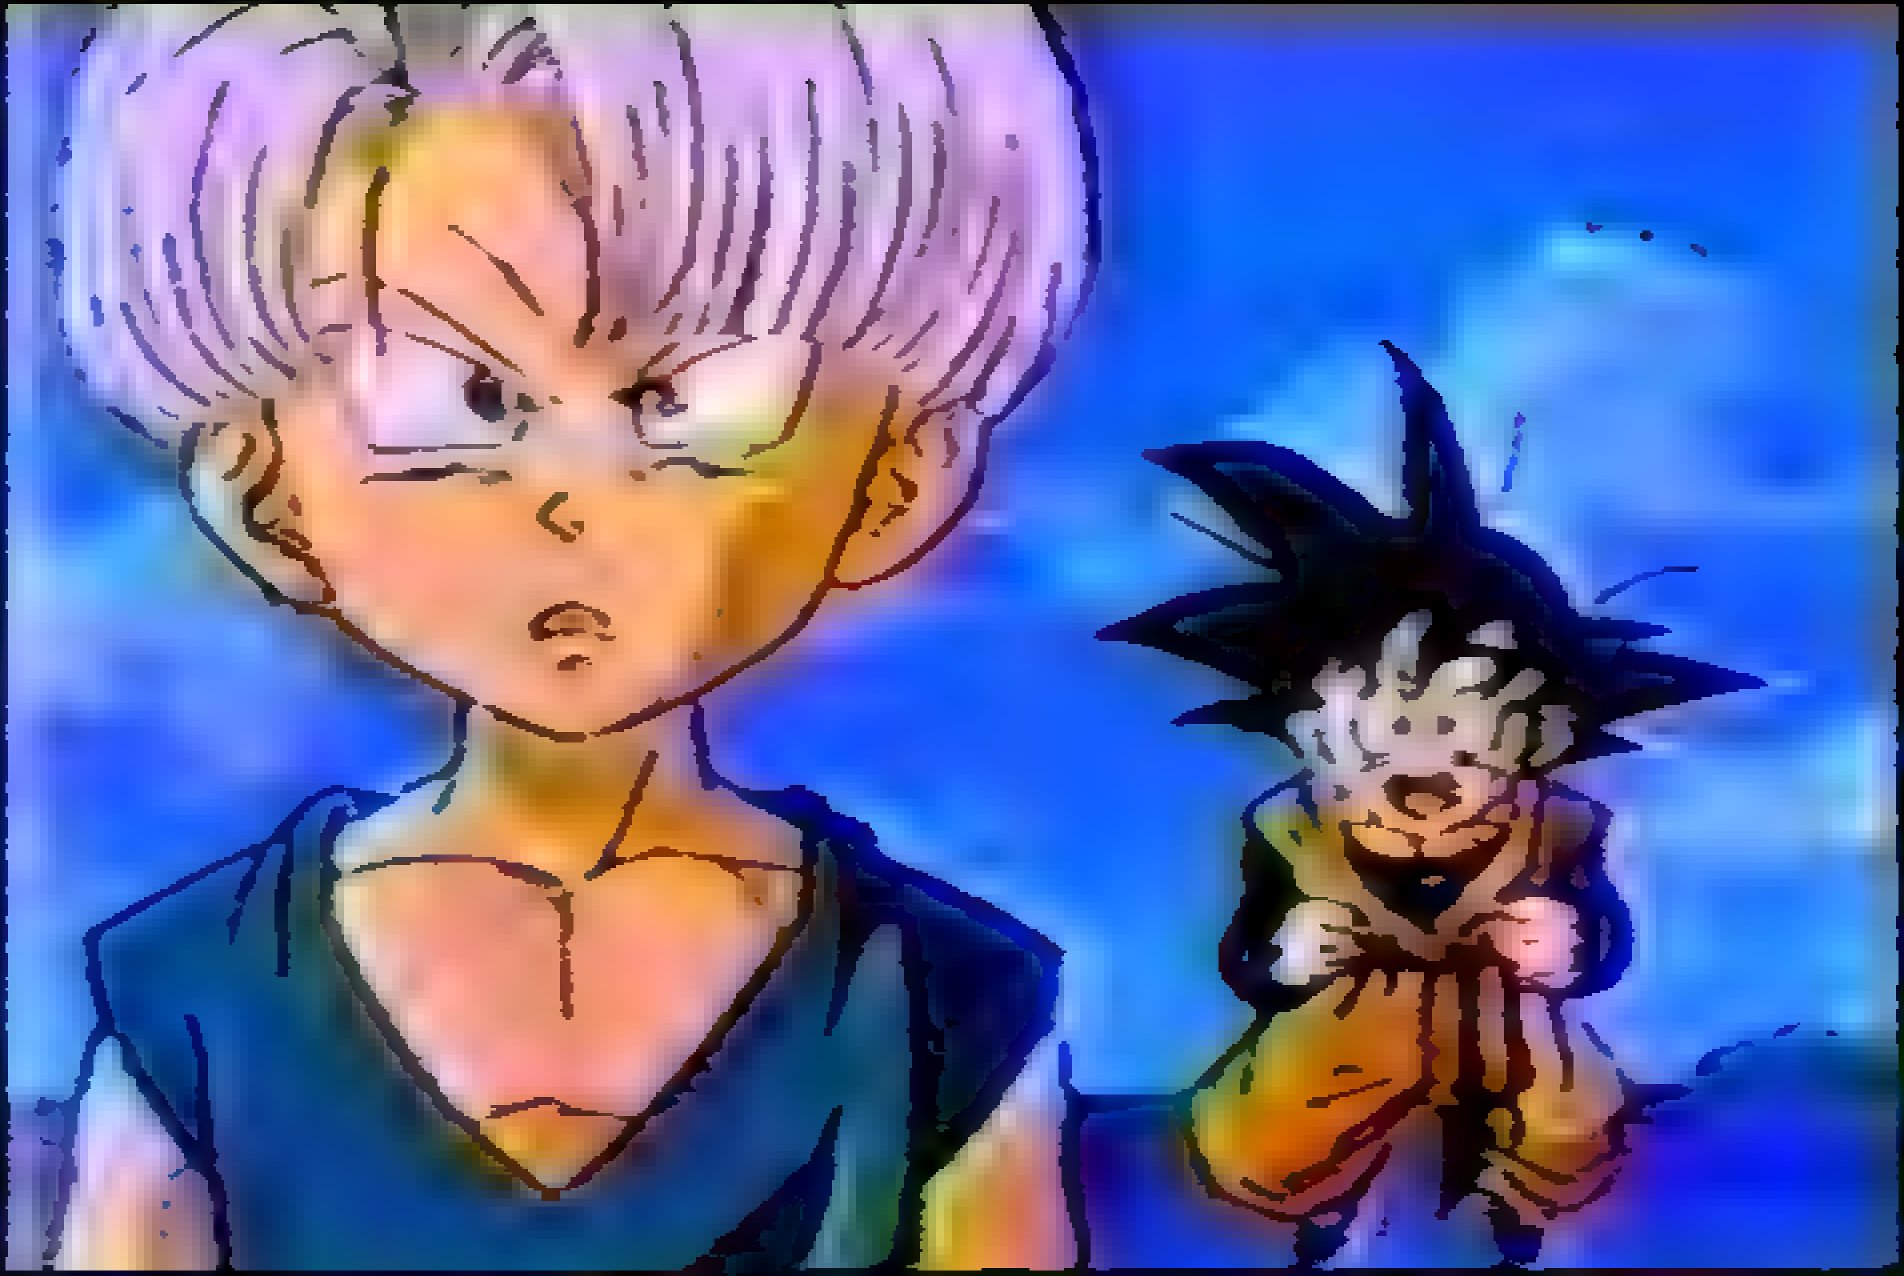

Well, you see...

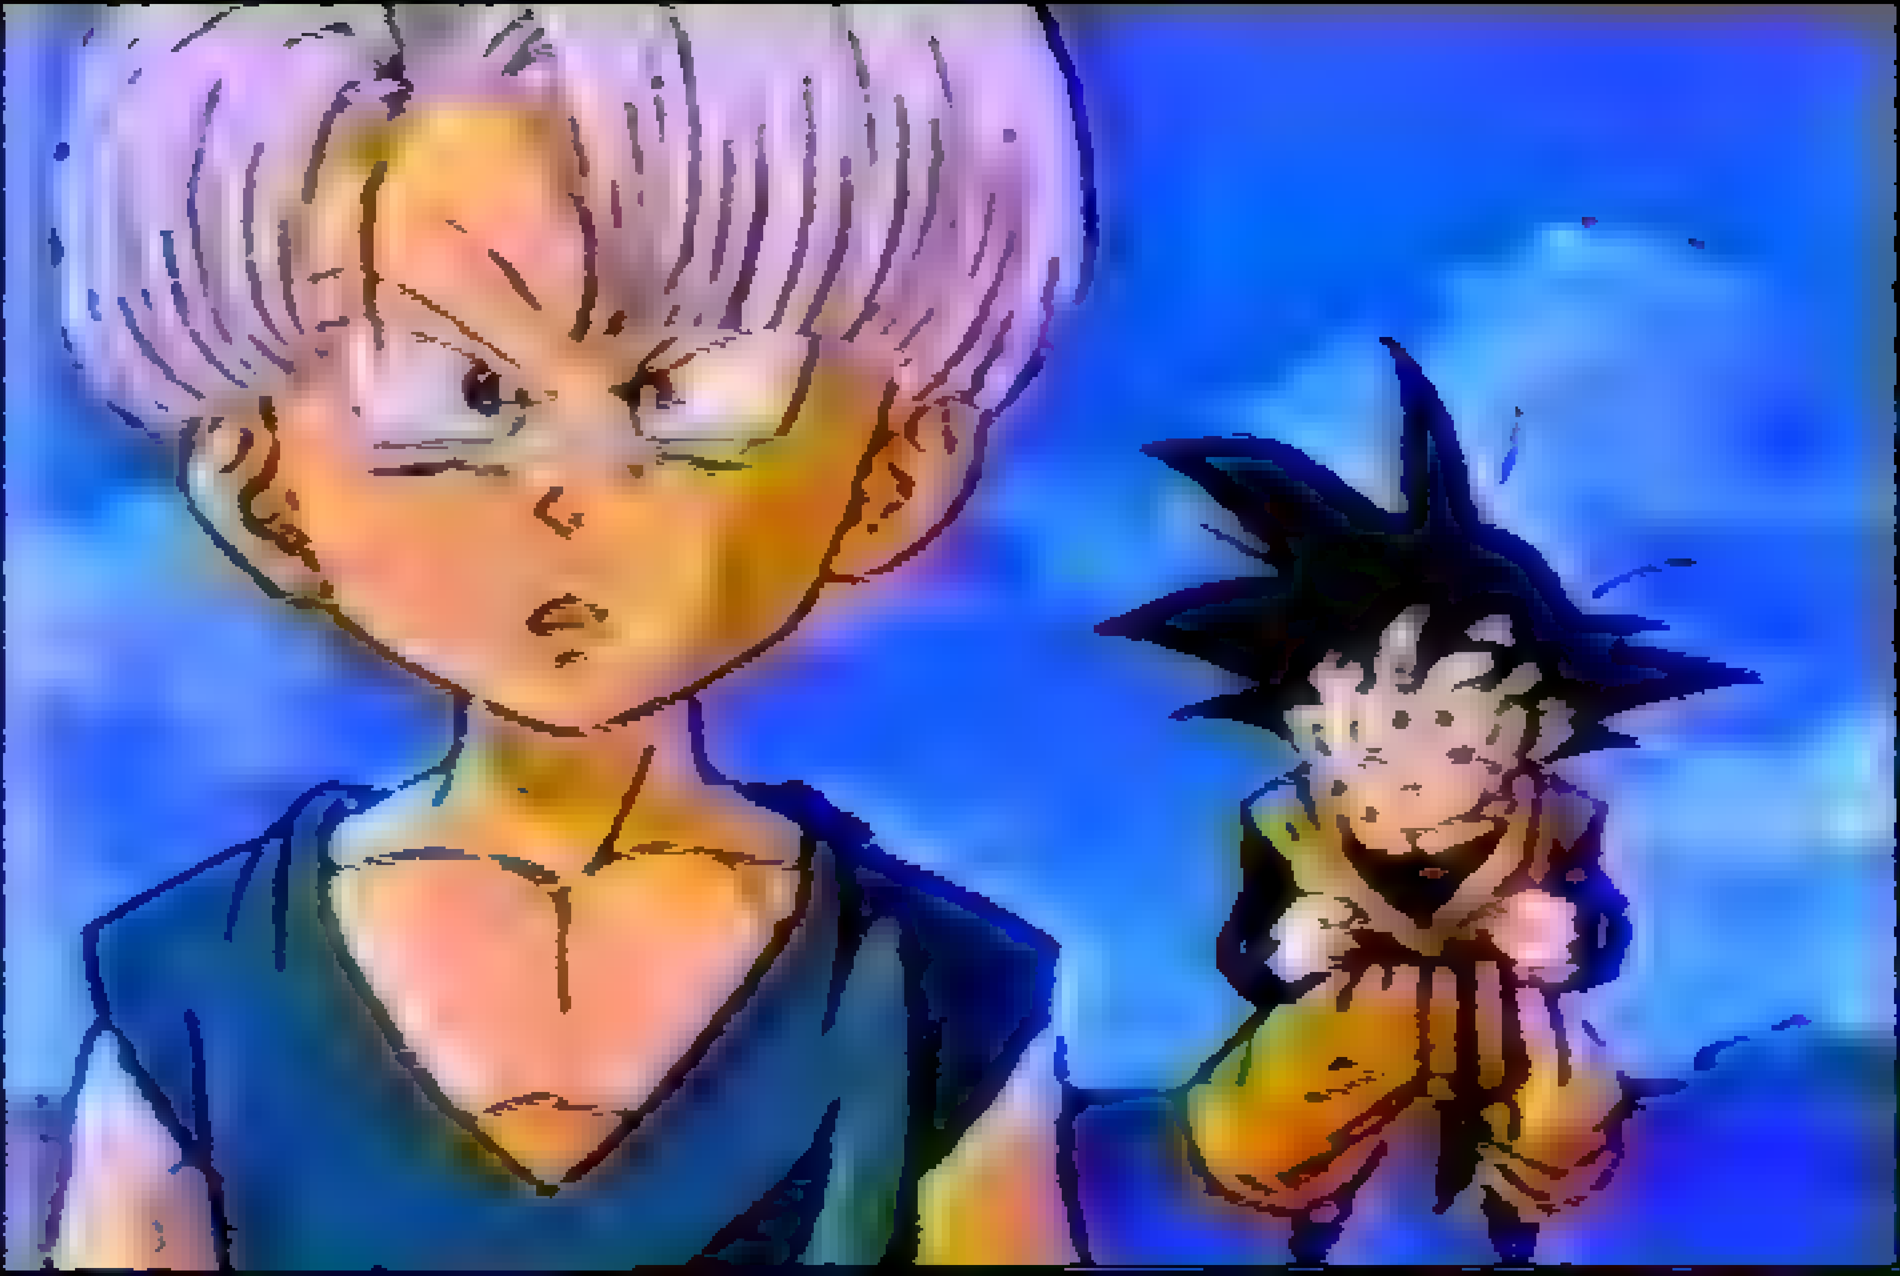

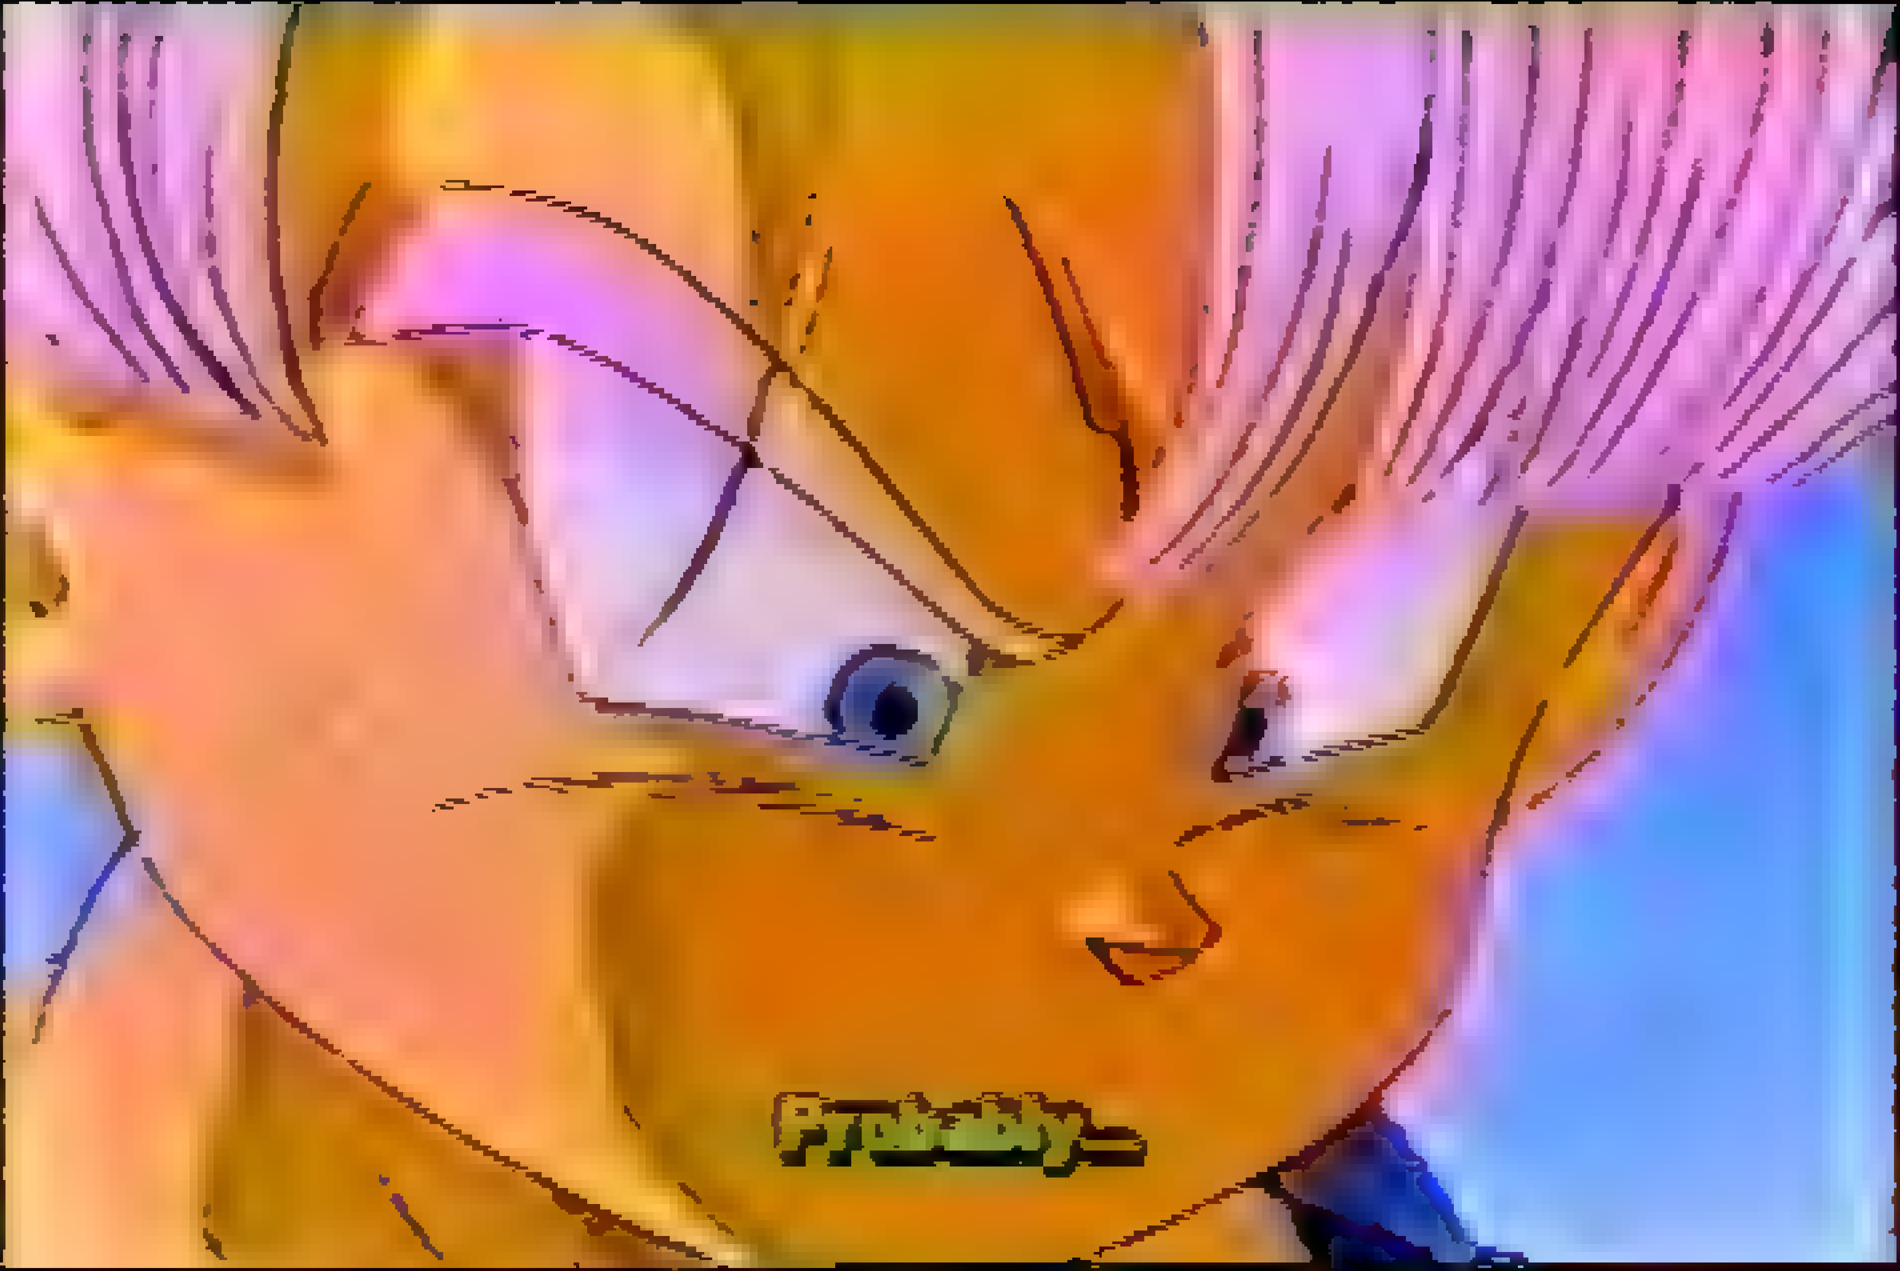

Anyway, it's incredibly strong!

When you see it, you'll really be impressed

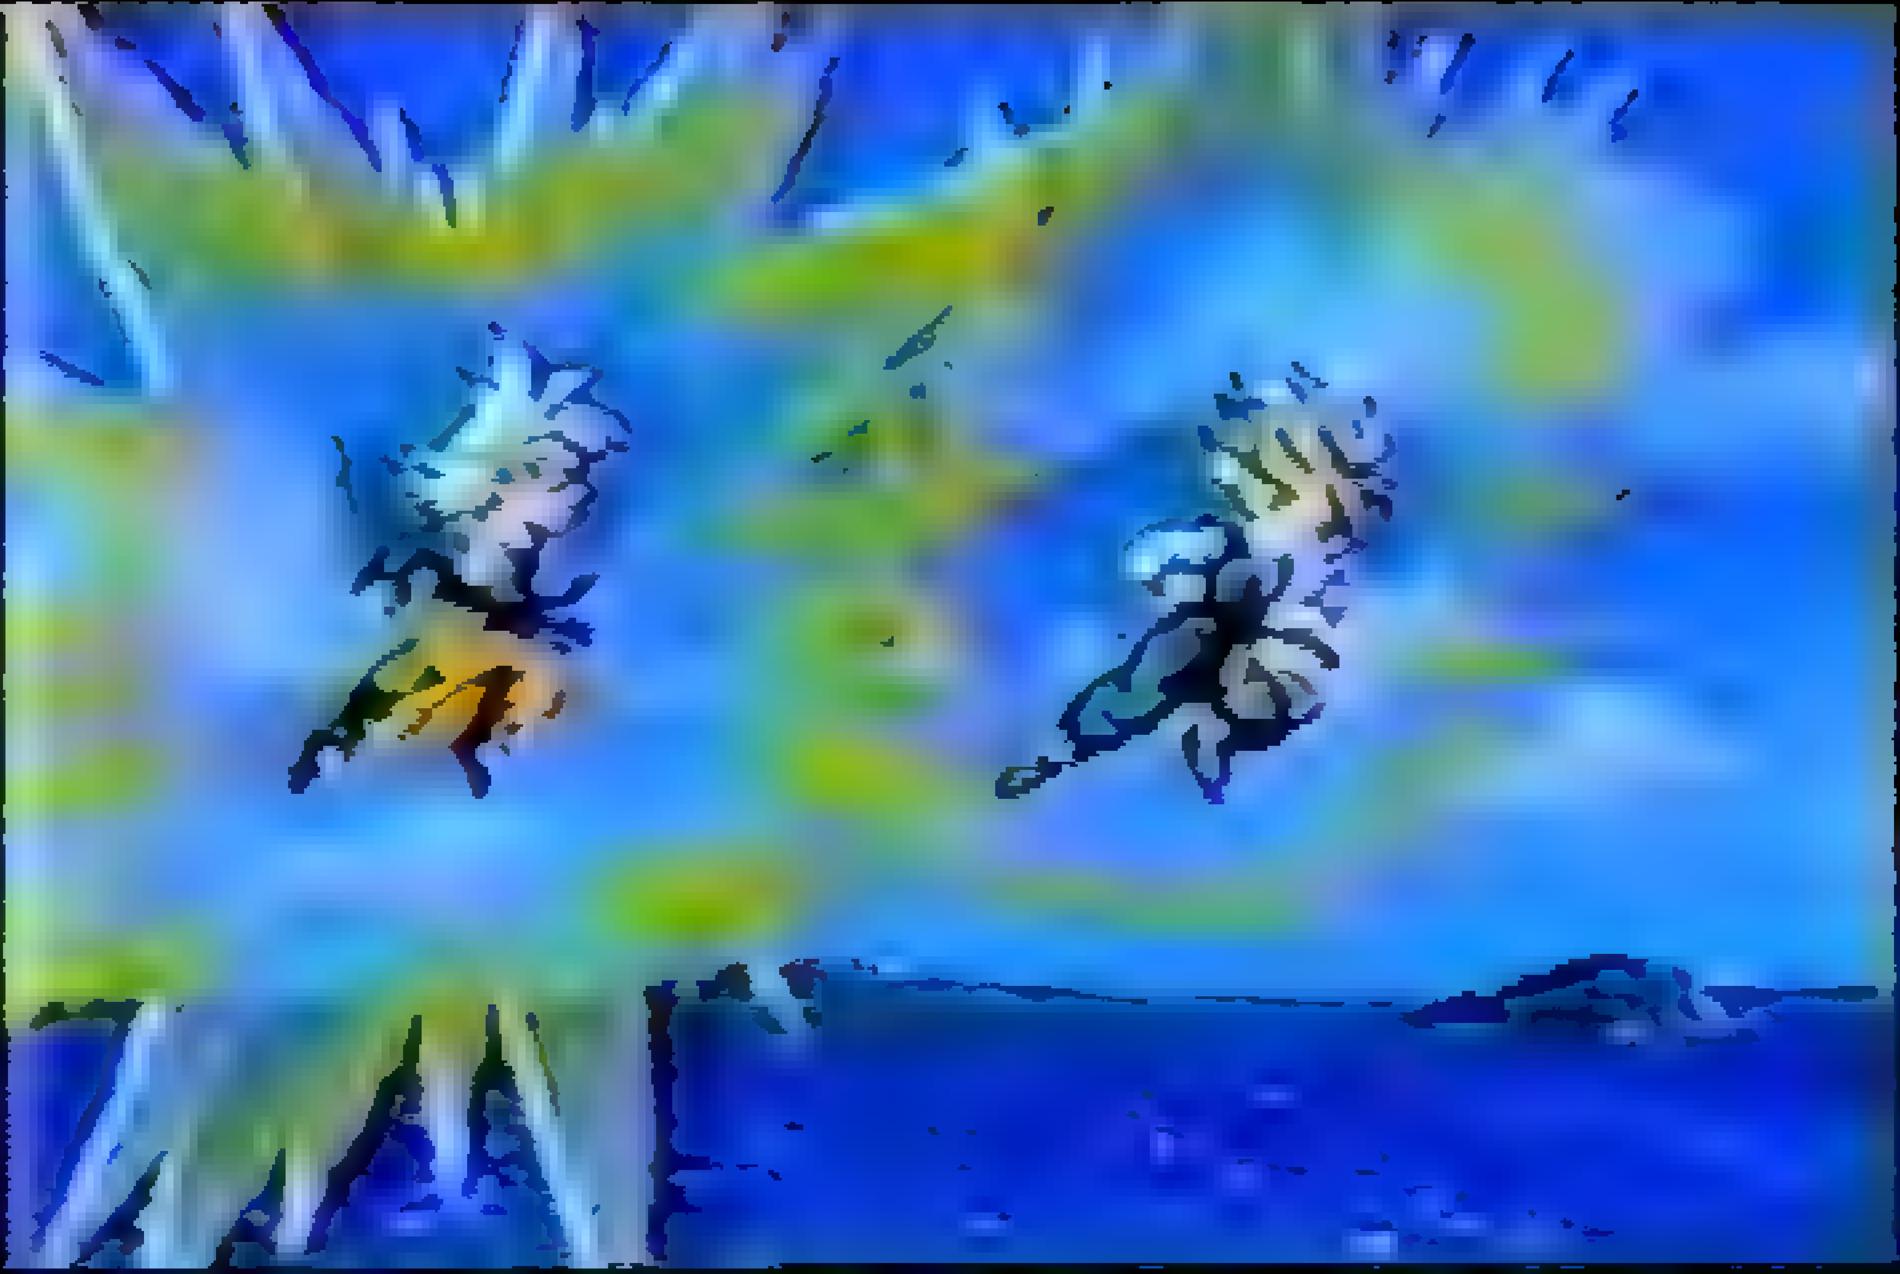

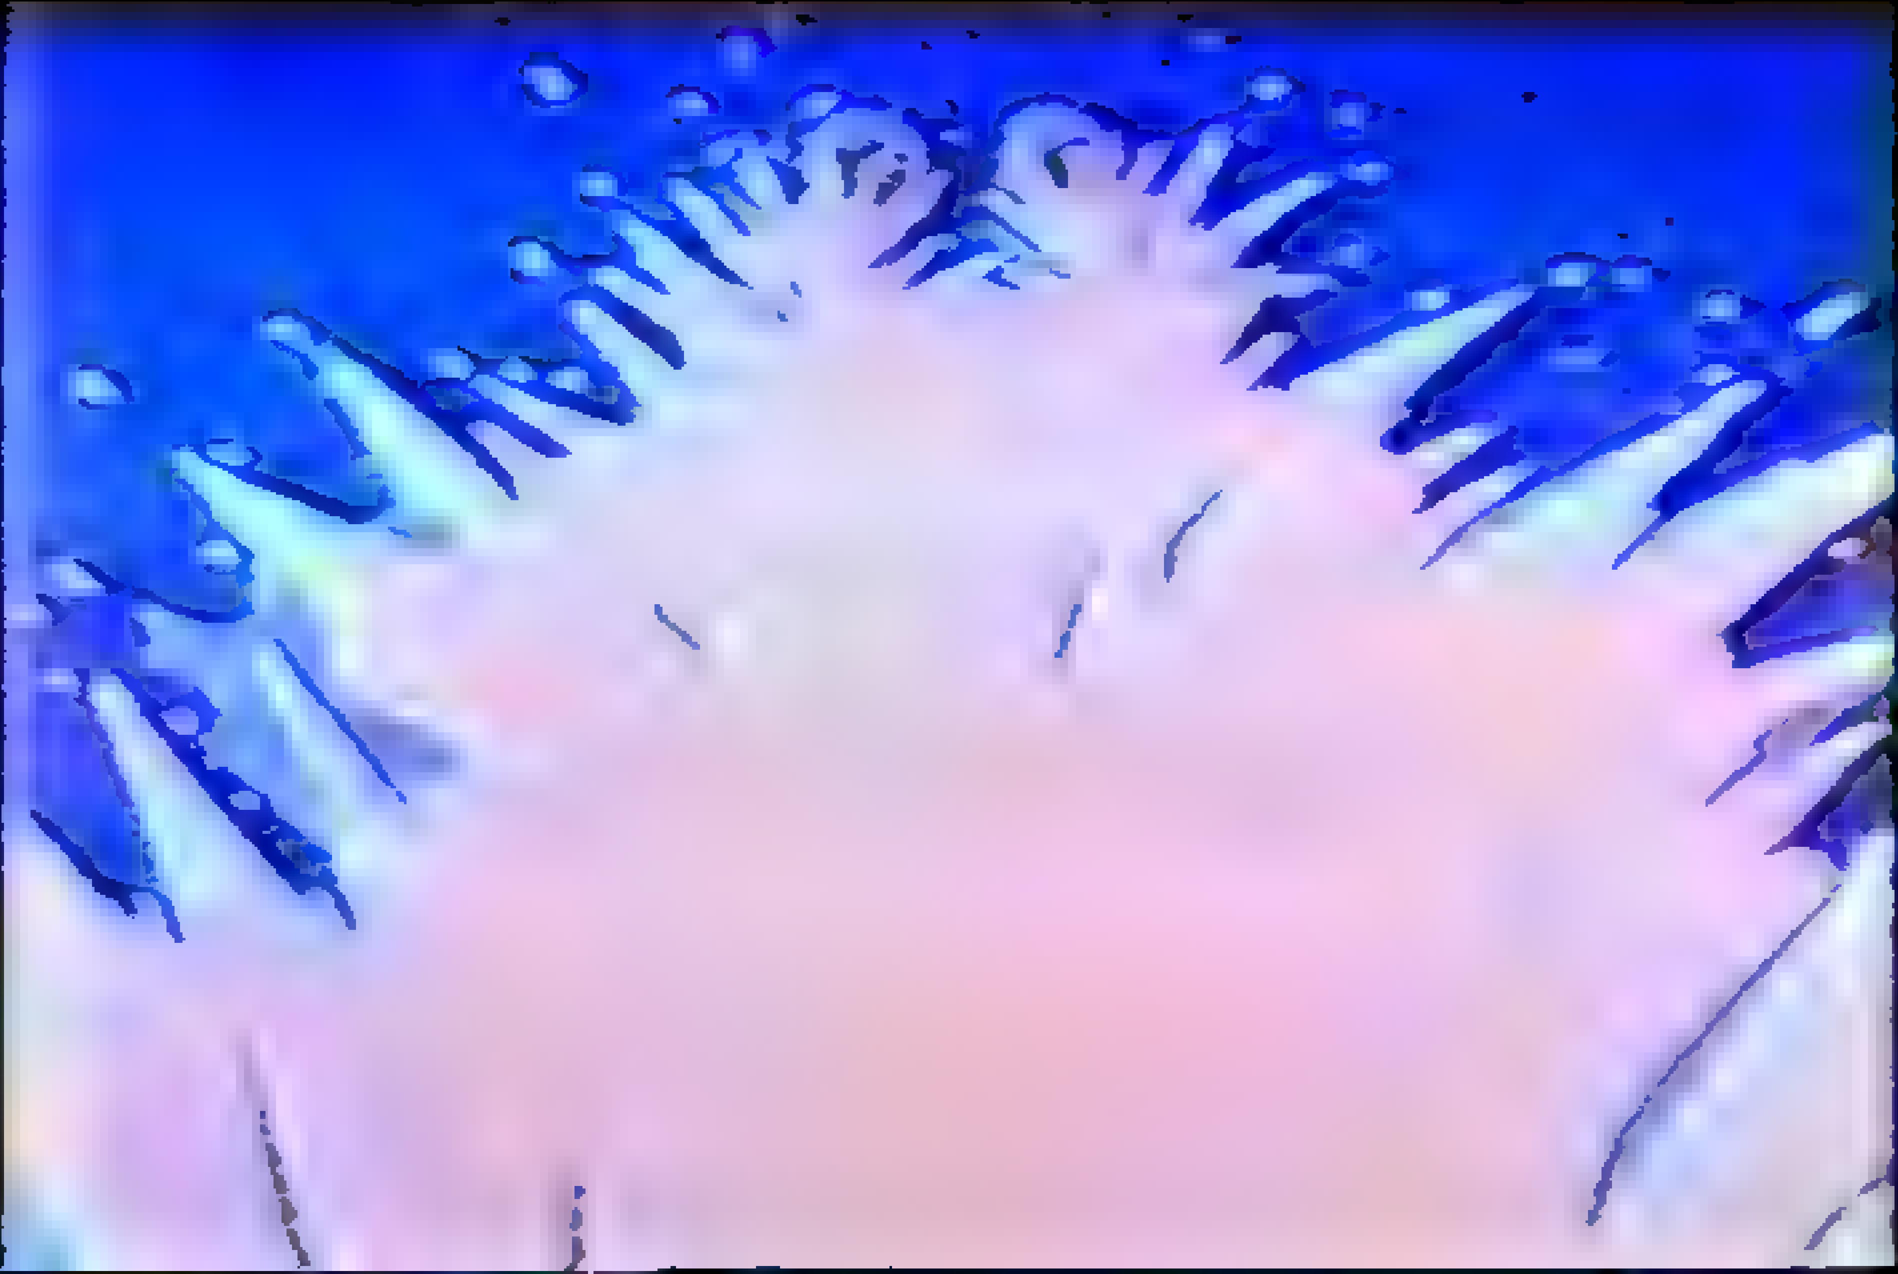

Probably...

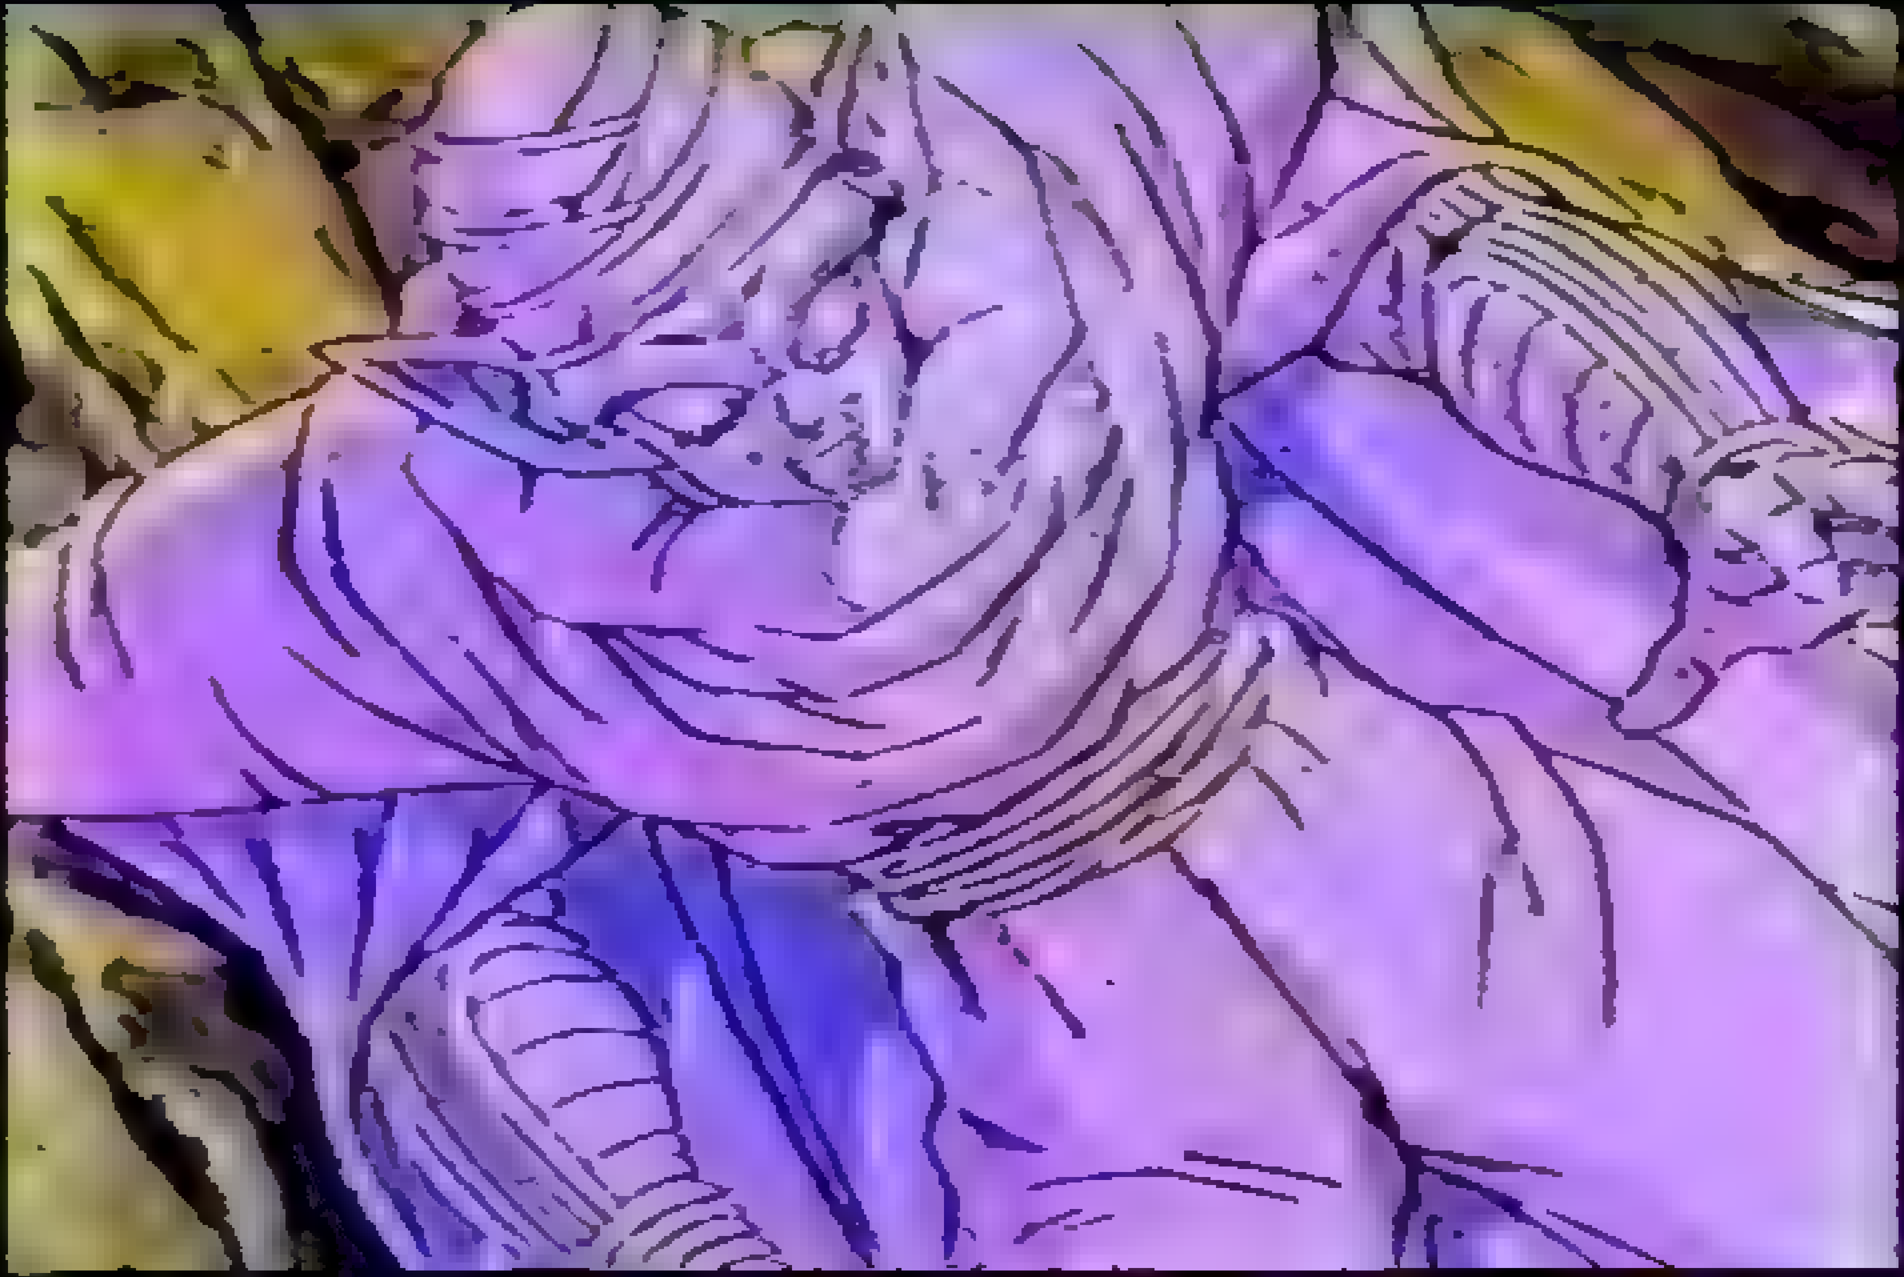

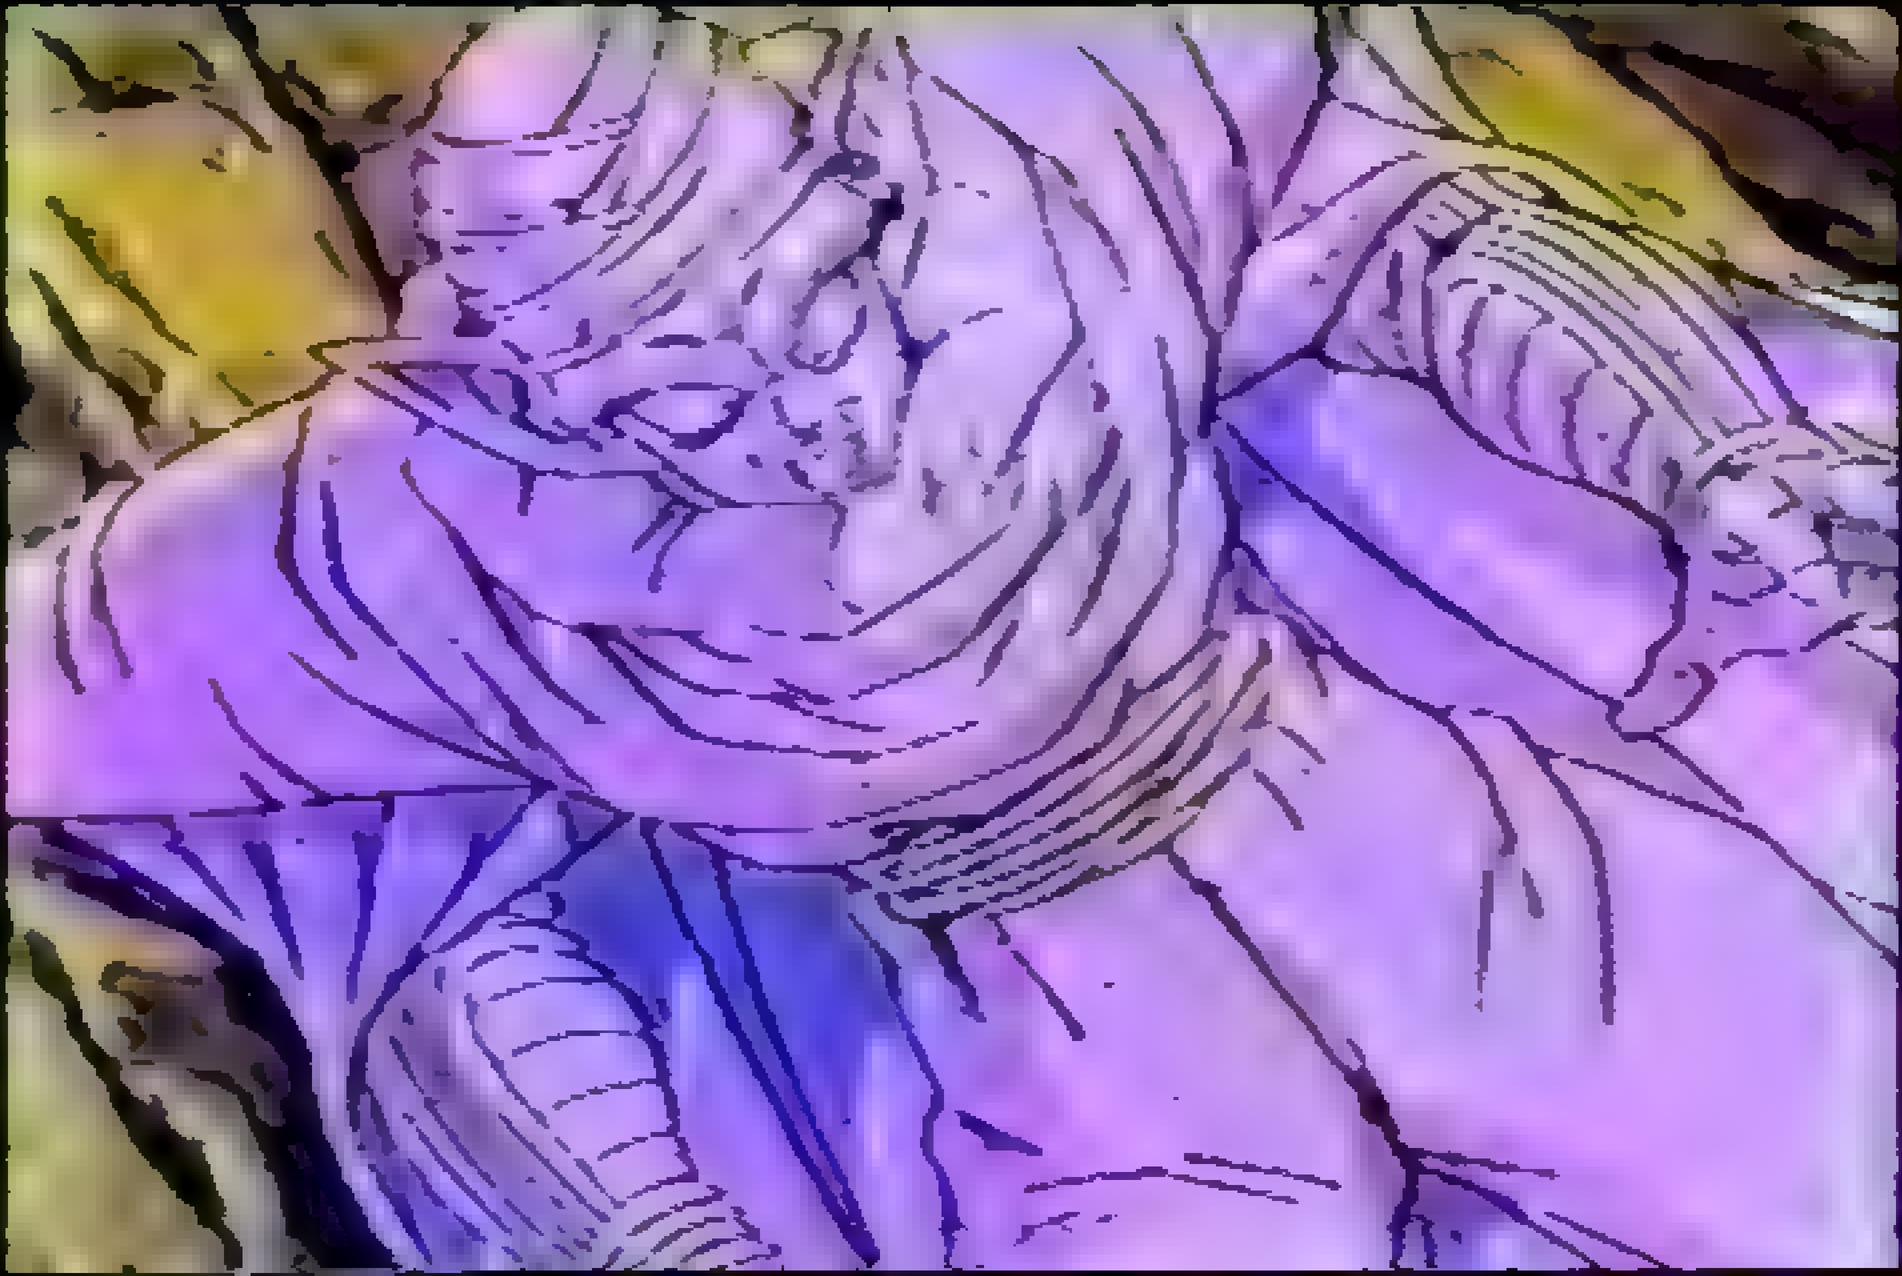

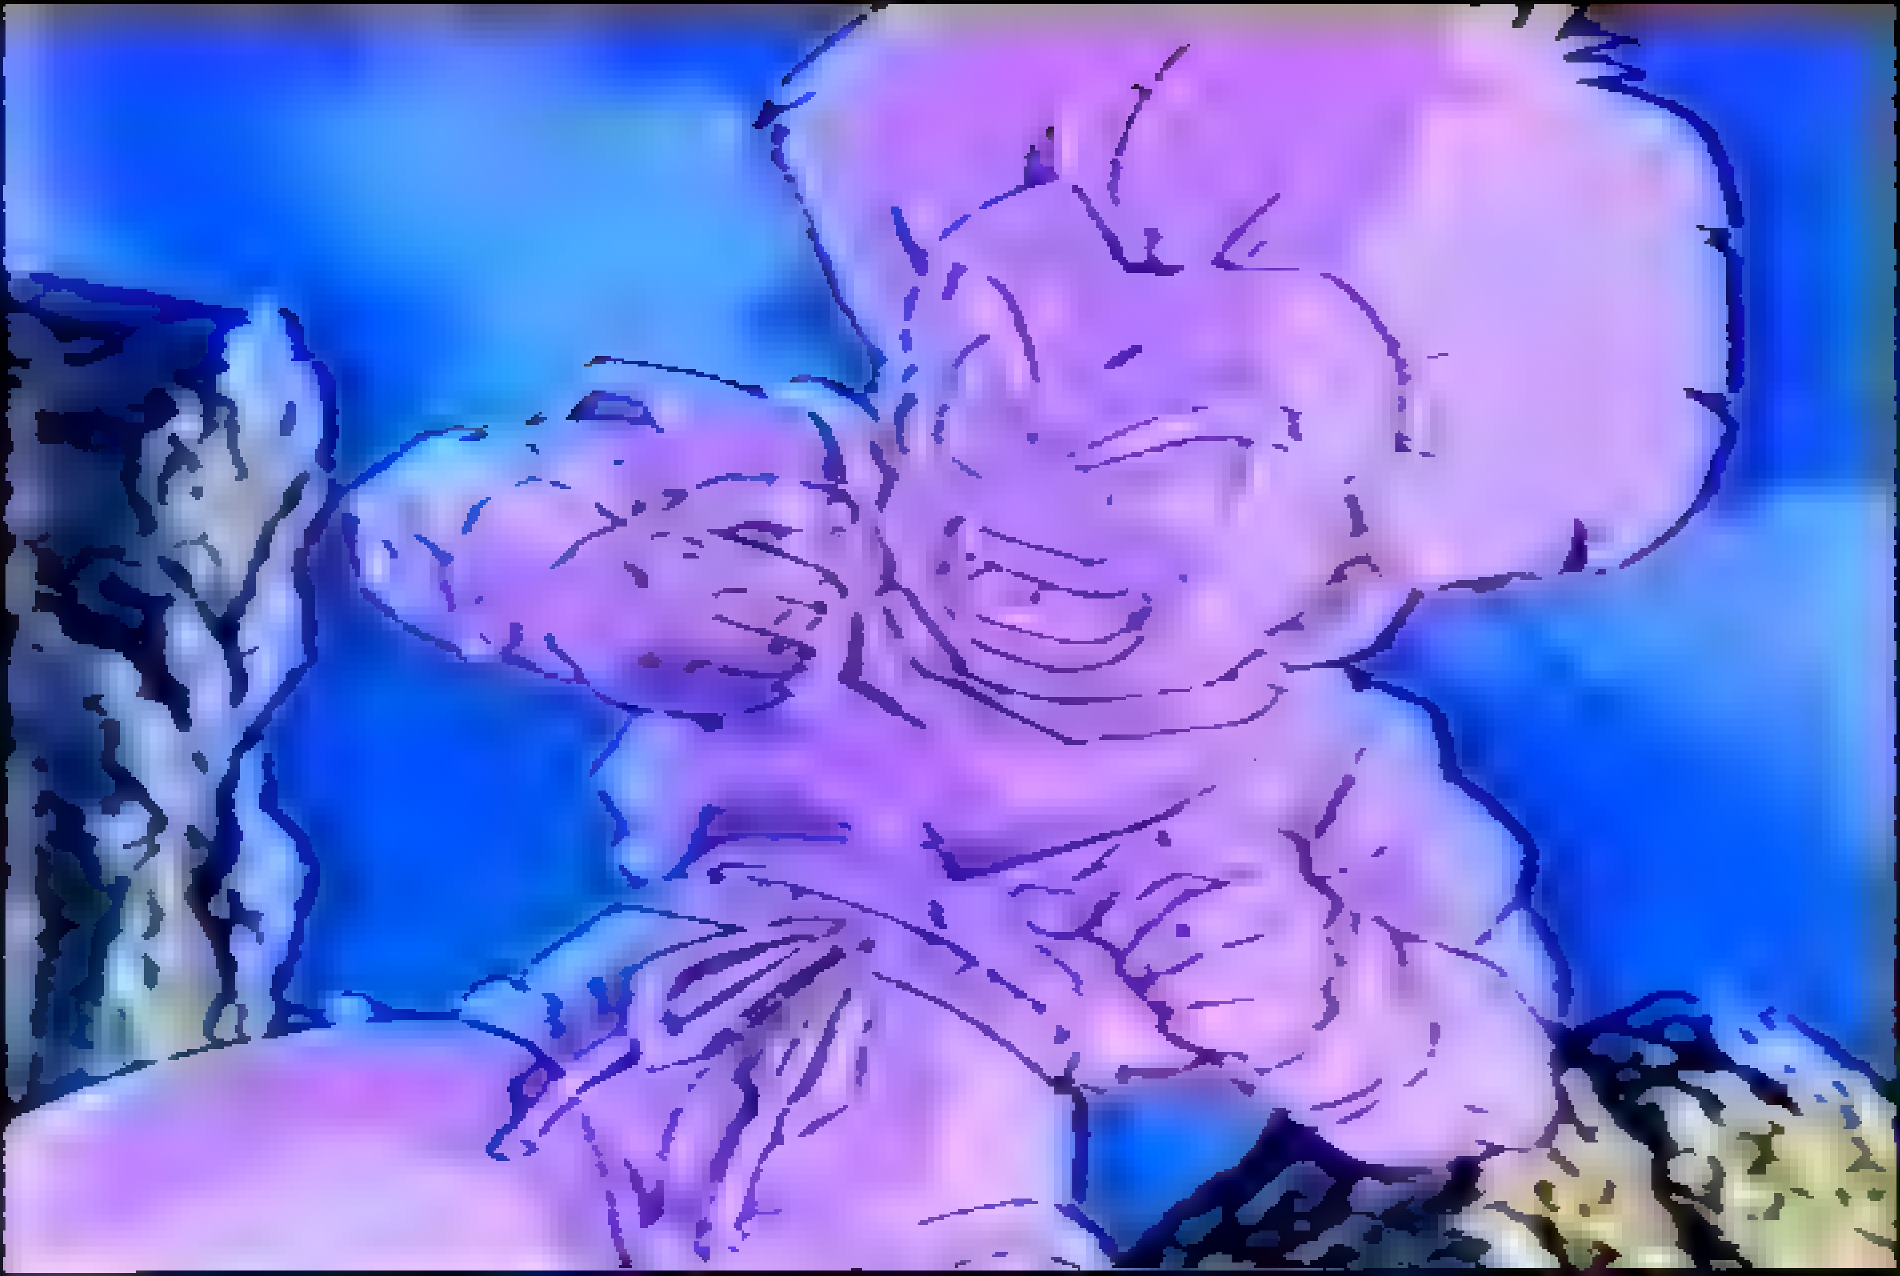

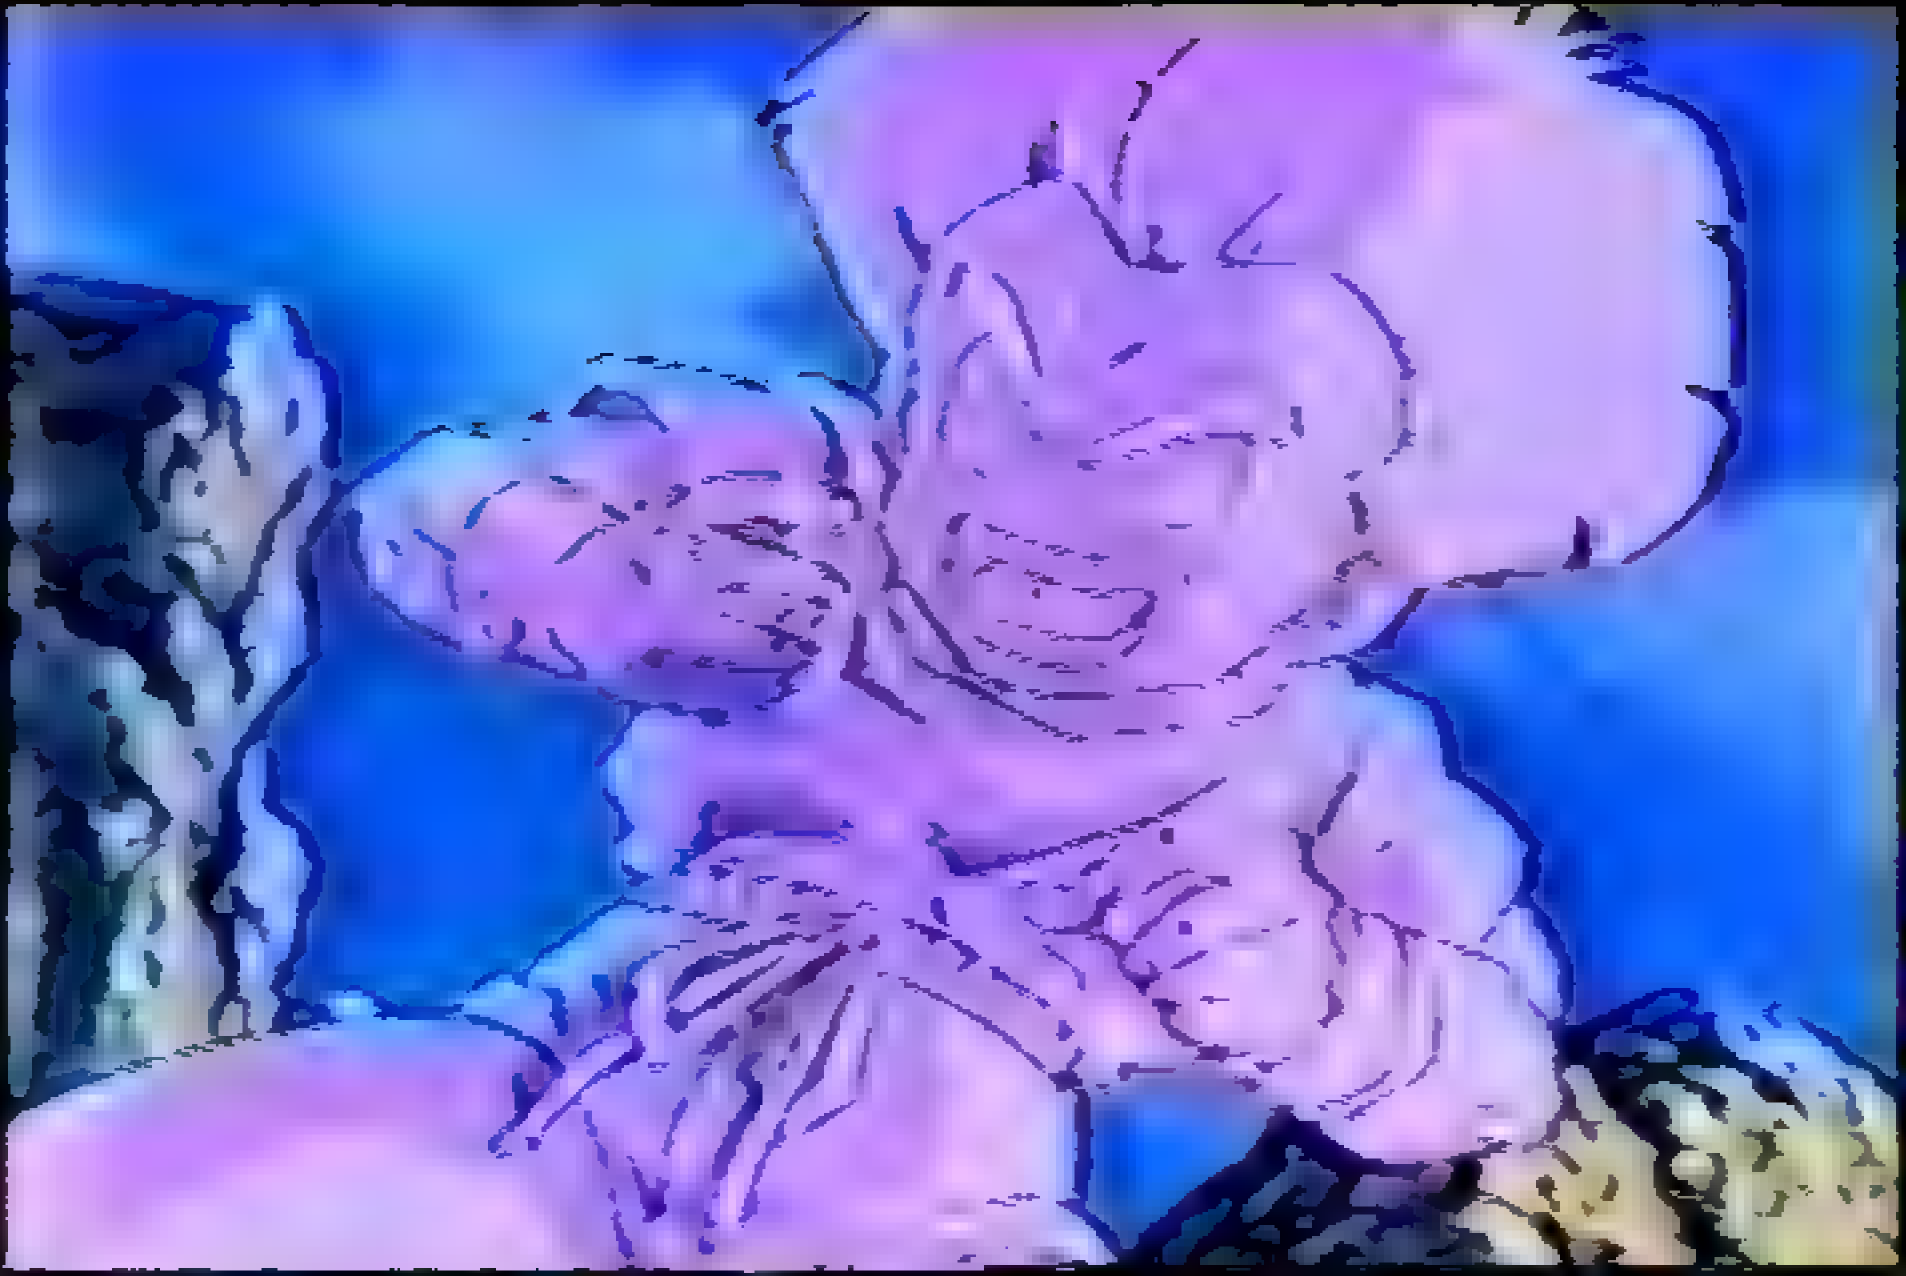

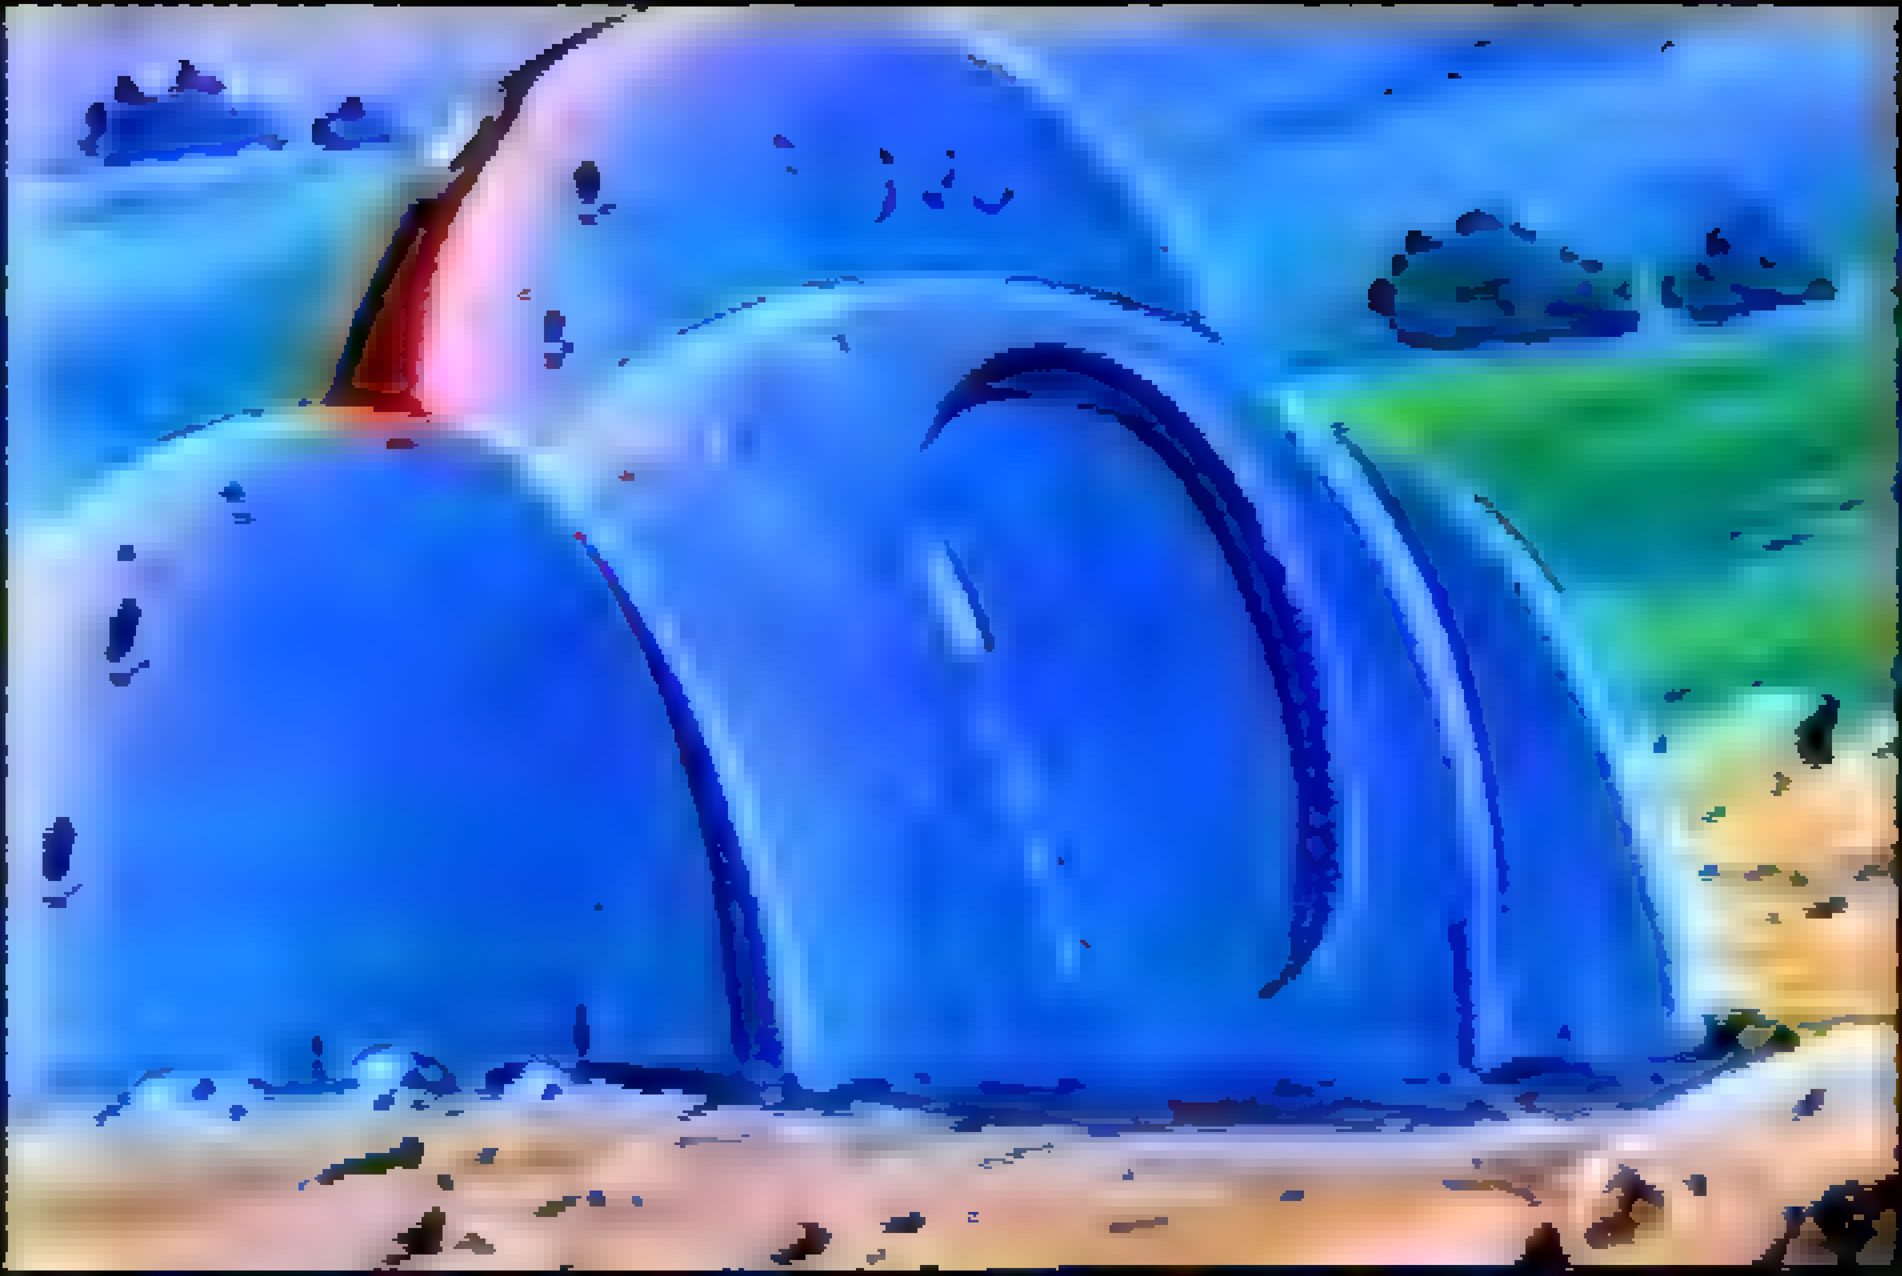

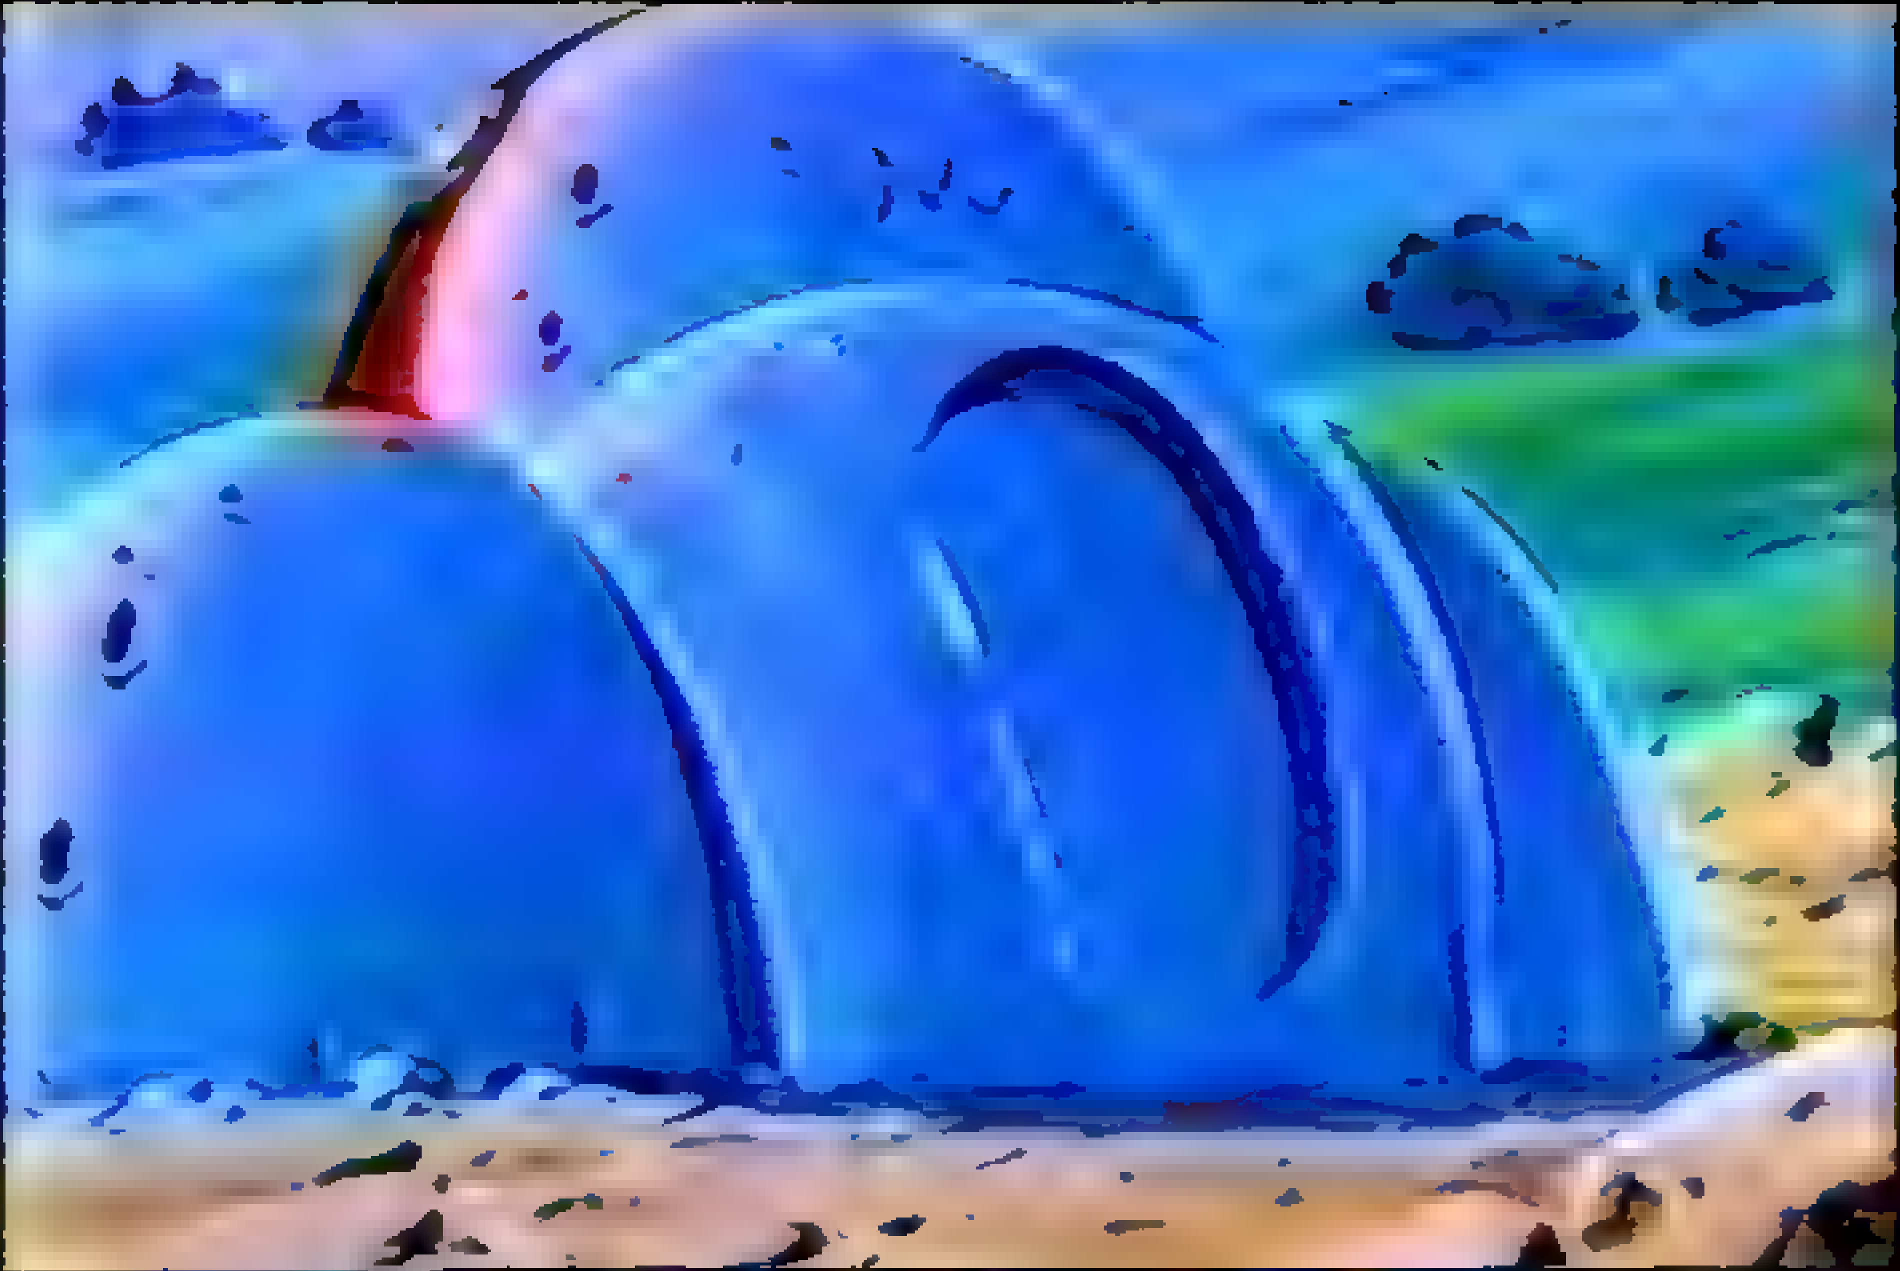

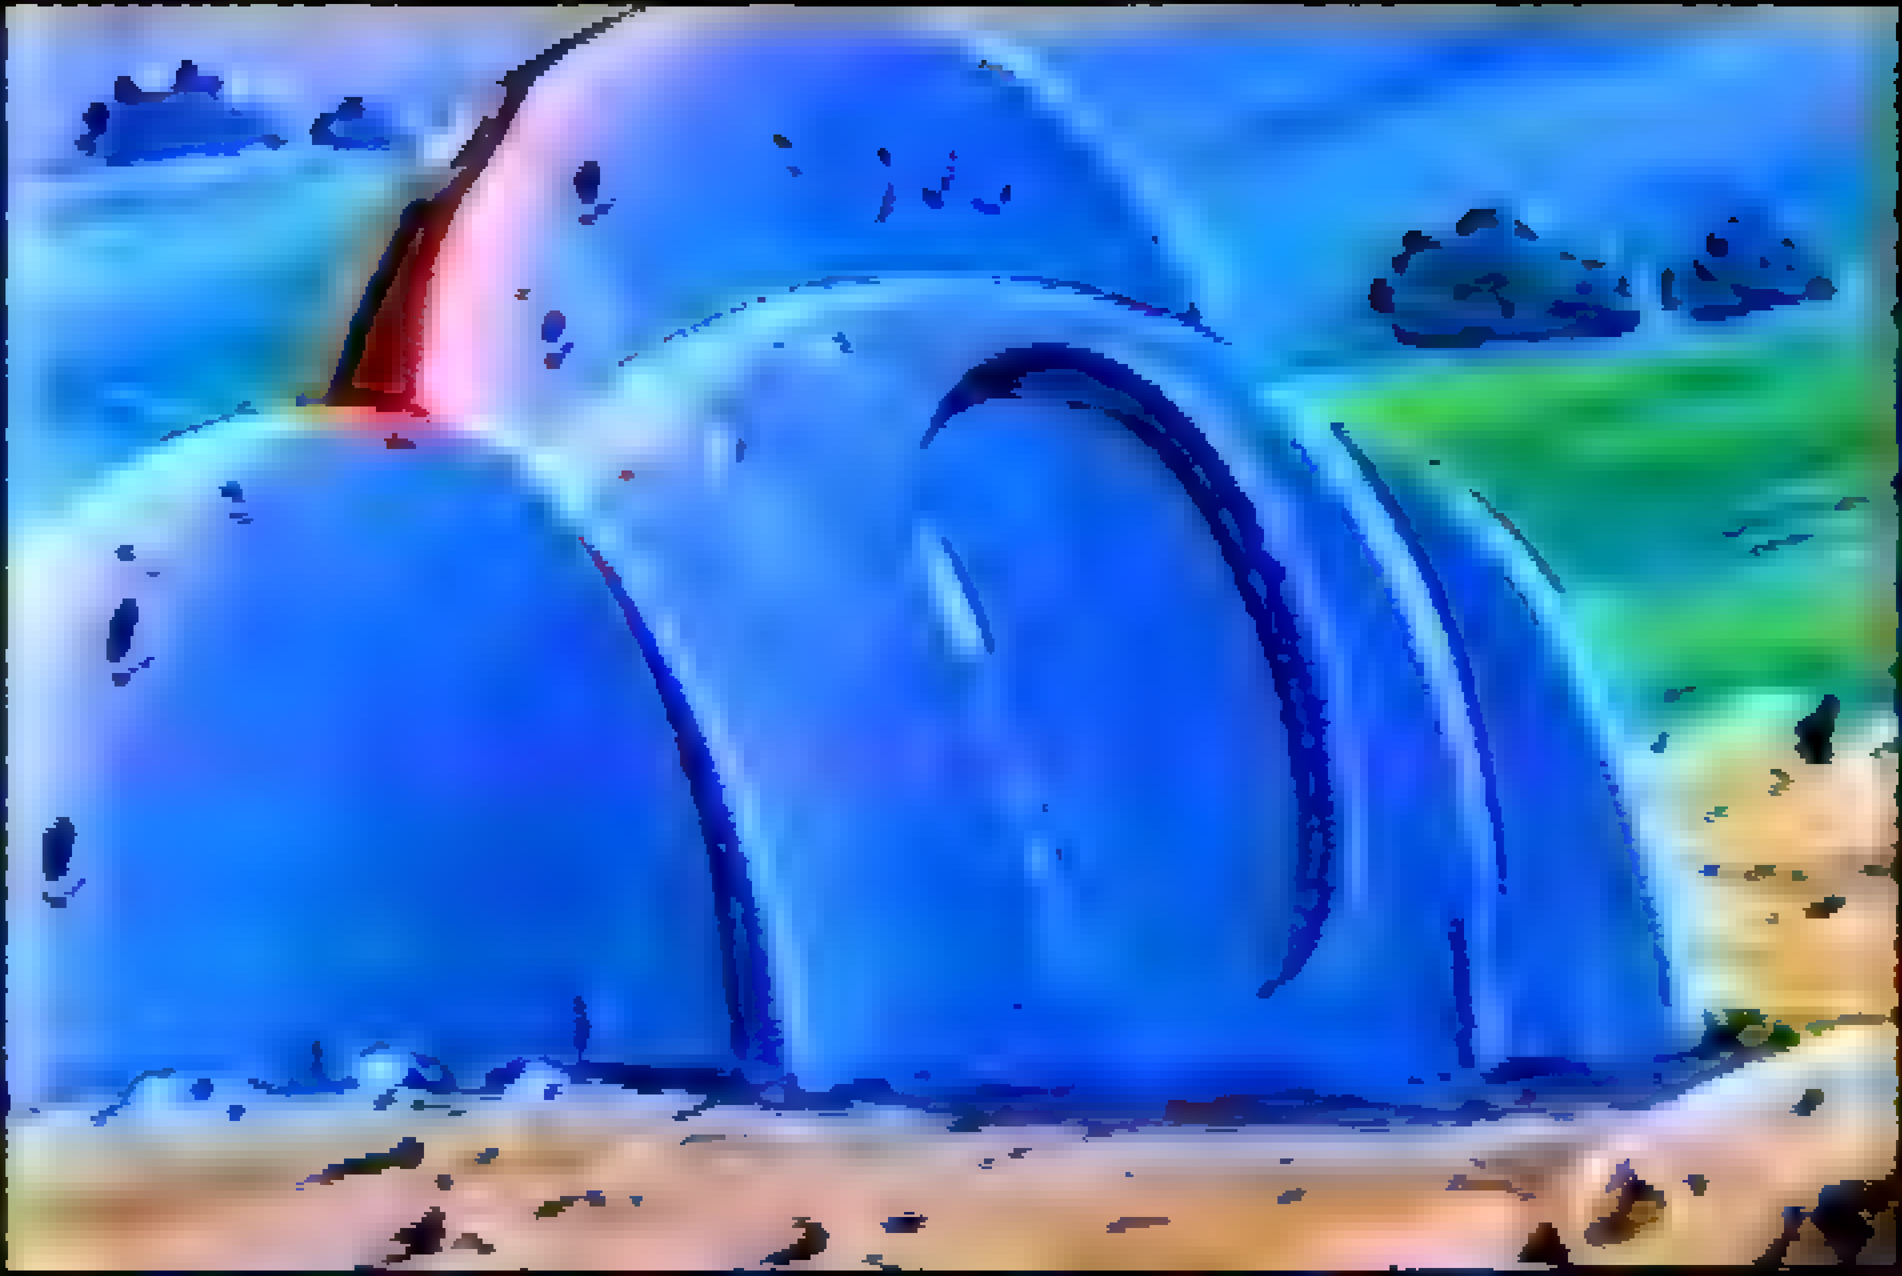

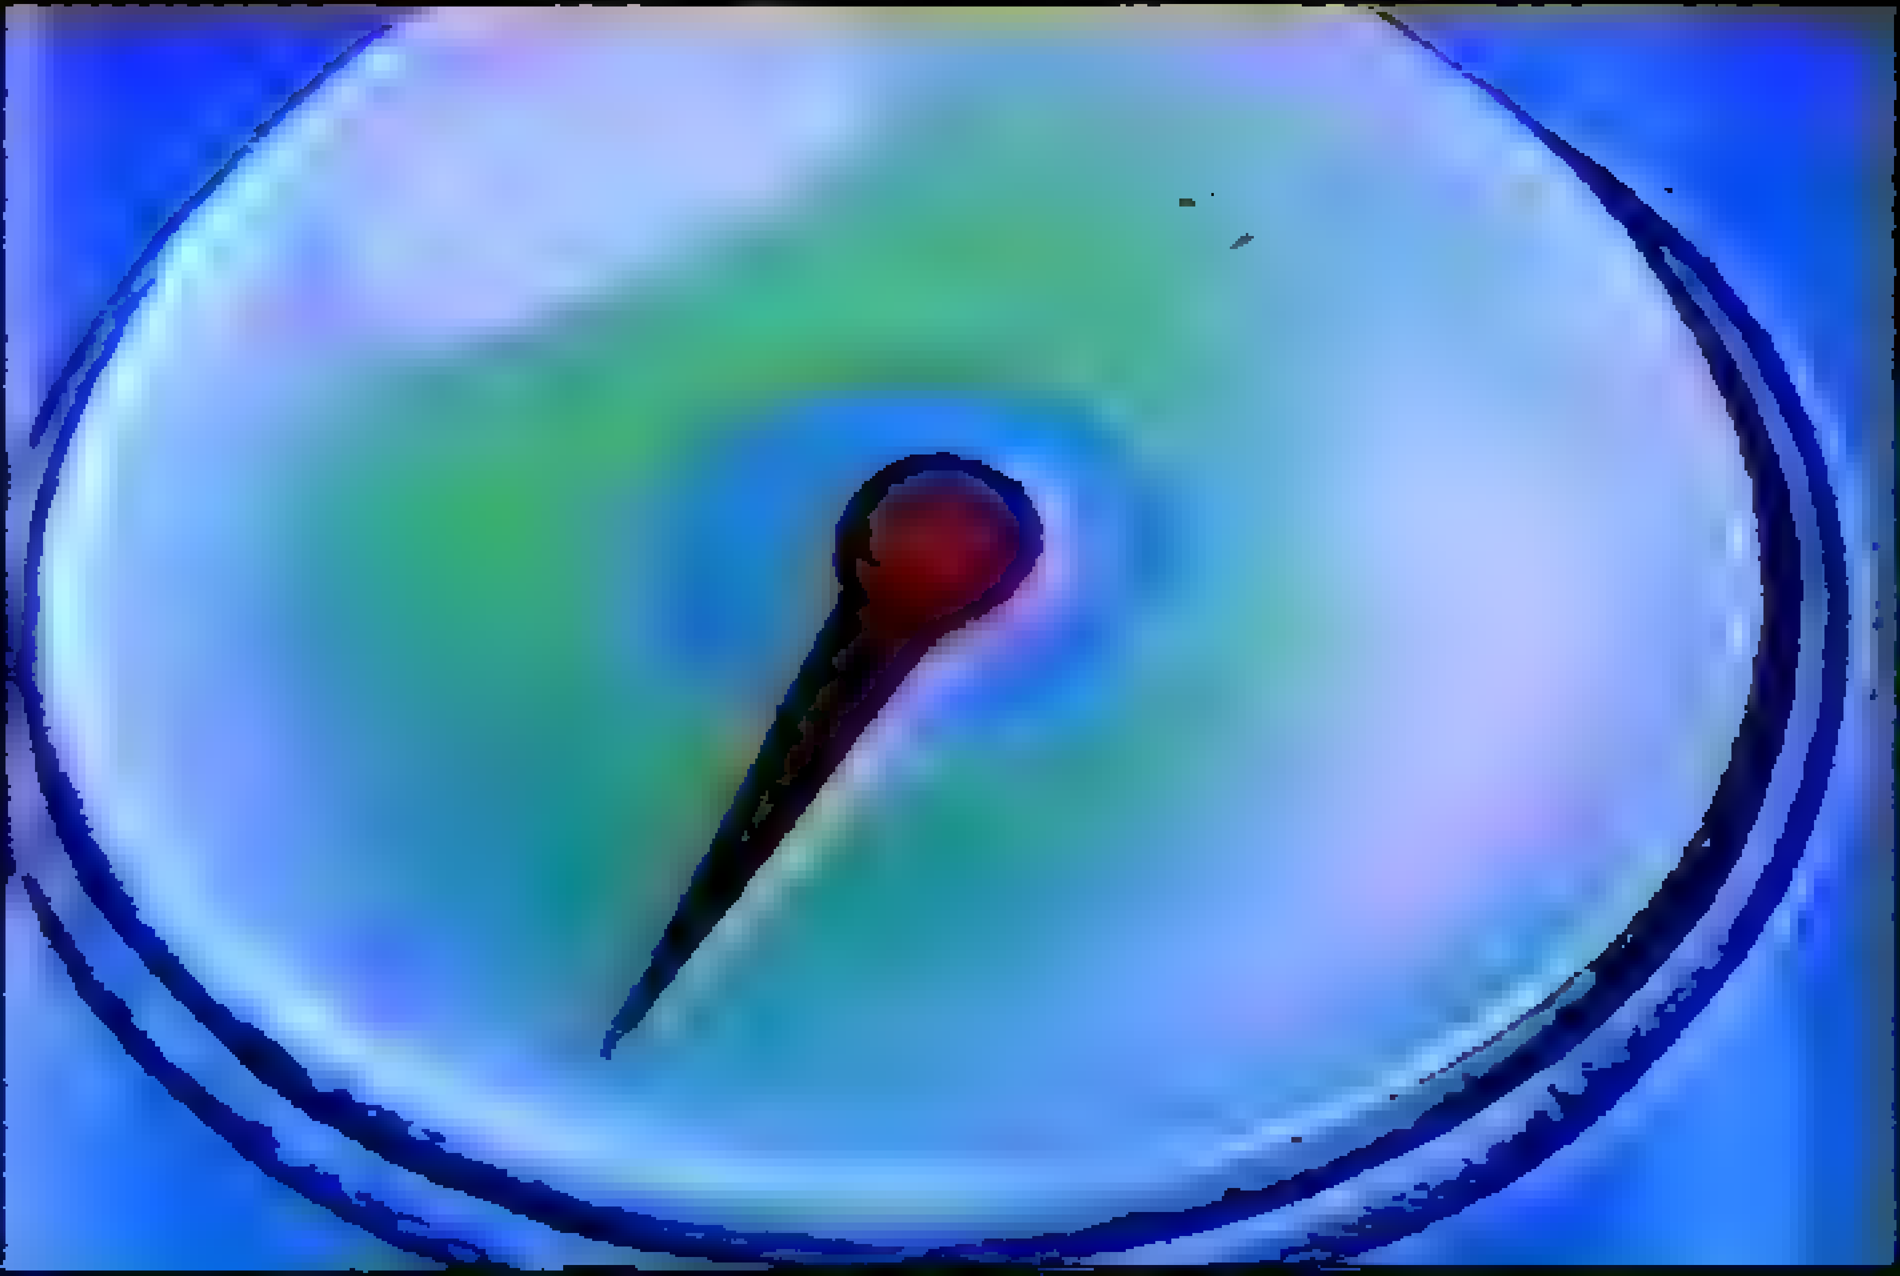

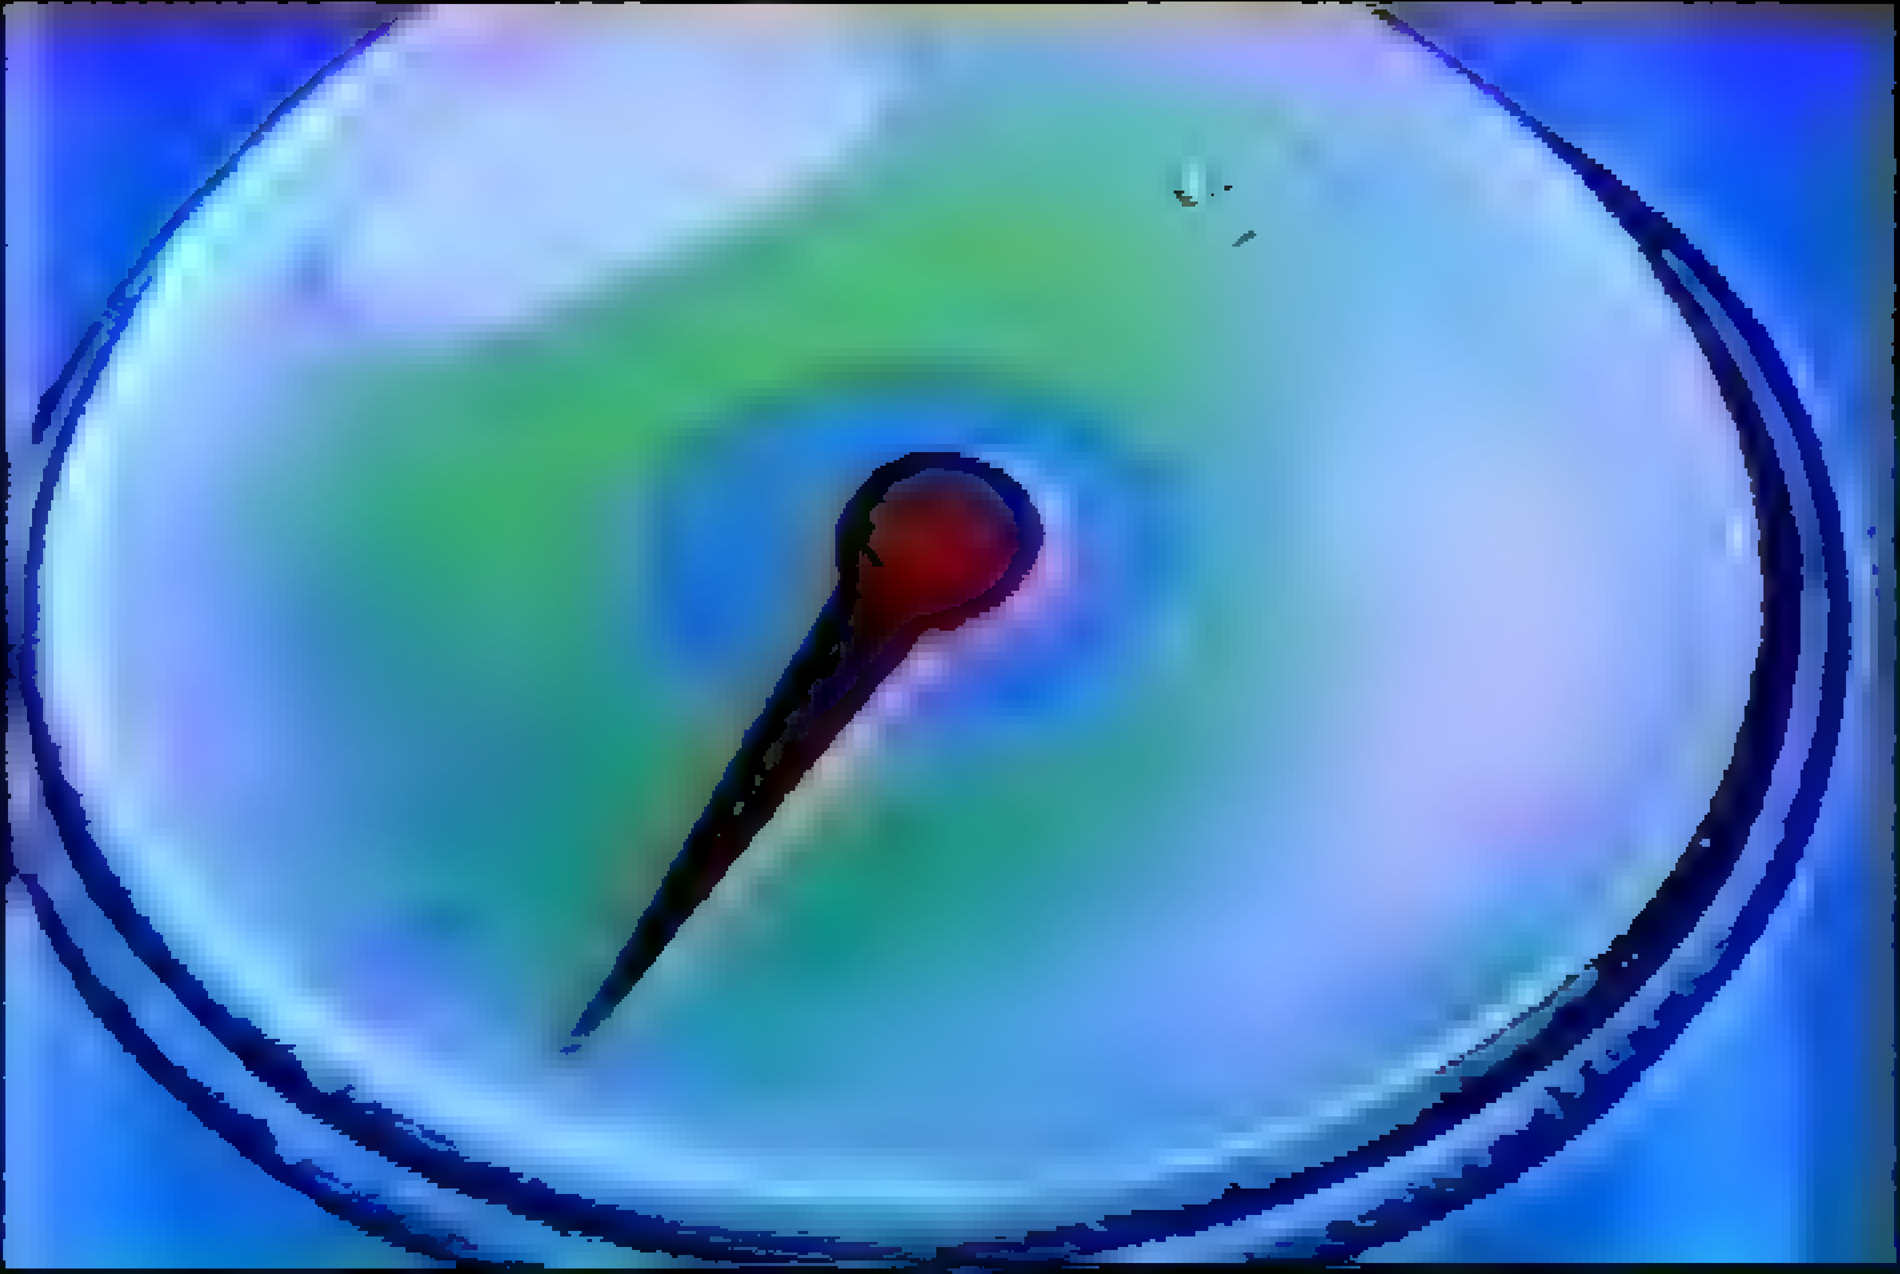

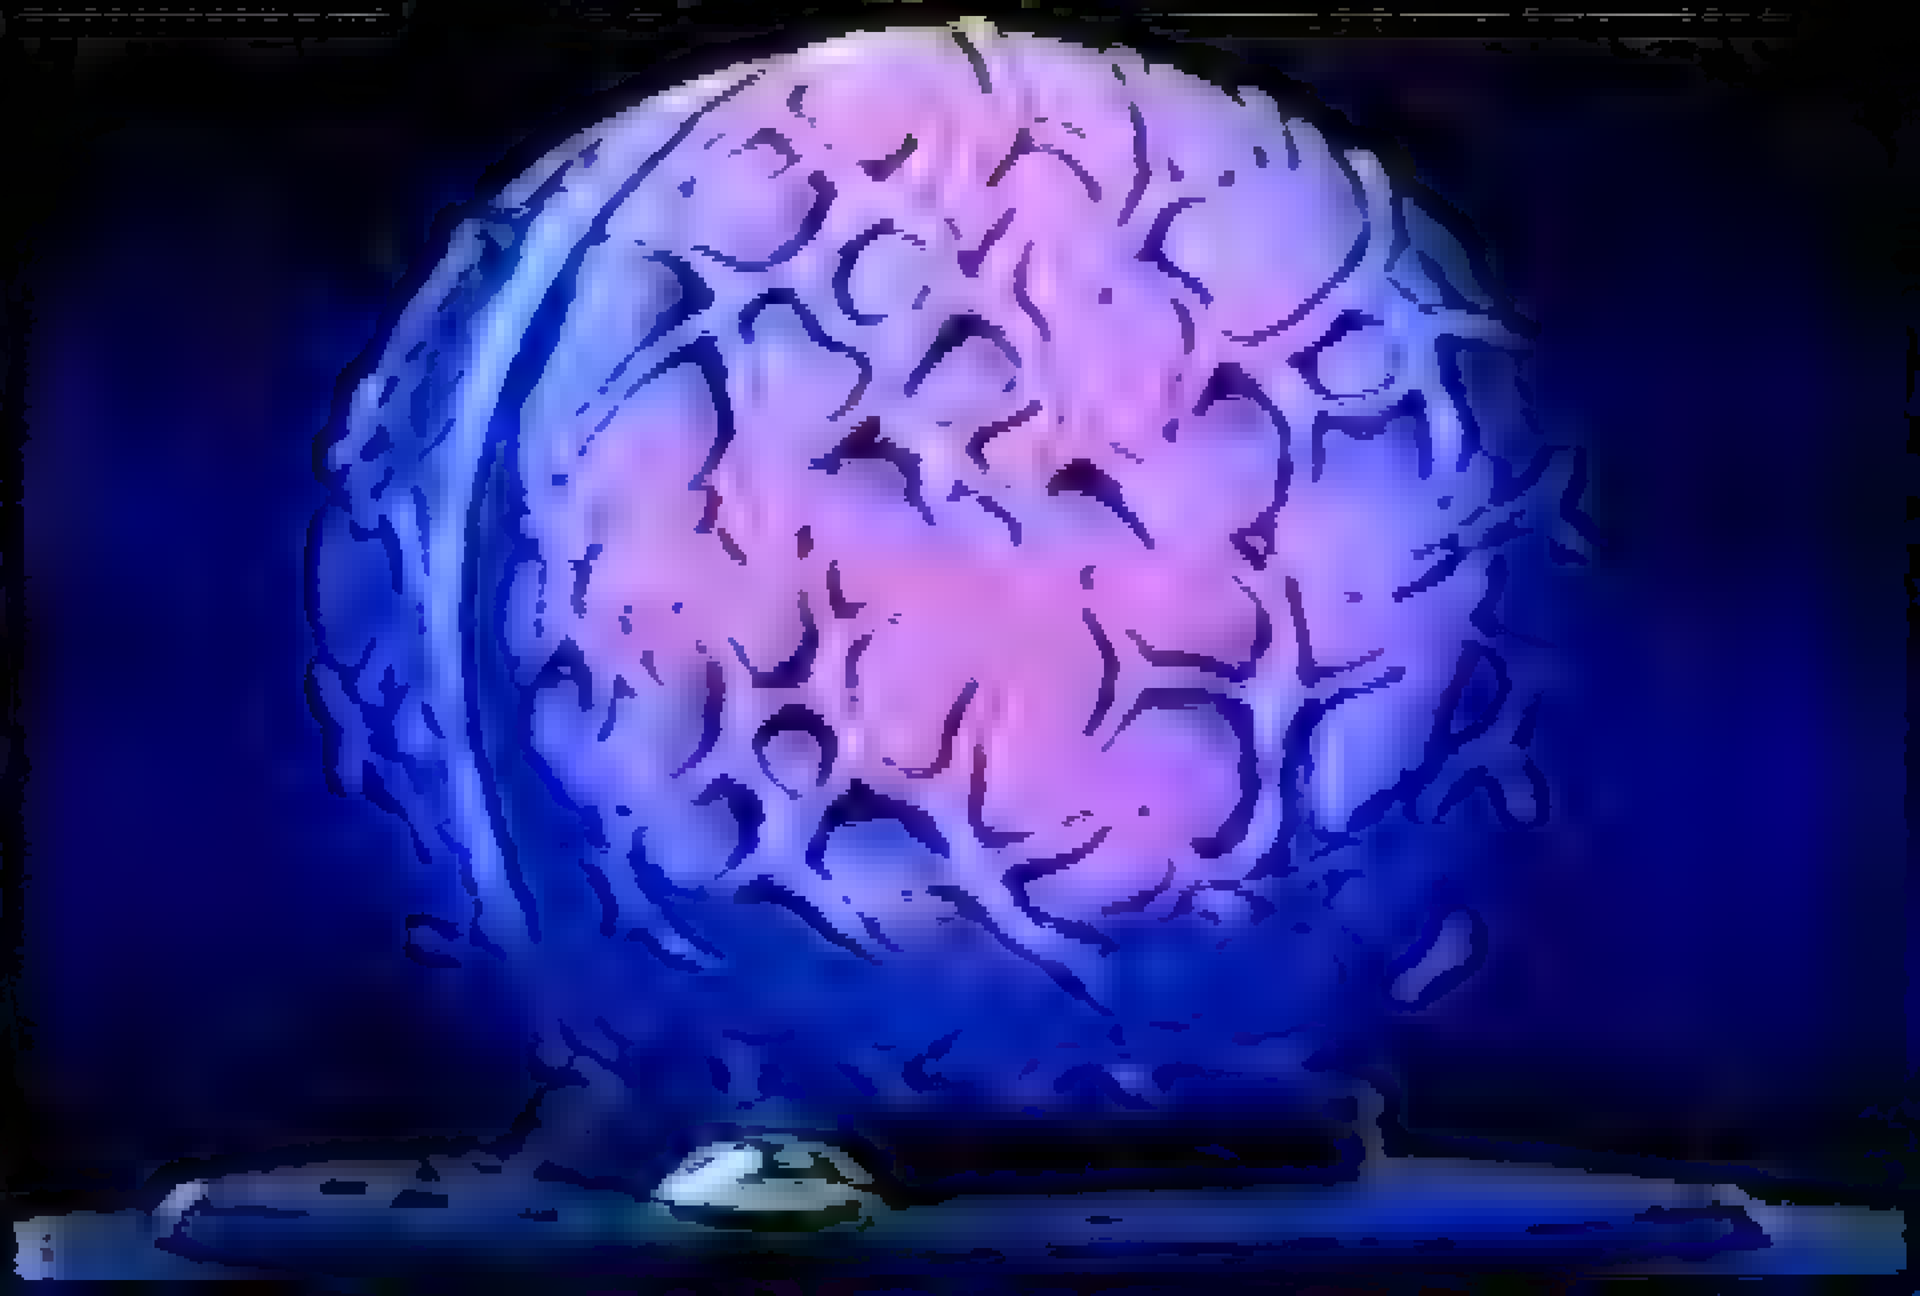

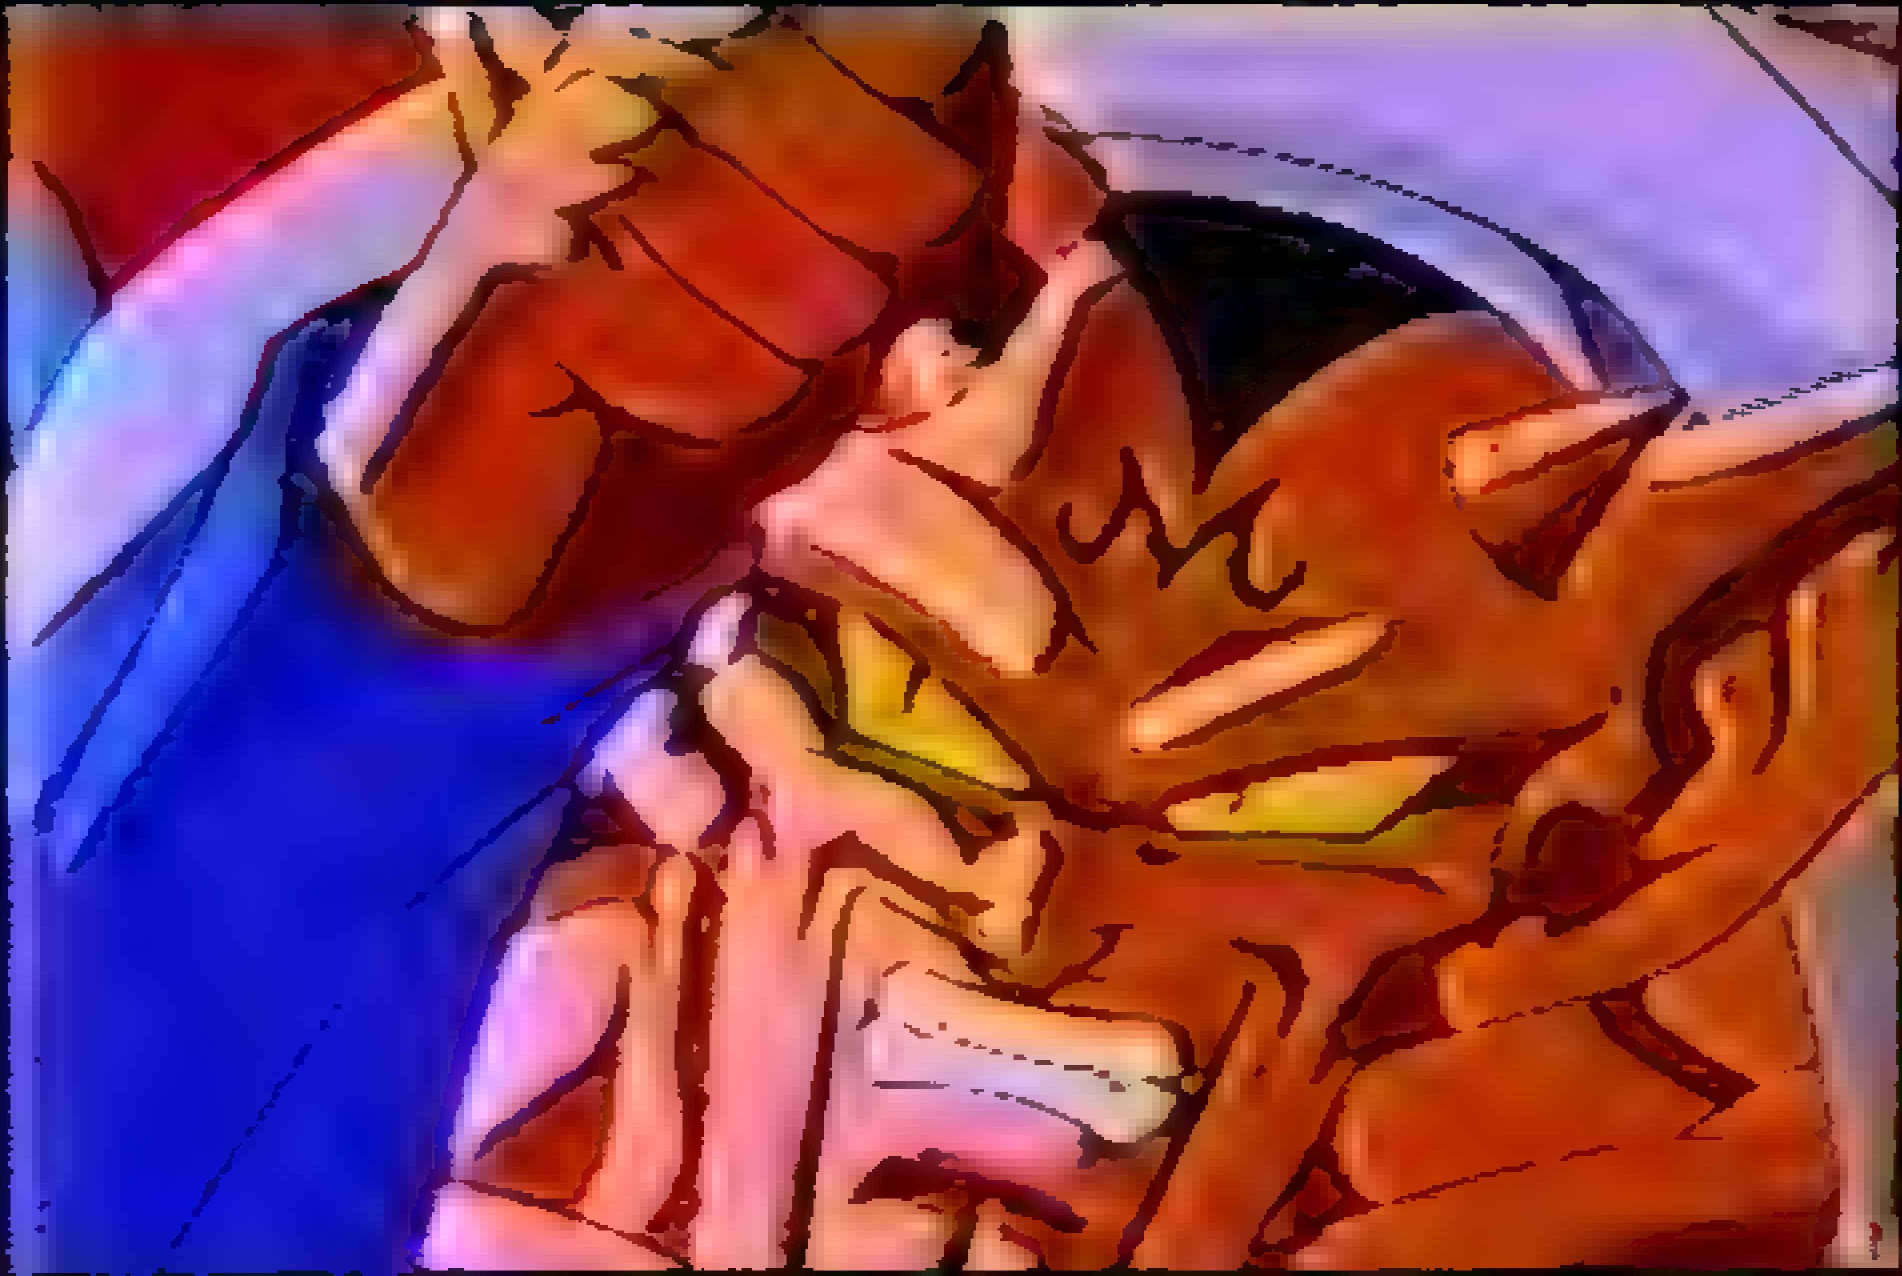

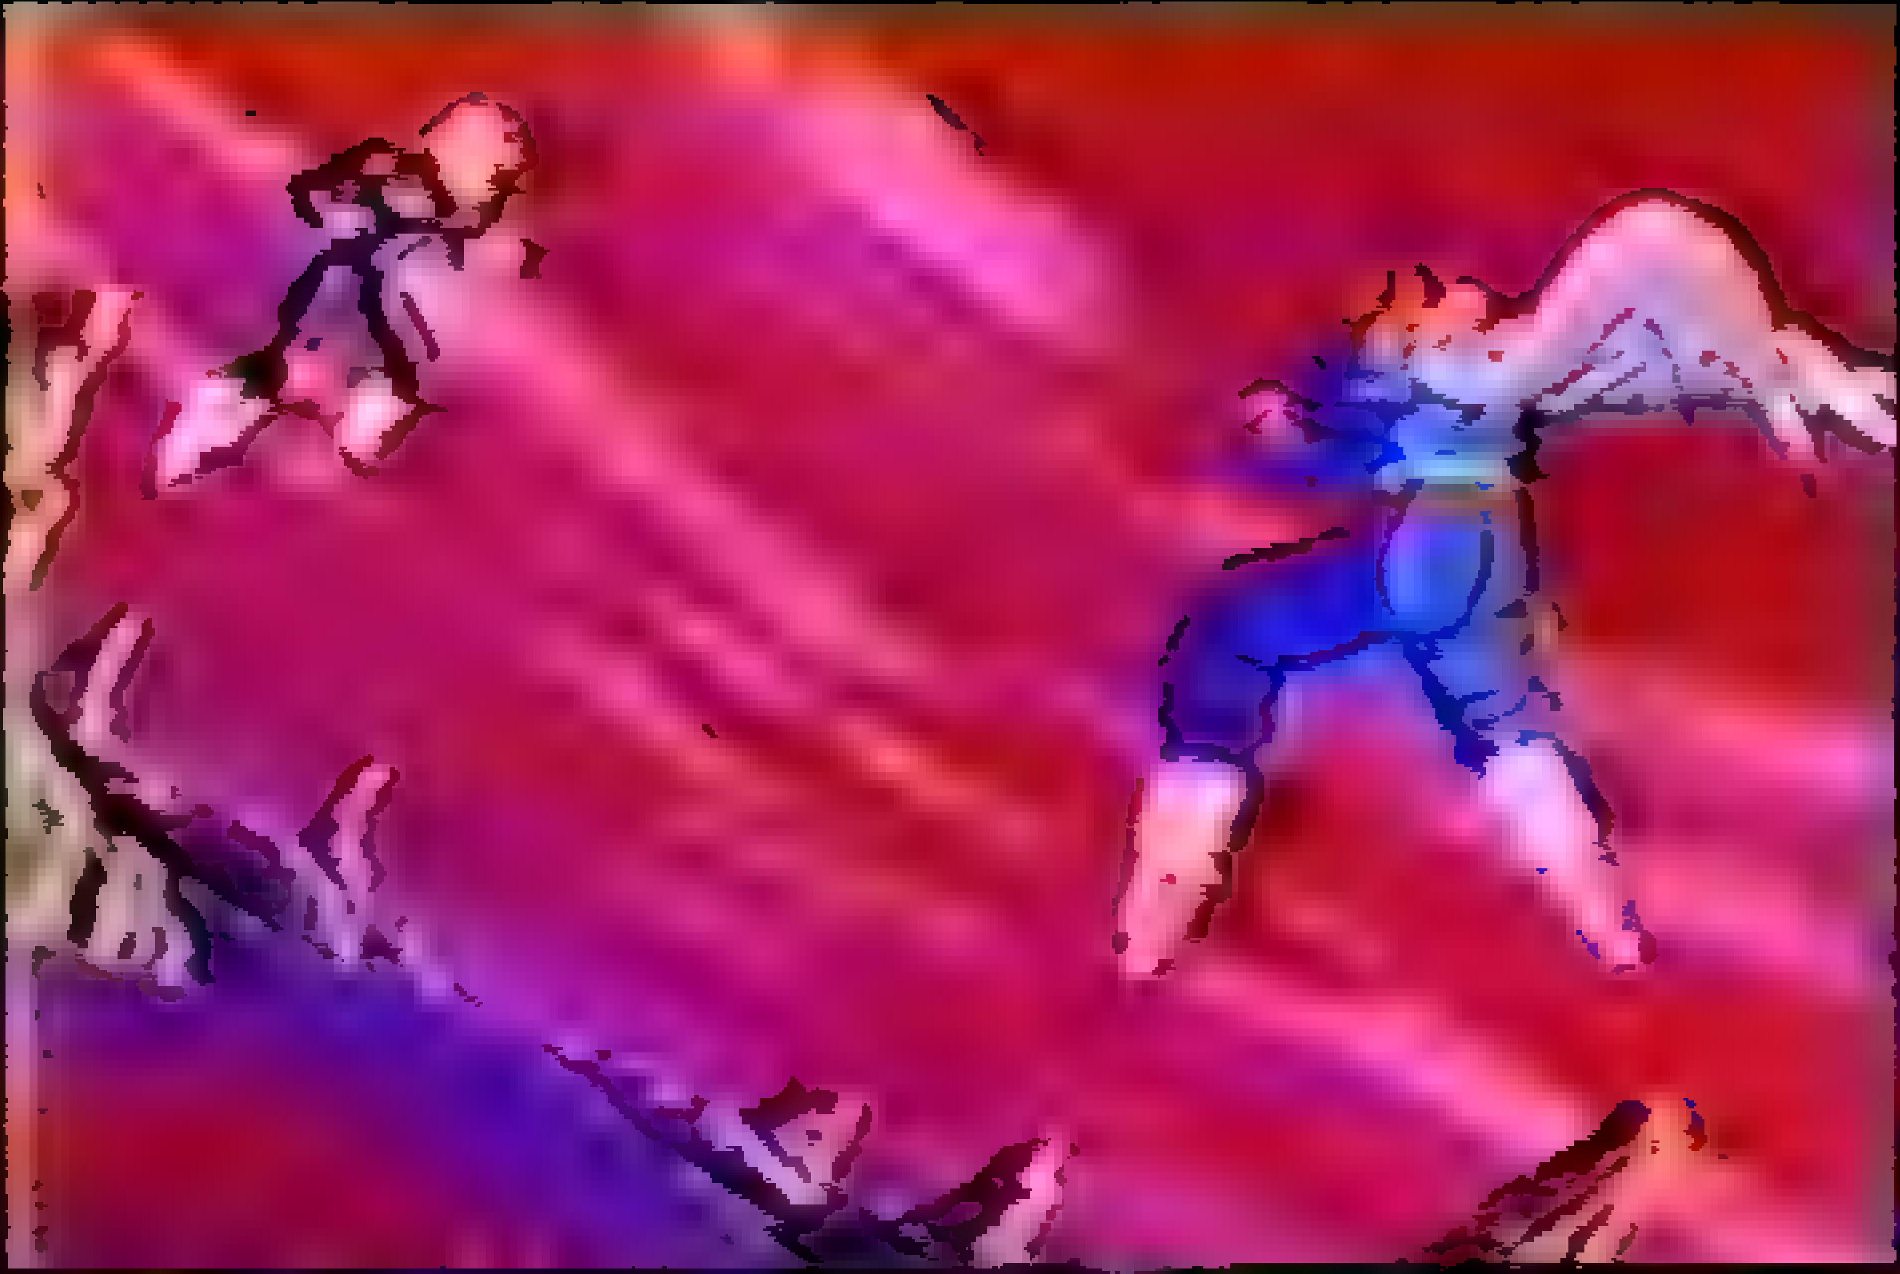

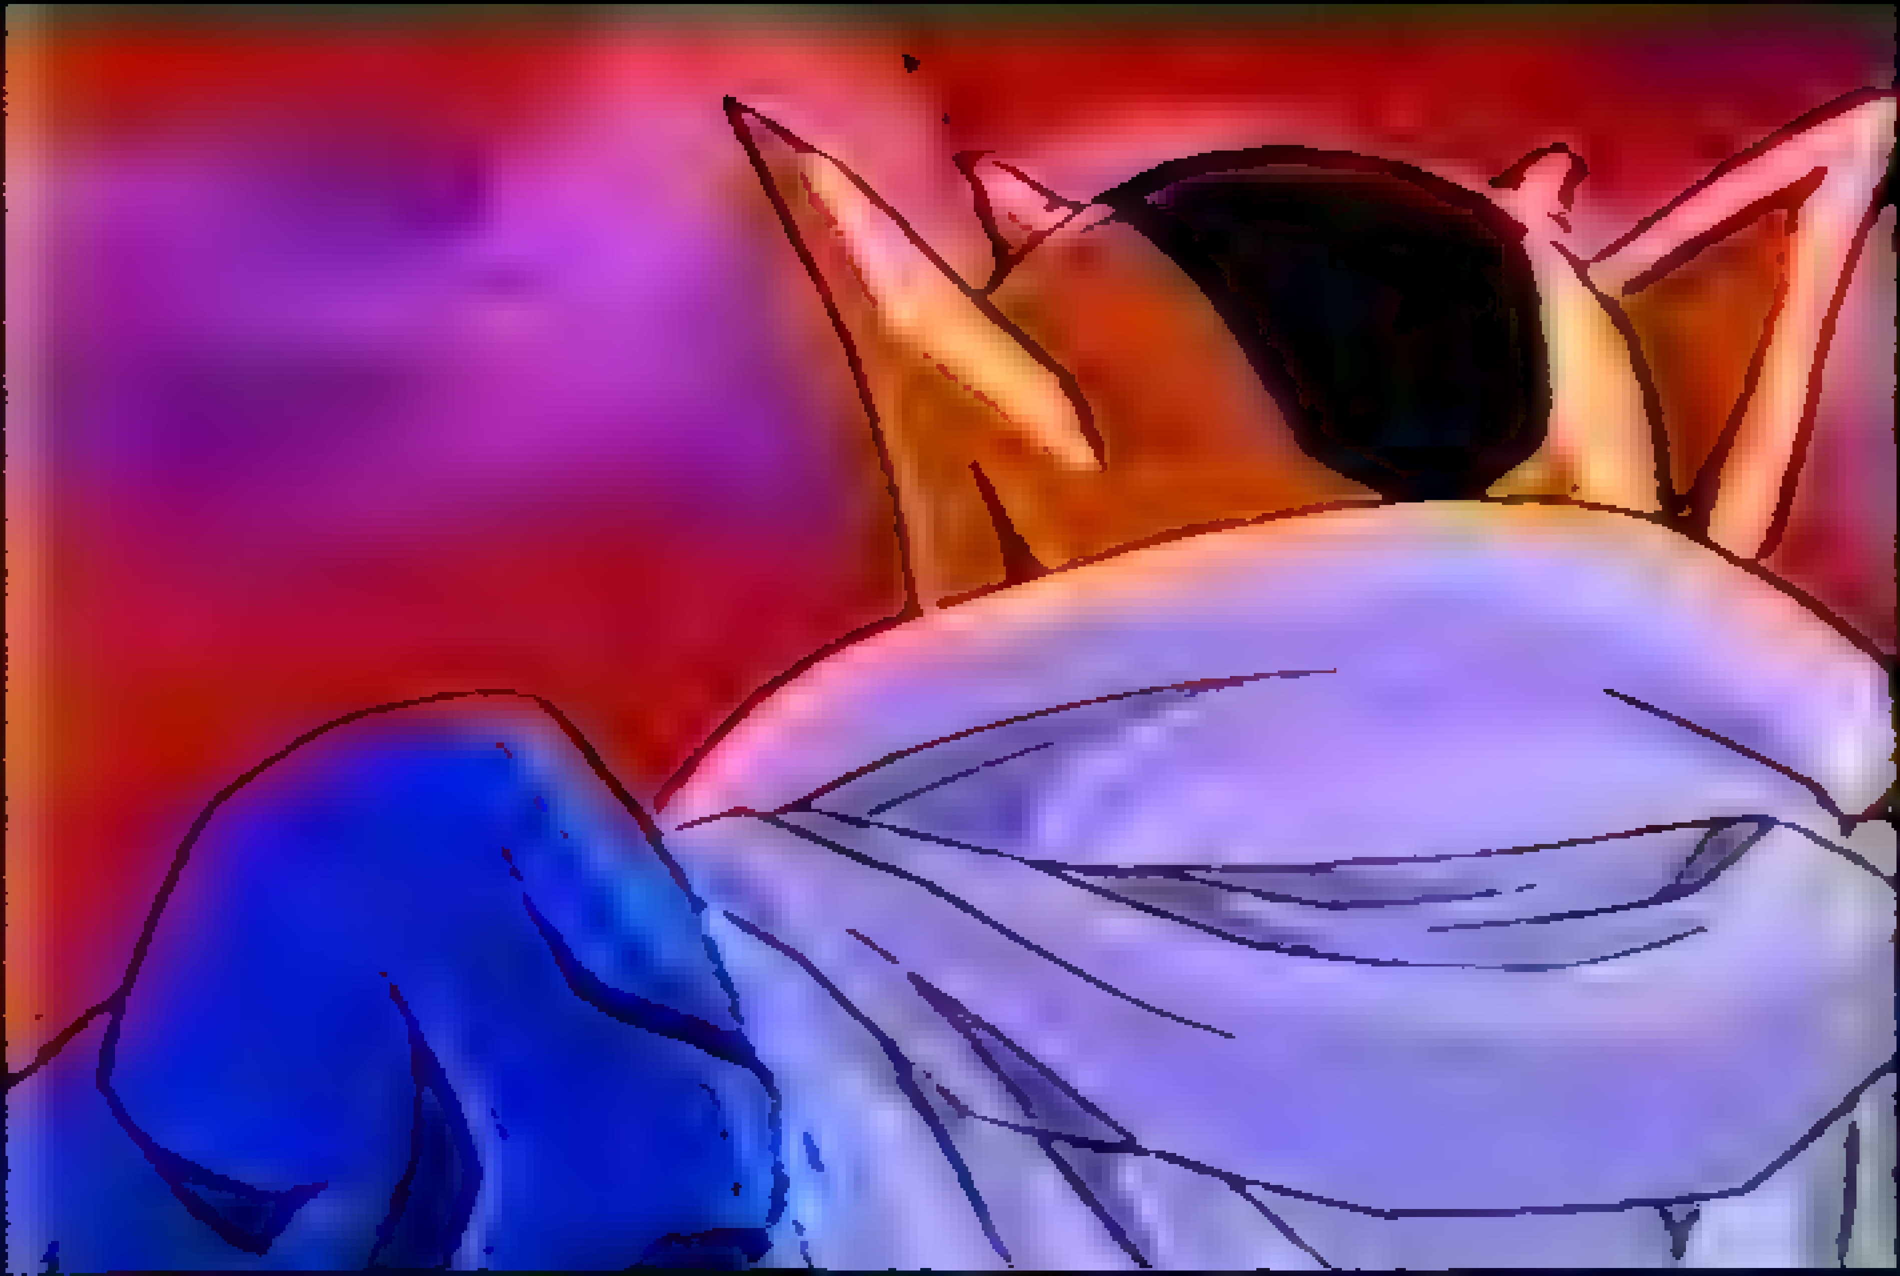

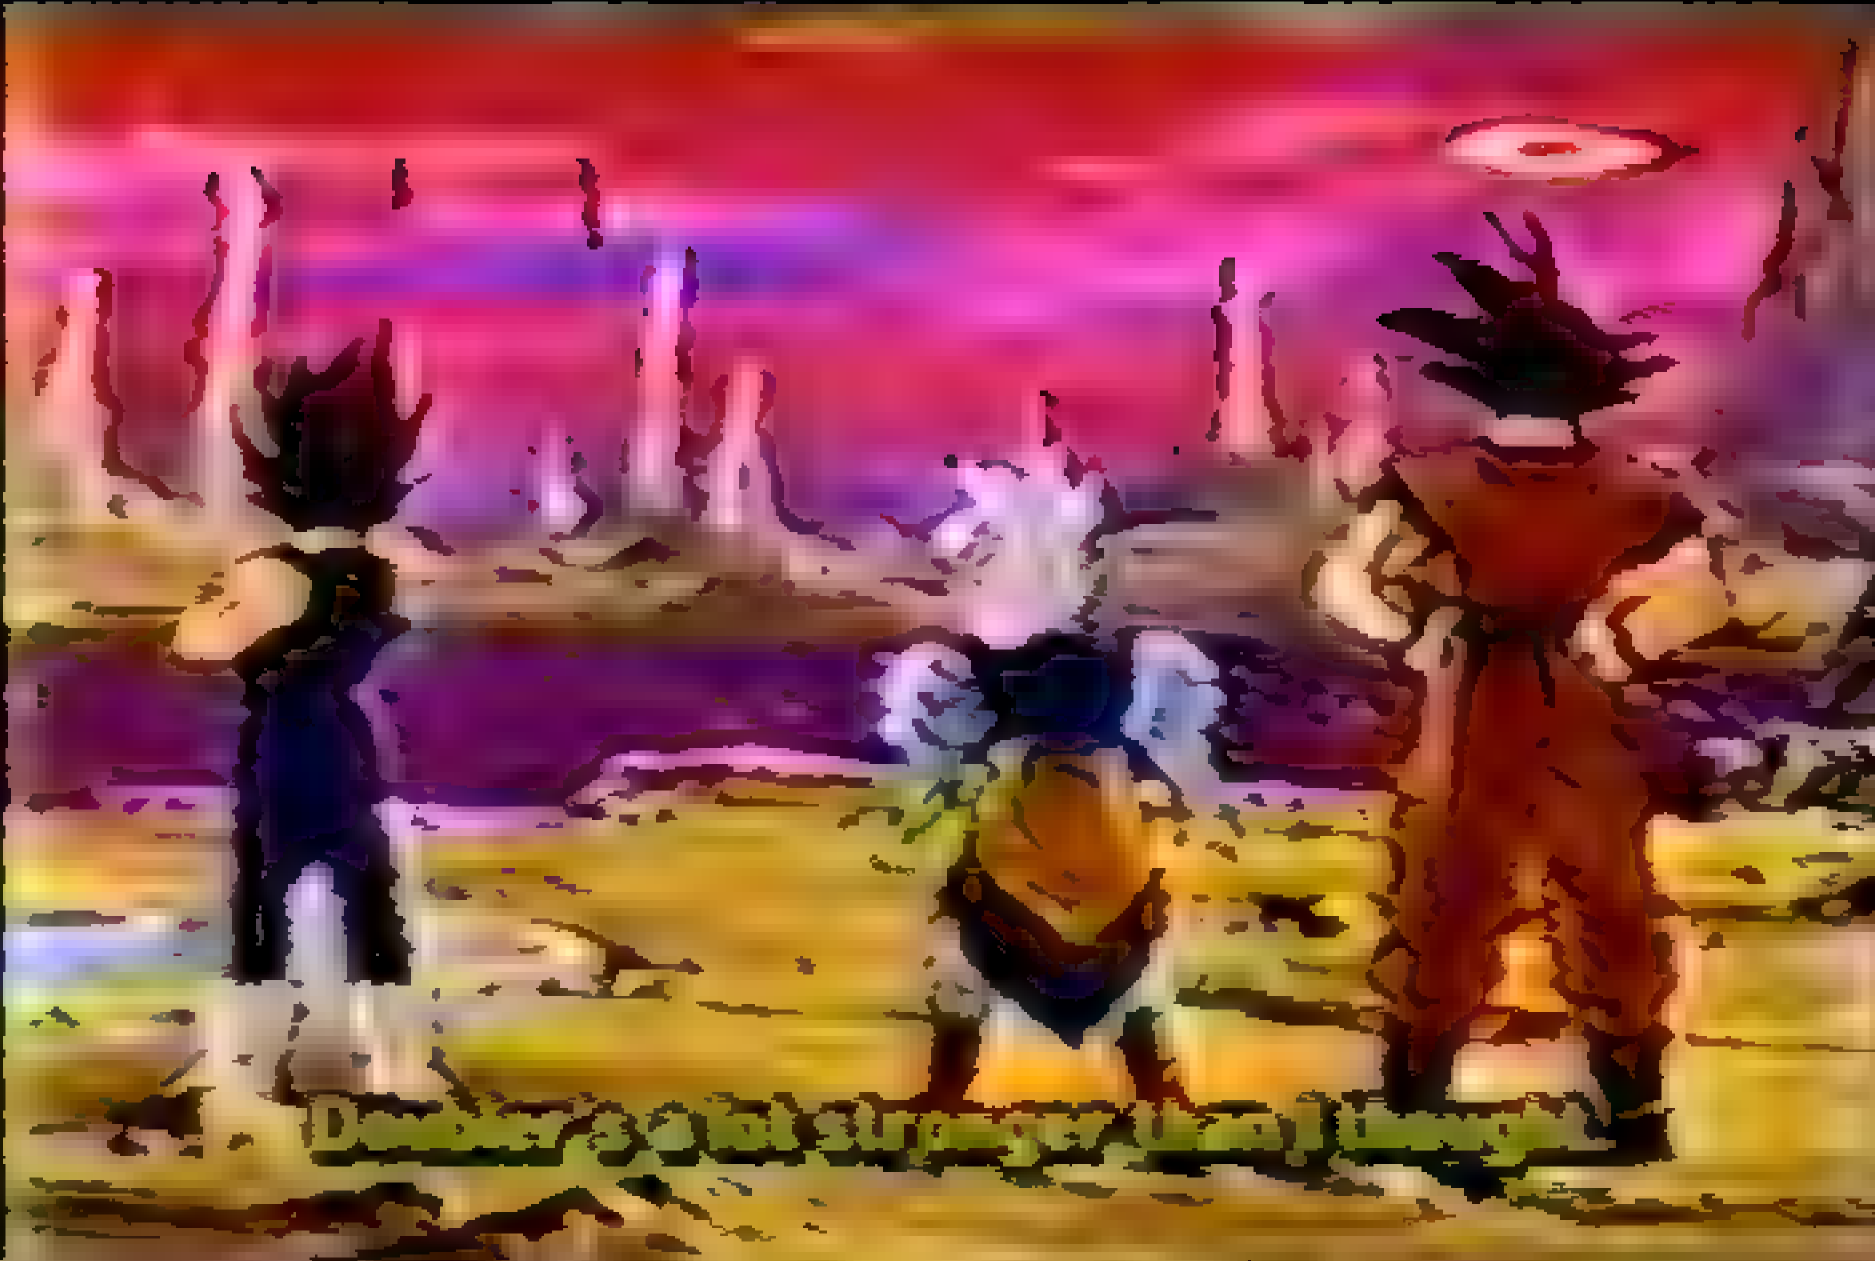

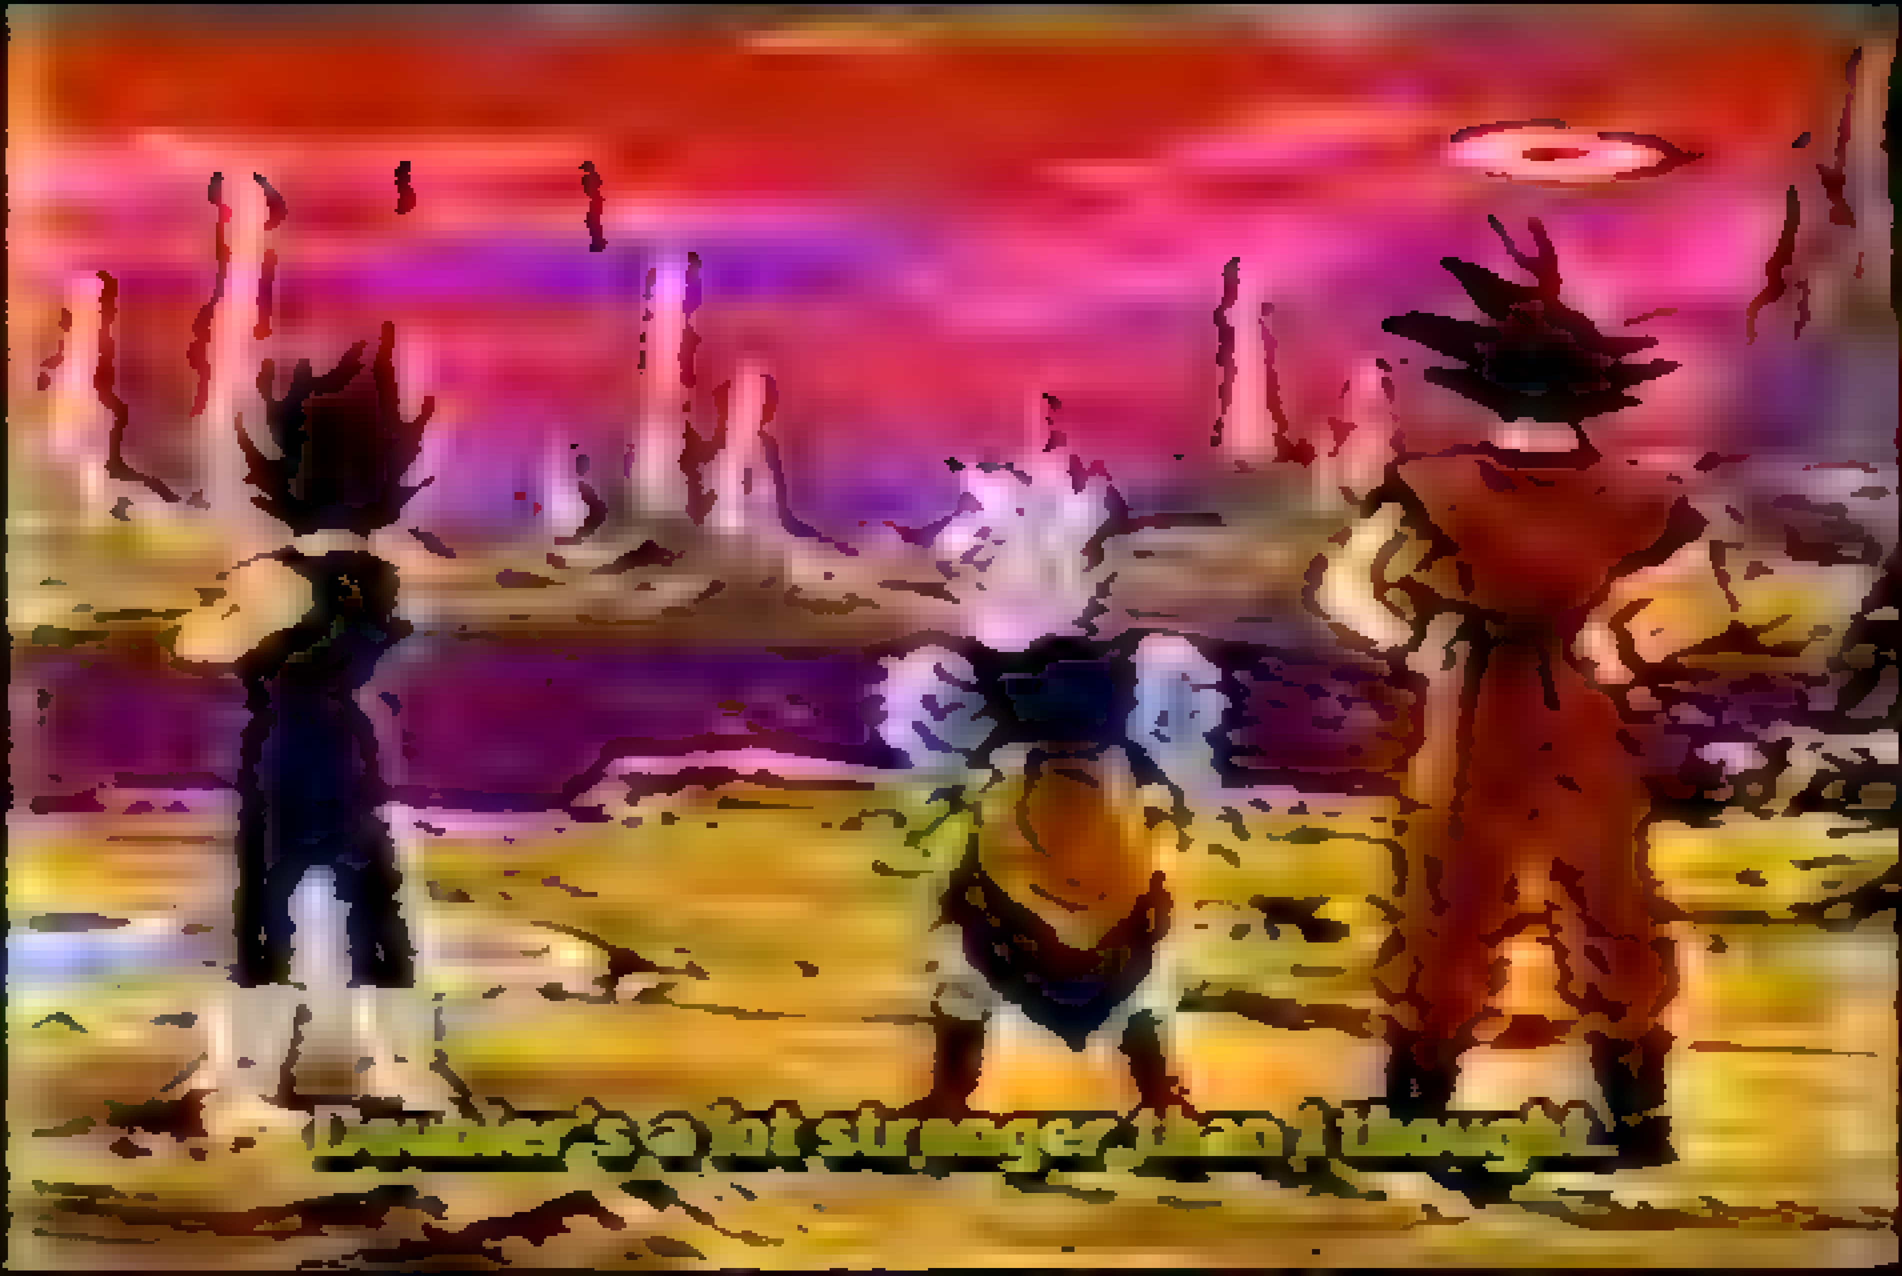

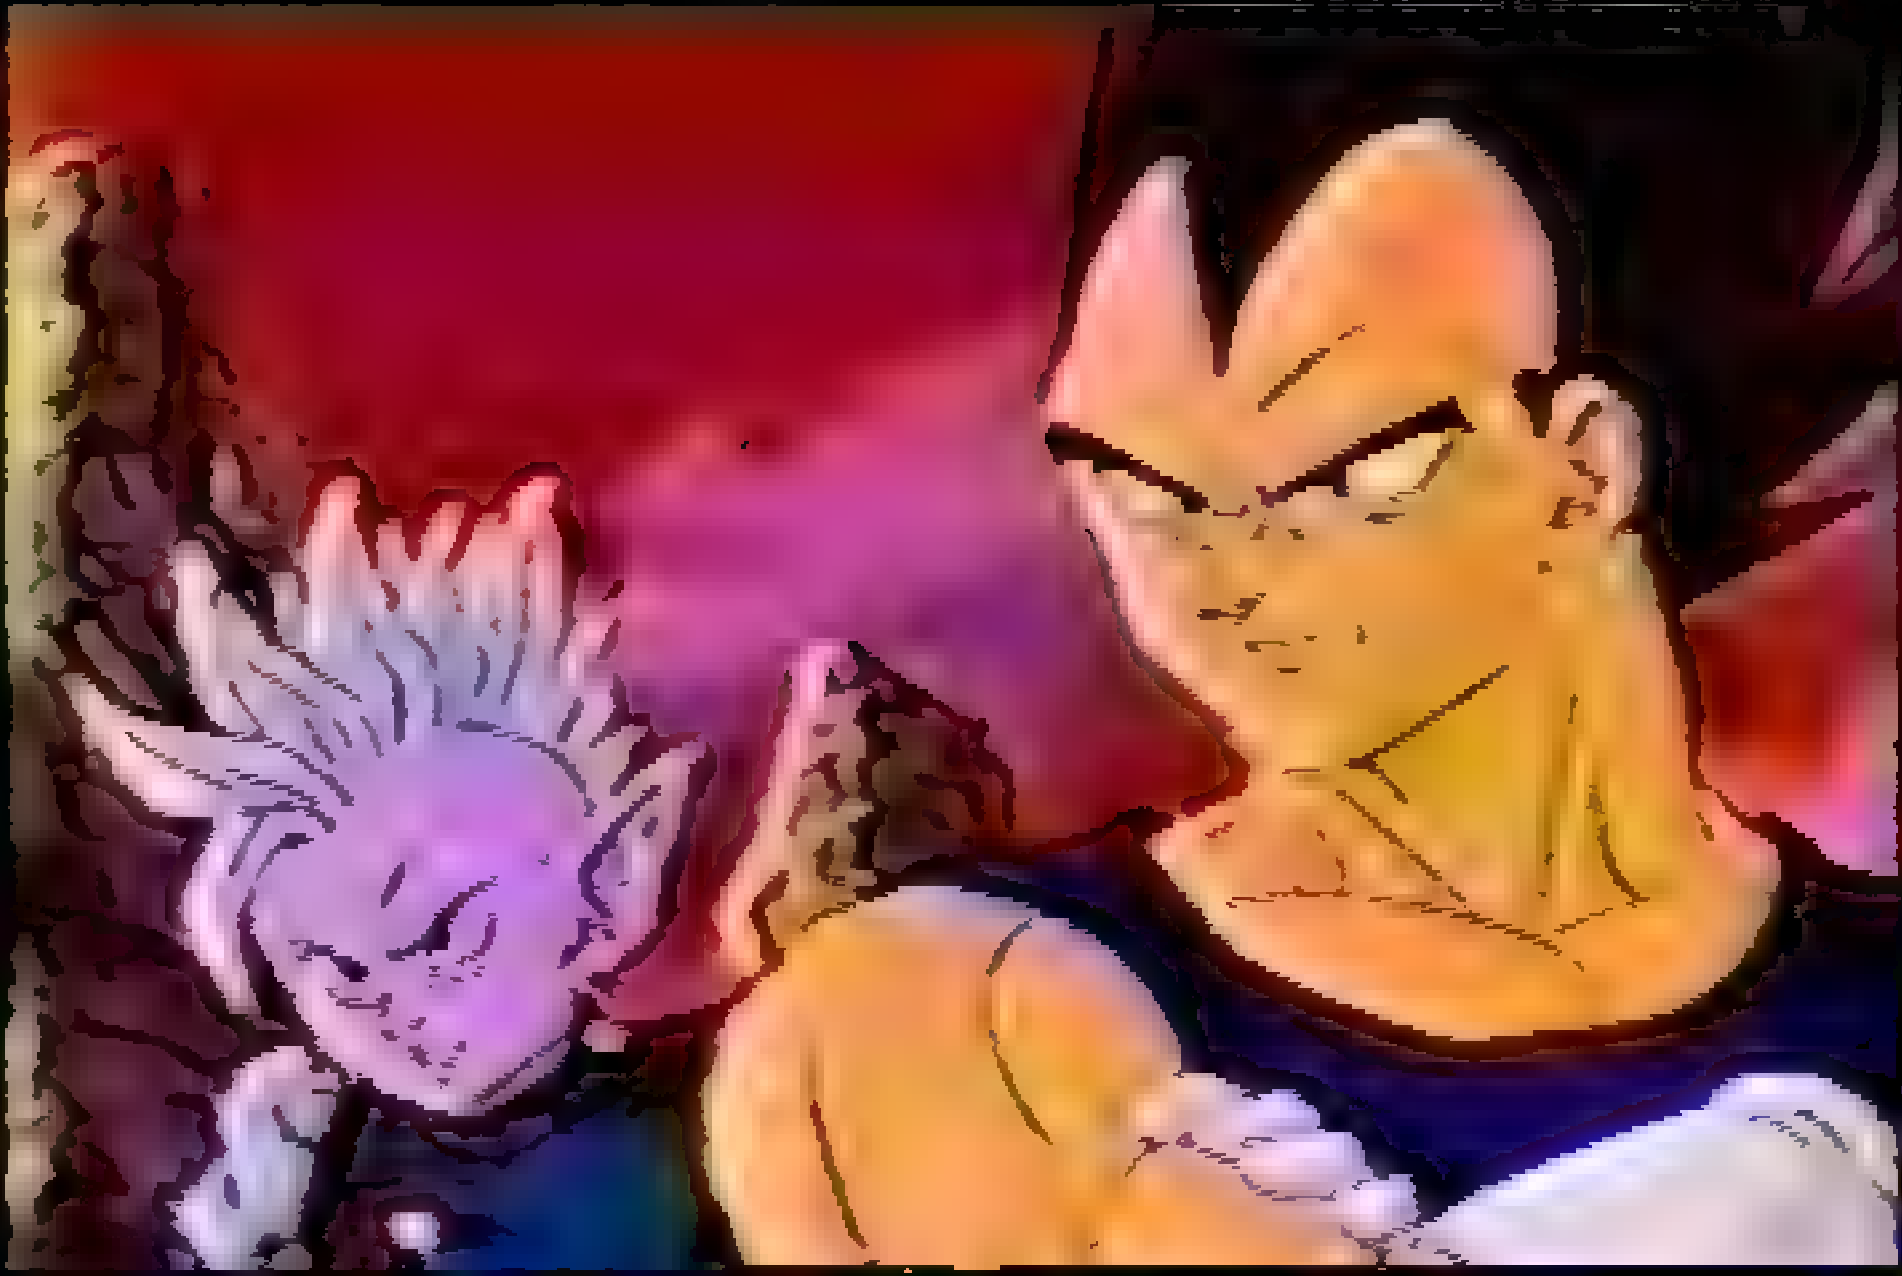

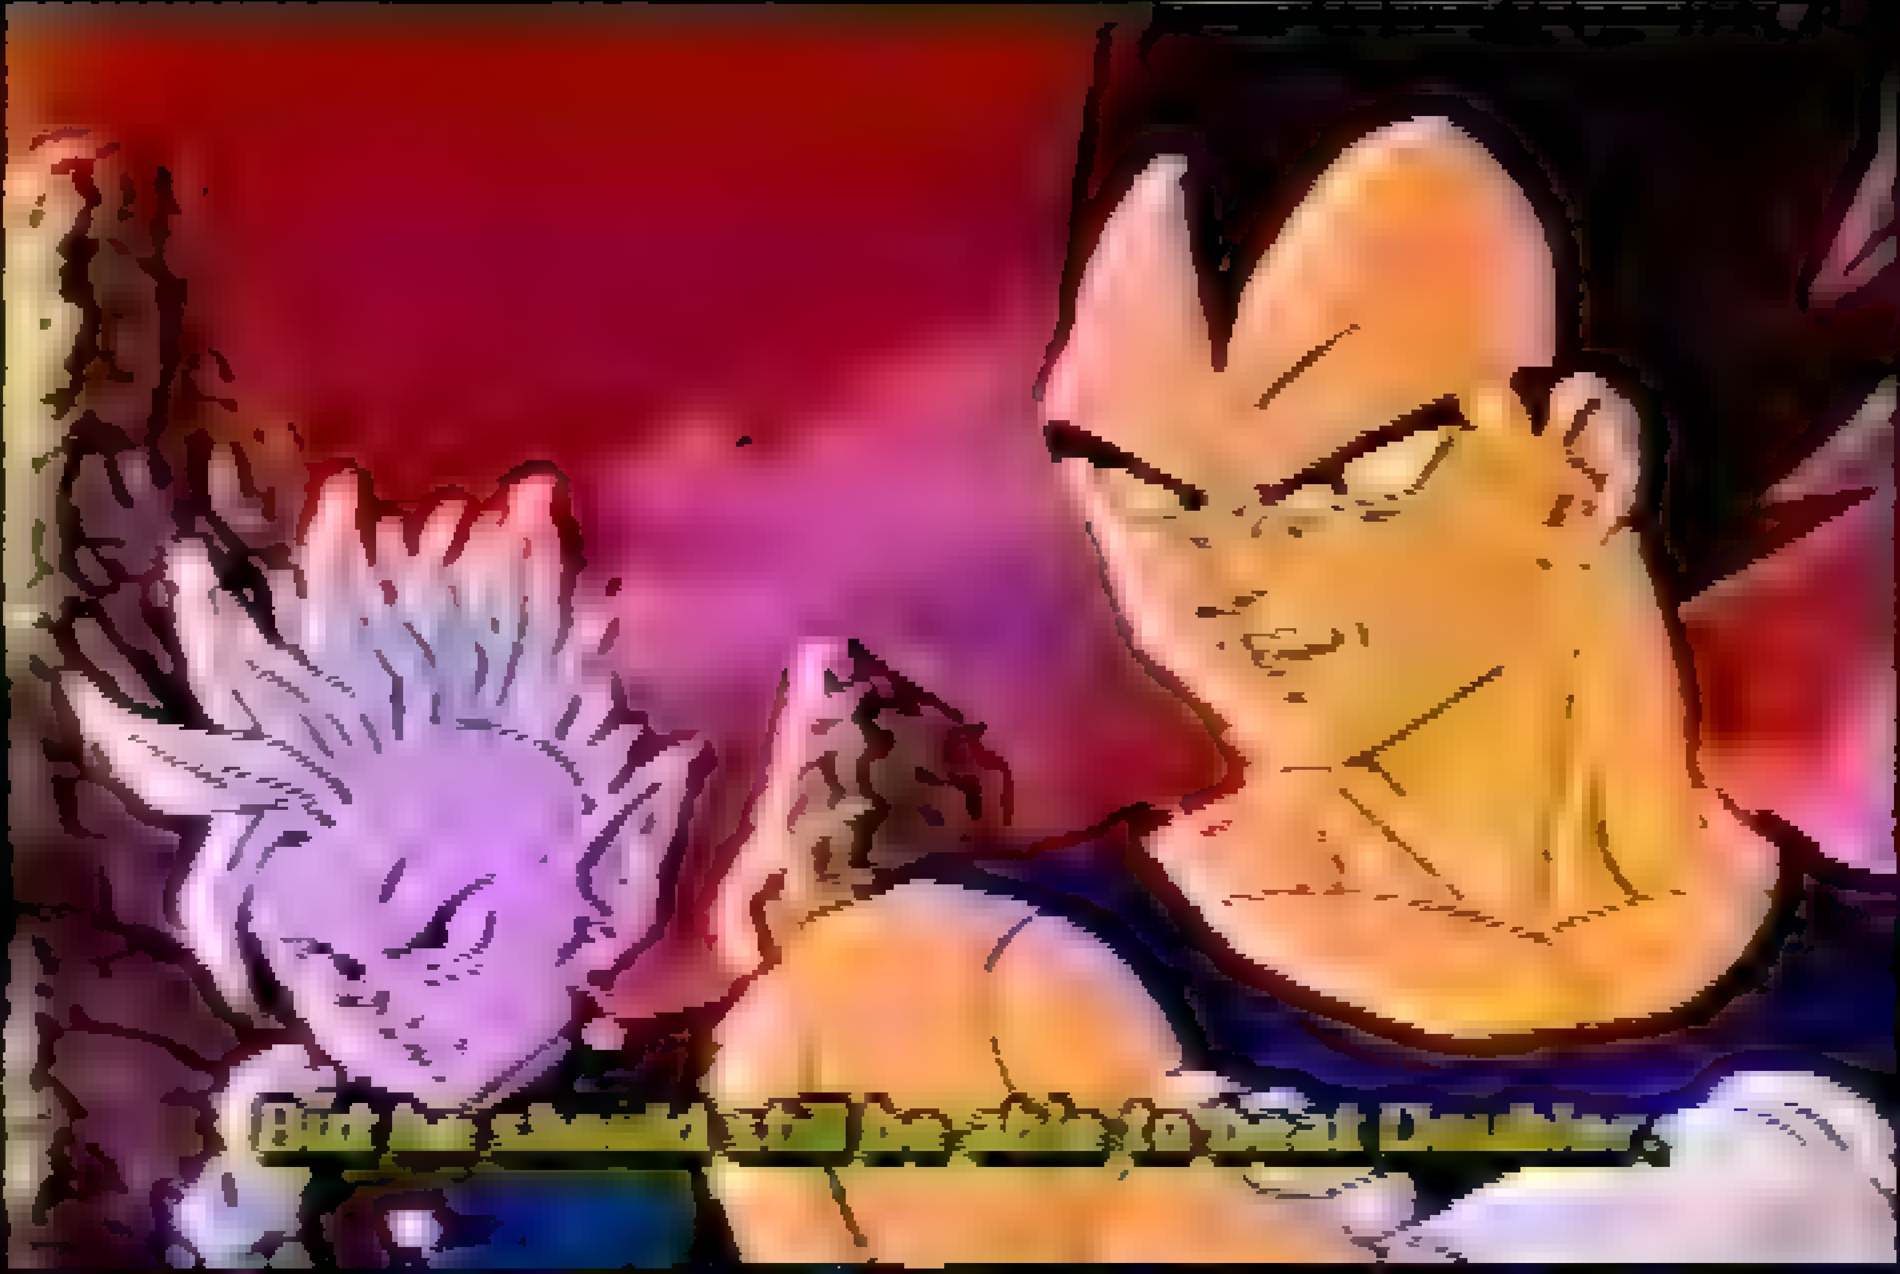

's a lot stronger than I thought

But he should still be able to beat Dabura.

But he should still be able to beat Dabura.

What a fool. He was stronger
than that when he was a kid.

What a fool. He was stronger
than that when he was a kid.

You're going to have to hurt me a lot more than that.

You're going to have to hurt him a lot more than that.

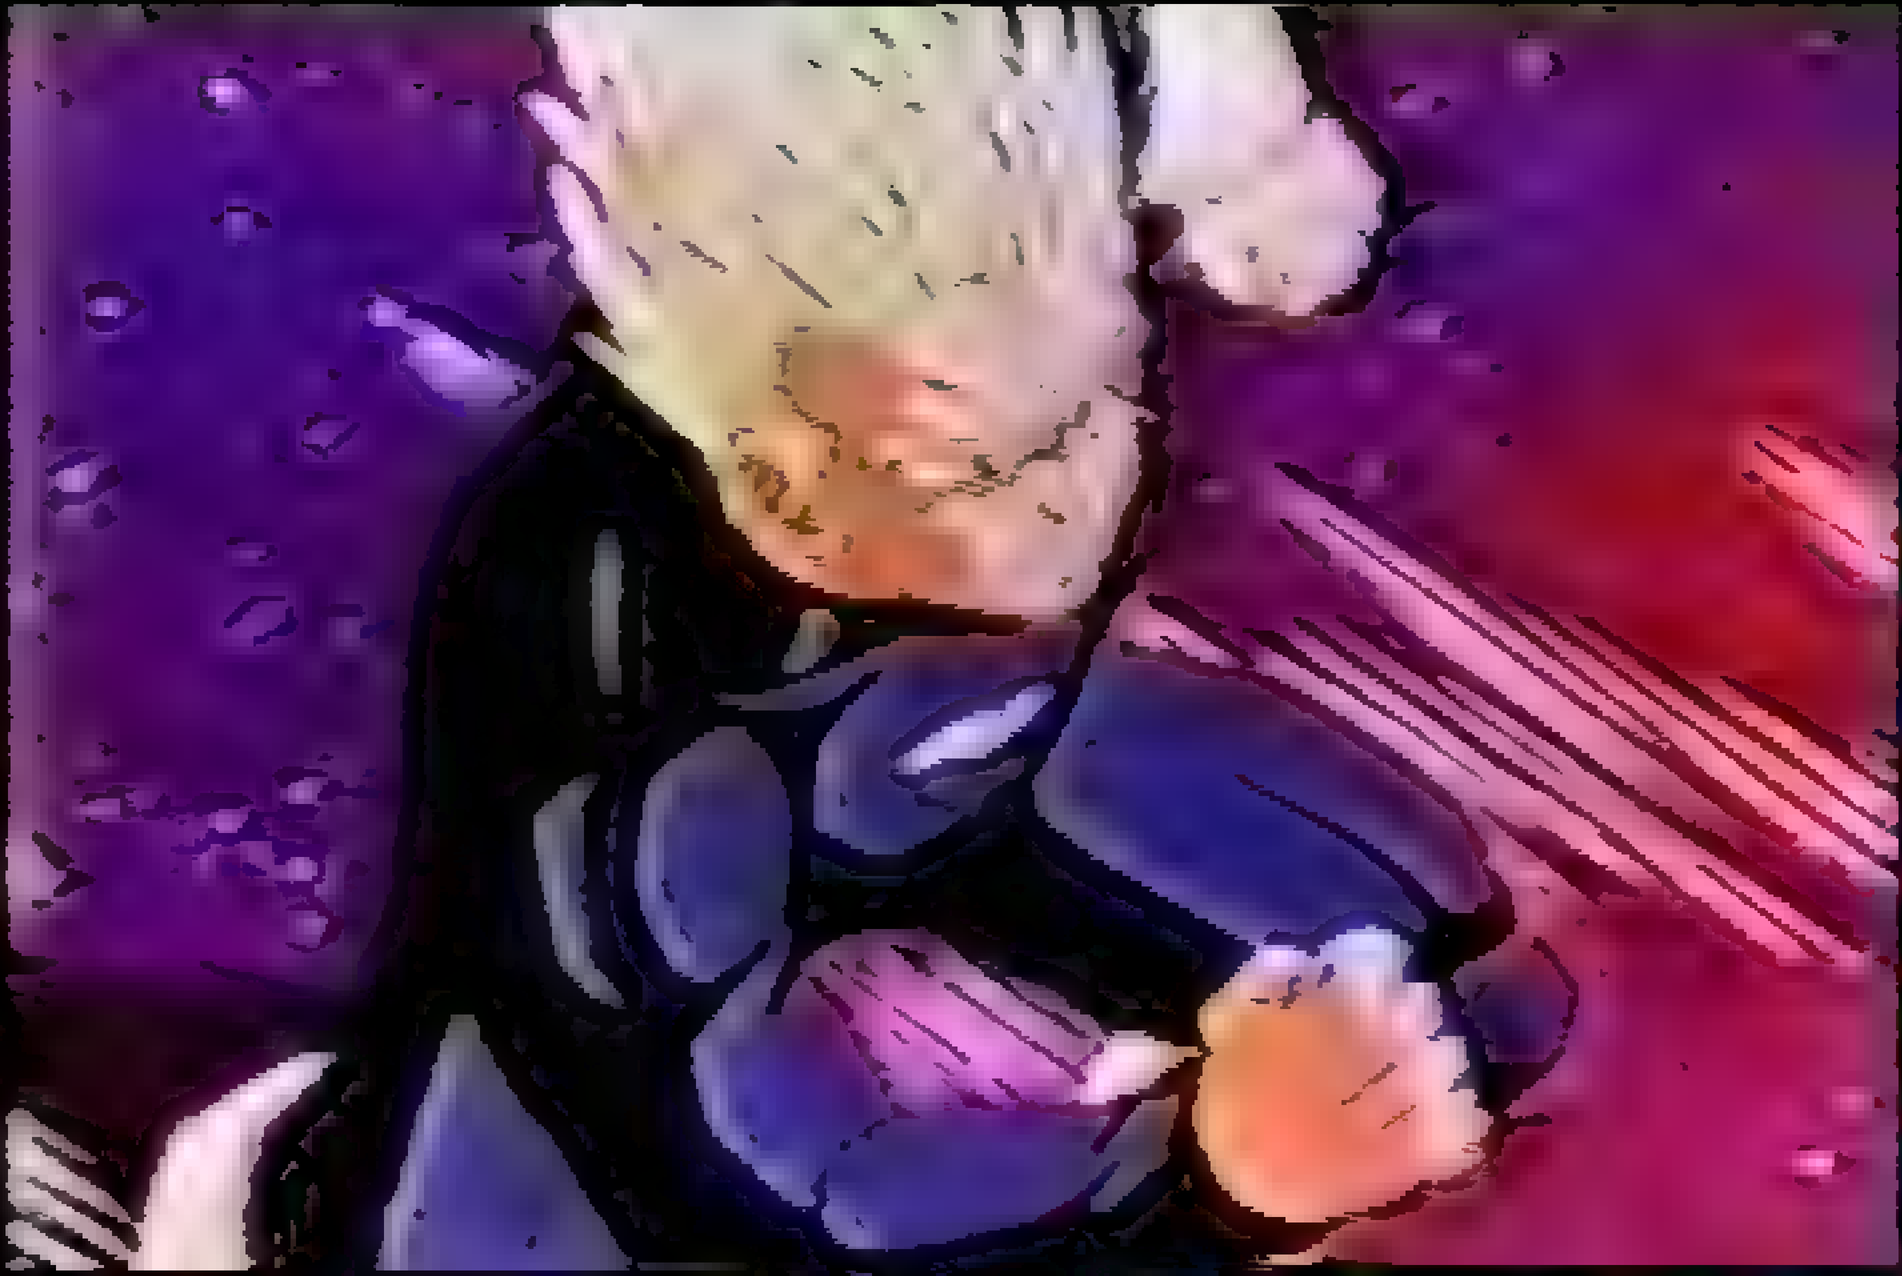

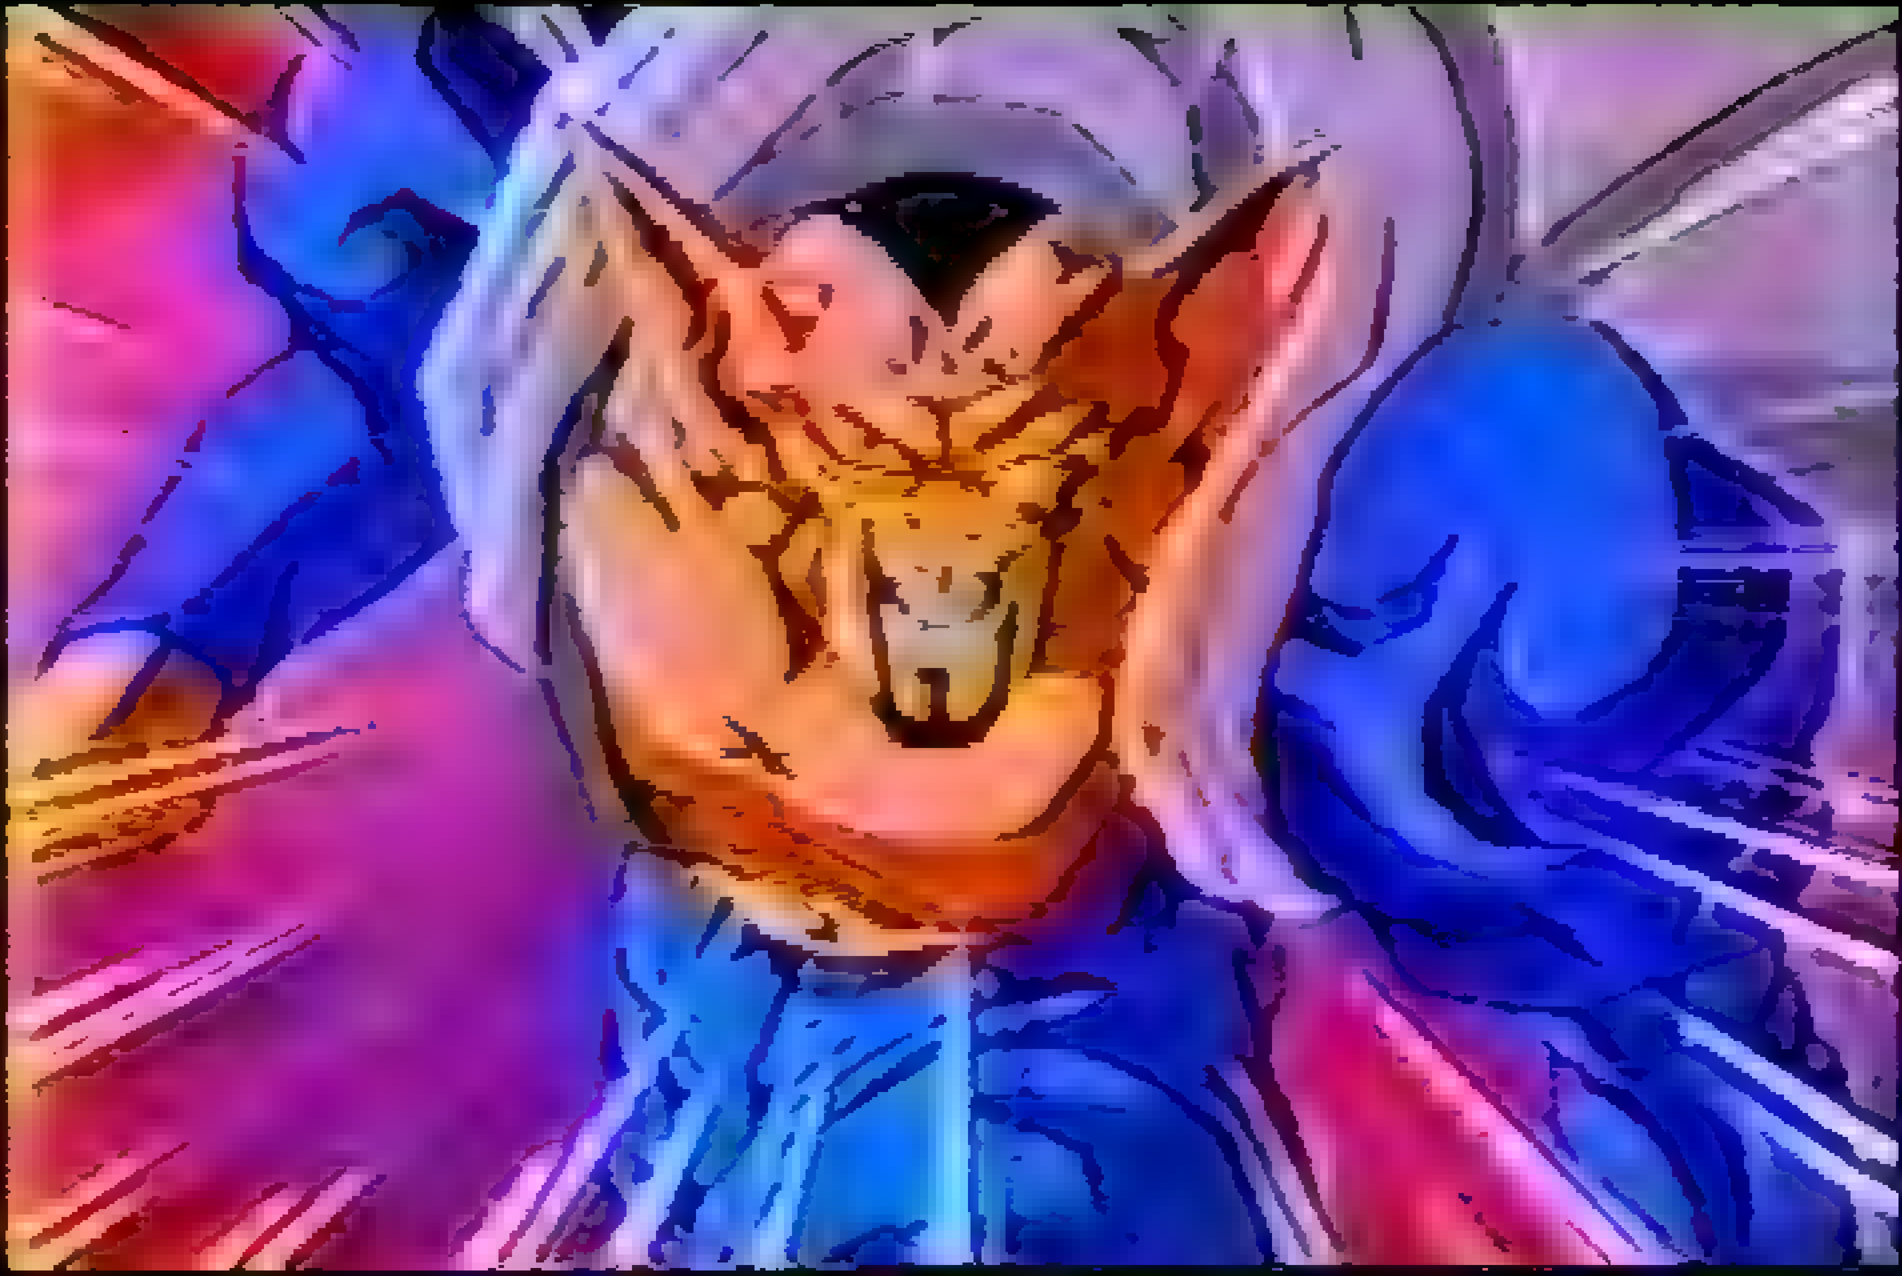

If only Majin Buu was resurrected,
they wouldn't bother me at all.

If only Majin Buu was resurrected,
they wouldn't bother me at all.

What does this mean?

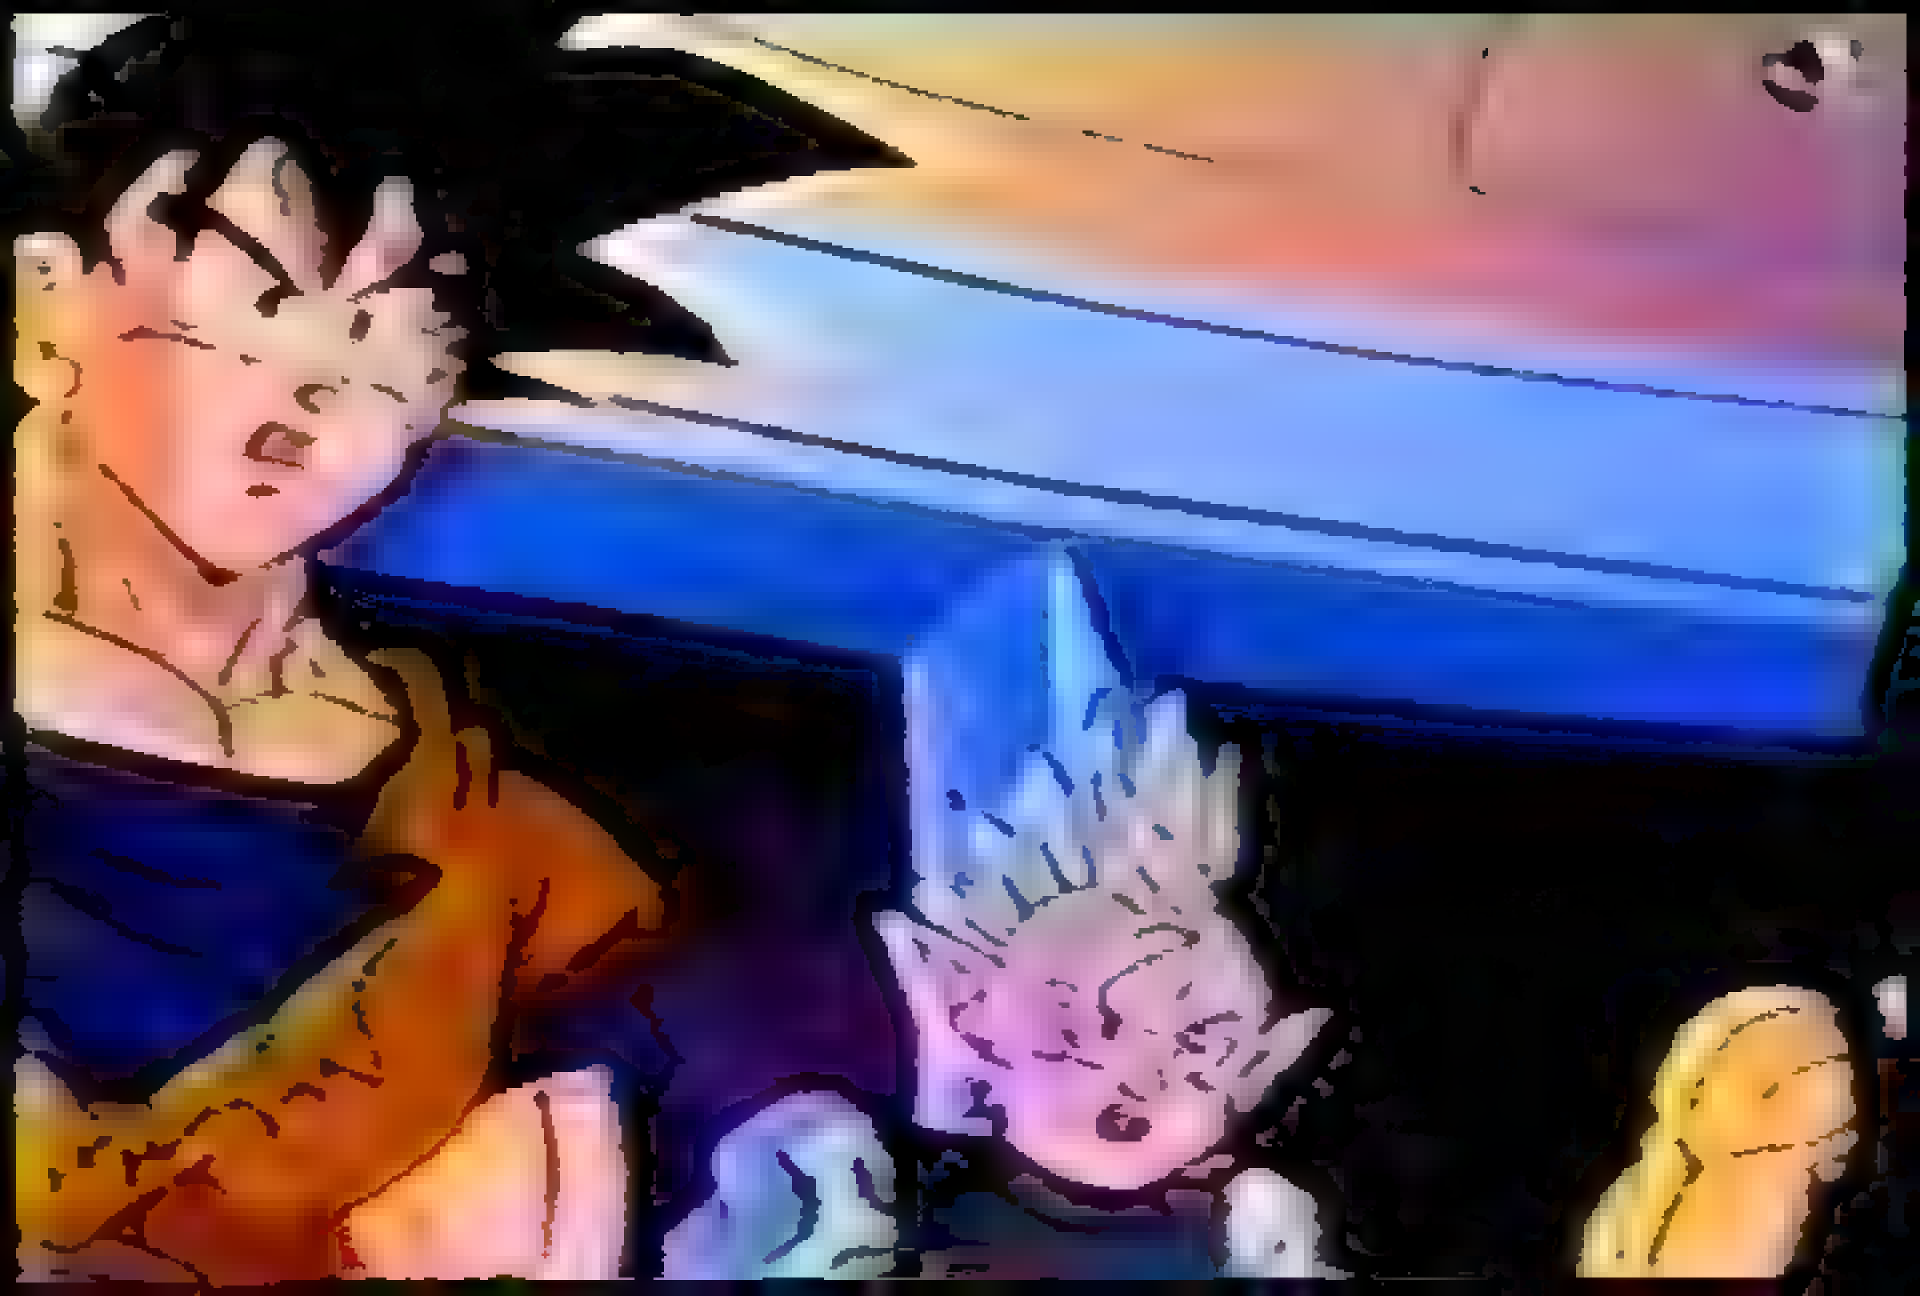

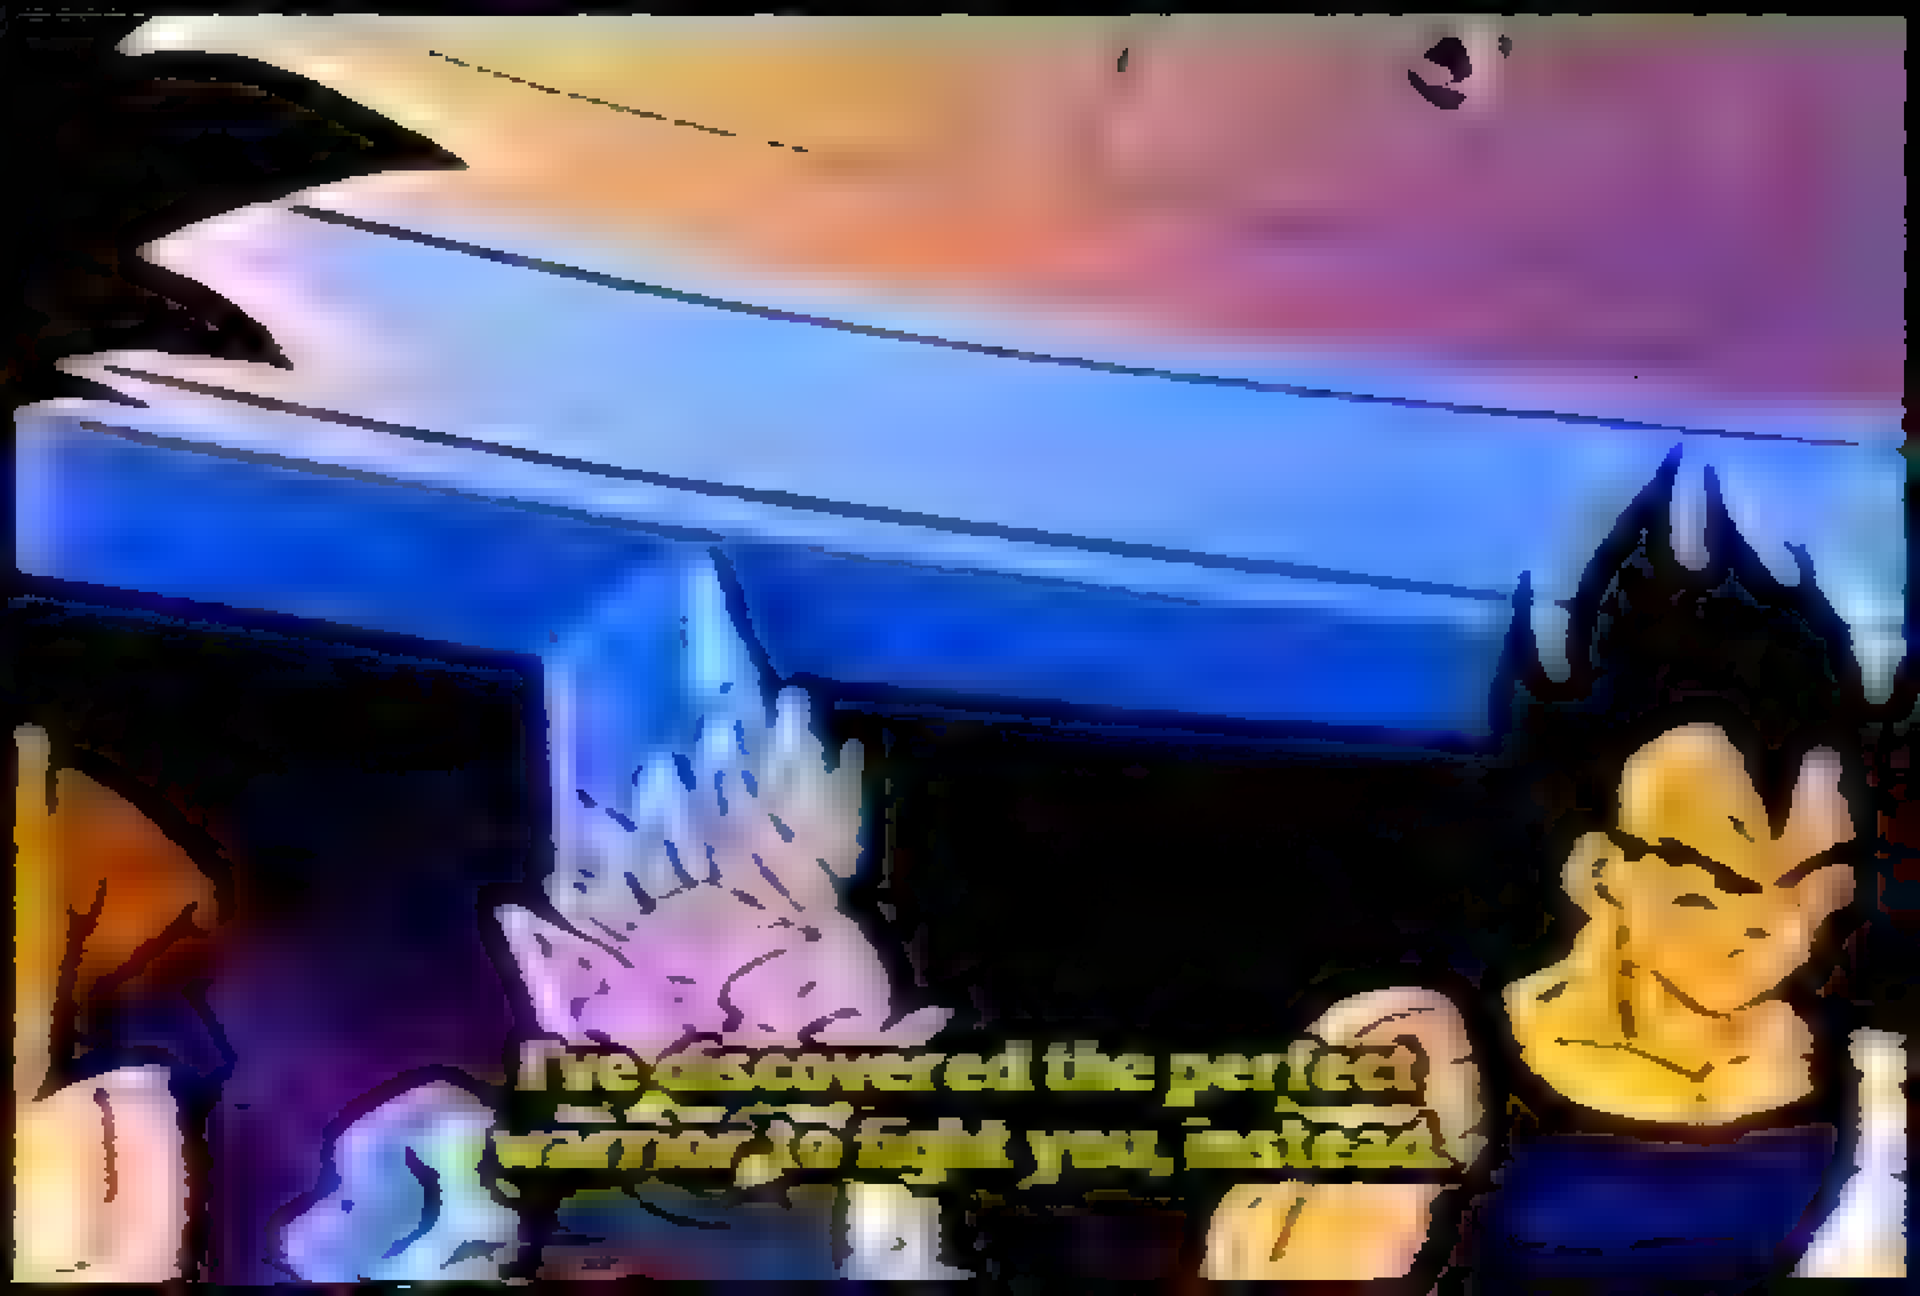

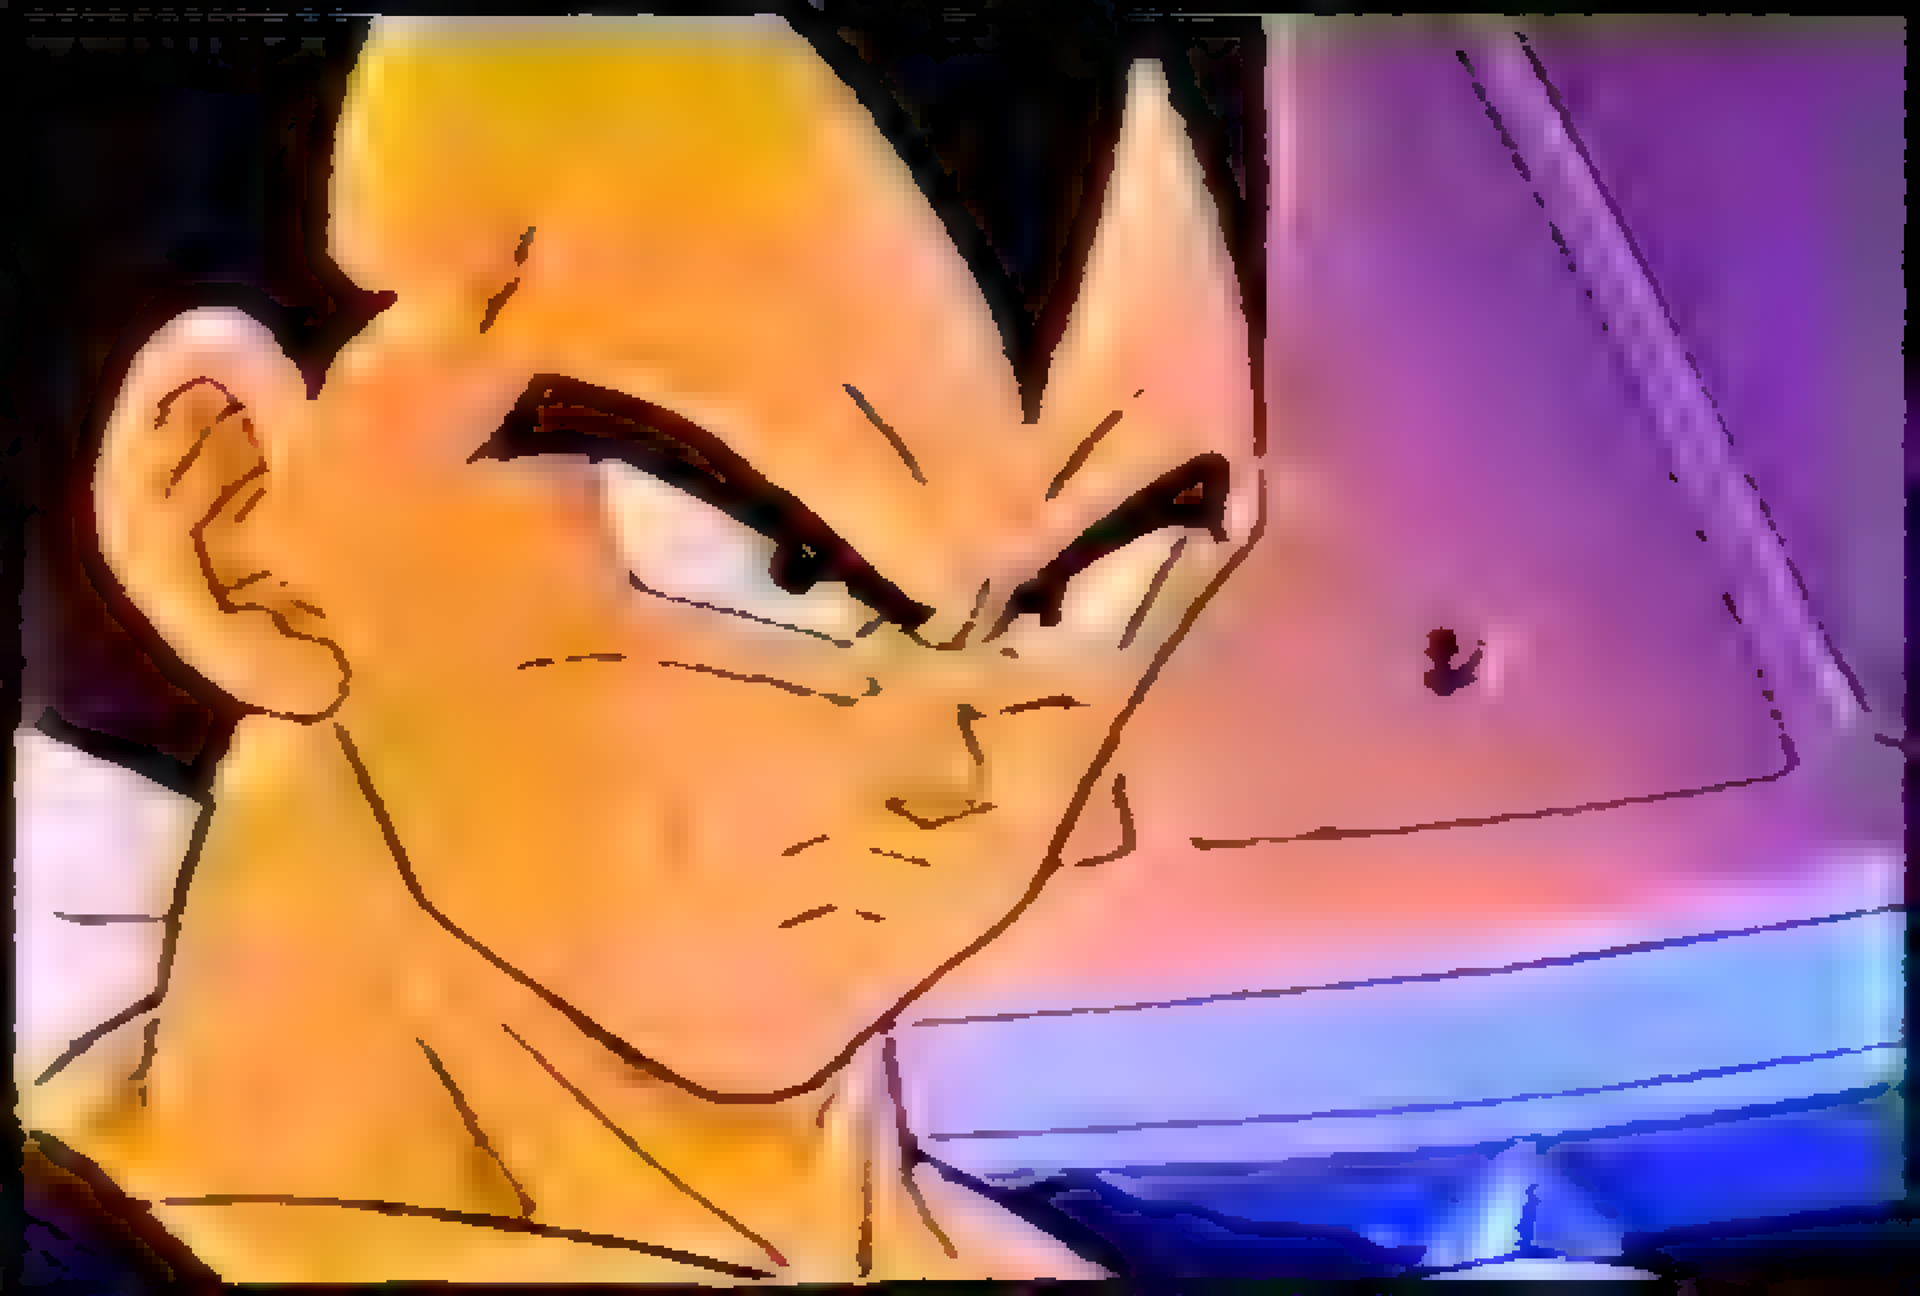

Run away?! No, I just don't need to lower myself to fight you any more.

Run away? No, I just don't need to

I've discovered the perfect
warrior to fight you, instead.

The perfect warrior to fight us?
What does he mean by that?

The perfect warrior to fight us?
What does he mean by that?

What are you up to

It'd better be a good discovery

You better not have become a friend of

You better not have become afraid of

You better not have become afraid of
those humans and come hiding back here.

King of Evil, Dabura, fears nothing.

The King of Evil, Dabler, fears nothing.

I hope so. So, tell me what your discovery is.

He should be evil enough for

themselves, and we'll get their energy.
